Cửa nhôm màu trắng trang trọng và lịch sự

What parts does the white xingfa aluminum door include?

The white xingfa aluminum door has the following basic structure:

- Aluminum frame: Xingfa aluminum door frame includes profile bars with thickness from 1.4 to 2 cups assembled together. To increase the durability of the door frame, people often use aluminum systems such as 55, 63, 93 to assemble the door frame.
- Toughened glass: This is a special feature of the product, tempered glass aluminum doors with transparent properties will bring airy space for the whole building.

- Accessories: white xingfa aluminum doors use all Kinlong accessories to ensure the safety of the work. **cửa nhôm vietphapgroup** is one of the famous brands specializing in providing equipment and accessories for installing modern aluminum doors.

What are the advantages of white xingfa aluminum doors?

Aluminum door system has high durability, ensuring safety. Good sound and heat insulation ensures a separate space for every family.

- Products with white color help the project become more luxurious and polite. So this product is very suitable for projects with modern style.
- Easy to combine with many different interiors: the simplicity of the product helps you to arrange the interior easily and becomes the choice for every project.
- Easy cleaning: the surface of the xingfa aluminum door is white, so many people mistakenly think that it will be difficult to clean. However, the fact that the product is electrostatically painted makes the smooth surface difficult to attract dust. Not only that, this powder coating layer also helps to protect the door from rust and oxidation, preserving the aesthetic beauty of the whole building.
- Diverse designs can design many different styles of opening doors such as: swing open, slide open, flip open, slide folding.

Are white xingfa aluminum doors expensive?

The price of white xingfa aluminum doors is very diverse, the actual price of the product depends on many factors such as **cửa nhôm vietphapgroup**

Our company has preferential sales policies [Báo giá cửa nhôm xingfa \(tháng 6/2022\)](#)
