RV/INTELLIGENCE ALERT - September 17, 2019

(Disclaimer: The following is an overview of the current situation of the world based on intelligence received from several sources which may or may not be accurate or truthful.)

The recent attack on the oil facility in Saudi Arabia is expected to affect the markets this week.

President Trump's trade talks with China is an elaborate plan to coerce their communist government into accepting the GESARA agenda.

China's economy is reliant on the US Dollar and it will not survive once the US Dollar drops.

If President Trump is unable to coerce China; then the Chinese people will.

Meanwhile, Congressman Mark Meadows claims the OIG FISA investigation report will be "huge".

The documents prove that the FBI and the DOJ violated protocol in order to target Trump.

More news about the report is expected to hit the mainstream media as phase 1 of DECLAS progresses.

Iraq is expected to be the first country to revalue their currency this year.

The US Dollar is expected to drop after the Iraqi Dinar revalues.

The Dollar Index reaching 100 points will be the indicator.
