

Donations Form

Awestruck Ciders is a proud member and supporter of our local community, and we strive to give back whenever we can.

Following the regulations of New York State Alcohol Beverage Control laws, we are only legally able to donate product to 501(C)3 or 501(C)6 non-profit organizations who have obtained a one-day alcohol license for their event. If your organization and event meets those criteria, please submit a written proposal to info@awestruckciders.com for consideration.

This proposal should provide information about your non-profit organization, tax identification number, as well as details about the event. We also require the respective parties to complete and return NYS Tax Exemption form ST-119 (located here).

We do receive a large number of these inquiries, so we appreciate your understanding if we are not able to accommodate your request.

Donations requests are reviewed on the 1st of every month by an employee committee. For consideration, your proposal must be submitted at least 2 months prior to the scheduled event date.

Fill out the form below:

Organization Name: _____

Organization's Purpose: _____

501 (C)3 No.: _____
