Some King Kong Babies looking rather healthy ☐☐.... King Kong, mothered by Ed Rosenthal Super Bud, is an Indica-dominant hybrid with head-to-toe effects. These dense buds come frosted in crystals and a short flowering time of only 7 to 8 weeks. King Kong is known to have a pungent sour, skunky smell with long-lasting effects making you feel relaxed, euphoric, uplifted and focused ☐☐. #gingerapeseedco #seeds #topgenetics #cannabis #beans #maryjane #puffpuffpass #homegrown #marijuana #seedbank #weed #growyourownmeds #ganja #capetowngrow #growyourown #autoflower #sativa #hybrid #indica #indoor #420 #fire #blessed #feminized #dagga #southafricancannabisculture
