

This is just one example of how crooked lawyers like Atty. William Gilmour aka Bill Gilmore bribe moderators or hire a hacker to delete negative or bombshell evidence that link them to big dollar scams, billing fraud, affairs, wife beating, drug abuse, their own arrests and convictions and even pedophilia or human/child trafficking. The reddit moderator was paid well to remove the bombshell emails that identified 5 long-time pedophiles and their source (the trafficker). Reddit has become an enabler to serious crimes.

This is a lawyer in Windsor Canada...

Scroll down and read the pieces of the pedophile puzzle that took more than 20 years to surface thanks to a hacker who published some bombshell emails at <http://pedophilelawyers.wordpress.com> . More details can be found at [r/crookedlawyers](#) and [r/courtroomcriminals](#), and [r/theontariolawsociety](#), and searching names of any lawyer at [legaljunkies.com](#) and [scam.com](#) and [realscam.com](#)

The hacked emails of Atty William Gilmour suggest he should have been arrested 7 years ago. Does his cozy relation as the lawyer for the Peel Regional Police Department, or an affair with a senior judge keep him out of jail? Why was the court file of August 14th, 2001 arrest in Brampton sealed?

You obviously got the wrong lawyer. The real Atty. William Gilmour from Brampton, Ontario died back in 2020, or so he says... <https://forum.legaljunkies.com/forum/attorneys-courts-litigation/attorneys-and-legal-ethics/88528-count-the-ethics-violations-of-solicitor-william-gilmour-in-this-law-society-complain?p=651666#post651666>

I read your post and I went to the link and I think maybe you did not see the comments underneath the gravestone graphic. This very clever scoundrel faked his own death to avoid prosecution in Florida for ripping off widows with estate and probate fraud. Of course, he is still very much alive.

Yes but... Anyone who reads the obituary carefully would notice that it was posted in 2021. Who waits a whole year after someone dies to publish their obituary. But I guess those old folks don't notice these sort of details.

It really doesn't matter how much time has passed because there is no specific criminal nor civil statute of limitation for sexual assault or even child abuse, if certain elements are involved like kidnapping, torture, cruelty. This explains how the Canadian law allows prosecution even decades after the assault took place <https://www.dsscrimlaw.com/2021/08/15/is-there-a-statute-of-limitations-for-certain-criminal-offences-in-canada/> And as you can see in the emails there were 9 different assaults going back to August 14, 2001 and the last was on July 9th, 2015.

Not exactly. That is 9 assaults, that we know of. How many assaults on kids did these 6 sickos get away with over the last 20 years that we don't know about???

UPDATE: Because Bill Gilmour claims that one of the 6 emails from Pedophile R is his client, he got the entire website taken down over client/lawyer privacy violation. I guess it doesn't matter that Gilmour is also R's "client". I don't disagree with lawyer/client privacy, but I think there should be exceptions if a lawyer and a client are committing crimes together - any crime, but especially such a serious crime.

I think that the privacy privilege should only apply to current cases where there has not been any verdict in a case yet, NOT crimes that happened 7 and 21 years ago and were covered up. I also think the Law Society is part of the problem too like this similar case <https://canlaw.com/law-society/pedophile-davidovic.html>

Someone deleted a very enlightening set of links here that exposed and itemized a 20 year criminal history of this lawyer William Gilmour. I cannot remember all the links that were here but the webs sites were-are:

legaljunkies.com

scam.com

worldlawdirect.com

realscam.com

Just go to those sites and search his name. But I do remember three reddit subs where he is a rising star;

[r/CrookedLawyers](https://www.reddit.com/r/CrookedLawyers)

[r/CourtroomCriminals](https://www.reddit.com/r/CourtroomCriminals)

But I think this here explains **why** these warning links about this shady lawyer keep disappearing

This Gilmour fellow is very resourceful but I think all of this will catch up with soon whether it be in Toronto, Florida, or New York. One of the links at legaljunkies had a victim list that was mostly single mothers or elderly people. But his scams are absolutely brilliant if you ask me. But the stuff mentioned in the emails is sickening. All in all, I guess you could say he is the lawyer from hell. Btw, is his real name Gilmore or Gilmour or are they both fake names?
