

The Reason You Must Visit Sofia

Sofia is Bulgaria's relaxed capital is among Europe's least well-known cities. With a long-standing history dating back nearly 2000 years, it's home to Roman ruin sites, massive Ottoman mosques and stubborn Red Army monuments - all merging to form an original, multifaceted culture.

From stunning galleries and museums to the classic cuisine of the past There's something to please anyone in this lively city. Find out the reasons!

1. It's an amazing city

There are few cities in Europe are as rich in historic depth. The city's roots date back thousands of years with evidence of neolithic settlements dating back to the 3rd century BC.

There are numerous historical sites in the area that include Ottoman mosques and onion-domed churches. There are also stubborn Red Army monuments. And there is no shortage of museums that are fascinating and devoted to Bulgaria's past. Once you decide on to find out details about Sofia, you must check it out here at [Excitingbulgaria](#) site.

One of the most renowned museums in Sofia is the National Archaeological Museum. It has a remarkable collection of artifacts from the Stone and Bronze Ages. Boyana Church is a historic monument that lies beneath Vitosha Mountain and worth a visit because of its stunning frescoes.

A stroll along the solely pedestrian Vitosha Boulevard is a great option to take in Sofia's vibrant cafe scene and also to shop for souvenirs. It's also a perfect place to see the capital's biggest and most stunning mountain, Vitosha, which rises impressively against the backdrop.

2. It's reasonably priced

Sofia, Bulgaria's capital city, is one of the most affordable European destinations. It is possible to live in a hostel dormitory, prepare your meals, dine out at least once or take public transport to discover everything that Sofia offers without spending a fortune.

Grocery shopping is also surprisingly inexpensive in this area, and it's simple to save money by buying local products instead of Western food items. The Ladies Market is the best location to stock up on fresh food. It opens every day and offers a large assortment of fresh fruits and vegetables.

Sofia is a great place to go for interesting and fun activities, including exploring an ancient Roman ruins or watching a film in complete darkness. If you're in the winter season it's also possible to go skiing at Vitosha Mountain! It is among Europe's most affordable ski resorts offering all-year-round skiing.

3. It's secure

Sofia is a very secure city and is not plagued by the high violence crime rates that are common to major European cities. But, like any other large city, you should take a few precautions to protect yourself.

Avoid the small streets that are a bit crowded at night, as they could be hazardous. It's also dangerous to walk on your own at night.

It's also a good idea to stay on the main streets in the city. You can even try to find a hotel located in the city's center with an excellent safety track record and a good area.

It is also important to stay clear of areas with red lights, since these are usually concentrated areas where crime is a major concern. Avoid abandoned parks and buildings at night as there are many dogs in these zones. These dogs can be aggressive and could carry disease.

4. It is cultural

Sofia isn't the glitzy metropolis that many travelers imagine when they consider Bulgaria, but it's an incredibly laid-back town with lots to provide. It is a great choice for a weekend getaway due to its rich culture and historical legacy, Mediterranean cuisine, and its melting pot of cultures.

Despite the current geopolitical climate which is hostile to multiculturalism, it's possible to meet friendly individuals in Sofia. They're open-minded and friendly and are willing to show you around and invite you for a meal.

Sofia is a wonderful city to discover its rich culture and history. There are many evidences of the Ottoman Empire and artifacts of the Greek, Roman and Greek eras scattered throughout the city. One of the most beautiful museums in Sofia is the National Archeological Museum.
