CREATIVELY CREATING

The Pre Release is a creative media agency focusing on brand growth and development for innovative businesses through unique, fresh and interactive marketing and business solutions. We specialize in offering creative and groundbreaking graphic design and business development services. We understand the importance of branding and know that your image is a vital part of your business thus our philosophy demands that we set global standards for client and business interaction without dimming our African roots. Our sole purpose is to grow brands into the global competitors. The growth of the brands we work with is the growth of our company.
