Voke Summons MBTA To Charlestown Meeting

Representative Richard Voke has summonsed officials from the MBTA to a public meeting to be held next Monday, June 11, 1979 at 7:30 p.m. at the American Legion Hall, 27 Chestnut Street.

In announcing the meeting, Rep. Voke challenged the MBTA to come to Charlestown and respond to the complaints about poor service and to the concern for the continuation of the downtown bus run. When Richard was asked why he felt this meeting was necessary, he said "I want some of those bureaucrats who think they're running an efficient mass transit system to come out from behind their desks and into this community so they can hear first hand of the many problems we've been having here in Charlestown. After all, the people in this town are paying a lot of money to the MBTA for fares and through their tax dollars; yet, the community has not been getting the service it deserves."

As for the issue of the downtown service on the Main Street and Bunker Hill Street bus routes, Rep. Voke reports that thus far the MBTA has not agreed to continue the downtown service after September 8, 1979, although he has been negotiating with the "T" to extend that service. "It would certainly help our cause if everyone who has contacted my office inquiring about the downtown service could come to the meeting and declare their support for the downtown run directly to the MBTA," said Rep. Voke. "If we can demonstrate to the "T" that there is a tremendous public demand for the downtown service, then we will be one step closer to convincing them to continue it."

The format for the meeting will be informal and everyone will be encouraged to participate—so please come and make yourself heard. This may be our best chance to improve MBTA service in Charlestown.

MacDonald Promoted To Deputy

District 15 Captain William MacDonald has been promoted to the position of Deputy Superintendent and Commander of Area A, effective June 12, 1979. MacDonald will be serving the Charlestown and East Boston area.

Bureau of Field Services. A successor for MacDonald has not yet been chosen.

A resident of West Roxbury, MacDonald has served as Police Captain of Charlestown four years. He has been a member of the Boston Police Department 30 years.

A PROFESSIONALLY HANDLED SALE

It all starts with the right price: A price that gives the owner a fair return on years of maintenance and tax paying; a price that attracts a buyer in the time available to the owner for completing the sale.

Next comes careful listing methods to avoid problems over when the home is available, what is included, when tenants' leases are up, operating expenses, rents, etc.

Next is advertising that attracts buyers: For Sale signs, classified and magazine ads to offer the home to the greatest number of buyers.

Then comes qualified buyers: Prospective buyers whose housing desires and financial abilities are matched to a particular home.

Then, showing and selling the home: Calling ahead, notifying the tenants; emphasizing the homes most saleable aspects.

Negotiation and contracts complete the sale. Helping the buyer get his mortgage ties it up.

Add it all up and you have a professionally handled sale.

Before you put your house on the market give us a call. We'll answer your questions about how we'll handle the sale of your home, to get the best price without the headaches. Call JOEL CLAYDON at:

Attend Washington Conference On Elderly

AT WASHINGTON CONFERENCE: Charlestown residents Helen Lawler and Ethel Hazelton are shown at a meeting with Representative Thomas P. O'Neill, Jr., Speaker of the U.S. House of Representatives during the recent Congressional Senior Interns Program held in Washington, D.C. Shown (l.to r.) Ethel Hazelton, Speaker O'Neill and Helen Lawler.

For Helen Lawler and Ethel Hazelton it was a chance to see the inner workings of a powerful congressional office.

Last month the two Charlestown women were interns in the office of Rep. Thomas P. O'Neill, Speaker of the U.S. House of Representatives.

Lawlor, 63, and Hazelton, 66, joined 163 other senior citizen interns from 34 states and the District of Columbia for 12 days of seminars and briefings on legislation and federal programs affecting the elderly.

The highlight of the program was a meeting with President Jimmy Carter in the White House Rose Garden.

"He was great," Lawler said. "I couldn't wait to get home with his picture. He's much slighter in person than he is on television."

The Congressional Senior Interns Program began in 1973 with four congressional offices and nine interns.

This year the group met with House and Senate committees on the aging, the federal agencies that serve senior citizens and private groups that lobby for legislation to benefit the elderly.

In their spare time the interns worked in the congressional offices assisting with legislation and constituent service.

Each year O'Neill chooses an intern from a different part of the district. Last year the intern was from Somerville and next year one will be chosen from Brighton.

Usually there is only one intern to an office, but Lawler asked to bring along her friend, Ethel, and Congressman O'Neill's office agreed.

Lawler is an elderly affairs coordinator at the Kent Community School and Hazelton is a volunteer there.

Lawler said she was reassured by everyone that elderly programs would not be cut. She

found they don't have anywhere near the service for the elderly that we do here. For instance there are no buses in rural areas to take elderly people to stores or to the doctor."

Lawler said she enjoyed the internship thoroughly. She said the toughest part was walking from one building to another for all the meetings.

"One man put a device on his

leg to measure all that walking. By the end of the program he had gone 65 miles," she said. "But it was worth it. Each meeting was more interesting than the one before it."

The 1979 Columbus Award in Sports for spirit, desire, and determination was presented to C.C. Freshman Ronny Curry.

Knights Knots

by Charlie McGonagle

More than a week before the final Supper Club gathering for this season, all one hundred thirty tickets had been sold. Had there been more room in the Council Chambers, there may have been fifty to sixty more gentlemen in attendance.

They were gathering, not only to enjoy a Prime Rib of Beef Dinner and an evening of socializing with friends but to honor a fellow member who had contributed a great deal of time and effort toward the betterment of Bunker Hill Council, Number 62, during the past year.

The annual "Knight Of The Year" Award is presented each Spring to a Brother Knight who best fits this description.

The inimitable Fran Wiemert, who is best remembered for making a damn fool of himself on T.V.'s Community Auditions more than twenty years ago, manned the microphone for the presentation.

Fran's T.V. appearance of more than two decades ago proves that brilliant performances are remembered for years, but catastrophes live forever.

Fran, who was a student at Saint Catherine's School when he made his historic appearance on the tube, approached the Kindergarten Teacher on the Monday Morning following the T.V. Show. In his hand he held several pre-addressed post cards on which the number of his act would be written.

CYHA News

At the May meeting of the C.Y.H.A. a new board was elected and installed. The Board for the coming season will be as follows: Matty O'Neil, President; "Froggie" Groatorex, V.P.; Joe Vraibel, Player Rep.; Joe Fleming, Treasurer, Gerry MacIntosh, Equipment Manager; John Farley, Ice Coordinator; and Jessie O'Neil, Recording Secretary.

At the May 29th meeting of the Board, it was decided to interview all prospective coaches. The interviews will take place on June 11 from 6:30 to 9 p.m. and June 12 from 6:30 to 9 p.m. at the Kent Community School.

If there is anyone who has not submitted their name, and wishes to do so, please come either night and we will fit you in.

The Board would also like to make an appeal to any of you young men (20 - 30 age group) who would be willing to help with a team, be it just for practice or in a coaching capacity. Please come and make it known to the Board. We have had occasions in the past where young men have asked individual coaches, and the coaches for one reason or another turned them down; the result was the C.Y.H.A. has been losing a lot of valuable help we could have utilized.

SO - PLEASE - IF YOU ARE WILLING TO HELP IN THE FALL - CONTACT JOE VRAIBEL (242-5170) OR ANYONE ON THE BOARD - AND MAKE IT KNOWN TO THEM, THANK YOU.

"Did you see me on television yesterday?" he asked the Nun. "I certainly did, Francis," she answered, trying desperately to suppress a huge belly laugh.

"Would you pass these cards out to your kindergarten students and ask them to write the number '5' on them and drop them in the mailbox?"

"Certainly, Francis."

Now, it seems that these youngsters were just being introduced to numbers, and they hadn't covered the number "5" as yet.

After passing out the post-cards, the good Nun explained the situation to the children as best she could.

"Francis was Act Number Five. We will all write '5' on our cards."

"But we don't know how to make fives, Sister," one of the little girls said.

"That's okay children," stated the smiling Nun. "I'll put one on the board and you just copy it."

Approaching the board, chalk in hand, the Nun had a very vivid flashback to Fran's performance the day before.

"Now children, just do as I do, and we will all draw a five on our

post cards."

When she had finished, the good Nun stepped back to admire the perfect "6" she had drawn on the board for her children to copy.

Fran did a fine job of entertaining the gathering before getting down to serious business. He explained how difficult it was to select a "Knight Of The Year" when there were so many worthy candidates, and how, in the committee's many discussions, two names continually made their way into the talks.

When all was said and done, the committee decided that to select one of these men would be to slight the other. So in fairness to all concerned, Grand Knight Tom Cunha and Deputy Grand Knight Jack Pierce were chosen as co-recipients of the 1978-79 Bunker Hill Council #62, "Knight Of The Year" Award.

The decision to honor the two men was greeted by a standing ovation from their Brother Knights.

Congratulations from the membership to two dedicated and hard working men who have helped to make their Council one of the most active in the State!

Open Letter To The Residents Of The Community

To the Editor:

There has been much controversy in the community about staff and their husbands going on the Tennessee trip at no cost to them and that nobody from the town had the opportunity of participating in this trip.

Let me assure you, that staff and their husbands DID NOT go free and each participant paid his/her fare. If anyone knows any agency that would provide almost two thousand dollars in free passage I'd be interested and would pursue it.

There were 25 people on this trip; 18 were from Charlestown, 7 from out of town 4 of whom were formerly from the town.

This trip, as all trips, coordinated by me are open to anyone. We advertise all trips by mail, word of mouth, the Patriot and notices to other agencies in the town. The Tennessee trip was advertised widely. Unfortunately because some attractions we planned visiting were closed

when this trip was first contemplated a year ago. Postponements were necessary until such time as we could set it up to include everything on the itinerary. As a result, the total traveling dropped from 45 to 25 people because of illness and previous commitments.

I invite anyone interested in the true facts to come to the Elderly Services Office at 55 Bunker Hill St. and I'll be very pleased to show the check receipts and balance sheets of this trip and answer any and all questions to clarify this misconception.

If the perpetrator(s) of these malicious mistruths had sought answers through proper channels, this letter would not be necessary and rumors regarding this trip would not be like a contagious disease in the community.

Respectfully
Phyllis Bryant

MAYBE

Maybe if we cannot have
All the gas we'd like,
It could be for us a blessing
For we may start to hike and bike.
Maybe we'd do more walking.
Discover how good it feels.
We are known to walk before we talk
And God gave us feet not wheels.
Maybe on our strolls we'd meet
Old friends and make some new,
Back on porches the older folks,
From their rockers greeting you.
Maybe like in days gone by
Friendly police we'd meet,
Greeting us by our first names
As they walk along their beat.
Maybe more band concerts,
The lovely music of yesteryear,
Those waltzes — polkas — marches
Young and old loved to hear.
Maybe the hay and sleigh rides
Will come back again in vogue,
Good to see the trusty horses
Again on country roads.
Maybe train and boat excursions
Would again catch on as fun,
No one stuck with the driving
A good time for everyone.
Maybe youngsters would learn the games,
So many were fun to watch,
Relievo — marbles — tug-o-war
Kick the stick — hopscotch.
And there's no maybe that less gas
May just be the solution,
Cleaner air for all to breathe
Better health with less pollution.
Maybe I'll have more maybes
If rationing comes to pass,
But right now there is no maybe
For I've just run out of gas.

To Talk Of Many Things

by Sal Giarratani
The Somerville Celtics?

Recently, a public hearing was held over in the Somerville City Hall concerning a new Boston Celtics arena with a seating capacity of 18-20,000 on the Cobble Hill site close to Sullivan Square, Charlestown.

Several Somerville political candidates for Mayor and Alderman were concerned about potential parking problems for the East Somerville neighborhood.

However, we in Charlestown ought to get concerned as well because the "Little Neck" area of Charlestown, practically sits on top of the proposed site. The integrity of that neighborhood could be severely impacted by auto drivers in search of parking spaces. Look at what North Enders have had to go through with Boston Garden!

The Celtics seem to be confident that the state would agree to "drop" new ramps off I-93 and this could greatly affect our community.

The Celtics have a year remaining on their Garden lease and sometime before 1980 shovels could be piercing earth near the East Somerville-Charlestown border!

St. Mary's Summer Program

Letters will be going out in the next couple of weeks by mail regarding the St. Mary's Parish Sun Fun Summer Day Camp. The letter will inform you of dates, groups, etc. So keep watching your mail!

A Townie Invite

Mrs. Agnes Kaiser, president of the Boston Chapter, American Association of Retired Persons, will be re-installed as Boston Chapter president at their monthly meeting to be held on

June 20 at 1:30 p.m. in the auditorium of St. Paul's Cathedral across from the Boston Common.

Agnes extends a cordial invitation to readers of the Charlestown Patriot who are at least 55 years-old to become AARP members.

"Our Association is recognized as the leading voice," she said, "for the concerns and interests of senior citizens in the U.S."

A Happy Occasion Saturday

This coming Saturday, June 9 at the 5:30 p.m. Mass at St. Mary's, Sister Peggy Burns, SND will take her religious vows as a member of the Sisters of Notre Dame.

The parish and the entire community is honored that she is coming home to share this happy occasion.

The Mass will be in the Upper Church and all are invited to attend.

Boston In The 80's

Boston is changing. What will you do about it? Will you be aware of the issues and problems facing Boston when you vote in September's mayoral primary? "Boston in the 80s", a six week series of lecture/discussions, is designed to bring people together who live and work in Boston to share their understanding of the City's economic and political realities and to develop strategies for reform in the 80s. Struggles over land, jobs, political power and access to the opportunity structures in the City are the themes that will be carried throughout the series. "Boston in the 80s", moderated by Hubie Jones, Dean of Boston University School of Social Work, is sponsored by the Policy Training Center and the various greater Boston organizations. The political demographics of the City, how Boston has changed over the past decade and what this means for the 80s will be the focus of the first session which will begin Tuesday, June 12th at 7:30 p.m. There will be a session every Tuesday evening, from June 12th to July 24th. There will be no session the week of July 4th. If you live or work in Boston we encourage your participation in the series at the Quincy Community School Auditorium, 885 Washington St., Boston. Admission is \$2 at the door. Call the Policy Training Center for more information at 547-4473.
