WHITEPAPER

Launched in November 2021, GamingShiba is built on Binance Smart Chain with incredibly fast 5 second block times.

Initially, GamingShiba was created as a meme token by gamers for gamers who share a passion for gaming and the crypto community.

Today, GamingShiba has evolved into a utility project with a clear vision:

- to create a platform that prioritizes gamers and \$GamingShiba holders,
- delivering a one-of-a-kind gaming experience
- and exciting rewards for all.

VALUES

Community

GamingShiba is built on the belief that community is the backbone of the gaming world. Our team is passionate about bringing people together through the power of web3 and gaming.

Longevity

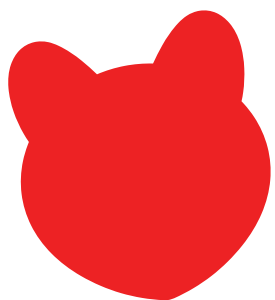

GamingShiba community is committed to the long-term development of our ecosystem and foundation. Our team is in it for the long haul, and we believe that our community support will help us achieve our goals.

Vision

From meme to leading utility project, Our vision is simple - to create a platform that puts gamers and \$GamingShiba holders first, providing a unique gaming experience and exciting rewards.

Utility

GamingShiba introduces GStream.tv, the ultimate streaming platform that rewards you with \$GSM or \$GamingShiba tips and donations.

GAMINGSHIBA PROTOCOL

In each swap, the transaction is charged a 8% fee, which is split

2% Staking Rewards

This tax is automatically deducted from the total transaction amount and is sent to a special staking wallet.

3% Marketing & Partnership

The funds collected through this tax are then used to support various marketing and partnership activities, such as advertising campaigns, sponsorships, and collaborations with other projects or businesses.

3% Development Fund

The purpose of this tax is to ensure that the project has a sustainable funding source to support ongoing development and ensure the longevity of the project.

BURN Mechanism

GamingShiba Tokens used to buy gifts for the streamer will be burned
