

Pumpkin

- 12 years old
- Loves to curl up on your lap
- Pumpkin prefers to be the only Pumpkin in the patch and would like there to be no other pets in the home

- This sweet girl is ready for a happy home and a happy life

- She's FIV+ and went through radiation treatment because of carcinoma, but she is now much stronger and healing beautifully. Though she's FIV+ she still has a normal life expectancy and lives a healthy life
