ISO Certification Abu Dhabi

ENVIRONMENTAL & QUALITY SOLUTIONS
The Future Today

We offer business solutions for ISO certification and maintenance plus online backups in one great package, at an unbeatable price.

ISO Certification Cost

We are ISO 9001, 14001 and OHSAS 18001 consultants with operations in the United Kingdom and across the Middle East. Set up in 1997, Environmental and Quality Solutions (EQS) specializes in helping companies streamline and maintain their management systems to achieve ISO standards of Quality, Health & Safety & Environmental Management. We also specialize in providing leading ISO maintenance software.

EQS specializes in maintaining management systems cost-effectively, adding value to your organization and helping you remain certified to your chosen standard. ISO 9001, 14001 and OHSAS 18001

Today, EQS is established in market niches that hold great potential to enhance how business is conducted.
