Hello, we're MINI GT

Since our launch in 2017, MINI GT has become one of the fastest-growing 1/64 brands on the collectible market. We could not have done this without the support of collectors worldwide, and we greatly appreciate their enthusiasm for each of our models. As we move into 2020 and beyond, we will continue to expand our collection with exciting new subjects to provide fun and interesting models for every collector.

Welcome back to the wonderful world of 1:64 scale!

We'd love to see your MINI GT photos!

Post them using the #MINIGT64 hashtag and follow us on social media!
