Letzte Woche Freitag hatte ich mein 9 monatiges auf Testosteron. unglaublich was seit dem ersten und dem aktuellen Video alles passiert ist und sich verändert hat. das erste Video ist aus dem Februar 2019. Ich war zu dem Zeitpunkt noch ungeoutet. Nun mit einem mittlerweile deutlichen Stimmunterschied habe ich auch einfach viel mehr Selbstbewusstsein und schaffe es vor der Kamera zu sitzen ohne mich scheiße zu fühlen ☐♥☐

If you want to build your traps, the best exercise is deadlifts. Your traps will also be hit when you train your back with rowing movements. However, if you need a bit more for them to grow, dumbbell shrugs are an effective exercise. The range of motion is so small on shrugs that people tend to go way too heavy and make the movement more complicated than it needs to be. Focus on controlling the reps with a nice contraction at the top. Do not roll your shoulders back. Your traps are not stimulated by rolling your shoulders and you're just putting yourself at a higher risk for injury.
