Meet Ali G, Declan and Zeeshan

Ali, Declan & Zeechan have been responsible for some of the biggest Internet Marketing launches in the last 5 years. Their specialty is tool that helps empower marketers in the areas of video, social & email marketing.

What Is SociConnect?

Sociconnect is a WP plugin that combines 2 of the hottest trends in internet marketing namely Facebook & WordPress. It enables you that your fresh FB posts from your Fanpage can appear directly on your WP site. How can this happen?

Sociconnect plugin can embed your Fanpage content directly to a page, only inserting a simple shortcode to any of your page. In this way your visitors can see your fresh posts of your Fanpages directly from your WP site. They also can like your Fanpage from your site and can comment as well.

You can also set up your SociConnect page as your homepage if you want.

Why Will You Love SociConnect?

He have spent years in the Internet Marketing industry and what He know for a fact is that software sells. Not just any run of the mill software but software that actually works and gives the user as close to a 'push button' experience as possible.

With SociConnect, He's confident that what they have is a solid piece of software that combines two of the hottest trends in internet marketing namely Facebook & WordPress.

FACT – People understand “the popularity of Facebook” which instantly comforts them and allows them to be open to learning new things.
