"A Different Breed of Tail Code"

by Norm Taylor

The following photographs are of aircraft assigned to the 3246th Test Wing, Eglin AFB, Florida and were taken on 26 June 1982. The Wing adopted "OT" as their tail code to represent "Operational Test". The tail band is black/white checks but an earlier marking was a diamond design.

1. F-15A-20-Mc (77-0150) by N. Taylor
2. F-16A-15CF (80-0551) by N. Taylor
3. A-10A (79-0715) by N. Taylor
