2021 Summer Travel Teams Northeast Ohio (NEO) Mighty Ducks

Man Up Lacrosse LLC is focused on having athletes develop their game year round to compete at the highest level possible. We believe that dedicated and relentless hard work will not only increase player fundamentals and athletic ability, but will also help these athletes grow as men and learn the true meaning of leadership. We will take this additional time over the summer months to work to make each player better than they were when they arrived. We are committed at Man Up Lacrosse LLC to do whatever it takes to not only grow the game of lacrosse in northeast Ohio, but to honor it as well.

Travel teams serve two main purposes. The first is to truly showcase each player's talent to college coaches in hopes to achieve a spot on a college roster or to earn an athletic scholarship. All attended tournaments will have numerous collegiate coaches on hand scouting for the upcoming years. The second reason is keep a stick in your sons' hand year round giving him a greater opportunity to become a better all around player.

Each team will be comprised of no more than 25 players and a minimum of two qualified coaches. Each team will have a minimum of 10 practices and will play a minimum of 14 games spread over three tournament events.

Three tournaments will be chosen for the 2021 Summer season.

Tournament 1 – An Ohio tournament will be chosen (Must take place between 6.10.21 – 7.29.21)

Tournament 2 – Great Lakes Lacrosse Classic (Mid July – Lansing, MI)

Tournament 3 – To Be Determined (Must take place between 6.10.21 – 7.29.21)

Expected Travel Teams for Summer 2021

"Varsity" Select Team: High School graduation years of 2022/2023

"Junior Varsity" 2023/2024/2025 Select Team: High School graduation years between 2023 – 2025

If enough players are interested, we will create a third team which will alter the aforementioned groups.

Team Try Outs: It is highly recommended to all players interested in playing on the Summer team play in our indoor leagues and simply notify one of the many coaches that you're interested. We will then use your time during these indoor leagues as your 'try out.' If the number of players interested in joining exceeds the number of roster spots available, a late Spring tryout would occur.

Cost to Participate: \$740 per player. This fee covers the costs of tournament fees, insurance fees, uniforms, field rental for practices, equipment overhead, and coaching staff. This fee does not cover, nor is Man Up Lacrosse responsible for, travel expenses of families or players. As of this point, Man Up lacrosse has the lowest cost for summer teams in the state of Ohio. Fee can be paid all at once or in two installments due no later than 3.30.20 and 5.30.20!

Interested? Let Us Know! If you're interested in playing for one of the tournament teams please fill out the questionnaire found on www.manuplacrosse.com. Simply click the "Tournament Teams" tab and submit. This will help immensely if you're playing in the Fall or Winter Man Up Leagues as coaches will have an opportunity to see you play prior to the try out date increasing your chances of making the final roster!
