

PCA for EVERYONE to Postcard to YOUR OWN Reps about HR726 and HR727 which will prohibit federal funding of National Public Radio (NPR) and the Corporation for Public Broadcasting.

We seriously need to fight to keep our good news sources. Any federal funding of NPR comes via the Corporation for Public Broadcasting which had requested \$99.1 million for Radio and \$298 for Public TV from the Government which would now not be forthcoming:

Here's a link to donate to NPR

SUGGESTED WORDING:

Dear Rep____,

I am a voter and your Constituent. Please do not support the funding cut to America's National Public Radio and Public Television through HR726 & HR727. We need these sources of information and news. Your Constituents are watching.
