Author Bio

Ekaterina Mironova

Author Biograh: Ekaterina Mironova is a co-founder of CBD Life Mag and an avid blogger on the Hemp, CBD and fashion subjects. Ekaterina is also on the panel of the CBD reviewers and she most enjoys CBD gummies. Ekaterina has developed a real interest in CBD products after she started taking CBD tincture oil to help her ease her anxiety that was part-and-parcel of her quick-paced city career. When Ekaterina realised just how effective CBD is, she has founded CBD Life Magazine along with some of her friends.

When she is not blogging, you are likely to see Ekaterina in front of her souped up Alienware laptop gaming or delving into the world of Cryptocurrency. Ekaterina also boasts a very large collection of Penny Black Posts stamps and silver hammered Medieval coins. Ekaterina's other interest include swimming, painting, traveling, shopping, spending a good time with her friends and helping animals in need.

Ekaterina has featured in some of the leading publications such as Vanity Fair, Country Living, Vogue, Elle, New York Times and others.
