# MANAGER PREVIEW

WITH JOHN ROBERSTON

**Good afternoon and welcome to today's Tunnock's Caramel Wafer Cup Semi-Final against Rangers Colts.**

I'd like to warmly welcome Graeme Murty, Peter Lovenkrands, the staff, the fans and officials from Rangers to the Caledonian Stadium today.

All we've been concentrating on and thinking about this week is today's semi-final. We had a good result against Livingston last weekend and we want to build on that. Today's match presents a very unusual challenge in the respect of that we're coming up against players that we haven't come up against all season. Despite the fact there is a lot of youth players and development players, we do know a fair bit about them because they are international players and are all quality players.

The x-factor is that they've got an under 18 team, a development team and overage players to add to the mix. If we're being honest, we don't know one hundred percent the make-up of their side as they can bring in guys like Jake Hastie and Josh McPake. They have the younger lads Paterson and Maxwell, who are good players. They have Palmer and Barjonas who have been out on loan.

We have a fair idea about a lot of their side and we've done our due diligence on them, we've looked at footage from the Wrexham game in the last round, where they had Flanagan and Edmundson as their over-aged players. We had a scout at the Clyde Glasgow Cup match last week, we had a scout at the Celtic Glasgow Cup game and we watched the full highlights of the match against Atletico Madrid just to try and put faces to names and styles to players.

It's unusual that it is a team we don't know a great deal about generally in terms of who will turn up, but we've given ourselves the opportunity to take in these matches and show the players the style that Rangers play, they won't change as they take the ball out from the back, they pass the ball well, they move quickly and we've got to be prepared for that.

The biggest warning I've given the players, and we've shown them some footage of that, is the Liverpool v Shrewsbury FA Cup match earlier this season. I think Shrewsbury came with the attitude to that match that they'd overrun the young lads and they didn't, Liverpool passed through, round and over them. They eventually won the game quite comfortably so that is the warnings that are there, if we're not at it one hundred percent then this team can cause us major problems. They are in the semi-finals on merit and we've done even more research on this game than any other because of the unknown factor we're coming up against.

Enjoy the game,

***Robbo***

## TREMARCO'S PREVIEW

Good afternoon and welcome to the Caledonian Stadium for today's Tunnock's Caramel Wafer Cup Semi-Final against Rangers Colts, I hope you're all well.

It's always exciting being in the later stages of a cup competition and today's semi-final is no different. We also have a Scottish Cup Quarter Final against Hibs to look forward to but this week's focus has solely been on today's match against Rangers Colts.

It's a bit of an unusual one for us as we don't know what exact players we're going to come up against due to the squad rules for the Colt sides in this tournament but the coaches have got us well prepared and had them watched a few times ahead of today's game.

I thought we battled well and produced a fine performance against Livingston last weekend to win the match so we're hoping for something similar this afternoon as we look to progress to the final.

Enjoy the game,

***Carl Tremarco***

WILLIAM HILL SCOTTISH CUP

**Sean Welsh's second-half free-kick sent Inverness through to the last eight of the Scottish Cup as the Caley Jags beat Livingston 1-0 at the Caledonian Stadium.**

John Robertson made two changes to the side that drew with Alloa last weekend as David Carson and Sean Welsh came into the the starting eleven for James Vincent and Aaron Doran.

It was extremely blustery conditions at the Caledonian Stadium once kick-off came around and the opening stages proved extremely tight between the sides. Livingston had the first half chance of the match after 7 minutes as Lyndon Dykes' long throw found its way to Steven Lawless in the box but he shot while on the turn and it was well wide.

Inverness had a big chance after 18 minutes on the clock, it was fantastic play from Shaun Rooney down the right hand side as he went on a great run and his cross found it way to Miles Storey in the box and the Caley Thistle winger saw his effort cleared off the line by Jon Guthrie.

Storey went close again for Caley Thistle on the half-hour mark as he received the ball in the left-hand side and cut inside but his effort was just over the bar. In the second-half, as the wind continued to be a factor, Caley Thistle started the half strongly as Tom Walsh saw his low effort from 25 yards go just past the post.

Just a couple of minutes later, Miles Storey went on a great run down the left side and his cross found Sean Welsh in the middle but he lashed his effort wide. Livi had a half chance of their own after 54 minutes as Souda's cross found Lawless at the back-post but he had a couple of effort blocked by the Caley Thistle defence.

The breakthrough for the home side came on the hour-mark, it was a sliced clearance and clumsy tackle by Lawson on Miles Storey gave Caley Thistle a free-kick in a dangerous area.

It was Sean Welsh who stepped up and his free-kick was curled into the far corner to make it 1-0 to the Caley Jags. A fantastic free-kick to open the scoring.

Caley Thistle stayed strong defensively and chances were at a premium after Welsh's goal.

Ridgers was called into action as he held a half-volley from Lyndon Dykes with ease but that was the only real chance for the visitors.

Caley Thistle now face Hibs at Easter Road in the Quarter Finals, with the match kicking off at 19:45pm on Friday 28th February. The match will be shown live on BBC Scotland.

## **Next Weeks In-Service Days**

We have our annual February in-service days at Milton of Leys Primary Astro on 17th, 18th and 19th February. This is a great chance for kids to enjoy football whilst having three days off from school. We have changed our holiday camps this year by giving the kids more time, more matches time and having the option of an early drop off. The early drop off is new for us and it is to help parents who need to drop kids off before work. This is available at all Inverness Camps and is open from 9am – 10am for £3 a day. Booking in advance is required for this service, so if this is something that interested you then please make sure we are aware by emailing us on [craig.masterton@icttrust.org.uk](mailto:craig.masterton@icttrust.org.uk). The time for different ages has also changed with 5-6 year olds from 10am-11.30am and 7-14 years can come all day or 1pm-3pm. Even if this is their first time playing or they have played lots of football before, we aim to challenge the kids on their passing, dribbling and shooting through different activities. To book onto this course or for more information then please visit <https://ictfc.com/weekly-courses>

## **Homework at Skills School**

Over the past few weeks we have given the kids at our weekly courses homework to do. Their assignments have been the three and four cone challenge, shoulder dip and step over. To complete this homework they have had to send in a video of them doing it and we pick the winner. The videos back have been terrific and the kids have shown great skills, with some help from their parents filming. The winners have received prizes for their hard work. Thank you to everyone who has done videos and we look forward to more.

**MARK  
RIDGERS**

Caley Thistle keeper Mark Ridgers has fond memories of the Scottish Challenge Cup and would love to book another final date this afternoon, with a win over Rangers Colts.

Ridgers, started his first cup final as a player back in the 2018 Challenge Cup final win against Dumbarton at McDiarmid Park and he wants more of that but admits Caley Thistle will have to handle being favourites for the match this afternoon.

Ridgers said: "In this game we're favourites and rightly so, we've had a good season so far but we're playing Rangers Colts and themselves and Celtic have the best youth set ups in Scotland."

"If the players they have don't make it at Rangers then they'll probably play around Scotland, we know they're going to be dangerous and we need to be switched on, focused and up for this game like any other."

"There's no bigger motivation than reaching a final because it's difficult to get to cup finals but this is an opportunity for some players that may never get the opportunity again."

Ridgers said winning the tournament in 2018 was a big mood lifter for the club after relegation the year before and winning trophies is a great honour for any player.

He said: "Winning the Challenge Cup in 2018 was big for the club, considering the relegation and the disappointment off the back of that. We went on to win a trophy to put smiles on faces again. In the league it was obviously disappointing when we finished fifth but ultimately to bring the trophy back and realistically it was the only trophy you expected the club to compete for at that time."

"On a personal note, it was the first final I got to play in. I had been involved in the Scottish Cup and League Cup final with Hearts but I was on the bench. So to play in that final and win was great because things are different when you are playing rather than sitting on the bench. For me it's a moment I hold quite highly still, fingers cross that there is another one to come as well."

With games being rescheduled and Caley Thistle progressing further in the Scottish Cup, Ridgers admits the full extend of the Caley Thistle squad will be tested over the coming months

He said: "I think it's a credit to the squad, we've had players come in in the summer and some leave in January too but we've still got a good enough squad to compete on all fronts. I think coming off the back of Saturday's result against Livingston shows that the people coming are more than capable of filling the gaps that have been left."

"It's going to be a big stretch towards the end of the season, especially with some postponed games rescheduled and coming up and the fixtures being piled up but we went on that run before playing the Saturday and Tuesday where we competed really well and we have to do that again."

"Ideally, we're still in the hunt for promotion, in the Scottish Cup we'd love to get to Hampden again and go one further than before, and today it's an opportunity to get to a final. For any football club and for the players it's an opportunity that doesn't come around a lot."

## RANGERS COLTS

Rangers Colts come to the Caledonian Stadium with an aura of unknown about their squad but also with great respect shown towards them due to their stunning progress in this tournament.

Rangers Colts will become the first "Colts" side that the Caley Jags have faced in competitive action since they faced Aberdeen Colts in the 2017/18 Challenge Cup, the score that day was 4-2 to Inverness.

The young Rangers side will be mainly made up of players from the club's development squad but they are also allowed to call upon players from their U18s side. They are allowed to play two "over aged players" and can call upon their young players that are on loan at other clubs.

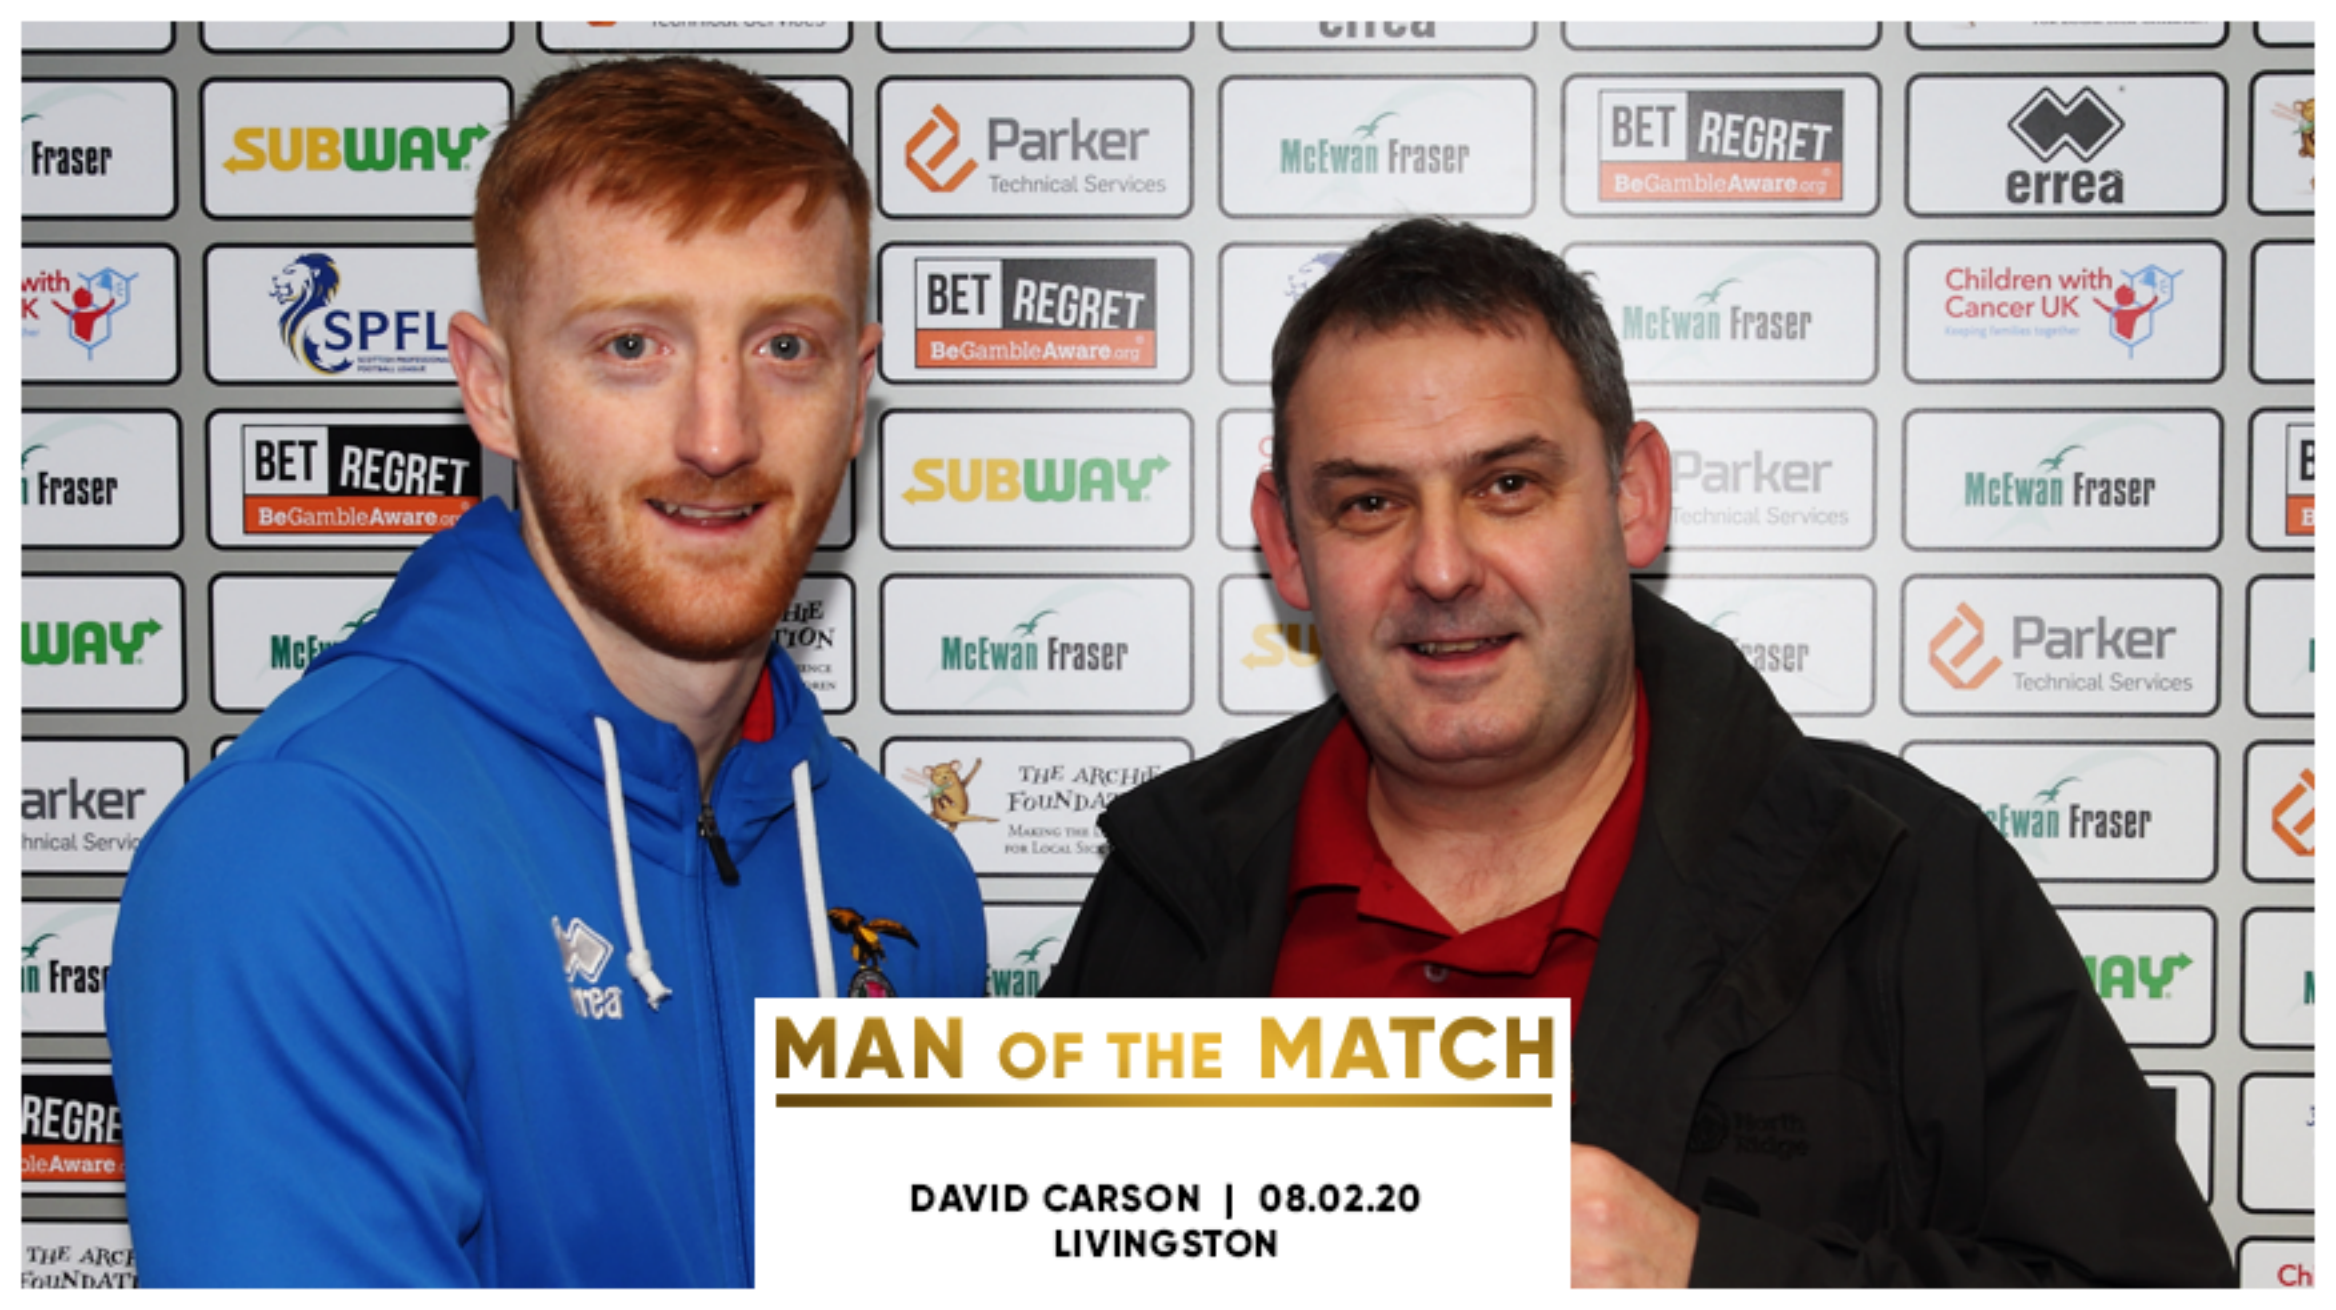

The young colts side have gone further than any other colts side has gone in this competition by reaching the semi-finals and they've knocked out Berwick Rangers, Stranraer, Ballymena, Soihull Moors and Wrexham.

# MATCHDAY MASCOT

Competition winner Leo McKinstrey loved his time as the Mascot on Saturday against Livingston, as Caley Thistle won 1-0 to progress to the Quarter Finals of the Scottish Cup.

# LOCHLAN'S LEGACY

***Lochlan Murdoch is travelling around all the Football Clubs in Scotland to walk around their pitches to heighten the awareness of Type 1 Diabetes.***

ICTFC were delighted to welcome Lochlan to our club and he met one of his heroes' dad. Lochlan is a huge fan of Ryan Christie and Charlie presented him with a signed Celtic training top.

Of the current ICTFC squad, his favourite players is Kevin McHattie and the club presented him with one of Kevin's playing kits.

***ICTFC in conjunction with one of their Sponsors Miele's Gelateria have created a Tunnocks Caramel Wafer dessert to serve up to Hospitality guests at today's Tunnock's Caramel Wafer Semi-Final game against Rangers Colts.***

***Miele's sponsor ICTFC's Assistant Manager Scott Kellacher and he along with Commercaill Manager Jim Oliver were willing "official tasters".***

***Jim said "Scott and I went above and beyond the call of duty and put our bodies on the line to ensure that the taste was just right for everyone else. We thought it was something different and it will be served to those attending our hospitality suites and boxes on Sunday."***

***Miele's Director Michael Miele said "ICTFC approached us and asked us if it would be possible to make a Tunnock's Caramel Wafer ice cream and we said that should not be a problem. The club approached the SPFL who asked Tunnock's and they were happy to allow this to happen. The ingredients were shipped up from Glasgow and the process began a couple of weeks ago. We had Scott and Jim in for regular tastings and they gave it the official thumbs up. We are launching it on Valentine's day so that the romantic Highlanders can purchase some for their sweet toothed sweethearts."***

***ICTFC Season Ticket Holders, on production of their Season Ticket, can get the usual deal of buy one scoop and get the second scoop free until kick off time (4.10pm) today.***
