

SUMMARY: I understand that the elders have been waiting for the USA to prove that it was really going to do good. They now have accepted the confirmation of Justice Kavanaugh as the final sign that we are aligned with the GESARA principles, and they are willing to allow us to release the 800 numbers and release codes now.

I have spent half a day in the hospital with my friend each of the last 2 days. That is why I did not produce a second issue yesterday, and why the first is late today. I will not have time to research as much as I did before, but I will try to give you and understanding of where things are now.

The Newsletter Update Skype room has now been limited to posts only from me, meaning these updates. So, if you have hesitated to go there because of difficulty in finding the updates, that problem should have been resolved. TNT BANK STORY,6 OCT

Chloe:

My source stated Friday that **this Wed. was the most probable** date but could go Tue. but she did not expect it. Today, she said it is still on line to go Wed. **She is a contact above the Bankers in Reno.**

Restored Republic via a GCR: Update as of Oct. 6, 2018

Compiled 6 Oct. 12:01 am EST by Judy Byington, MSW, LCSW, ret. CEO, Child Abuse Recovery, Author, "Twenty Two Faces," Byington's *Before It's News* articles on a Satanic Cabal CIA & Vatican-sponsored international Pedophile Child Trafficking

The below is a summary of information from the Internet. It would be up to the individual reader to do their own research and decide whether or not it is valid. Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world.

Judy Note: Justice Kavanaugh's vote as a Supreme Court Justice passed the Senate today and was expected to be **confirmed late tomorrow afternoon Oct. 6**, thus completing the US requirements for GESARA implementation, hopefully instigating 800#s release and unsealing of over 55,000 indictments. The transition from Cabal rule back to The People was unlikely to go smoothly. Mass Arrests could lead to violence in the streets, followed by Martial Law to secure public safety, borders, ports and airports so the bad guys won't get away. It has been recommended that while in Military Law to have the food and water you need for a few days, stay close to home and don't go out after curfew without a military escort (that would be provided for currency exchange/ redeem appointments).

Summary as of Early Morning Oct. 6 2018:

Dan: Release of funds was pending for **this week**. The EBS Alert phone test contained a signal not legible to most, that gave specific information for banks, UST, military and law enforcement. Allegations against Judge Kavanaugh were mostly falling apart in the face of actual evidence. The Senate would be investigating several of these sources for liability and criminal behavior. This might include Ford's lawyer Katz and perhaps Senator Feinstein. **Today Oct. 5** FBI attorney James Baker was meeting privately with the House Judicial Committee and revealing what was described as "explosive" information.

Q: New Clinton emails have been released.

Q post #2343: <https://qntmpkts.keybase.pub/>

'Are you ready to see arrests?

Are you ready to see PAIN?

Are you ready to be part of history?'

Tony: The Iraqi Parliament met and decided that Abadi would be their Prime Minister, would vote on their new government next **Tues. Oct. 9 or Thurs. Oct. 11** and have the new government in place within 30 days. Iraq would release their lower denoms on **Tues. Oct. 9**, plus release the RV somewhere within 72 hours after their new President was sworn in. In Iraq they were saying it would happen after the vote and **next weekend**. Over here the banks were saying the RV would be **this weekend**.

Sierra: I am proud to have been a citizen journalist fighting in this army of digital soldiers. As a former journalist in the Cabal Media, I could not stand by helplessly when I KNEW the extent of the corruption and lies masquerading as 'news'. I am writing this post in NZ at 8.40pm local time - the action could be well underway by the time I wake up **tomorrow morning Oct. 5**.

Wikileaks Assange: "Hillary Clinton has committed High Treason and if *not formally charged by Oct. 21 for mishandling sensitive material we will release proof that she is guilty of high treason against the US for selling patented military secrets to the Saudi Arabia, and crimes against Russia, Uzbekistan, Lithuania, Caledonia, and Brazil.*"

RV/INTELLIGENCE ALERT - October 6, 2018

(Disclaimer: The following is an overview of the current situation based on intelligence leaks received from several sources which may or may not accurate. Other confirmed sources may also be included in this overview.)

The US-China trade war will be the key to breaking the US economy via supply of REE (Rare Earth Elements).

China is the dominant supplier of REE and the US Military is heavily reliant on REE.

Zimbabwe and the rest of Africa holds the future reserves of REE.

According to sources, China's cut off of REE to the U.S. will be the "break in the system" required for the transition to begin.

[personally, I think that this REE meme is a bunch of hooey, just another meme of the month that Yosef has thought up as an excuse for why his “bad-Trump, good Ryan, good Wakanda” narrative hasn’t yet played out. But that is just me.—dle]

The SCOTUS confirmation vote is the part of the effort to restore the Republic as required under GESARA compliance.

All countries must undergo GESARA compliance before GESARA can be announced.

A correction in the stock market is expected this month possibly after China cuts off and/or limits REE supply to the U.S.

The correction will give reason to bring in the RV and the QFS.

Once the RV begins, the transition officially begins.

The longer it takes, the smoother the transition.

This is all part of humanity's ascendancy to becoming a galactic civilization.

Tony’s call SUMMARY:

- Iraq is about to distribute what we’ve been calling the Lower Denominations. That is, the notes of 1,5, 10, 20 just like we have here in the USA. These are very useful in ATM machines when the currency is worth enough to at least buy a cup of coffee. Right now it takes a 25,000 dinar note to buy a coke. After the RV that will be more like the situation in the USA. But they will need EVEN smaller denominations to buy stuff that we now buy for \$0-\$1.00. Imagine if their dinar in Iraq is worth \$4 US, then how do they go to a Dollar Store! LOL. So that need will be filled with the coins or FILS. Vietnam is about the same. Their currency is less than 5/100ths of a penny right now. It takes a LOT to buy a dress! After the RV it will be about \$1US in country(Vietnam), but about \$2 here, at last report.
- Iraq cannot ReValue (RV) without having these lower denominations available at the flip of a switch. They would be useless ahead of time, so it is all about the timing.
- **Banks over here are STILL saying this is going between last Wednesday and Oct 12 or 13 (next weekend).**

- Current word on taxes is still NON TAXABLE event. YAH! Be sure to get that in writing at the time of your exchange or get some paperwork that indicates it is subject to XYZ treaty (we don't know its name yet) that so stipulates.
- Rates: Dinar \$4, Dong \$2, ZIM \$.55. Dinar also has the \$28.50 contract rate that will be MAYBE available and there appear to be limits depending how many dinar you have.
- Mahdi, the Prime Minister elect, and Abadi the outgoing PM are doing a peaceful exchange of power. Mahdi is trying to get this GOI set up and projections are that will be complete just prior to the RV happening. Because this will be a Global Currency Reset (GCR) that means all countries will go at about the same time if they are in the first basket. That basket now has about 6 currencies, the Iraqi Dinar, the Vietnamese Dong, and the ZIM to name three.

Saturday UPDATE for October 6, 2018

Iraqi TV reports PM Abadi informing the citizens that economic reforms could not be completed during his tenure due to security concerns with ISIS and the slowly progressing political issues. Both are now resolved and the new incoming Prime Minister should have no problems completing the task.

Also on Iraqi TV is the message that political blocks have already submitted their candidate-selects to fill government posts to the Prime Minister-Designate projecting completion of assignments before the 30-day window expires.

US Banks are sharing excitement of probable preparations for the first-of-the-week type of activity! If it all goes LIVE then, DON'T RUSH IN uninformed, wait (at least 24 hours) for more supportive information. 🤖

[Everything appears to moving at record speed compared to the past, can't wait to hear what happens the rest of this weekend!] #wearethepeople

Dan, Sunday the 7th ends the bank holiday in Hong Kong thus it is still possible to receive numbers on Sunday.

Dates of importance when the warning system may be activated are 4/6/11.

Time differences are hong kong 12 hrs plus day change and 8 hrs ahead for Iraq.

If everything lines up then we should be at banks for Monday start.

The plan was to do the RV during the week of bank holiday. Lets say we are close.

ARTHUR UPDATE: Rumor - "Indictments Unsealed a Month Before the Midterm Election"

I have not listened to this yet. 33:58

<https://m.youtube.com/watch?v=8dqTSYOf47Y&feature=youtu.be>

This letter has been circulating as "An Important Message from POTUS". I do not believe that is what it is. It is a post made last November by "Q Clearance Patriot", which was the first name we heard for what has since become Q Anon. Although the message seems to be a year early, you will recognize many of the same issues we have been waiting for, and which appear to be on the horizon.—dle

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4).

Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials.

On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full.

However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations. (at home and abroad)

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make

America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind.”

God bless my fellow Americans.

Head of Interpol Disappears, and Eyes Turn Toward China

Oct. 5, 2018

By Chris Buckley and Aurelien Breeden

<https://www.nytimes.com/2018/10/05/world/europe/meng-hongwei-missing-interpol.html>

"...Meng Hongwei, 64, has himself mysteriously disappeared, after recently returning to China. Even the country's most internationally prominent police officer, it seems, can vanish without an official murmur from Beijing..."

Sara: My comment:

Is he missing because:

1. The cabal abducted him to prevent arrests?
2. He was corrupt and was taken out?
3. He is preparing/working on arrests and wants to remain incognito?

"Why are they Fighting so Hard against Judge K?" by Lazarus - 10.6.18

Entry Submitted by Lazarus at 1:01 PM EDT on October 6, 2018

You really want to know why they want judge K out so badly? Watch its only a couple of minutes

<https://twitter.com/EdensVision/status/1045541749295321088>

Break down of the Q & A –

Are we at war? Yes

If so, Law of Armed Conflict applies (thus overriding criminal law)

Referenced case law dating back to WWII establishing US citizen that aid our enemy, are enemy combatants.

In such case, they ARE tried in a Military Court.

Result of such cases referenced led to executions.

The Underlying intent of the conversation - - 'Establish' that if such an event was to occur now (Judge K understands and has defined the existing Supreme Court precedence) Thus, a very clever way of establishing HOW he would rule, as it relates to "jurisdictional Issues" of any such cases. So let's assume someone was charged with aiding our enemy (like ISIS for example) and the case went to court, jurisdiction would become an issue. BASED ON THIS ANSWER AND EXISTING PRECEDENCE, It will immediately go to a military court, NOT a criminal one. Rights of the accused are different, due process is different. Penalties are different.

PS

Judge Kavanaugh is NOT needed for a Rowe v Wade show down. He is needed for this ruling. His seating to the court, will then enable the thousands of indictments that remain sealed to be opened. AND THAT IS WHY they are fighting so hard against him.

God's speed,

Lazarus

"This has to Go Now and I mean Now" by Lazarus - 10.6.18

Learn to read what is happening. The Chinese Yuan Gold backed oil contract went LIVE. In a very short period of time, they have taken over 25% of the global oil market (and soon will take the rest.) What does this mean? It means we are in a Gold backed world now. With, or without the US. This is the reason Trump freed up the oil Reserves in Alaska (the largest untapped source globally) because NOW that oil is swappable into gold upon request.

To explain it simply why would Chiquita sell us bananas and receive worthless FIAT dollars? They could simply swap out their goods for an oil contract of equal value; present it at the Hong Kong Gold exchange and convert the payment to gold upon request. NO questions asked.

Why will anyone sell us goods in exchange for FIAT Dollars when they can get Gold backed in exchange? Conclusion – The US does not have the luxury of waiting until after the midterm elections. We have done this to ourselves Our

American GREED and Ignorance has brought us to this place. Stop all the BS about the element of surprise. The only ones that will be surprised will be the America people when they wake up one day and all the store shelves are empty because no one is selling to us.

In order for a nation to be sustainable in MUST manufacture/produce/ grow 75% of its local consumption. When the Unholy One, Obama, left office, we were at 9%. We were decimated. We have since managed to double that number but too little, too late. They turn off the supply chain WE'RE SCREWED. Right now we are at the world's mercy. We don't go asset backed now, soon we (the US) will be like the beggar on the street corner hoping someone takes pity on us and sells us some food for our worthless dollars so that we don't all starve.

ANYONE telling you different is either HIGHLY uninformed or is lying to you. These B.S. Phsy-Opps have to stop. Learn how to read and start relying on yourselves for information. It is all out there if you simply look for it. For the Last two years I have posted every BRICS, CIPS and Gold Yuan update to this forum. There was a reason for it. WE ARE WAY BEHIND SCHEDULE.

THIS HAS TO GO NOW.

God's speed,

Lazarus

American Radical Leftists Destroy Women Rights For Generation As Kavanaugh Backlash Reverberates Around Globe

By: Sorcha Faal, and as reported to her Western Subscribers

Pretty good article about how the #MeToo movement has backfired into fear to hire ANY women, for fear of baseless accusations. Especially highlighted are women engineers from Russia, who are now finding it very difficult to find openings in the West which had been available to their older sisters.

Investigation from Public As Allegations Collapse

Go figure...I suspect shez aware HER name is in this report! Since when does she give a hoot about anyone?

(excerpt from article link below)

CNN reporter Elizabeth Landers noted as much in a tweet quoting committee Ranking Member Dianne Feinstein. Landers tweeted, **“(Feinstein) indicates that the FBI report on Kavanaugh should NOT be made public: ‘It would seem to me that if people are going to be identified this ought to be held very close and not. I think the investigation ought to be closely held,’ she (Feinstein) reiterated.”**

Funny, Feinstein didn't seem all that concerned about keeping people's identities “closely held” when the letter sent to her from Kavanaugh accuser Christine Blasey Ford was leaked to the media, nor did she exhibit any such concern when she publicly spoke about some of the other individuals named by Ford, or the other accusers who have popped out of the woodwork in Ford's wake.
