## OUR STORY

### Willkommen

We first opened the doors to Café Vienna in 2005. It all began with just one breakfast sandwich and one Austrian baker behind the counter selling our store designed European-style breads.

Over the years, the bakery grew into a full-service Cafe offering breakfast, lunch, dinner, and catering. Of course, we also continue our authentic German-Austrian pastries that are freshly made in store such as Sacher Torte and Bienenstich. Our famous Altwiener Apfelstrudel, for instance, was featured on the "Chicago's Best" show in 2012.

The line of hungry Chicagoans at the door on weekends is proof that Cafe Vienna has become a favorite dining spot for it's Lincoln Park neighborhood. Through the Cafe's participation in events such as Taste of Chicago, May Fest, Christkindlmarket and many other Chicago-based festivals, word about the food has spread and the Cafe's popularity continues to increase.

Due to our much appreciated customer loyalty, Café Vienna is truly a local Lincoln Park gem and we're excited to see what the future brings.

You may place your order online or call ahead. You can pick it up anytime the cafe is open. Thanks for being a passionate Café Vienna customer!

**Farmer's Rye** A lighter rye bread with a mild flavor and a fluffy texture. Its crisp crust and soft consistency make it the ideal snack

**Back to the Earth** Made up of 100% rye flour, this bread is dark in color and strong in flavor. The perfect choice for a healthy bread with a delicious taste

**Multigrain** A soft, nutritious bread with healthy grains and a delicious flavor. Its mixture of grains make this bread our bakery's most popular

**Sunflower Seed** This healthy, nutritious bread is bursting with sunflower seeds. It is an excellent source of dietary fiber, protein, Vitamin E, and B.

**Buttercrust** A white bread with a delicious, buttery taste. This bread is popular for both breakfast and for making grilled cheese sandwiches.

**Pretzels (Bavarian style pretzel bread)** Soft and perfect to pair with sweet mustard and Weisswurst. And if you haven't tried it by now, dip it in Nutella to please your palate

**Russia's Best** A traditional, European rye bread recipe that is both sweet and sour in taste. Excellent for sandwiches.

**Honey Wheat** Wholesome wheat sweetened with a touch of honey, this bread offers a perfect and delicious way to add healthy grains to your diet.

**Cranberry Walnut** This is a customer favorite. Filled with crunchy nuts and sweet-tart cranberries, this bread is sure to satisfy your taste buds.
