Waitlist Process

Applicants that are approved for the wait list are not guaranteed eligibility. A full eligibility determination through the application process will be completed at the time a unit is made available and applicant is selected. When a unit becomes available the next applicant on the waitlist for the appropriate unit size will be offered and the application process shall begin. All applicants on the waitlist will be in date order applicant is received and placed. Current residents approved to transfer will be placed on the waitlist if a unit is not available without preferential order. *Should an Accessible Unit become available the unit will be first offered to current residents then qualified applicants with a household member requiring accessibility features of the unit.

To be placed on the waitlist:

- Complete and submit application
- Management will conduct an interview to “prequalify” for the waiting list and to ensure that there are no obvious factors that would make applicant ineligible based on the current leasing criteria.
- If a preliminary screening indicates that a family may be eligible for tenancy, but units of appropriate size are not available, the application will be placed on the waitlist.
- Applicants who are obviously not eligible for tenancy will not be placed on the wait list.
- When a unit will be available in the near future, the “Community” will contact the first applicant on the waitlist for an interview. Notification will be made by mail or phone. If no response is received within 7 business days, applicant will be removed from the waitlist and the next applicant will be notified. If an applicant refuses the unit, they may remain on the waitlist for the next available qualifying unit. If an applicant refuses the second qualifying unit available, they may be removed from the waitlist and must complete the process from the beginning in order to be on the waitlist. At the point of acceptance, the applicant must move into the unit within 30-days.

If contact information is no longer valid or applicants fail to respond to contact within 7 business days, applicant(s) will be removed from the waitlist. It is the applicants’ responsibility to notify the community with any contact changes.

*Accessible units will be offered to those qualified in order of first, current tenants with disabilities currently residing in a non-accessible unit who has requested and requires the features of the unit. If no current tenants require the special features of the accessible unit, then the offer of the unit will be made to the next qualified applicant on the waiting list with a family member who needs the features of the accessible unit. If neither a current tenant nor a qualified applicant requires the features of the available accessible unit, then the unit will be offered to next qualified applicant on the waiting list.

LEASING CRITERIA

Woodbridge at Hampton Bays Apartments

This community utilizes a third-party service that conducts credit and criminal background investigations. Community management team members conduct all employer/income and rental verifications. The investigation is conducted on all adult (18 years of age or older) occupants. The investigations are based on information provided by the applicant and information that may be retrieved from credit agencies, employers, and Federal, State and Local agencies and other associated parties. In the event the application is rejected, the applicant will be notified verbally and in writing as to the reasons and the sources(s) of the information that resulted in the rejection. However, if the rejection is a result of the information provided by the applicant, we will only provide the results verbally unless the applicant makes a formal written request for information pertaining to the denial. In the case of roommates, information that we have obtained resulting in a rejection can only be released to the party whose investigation causes the rejection. **A security deposit will be required from all applicants and multiple adult applicants will require additional application fees.**

Criteria:

1. No history of major lease violations with current or previous landlord; nonpayment of rent, illegal activities by household members, unauthorized occupants or pets. Housing court history, past or pending landlord-tenant proceedings, or lack of rental history will not be considered.

Any conviction involved in the production of methamphetamine or requires a lifetime registrant on the sex offender registry will result in automatic denial of application. Each applicant with criminal convictions will be assessed on a case by case basis. Crimes for which the applicant has been convicted and recent pending arrest will be considered. Assessment will evaluate how much time has elapsed since criminal conviction, age at time of conviction, seriousness of conviction and any rehabilitative actions and good conduct since conviction. The standards to approving or denying eligibility will be: 1) is applicant a detriment to the health or safety of the residents and community; 2) a source of danger to the peaceful occupation of other residents, 3) a source of danger or cause of damage to residents, personnel, property or the premises. *The fact that we perform criminal background checks does not mean that our residents and occupants have no prior or current criminal histories. We cannot and do not guarantee that this community and its residents are free from crime. Verification of the accuracy of information supplied to or made available to us by applicants and credit reporting services is limited.*
3. † All members of the household must be 55 years of age or older. All applicants must provide one US government issued photo identification, birth certificate and one of the following: valid Social Security Number; Form I-94 Arrival-Departure Record with proper annotations; Temporary resident alien card verifying approved entry by US government (I-94W); I-551 Permanent Resident Card; Form I-668 Temporary Resident Card; or Form I-688A Employment Authorization Card.
4. 6 months verifiable employment history or verifiable income/assets. Applicants receiving SS, SSI, pension or disability are excluded from the employment requirement, but must provide documentation to verify these benefits. (Verifiable income source includes check stubs, W2s, verification from employer or government entity. If self-employed, applicant must produce Tax Return with Schedule C, financial statements from business, or profit/loss statement with back up.)
5. At least 75% of trades rated positively by the credit bureau (rating of 1, 2 or 3) for the past 3 years. Medical, student loans and 0 rated trades are excluded. The presence of utility collection accounts will require verification of balance paid in full before approval can be considered. Credit portion of the criteria is considered to be met with demonstration that all rent and other amounts due were paid in full and on time during each of the preceding 12 months. Any bankruptcy, delinquencies, collections, liens or money judgments of applicable debt within the preceding 12 months may be reviewed for consideration of qualified mitigating factors.

Leasing Criteria Pg 2

6. Minimum monthly verifiable gross income must be at least 2 times the monthly rental rate. Applicants receiving approved and verifiable rental assistance will require a minimum monthly gross income of 2 times resident portion of rent. Maximum gross income, which includes all income sources, cannot exceed LIHTC schedule, which is based on household size.
7. Households comprised of all students, full time or part time, are not eligible unless they meet the student eligibility requirements under the LIHTC and HOME affordability program. Student rule exceptions are available upon request.
8. NYSHFA requires that all original applicants for residency must provide a copy of their latest 1040 Federal Income Tax Return when certifying their income. This requirement will be waived if the applicant is not required to file a tax return but must sign an affidavit stating that a tax return is not required to be filed and has not been filed for the most recent year.
