

Royal Decree 2020/171

of the 26th of May, by which the Imperial Cabinet of Ministries authorises the establishment of permanent diplomatic relations with the Empire of Tamriel.

BE IT ENACTED by Her Royal Majesty, Queen Eleanor IV of the Britannic Realm, by and with the advice and consent of the Lords and Ladies of this present Cabinet assembled, and by the authority of the same, as follows:

Royal Decree 2020/171 of the 26th of May, by which the Imperial Cabinet of Ministries authorises the establishment of permanent diplomatic relations with the Empire of Tamriel. In doing so, the Imperial Union of Britannia shall establish an embassy to house said delegation in the Imperial City, capital of the Empire of Tamriel, and hereby authorises the reciprocated construction of a Tamrielian embassy in the capital city of the Union of Britannia, Valtoria.

Article I.

The Imperial Union of Britannia deposits the competence of organising the permanent diplomatic mission to Tamriel to the Imperial Foreign Office. This office may delegate its competence into directorate generals and bureaus as it sees fit.

Article II.

1. The Imperial Foreign Office delegates the competence of selection of ambassador and maintenance of foreign missions to the Foreign Missions Directorate General of the Diplomatic Cooperation Initiative, as per Ministerial Direction 1952/1147 of the 21st of November.
2. The Diplomatic Cooperation Initiative appoints Honourable Ambassador Dame Lily Powell as representative of the Imperial Union of Britannia to Tamriel.
3. The Diplomatic Cooperation Initiative appoints diplomatic staff to the permanent mission, which shall consist of: [2] Legal Attaché, [3] Economic & Trade Attaché, [2] Cultural Attaché, [1] Defence Attaché, [1] Charge d’Affaire.
4. The Diplomatic Cooperation Initiative appoints administrative staff to the permanent mission, which shall consist of: [5] Personal Secretaries of Ambassador & Diplomatic Staff, [5] Councillor’s Staff, [1] Official Embassy Press Spokesperson, [2] Diplomatic Cooperation Initiative Liaison Officers, [4] Medical Staff, [4] Chef & Staff, [10] Other.

5. The Diplomatic Cooperation Initiative, in conjunction with the National Security Service, attaches a security detail to the permanent mission, which shall consist of: [10] Ambassadorial Guard. Additional defence equipment will be attached to this security detail and will consist of: [10] EPS-1 9x19mm pistol; [10] L1 tasers; [10] 4N2 *Cyclone* carbine.
 - a. The Imperial Foreign Office feels the need to iterate that it is understood, by the regulations set forth by the Ministry of Foreign Affairs of the Empire of Tamriel, that each security officer will be allowed one such weapon; as such, the Diplomatic Cooperation Initiative, in cooperation with the National Security Service, has acted accordingly. Should this not be the case, the Imperial Foreign Office is open to rectifying any and all issues that may arise from this allocation of resources.
 - b. Furthermore, it is believed that the specifications of the '*Cyclone*' carbine fit the maximum specifications for the rifle allocation of the Empire of Tamriel's embassy programme. Should this not be the case, please do not hesitate to communicate this to the Imperial Foreign Office.

Article III.

In accordance with Ministerial Direction 1952/1147, Article X, which states: 'Should the Imperial Union of Britannia approve the establishment of an embassy abroad and the host country in question approves this diplomatic request and proceedings to initiate the construction of the diplomatic mission in the country have begun, and in the event that following thirty natural days, the Principle of Reciprocity has not been adhered to or their intention to do so been guaranteed by the government or appropriate authorities of the host country, the diplomatic mission shall be considered null and void and all Imperial delegators are to return effective immediately to the Imperial Union of Britannia,' the Imperial Foreign Office requests that the Ministry of Foreign Affairs of Tamriel adhere to the Principle of Reciprocity and present an official application to establish an embassy in the Britannic capital of Valtoria.

Article IV.

Any and all future agreements agreed upon by diplomatic representatives of Tamriel and the Imperial Union of Britannia must be presented before the Cabinet of Ministries for official approval by a Royal Decree, as determined by Imperial Law.

Article V.

The Diplomatic Cooperation Initiative, Imperial Foreign Office, and Cabinet of Ministries hereby reserve the right to modify and/or terminate this Royal Decree by any means permitted by the Law, if and when it should be deemed necessary or favourable for the Imperial Union of Britannia.
