

Dream Scarf-Beanie Pattern

I'm Knitting

Designed by: Nako | Edited by: Jessica Los

Dream [scarf-beanie design](#) offers a creative option for women who love to look modern. This pattern consists of scarf and beanie combination. With its impressive patterns, you can make it unique to you with small touches. This pattern was created by Nako and edited by Jessica Los. It is a sign that women who are knitting at the beginner level can learn without difficulty. I can respond to any questions about the pattern from my blog. Good luck.

I presented the measurements of this pattern in the diagram. To make this [knitting pattern](#) you will need number 4 needle and 4 ball yarn...
