Strong feelings from a great professional

December 20, 2019

Urpocrir, R-I.A.

Sofia is, first of all, a great professional, because she knows how to do her job all round. From the erotic point of view, it can make you feel strong, because it does things with transport and transmitting heat, and not a mechanical sexual stimulus; from an aptitude point of view, it knows how to make you comfortable with both speeches and body language. An hour spent with her is made of sex but also of chatter and relaxation, and she is fine from the first to the last second. Of course, being with your girlfriend is different, in the sense that it has a range of sensations that with Sofia are not there, but it is normal and just so, having now attended all kinds of environments where you can stay with a woman for a fee , I realized that the only GFE you do with your real GF, and from those who

do it for work you go there for other reasons, and Sofia these reasons have them all and I recommend it at all, better spend 5VU for an hour with her than save and go to those who can not do this job well like her. That 69 with her breasts resting so perfectly on my belly and that potato chip so soft and delicious to lick I won't forget it so soon [Less ▲](#)

Sofia is a young Italian beauty who can charm with her charming ways. I spoke to her on the phone before I set up the meeting and I can say that there were no bad surprises when I met her live. She is a quiet and pleasant woman with a sexy and refined body. Her photos don't do her justice and I can say she's more beautiful actually. I wanted to meet an Italian girl to spend the evening in a relaxing and calm environment and she was the perfect choice. I called her in my hotel, showed up wearing this cocktail dress and we had a drink and chatted a little bit to get comfortable and then we moved into the bedroom where she gave me a nice BBJ and I took it for a , cowgirl and missionary. She stayed for almost 2 hours and it was nice to meet her. [Less](#)

Sexy girl with a fantastic body that moves with passion to seduce you. I met her last night for a quick meeting, she welcomed me with a nice short dress and straight to bed where she grabbed my instrument sucking hard and risking me to end up there, I had to check myself and take control of the situation. I took her to bed and then I took her parts A and B into cowgirl, missionary and doggy positions. Rather wild in bed she got wet like a river, great encounter with this sexy animal. [Less ▲](#)

Met in Milan, sociable and pretty girl, very slender of body with redone breasts, pretty face. It houses in a pleasant environment. I wanted to try an experience with side b and reading that on this was very experienced then I chose it, in fact it does very well ,even if I had read it was lacking in the rest... which I found partly and especially in involvement, I found the experience a bit "structured". Bbj short but good, COB , Rai1 and rai2. If you want to make a quickie complete with rai2, considering that she is Italian, young and pretty; Better... [Less ▲](#)

Met a few days ago in Milan, what to say... fantastic; young, gorgeous face, enveloping smile, redone breast, but just and spoken Tuscan... it's like being with your girlfriend, he jokes, he laughs, he talks cheerfully about everything from astrology to football! it doesn't rush and it's not rushed at all. Receives in a clean and cozy apartment. Oral superlative, 69, rai1 in various positions and 2, 1 h x 2shot, 5VU, but it's worth them all, all. I can't wait for you to come back... [Less ▲](#)

I went to see the girl today in the early afternoon in Padua. After agreeing on whatsapp we agree for the time and services. I reach her in her apartment, open the door to me a nice piece of girl all in stilettos and with a big smile, I go to the bathroom, I work and we start with a nice 69... fantastic, a potato chip all smooth and fragrant, all to lick, while she performs in a mouth job without hands, which believe me there are not so many of so good. He puts on my condom and I start right away with his fantastic b-side, we change position a couple of times alternating the side to and the side b. I finish inside the condom... Great. She was kind from start to finish, didn't rush and was very helpful. Too bad tomorrow starts again. I can't wait for you to come back because a couple of visits I'm going to come back to. Too exciting. [Less ▲](#)

Tuscany beautiful..... the girl has an unmistakable Tuscan accent, she is very beautiful, and very well made, but tries to finish quickly to move on to the next customer. I had tested her before and knowing that she had returned to the area I tried not to let her get away. The meeting, however, was hasty knowing that I was there for his B-side, he went out

of his way to offer me a sheep to which you can not say no. After her bbj short, but well done and a couple of positions, she immediately offered herself to sheep inviting to sodomize her..... so however I will last to max 20 25 min..... I'll be back. Think yes, H really nice physique [Less ▲](#)

The girl is really beautiful, physique top and B-side to lose your breath! He can be "silly" with his laughter and his way of doing but I love him. Bbj, 69, daty, Gfe, and each position, though he prefers her under or pecos (less effort for her). Special mention for side B, which I can honestly define from Ecstasy of the senses, does not make a moan about anything and indulges in everything. My first experience of this kind! A sore note, he does not FK and the gift. 3vu I'm definitely going back **Less**

Sofi (park behind the Alpha)

Bologna 1 reviews 6 useful votes

Met several times in that of Bologna. Receives in a shady apartment near the decathlon. I mean why not clean. There are condoms everywhere, in the toilet, in the bedroom thrown to the dick. Used I mean... dust everywhere, bed that splits in two when the keys etc. Young girl about 22-23 years old, beautiful with a face, very kind and polite. Skinny as a nail with two huge silicone bombs that a little bit out of tune on such a thin body. It is very dry, with few forms. Oh, I forgot, that's a big ass. On a sexual level it's practically non-existent, you have to put it in a nutshell. The good thing is that you never get tired of giving you your tongue, fk done in a way, not just tip or taste. Beautiful mouth open and tongue until it cracked... good Sofi here.! The mouthpiece is acceptable, not as an expert in the field, but pleasant with use of language and various spits. While chiaving the bud. A damper makes two jumps then says, let's change. Because she's inexperienced, you see. Although he took a lot of dicks because sheep his ass if he does break through well. And he comes in like a marvel and never complains. It wasn't until I put her on the ground and planted her ass that she complained that in that pose she felt more... that's what he says. Then the ending sometimes takes the sperm in full, sometimes if he points it in the mouth and waits for the splash to use only the tongue on the chapel when eiacula the bird. The last time he

didn't want to, he gave me a shroud. I'm honest, I see the Sofi when I want to make an ass properly, because in Bologna I know 100 that chimed much but much better that unfortunately the ass do not give it. I go to her when my Romanian morose are not available. pity because little participation, in my opinion is not his job, otherwise there would be to subscribe. For an emptied 150th with no limits ass, there can be gentlemen. 100th without ass. Very Italian with a Toschano accent. Wake up and do some gym and eat a lot of grammar. [Less ▲](#)

Normally I am not a lover of Teenagers, but since there was nothing else in Padua I made an attempt with this 20-year-old Italian. After a short telephone contact, I find myself having to make an appointment with her for the next day, even if I want to fuck i had it at that time :(Kindly he

apologizes, but in Padua he's having great success. I'm curious about it and I'm going to make an appointment for the next day. Arriving at his apartment, the next day, I meet a beautiful young and friendly little girl. Very nice and not stupid as read in other reviews. Physically she's not really my type, I like women with more shapes. This defect, if so called, is immediately forgotten the moment he tells me that in April he will be from the gum for a pump to the tits, and especially by the passion that he shows in bed. I stayed little from her, as I said I would not love the teen, so I had already put into account the standard 20 min. Of course, however, in May when he returns to Padua, with the new bombs, I will return to find her, and certainly for more time, given the promise of even more privileged treatment. [Less ▲](#)

The girl in the picture is just her, immature, laughing at anything you can say. She is a beautiful Tuscan girl of firenze, rate high enough 100 for a normal thing 150 to tune in to the second channel 250 for a full hour. In my opinion it is not his job, he receives in a messy but clean location, he has a bed that divides into 2 every time you move and as

soon as you start to undress you hood and begins his work. Then he puts all the stakes of the case he does not kiss if you do not have more hands that disinfected does not let himself be touched. I think the advice is not to invest for a relaxation that you definitely do not fully enjoy. [Less ▲](#)

Dear Paul I'm sorry if you think you've thrown away your money but judging by the reviews you've done to the other girls it seems that you are not looking for a moment of leisure but a girlfriend, I advise you to look elsewhere... I do what you agreed to on the phone and I honestly find it very far-fetched that I've hooded you while you're undressing also because my clients all go to wash before they start and it's a fun for me to do natural mouth work to unless the smell is unpleasant. You knew the price before you came and if it was too much for you you could turn elsewhere! Would you be touched by someone who isn't sure she's washed up? Would you kiss someone you don't like? Certain services I give without asking for an increase in instalments and therefore I will choose to whom to give them. I demand clean, fragrant, polite, nice and paying customers to have sex and then I grant more than I should, including kisses and cuddles, to others I only give what they paid for. Smakkkk apparently being a customer is not your job! My immaturity and desire to laugh makes you feel old I rethink!
