High Five Events is proud to be the organiser of this 3rd edition of the World Corporate Champions Cup™. On behalf of the entire organising committee, we wish you a very successful tournament, but most importantly to embrace the FIFCO values, by discovering this great nation and making new friends.

## HOST CITY

Dubai, city and capital of the Emirate of Dubai, one of the wealthiest of the seven emirates that constitute the federation of the United Arab Emirates.

In recent years Dubai has been compared to Singapore and Hong Kong and is often regarded as the Middle East's premier city. Dubai is a city of skyscrapers, ports, and beaches, where big business takes place alongside sun-seeking tourism. Dubai straddles a natural inlet called Dubai Creek on the southern shores of the Persian Gulf. For more than a century, the area was Dubai's centre, because of the early city's reliance on fishing, pearl diving, and maritime trade.

Football is one of the most popular sports in Dubai. It enjoys great popularity making this country the perfect destination to host the World Corporate Champions Cup™ 2021.
