

# Blacks for Satan

Blacks for Satan is the resource site for those of the Black race who wish to develop and evolve by educating themselves on our race, spirituality, culture and who we are. In studying you will find that Satan is humanity's TRUE god and the pre-Christian pagan gods (Daemons) are humanity's trusted guides.

We realize our origins in our god Satan. We transform our souls through the daily practice of power meditation. Through this practice, we ascend to a higher level as the gods and manifest our true potential.

We Cherish our existence by embracing our own divinity!

O.R.I.O.N

Our Race Is Our Nation.

Hail Satan!

High Priestess Shannon

The biggest lie that has ever been forced on humanity is that of who our REAL creator truly is. It is time for this truth to be known.

Satan and the Daemon gods have been with humanity since the beginning of our existence, and they were known by many names. They were the ones who gave us knowledge, ALL of our traditional culture and the ancient spiritual knowledge and wisdom way before the hideous programs of Christianity and Islam arrived.

Our real gods have been labeled as evil and replaced with false ones who only wish to enslave us, It is all backwards. Even the enemy admits that Satan is the real God of Humanity. This website will show you and more.

All of the information on this website and on the Joy of Satan are years of hard work and research and finding in searching for these truths. Our past has been destroyed and covered up. Satan has guided us to all we have found and he encourages all of us to study and uncover our ancient history.

This website is to inform and connect all members of the Black race about our history with Satan and our original Demon gods.

Satan is of the Nordic race of gods (advanced Extraterrestrials)who set out to create the

different races to become part of their cosmic family. The serpent/snake is among the most sacred and holy symbols in Satanism. You will find that in connection to the Black race, the Serpent is the symbol of spirituality, the divine and super consciousness in all traditional African religions. Unfortunately this symbol has been deemed evil by Christianity.

We will reclaim back our ancient Traditions, culture and bond with our creator.

When we dedicate ourselves to Satan, he and the gods look out for and protect us, and help us advance to a higher level of existence.

All of the old gods of humanity are Satan and the Daemons.

## Spiritual Satanism

The entire purpose of Spiritual Satanism is to empower and transform the soul in order to advance and achieve immortality as the gods. This was Satan's purpose of creating and guiding humanity. Spiritual Satanism is a life loving religion. It is NOT about blood, evil and darkness!

Satanism acknowledges the existence of the spiritual and of our Souls completely. Satanism embraces life, freedom, knowledge and personal power. The longer you are in satanism and actively meditating and empowering your self, you will get a handle on how energy works and find that the spiritual is VERY real.

In studying old traditional religions, it is apparent that all of them point towards empowerment

of the soul and to become as the gods, a spiritual "sacrifice to the gods" must be made. This sacrifice has to do with empowering the bioelectric field and the energy centers of the soul consistently. When one increases the vibrational frequency of the soul, the physical body being connected to the soul, will change and morph to fit the new higher vibration. This is all achieved through power meditation.

Reaching godhead takes consistent dedication and hard work but Satan and his Demons work with us to complete this transformation as we reach certain levels in our meditations.

Humanity has been completely cut off from true spirituality and this has caused all of us to degenerate and fall backwards on our development. This is why we have so many problems and horrible things happening in our world. With the coming of Christianity and Islam, the human soul has become corrupt, weakened and polluted.

The benefits of consistent meditation, yoga and empowering the soul:

Healing of psychological trauma and addictions

An increase in intelligence and cognitive functions

Awareness and mental focus

Increased psychic ability

The power to change your life to attract what you need through witchcraft and energy work

The ability to heal

Increased endurance and physical strength

## The Human Soul

I remember when I was new to spirituality and the occult, I accepted the soul and was aware of its existence but I never fully understood it as much as I do now-- this is the result of being immersed in spiritual satanism, one will eventually reach a level where experiencing the soul and the physical becomes indivisible. Many people will make reference to the soul or claim to acknowledge it but how often do we all take the time to empower, "feel" and associate with ours.

As you all know, the soul is made of light and it thrives on it. Having a lot of light in the soul is synonymous with having higher spiritual attainment and power. Once we greatly increase the power of our souls, our physical bodies will adapt to this increased life force and change along with it.

Besides the light spectrum, our souls are more identical to the Sun's energy than many people would think.

The ancient peoples all over the world acknowledged and paid homage to the Sun because of its central importance in spirituality and life in relation to our spiritual selves. The Sun is likened to the supreme manifestation of the life force, it is immensely powerful.

The word "Soul" is linked to the Latin word "Sol" which means Sun. In studying etymology, we know that many words in language are based off of Latin and Greek. And even for the languages that do not have origins in Latin or Greek, they still are related through likeness. For example, the Black Africans in the West that practice Odinani (solar worship), the word for Sun and the life force is Chi/Chineke. Chi is also the word for the soul/ spirit.

Scientists were finally able to capture an image of the Sun's light particles, and each one is in the shape of an equal armed cross! The equal armed cross is also seen in the Daemon sigils as well.

This further proves that Spiritual Satanism is the true path. The essence of this path is to transform and elevate the soul; to perfect our energies to that of the Sun. When we empower, perfect and align our souls, it becomes like that of the Sun.

The soul is a beautiful gift made by Satan and the gods with their essence in all of us. It is our true selves. Aside from being made of light, our souls and energies are electromagnetic in nature, which is how we are able to attract, influence and able to be influenced by energies all around us, for better and for worse. This is why we must use our energies and will to program and direct these energies to get what we need and want. This is also why it's very important for people to think and stay positive. This especially goes for spiritual satanists and those who meditate regularly. We will be influenced by our own thoughts which grow stronger as we meditate. Azazel reminded me of this.

Pay attention to your souls. Make everyday a Soul day. Keep your energies flowing by doing Yoga everyday, and movement. Qigong is great for opening up the soul as well. Get your blood flowing, feel the warmth of your movement, acknowledge it. Your body heat is the radiation of your soul's energy. Of course one can see that when you look at a dead body that is stiff and cold... it is devoid and empty of the soul and its life force.

Aside from housing our souls, our bodies are the vehicles that our souls use to navigate on the physical realm. As you all know, the physical body is equally important. Xians on the other hand pretty much live for their death and embrace it. This is the anti-life conditioning that the enemy program has brought onto us, whereas Satanism is a celebration of life on the physical and spiritual.

We need our bodies to empower and transform ourselves and to be whole. It is the physical

manifestation of the soul (As HP Mageson has stated before). The blood being the physical manifestation of the soul's life force and so on. Actually, it is easy to argue that the endocrine glands are the physical manifestations of the chakras since they are aligned with them and empowering the chakras prevents the endocrine system from deteriorating thus halting the aging process.

If any of you are afflicted with a disease or ailment that you are not yet strong enough to heal, do what you can to improve it but always keep in mind that true healing will come from an empowered soul, do not lose hope. Whether it be a physical deformity or some mental or genetic defects, know that defects in the soul manifest in and on the body. In order to fully heal this, continue your soul empowerment because what you do on the spiritual will manifest on the physical. An empowered soul will preserve the body and make you radiate energy and enhance your own beauty and attraction as well, over time. This is especially important if one doesn't have the means to eat healthier and pure foods.

The meditations and yoga empowerment will go a long way in supplying and sustaining you with energy and life force if you cannot get it from your food.

In closing, celebrate the lives that you have and the opportunity that we have as Satanists. Use the energy from the soul that Satan gave you to fix and correct yourselves. Work on your chakras as much as you can, do those \*Reverse Torah Rituals\* (reversing the centuries of Jewish curses) especially, as they do work to free us and in doing so, our soul's energies will be unbound and spiritual advancement will be easier. After doing the RTRs, I can feel my soul more. This is a beautiful, beautiful thing.

Hail Satan!

## The Black Race

## Race Reality and Evolution

Each race was created specifically by the mind of our God and through genetic engineering, to varying degrees. So each race has certain strengths and purposes that go into the metaphysical. We all have the blood and essence of the gods.

The different gentile races were given the same knowledge by the Gods and this shows that the purpose and creation of each race from the start and end is with the Magnum Opus.

Because of so many years of lies and forced egalitarianism (the idea that every one is equal at every single thing) it has caused a culture of denial and fear, that if you speak of these truths, that one will be labeled as racist, "Nazi" or full of hate. We live in an age where everyone is sensitive and anyone is shunned if the reality of race of race is mentioned: Differences in the races and that they exist.

\*\*I want to quickly note that when I say we are all not equal, I mean in traits, characteristics, skills and capabilities. It is up to each person to cultivate their own talents. Every one should be

treated equally in that we all should have equality of a good standard of living-- having clean food and water, access to a good quality of life, justice, opportunities to exercise self determination, etc\*\*

Getting back to the matter-- Humans are part of the earth and animal kingdom and just like different species of plants and animals, the human races of the world are not capable of doing the same things and we do not all have the same skills and abilities.

Do Horses and Wolves get upset and angry at birds because they can fly? Are Cats jealous of Fish because they can swim and survive under water? These different animal species have their own intelligence and skills created by nature. Same with the races- They have different biologies, hormone levels, development and capabilities.

Another truth now is nothing in nature is equal. Nothing.

So why is it okay to classify different animal species and plant species but it seems to be a big problem when we go into the differences in the Human race?

Well the biggest reason is to prepare humanity for \*communism\* and to be slaves. The enemy considers all of the races of the world as disposable, interchangeable, blank, empty and worthless animals with NO culture, identity, unique traits and differences. We are all the same under "God" and with this being so, we are ALL slaves with nothing but numbers to identify us. We are reduced to nothing. They own the media and so this is how they brainwash and indoctrinate us all! The goal is also to keep us from realizing our strengths and weakness and from being able to understand our differences. This goes further in with the current cultural climate of "political correctness." It has become a shit show this day and age.

Let us go further into race:

Race is in our DNA, it is in our soul, it is our genetics, our roots and it also determines our psychological traits and inclinations as well as our higher aspects and weaknesses.

The enemy has taken each race's unique traits and have turned them into something ugly and harmful, to work to destroy each other. Where as Satan stands for diversity, racial love and cultivation. No matter what anyone says, race matters. It is psycho-spiritual and psycho-biological.

With race being part of our biological wiring, it is natural for people to be attracted to their own kind and feel the need to be around and with people of their own, first and foremost. People are programmed to naturally favor and look out for their own kind. We see this everyday when we look at people of different races coming to gather in their own communities despite living in multi-cultural societies. I live in America, yet Arabs, Chinese and Hispanics all live among themselves separated from the rest, for example. You also see this in prison. People naturally stick with their own. This is just natural and the TRUTH! No amount of lies will ever change this.

Humans are tribal. Simple. This is part of nature and NATURE DOESNT MAKE MISTAKES. It is the enemy that is trying to take away everyone's sense of identity and what makes us unique.

Each of the gentile races are at different stages of evolution and each has the ability to reach a state of super consciousness, and this is the purpose of our existence from our creator Satan and the Gods.

"The purpose of Life is to better the yourself and the Universe" - Satan

Hail Satan and the races of the Earth!

# Metaphysics of the Black Race

When you look at the scientific data on the races and apply spiritual principles and knowledge, it becomes clear that there is a metaphysical connection.

Think of what the races stand for and represent and not about what they lack. The races are on different levels, different stages of evolution. The races also are correspondent to different aspect of the elements.

The black race has a higher reproduction rate, a shorter gestation period, faster development and overall maturity, higher fertility, different hormone levels, i.e testosterone--more of a physical edge since testosterone governs explosive movement and greater muscular definition/strength, etc. All these traits give more biological efficiency.

These racial differences were given to us by nature, since Satan (through advanced genetic engineering) worked with nature to create us.

With the black race, the primary directive and nature is on the physical. Movement, rhythm and sensuousness are our exalted aspects. You see this also in how we are built, shaped and toned. Rhythm and dance is highly spiritual, and is a high form of expression for blacks, especially in Africa. This goes into our roots and wiring and is also the basis of traditional African spirituality. You even see this in the Americas at Christian churches and certain congregations when they are worked up into a spiritual frenzy, blacks are inclined to dance and move.

When it comes to spiritual and natural principles, there are 3 realms of existence: the Material

(concerned with the senses and the physical realm of living), Mental (rules the pure mentality and realm of thought) and Spiritual/Ethereal plane.

The Black race's nature is primarily on the material/lower. This means the primal and basic state of creation. The foundations. The primal and lower level of existence puts emphasis on the material and earthly plane of nature which governs the body, movement, sex, sensuality, rhythm, base desires, impulse and pure physicality. We embody the earth principle.

It must be known that these characteristics can manifest very negatively. And it is seen today in many Black gentiles, I will go more into detail with this further in the rest of my articles.

As a race, we need to focus on and elevate our best traits while controlling them from being one of our greatest weaknesses.

Since there is an emphasis on the physical /material principle of nature, sheer creative intelligence will not be our highest strength and that is completely fine especially when you understand our existence and inner qualities that nature bestowed to us. The only issue that will not be accepted is allowing ourselves to be dumb downed, weakened and stripped of common sense, morality and potential by the enemy- which is what they are doing with a passion.

This must change.

Evidence of the Black race's history and function can be seen in the mines and hidden ruins of Africa. There have been remnants of cities and such found with still more being unearthed. In the book "Temples of the African Gods" there are photos that show evidence of underground and semi- elevated civilizations. There are also left overs of monoliths, elaborate stone walls and channels. These are several thousand years old. This is another reason to continue to study

Africa, especially the south...

All the races are an extension of the satanic family of the gods whose goal was to build a place on earth with the gentiles. All of the races must work to better themselves and transform their physical self to that of the Sun. The Godhead!

Hail Satan!

## The Good, The Bad and The Ugly

Blacks for Satan is here for the betterment of all Black gentiles. Satan wants all of this information known and available to us. All of the articles on this entire website will prove to you and show you the reasons why our race is suffering and who is truly to blame. But before that, let us analyze the sad end result of lies and the enemy using our race to further their agenda and destroy us.

In order for our race to advance and become better individuals, we MUST accept, understand and take responsibility for our actions and what we become. The power to change is in our hands. I already discussed the metaphysics of our race but now we must look at the negatives. Yes, negatives. Each race has negatives going for them and in varying degrees.

Its time to set the facts straight!

We need truth in order for us to heal as a people!

---

---

So far as a race, in America specifically...

Violence and homicide are the biggest offenses committed among Blacks:

\*Note: The Black race overall has a tendency to be more aggressive and expressive (testosterone serum levels), This can be for better or for worst.\*

-The murder rate is VERY HIGH with Blacks. Blacks kill themselves at very high rates and no amount of excuses or cover ups will change that.

-The Black demographic/population is only around 14 percent of the United States but commits half of the crime (rape, homicide, etc) in America. When you think about it, these crimes are committed virtually by black men, so that is only 4-5 percent of the population. Furthermore, the black demographic has not grown significantly, it stays the about the same these days because of the very high murder rate that blacks commit on THEMSELVES. NOT by white people or police.

The Black family unit is broken:

-The rate of single motherhood and children born out of marriage is at about 73 percent, more or less!

-Fatherlessness is very HIGH among Blacks and this causes destructiveness and mental issues for the child. Studies show this. Children without strong parental figures, namely fathers are like to get into trouble. Children need BOTH parents in their lives in order to stay in line and grow up healthily. Since Fatherless homes are high in the black community. This correlates to our youth

joining gangs looking for structure and guidance elsewhere, as well as committing crime.

-Complete reliance on the Welfare state. This further works to break up the family unit and prepare the individual for Communism and complete dependence.

Lack of education and a substantial drop out rate:

There is a dramatic drop out rate in teens and young adults in school. This connects to parenting and lack of discipline and structure. The current "gangster" mentality and "black culture" sees getting an education and reading a book as acting "white" and going against blackness...

Drugs and Poverty:

Now this last one is not the fault of Blacks and I have covered this in different articles- the Enemy has brought this artificial system of induced poverty and drugs into black communities and to black Africa as a whole.

Poverty and drugs will cause abnormal and sick behavior among any people. However, there is lack of accountability as blacks should take control of their neighborhoods and communities to prevent drug dealers and enablers from selling to there own people. It is important to be leaders and take these matters into our own hands! Its the only way we can find the path of healing and transformation.

Brothers and Sisters, the numbers, statistics and data are not good. Just how does ignoring these facts work to uplift and improve our people? The enemy and their establishments keep trying to cover this up from us in order to keep us down and in bad shape as a race so that we have no strength to rise against them.

It is to the point when our own black people try to educate us on this matter, they are then called SELL OUTS, LIARS and not BLACK ENOUGH. This cannot go on. We need to understand these truths so that we can fix these problems.

## Re-Inventing the Black Race of Satan

Let us take the time and go over what we know about the Black race and our nature. We are a sacred race created by Satan. And like all his creations, we need to do our part to advance spiritually and evolve.

Think about what it means to come from the ancient gods.

We do not need to follow a nature and false identity that the enemy has created for us: a Black race with no sense that destroys and aimlessly drifts through life with no meaning. Thanks to enemy infestation and 1000s of years of degeneration we have not become a successful race. We have been plagued by enemy curses, spiritual degeneration, a high percentage of intraracial crime and murder, and psychological entrapment.

In order to overcome this, We must follow the satanic path that comes from our creator.

In examining the Black race, you can see a primal energy. We must direct this and sublimate it into something positive. I want to see the blacks race's aggression and depth of feeling directed at destroying the our enemy and in becoming the best we can be.

We should respect the other races from Satan, highlight our best features and work to improve our lives under their guidance.

With meditation, it truly makes one become a better person. Our meditations also increases the intelligence and understanding. It opens the mind fully. The meta practices finish what was interrupted. This is very important. Let us surpass our limits and become progressive.

When one looks into ancient Black satanic culture, you can see how advanced our ancestors were. What we see today with many Blacks is not a reflection of them. Our ancestors were in tuned with themselves and knew their place in the world. This primal energy was controlled and sublimated. The Black race had their own societies that the gods helped us build, and our skills and abilities increased as we advanced. This is why meditation is SUPER important, it elevates one in more ways than imaginable and speeds up the process of evolution.

There are many sites and ruins still hidden that points to the Blacks race's own advancement

thousands and thousands of years ago in Africa. ALL gentile races had beautiful cultures and beautiful societies. The gods were by our sides.

As for today, All of us should do our part in teaching our people. We do not need to live a lifestyle of crime, degeneracy, poverty, helplessness and ignorance. Use your powers, your natural gifts within your soul to get what you need in life.

Focus on Satan. Do what you can to lift your consciousness up and lead by example. Now and more than ever, we must become a new specimen of our race.

Hail Satan!

## Out of Africa Theory

The Out of Africa Myth is the supposed theory that argues that all of Human kind originated from Africa, that we are all from a single race and that all other differences in the other races, such as in skin complexion, hair, and development is just from a different environmental exposure.

The idea that all the races came from Africa, namely the black sub races are false as we now know that Satan and the Gods of old created each race from genetic engineering to embody different characteristics. Science is now showing that the "Out of Africa" argument is false, from DNA testing on Modern humans and from ancient human remains and fossil findings.

There have been many attempts by the enemy (via their mainstream media outlet) to try to remove the concept and fact of Race. If the enemy can convince the people of the world that there is no such thing as race, and that we are all the same then it would serve as a gateway for everyone to race mix and forget about their ancestry and racial traits- i.e nothing to preserve or save...

Race is a beautiful thing and is from Satan and the Daemon gods. Despite the attempt at making up lies such as the out of Africa myth, people are still not willing to race mix and abandon the natural human reaction, which is to be with, choose and support their own kind. This is all natural.

More information on the Out of Africa Myth, which reveals information that all the human races on earth are different and separate but come from a common source (Satan and the other Extra-terrestrial Daemon Gods)--not to mention that many tribes and ancient texts state the separate human creations by the Gods:

Scientific evidence refuting the theory of modern humanity's African genesis is common knowledge among those familiar with the most recent scientific papers on the human Genome, Mitochondrial DNA and Y-chromosomes. Regrettably, within mainstream press and academia circles, there seems to be a conspicuous – and dare we say it – deliberate vacuum when it comes to reporting news of these recent studies and their obvious implications.

Australian historian Greg Jefferys explains that, "The whole 'Out of Africa' myth has its roots in the mainstream academic campaign in the 1990's to remove the concept of Race. When I did my degree they all spent a lot of time on the 'Out of Africa' thing but it's been completely disproved by genetics. Mainstream still hold on to it."

It did begin the early 90's. And the academics most responsible for cementing both the Out-of-Africa theory and the complementary common ancestral African mother – given the name of

“Eve” – in the public arena and nearly every curriculum, were Professors Alan C. Wilson and Rebecca L. Cann.

In their defense, the authors of this paper were fully aware that genealogy is not in any way linked to geography, and that their placement of Eve in Africa was an assumption, never an assertion.

A very recent paper on Y-chromosomes published in 2012, (Re-Examining the “Out of Africa” Theory and the Origin of Europeoids (Caucasians) in the Light of DNA Genealogy written by Anatole A. Klyosov and Igor L. Rozhanski) only confirms the denial of any African ancestry in non-Africans, and strongly supports the existence of a “common ancestor” who “would not necessarily be in Africa. In fact, it was never proven that he lived in Africa.”

Central to results of this extensive examination of haplogroups (7,556) was the absence of any African genes. So lacking was the sampling of African genetic involvement, the researchers stated in their introduction that, “the finding that the Europeoid haplogroups did not descend from “African” haplogroups A or B is supported by the fact that bearers of the Europeoid, as well as all non-African groups do not carry either SNI’s M91, P97, M31, P82, M23, M114, P262”.

With the haplogroups not present in any African genes and an absence of dozens of African genetic markers, it is very difficult nigh on impossible to sustain any link to Africa. The researchers are adamant that their extensive study “offers evidence to re-examine the validity of the Out-of-Africa concept”.

They see no genetic proof substantiating an African precedence in the Homo sapien tree, and maintain that “a more plausible interpretation might have been that both current Africans and non-Africans descended separately from a more ancient common ancestor, thus forming a proverbial fork”.

We regard the claim of “a more plausible explanation” as a gross understatement, since there is absolutely nothing plausibly African turning up in any test tubes. In fact, the researchers made note of their repeated absence stating “not one non-African participant out of more than 400 individuals in the Project tested positive to any of thirteen ‘African’ sub-clades of haplogroup A”. The only remaining uncertainty relates to the identity of this “more ancient common ancestor”. All that can be stated with confidence is that humanity’s ancestor did not reside in Africa.

Unfounded accusations of racism have become common as the prevailing Afrocentric hypothesis is constantly being challenged by the growing mountain of conflicting scientific evidence, especially in the evolving field of genetics.

It is now scientifically irrefutable fact that the "human species" has been found to contain a substantial quantity of DNA (at least 20%) from other hominid populations not classified as Homo sapien; such as Neanderthal, Denisovan, African archaic, Homo erectus, and now possibly even "Hobbit" (Homo floresiensis).

If not given drugs to prevent infant death, the pregnant body of a rhesus negative mother will attack, try to reject, and even kill her own offspring if it is by a rhesus positive man.

The Domestic dog (*Canis lupus familiaris*) is a sub-species of the gray wolf (*Canis lupus*), and they produce hybrids.

There are numerous other examples of where two separate species (for example with different numbers of chromosomes) can also produce viable offspring, yet are considered separate species. That said, humanity has been shown to be, genetically speaking, a hybrid species that did not all share the same hunter-gatherer ancestry in Africa.

Recent sequencing of ancient genomes suggests that interbreeding went on between the members of several ancient human-like groups more than 30,000 years ago, including an as-yet unknown human ancestor. "there were many hominid populations," says Mark Thomas, evolutionary geneticist at University College London.

Recent genetic studies are touting shocking headlines about how ancient humans 'rampantly interbred' and indulged in inter-species interracial sex with multiple mystery sub-races in a "Lord Of The Rings"-style world of different creatures, including mystery DNA - neither human nor Neanderthal, not yet identified.

Hail Satan!

## More on the Black Race and Ancestry

The continent of Africa is very vast and diverse- there are many Black African groups and nations. Africa has a very wide genetic variation in the people living there.

Its must be understood that the continent of Africa has always been, in one way or the other, multi-racial.

Even though Africa is the ancestral homeland of the Black race, it is important to know that there are differences and variations of the Blacks in Africa. There are many African sub races-- the Khoisan, the Bushmen, the Zulu, the Berbers, the Masaai, the Bantu and much more. Many of the different Black groups in Africa have psychological and physical traits that are different from each other.

The idea that in Africa there is just ONE universal Black race that is all the same and united is not correct. Although we would like to think so, they are not. Some groups are also more advanced than others.

Unfortunately, tribes of different Black racial groups have been competing, going to war and or invading each other for a very long time. Different African tribes see any one not of their own as an outsider and potential enemy.

On the subject of Ancestry, the majority of Black people in the Americas are descended from the Black gentiles of Western Africa-- up and down the Coast, particularly from Nigeria and Cameroon. You can see the remainder of traditional African religion from these places still being practiced today by many Blacks in the Americas, the Islands and in Cuba and Brazil, Haiti, etc.

Vodun, Odinani, Ifa-Orisha and the Serer religion are in the racial memory of many Blacks, including in the Americas, as these are West African traditional religions practiced by our ancestors.

## Traditional Black Spirituality

It is important for each race to know their ancient history and culture.

The daemon Goddess Lilith revealed that all traditional African religion were branches of Spiritual Satanism, as we are practicing today at the Joy of Satan Ministries.

The Serpent, Snake, Python and Cobra are all SATANIC/PAGAN symbols for spirituality, spiritual power and godhood. It is the Kundalini Serpent that is in us all from Satan.

In studying Traditional African religion you find Spiritual Satanism at the root. Spiritual Satanism being the foundation of all ancient religions since the beginning. Unfortunately over the course of centuries of enemy genocide, invasion, attacks, the malefic programs of Christianity and Islam and spiritual degeneracy, much knowledge and tradition has been lost but some remain ever present enough to interpret so that the essence of spiritual satanism is still intact.

## Voodoo and Vodun

The religion of Voodoo comes from the West African Vodun tradition and so this article will focus primarily on the the original Vodun. Voodoo practiced in Haiti and the Americas is more so a mix up of traditional African religions with some European and Native Indian Influence. It also has been heavily infested with Christianity as well.

Vodun is an ancestral and nature based following in which spiritual transformation is attained via the direct communication with gods of nature.

It is a very old religion. Some scholars even estimate that it may be almost 10,000 years old.

Whatever the case may be, Vodun has gone through much corruption and transition since the arrival of Christianity and with thousands of years of enemy attack. Many Vodun priests and practitioners were killed and some imprisoned over the course of hundreds of years. Shrines and many places of worship were destroyed over the course of this time. Only recently has Vodun in Africa been practiced openly and freely without socio-political attack.

Since the Black race's history has been based on oral traditions and each tribe having keepers of the tradition, the traditional religions that have been infiltrated have distortion but on the upside, many tribes in Africa who have avoided a significant amount of enemy persecution can recall their existence and traditions all the way back to the beginning.

\*The African word 'Vodun' is similar to Vodan/Wodan/Wod/Odin (the same in European paganism. Wodan and Odin are the gods the white europeans also worshipped. They are connected since all ancient Pagan and Satanic religions of the world came from Satan and the gods, regardless of race)

The V in Vodun indicates the Mercury or in other words, the serpent life force. The kundalini. The

same can also be said for the O. Words and vowels have power. This is the power of speech and letters.\*

The Vodun god most commonly referred to as Legba is the chief god and Solar archetype of the religion. He is the highest honored and widely worshiped god in the Vodun pantheon. In rituals he must be invoked and acknowledged first in order for communication between humans and the gods to be successful.

The Black Africans say that he is the way to all of the gods and opener of the gates. Most of us involved deeply in ancient spirituality know that the word "GATES" is a code word for the chakras in many old pagan spiritual concepts, not just in black spirituality.

In African Vodun, Legba is depicted as a virile horned being with an erect phallus vs the Hatian Voodoo depiction of him as an old man on a crutch.

The horns, like that of the Mercury glyph and in ancient spirituality, represent the perfected life force and power. Gods were almost always depicted with horns to represent their elevated spiritual state. The phallus is liken to the spine which the serpent energy flows upward. It is the kundalini fully arisen. He is also the god of creative healing and sexuality.

The veve/symbol of Legba (pictured below ) is identical to the equal armed cross symbol that represents the 4 corners, 4 elements and cardinal directions, as well as the perfected aligned soul. Its no coincidence that Legba represents the elevated soul energy as well.

Legba/ Papa Legba is an allegory for the bioelectric energy and the life force that empowers the chakras and soul.

\*Legba is also an aspect of Satan. In Africa there are still many statues and altar areas with depictions of him. Legba was said to have given his people the power of the oracle and divination to help them direct their fate.\*

Another god or force in Vodun is Da, the rainbow serpent. The rainbow serpent is the kundalini. Da is said to carry all the messages of the gods (chakras) and ascends to heaven in the form of a rainbow. This is the kundalini serpent rising up to the crown chakra.

\*Above veve of Danmbala, its clear that this represents the kundalini serpent rising up from the base of spine and causing super consciousness and divine power

Da is also known as Dangbe, Dan, Aido Wedo, Danmbala and Damballah (in the Haitian Voodoo pantheon). All these are aspects of the great cosmic serpent. The primordial energy, the ever moving force. There are still temples and shrines in honor of Da and so, pythons and snakes are sacred in many parts of Africa just like in many pagan religions across the world.

\*The rainbow serpent is a symbol in many of the black race's mythology. As well as Serpents and snakes (kundalini) residing in water (life force and feminine principle).\*

In Vodun, the basis of the whole practice is to achieve spiritual transformation by making sacrifices to the gods. In Vodun, all of its practitioners put emphasis on feeding the gods and that the gods are alive because they are worshiped and that it is humans that keep the gods alive. The gods are indeed the chakras.

The sacrifice is advancing our souls and doing the daily practice of meditation to reach a higher level of existence.

In Voodoo, you will also see that Veves (symbols of the gods) are used to contact them. The Veves look identical to the the Daemon goetic symbols. The Daemon gods mentioned that some of the Voodoo Veves are based off of their sigils.

With Vodun/Voodoo dancing, it was a method used to achieve union with the body and to achieve spiritual transformation. The dancers would enter into a trance and the Shakti energy would activate flowing upward in the spine and the astral senses opened. This is why dancing is a big part of African culture. It is expressive and spiritual.

Now, when one looks further into Vodun and Voodoo, you will come across blood sacrifices of animals and humans (not as common nowadays) and possessions.

The blood sacrificing is not the original Vodun way. Satan and the Daemons would not allow or condone this. It is apparent that the blood sacrificing is of the enemy.

They say that the 'gods' demand the blood sacrifices because it feeds them and if one does not give the gods attention then they can reek chaos in your life. The bigger the sacrifice and greater the blood, the more the 'god' may feel obligated to grant favors of protection and such.

The enemy gods have taken over and infiltrated this religion. Over time, the African slaves syncretized and included Christianity and its saints with Voodoo in order to hide their ancestral practice but with this, has come a big infiltration. The enemy entities parading around aasn angeks and saints in Christinaity mixed and infested with Voodoo and now the entities are the ones who contact the Voodoo practitioners. It is obvious that many of the Loa are thoughtforms or enemy entities.

The enemy are the ones who benefit from and demand blood sacrifices. The same occurrence goes for the Aztecs and other cultures. This is clear infiltration. I am further disgusted because many who have ignored the 'gods' and haven't given them a sacrifice have been known to cause chaos in the practitioners life and even go after their children...

This is not of Satan. Children and animals are sacred in Spirirual Satanism.

Further more, during Vodun ceremony, many are possessed while invoking these 'gods' and ultimately black out. This happens during ceremony while participants dance and enter trance. They come out of possession with no memory of what happened. These 'gods' who have taken over their bodies have been known to do things that include, trivial dancing, eating glass and destroying clothing or items or causing death or accident because the participant was overwhelmed. Nothing is ever truly gained.

Our pagan traditions have been distorted and attacked for thousands of years but from doing my research on Vodun, I see the beauty that once was in this practice. Of course some of the base practices still are in tact. There are still ceremonies where an initiate 'dies' and is reborn into the new serpent priesthood.

In essence, Vodun is the remains of a rich satanic tradition based off of one's spiritual elevation and acknowledgement of our god Satan as the way to spiritual growth.

Hail Satan!

## The Significance of African Dance

Music, dance and storytelling were the means in which our ancestors preserved their history. The blacks race's

history was based in oral traditions and the keepers of these traditions were griots and bards.

Traditional African dance is correspondent to Yoga.

All the gentile races had their own form of this practice though it was not called Yoga. The Asians such as the

Chinese have utilized Qigong, Tai chi and related practices, the Aryans and East Asians performed what we generally know as Yoga and the Blacks specifically identified with dance.

Dancing and body movement were performed by all the gentile races in some way or form. All of these emphasized total body awareness, union within the mind body and soul, developing physical strength and capability as well as achieving a spiritual state of being.

Traditional African dance is powerful and physical and depends on coordination and synchronization within body. Its utilizes the concepts of polyrhythms in which the shoulders, chests, pelvis, arms and legs may move with different rhythms in the music, and total body

articulation and isolation of parts of the body.

The traditional movements also include, depending on the dance, hip and rhythmic gyrations of the back and lower spine, movement of the hips to open up the hip centers, body shaking, movements of the cranial with knees bent (as seen in many asian spiritual practices such as Qigong) and foot stomping.

With further observation of the dances, I have seen many similarities between yoga and the traditional dances such as use of mudras, rolling of the neck, the cobra pose, spinal twists, the warrior pose and other yogic positions but this is performed while maintaining constant movement of the body. The movements range from simple and regal to complex and fast. This takes control and connection.

One wonderful example of this is the African dance called the Yanvalou. It originated in West Africa and was brought over to Haiti during the Trans-Atlantic african slave trade along with many other traditional and african pagan religion. The Voodoo based practices today in Haiti and in some parts of the Americas was derived from the official Vodun religion based on the wisdom of the Serpent, in Africa.

The Yanvalou is a Vodun dance that invokes and calls upon the all important serpent/snake deity called Damballah who brings upon wisdom and purity. Damballa is another name for the kundalini serpent.

Yanvalou dance is said to be one of the most important of the Vodun based dances and is usually performed before ritual. The dance consists of spinal twists and manipulations, Contractions of the solar plexus, undulations of the back from the base of the spine upwards while knees slightly bent and releasing of the chest. This mimics the movements of the serpent or the waves of the sea.

The Yanvalou is performed at a slower tempo so that trance can be obtained. Dancers allow their body to relax while working at the same time and expand the breath movement throughout the entire body on a vertical axis. With Yanvalou and other derived dances such as zepol, banda gede, mayi and parigol, I note that many of these dances in tribute to "Damballah" put emphasis on the lower spine, hip and sacral area while also grinding, contracting and moving the pelvic area to stimulate the sexual energy.

In speaking of the kundalini and of spiritual energy being invoked through movement, In Nigeria during Yoruba ceremonies, many describe their progress of their shamanistic dancing culminates in a surge of heat rising from the base of the spine.

The Kalahari Bushmen in Namibia, also speak of vital spiritual energy which they call N'um. They call it the vital energy residing at the base of the spine and bursts out of the crown of the head. They are said to enter a trance and then 'heat' and stir the energy up through dancing and they channel it for their shamanic healing rituals.

In Africa, the drum has a spiritual significance as well. It aids in ritual and dancing. Dance and music along with the rhythm of the drum are inseparable expressions. The beating of the drums facilitate awareness and helps to induce trance. As the vibrations of the drums permeate the body, altered states are achieved. The music and dance work to entrain the body and entrance the mind into a personalized and vibrationally conscious state.

Research has even demonstrated that energetic rhythms cause the brain to synchronize and helps to balance the cerebral hemispheres. This makes much sense in that the africans used this energy to also mimic primordial energy and go along in tapping into their own divine energies. One Vodun practitioner calls the drum playing as 'beating the spirits into the head'.

In my experience in african dance, namely the Yanvalou, It keeps my spine supple and flexible and my body worked out. I like to practice this before my meditations. It is a specific dance with which I equate with a different form of kundalini yoga. I also find that I get an energy buzz after the dancing and so it is an enjoyable way for me to begin my other practices. I love african dancing as it is very fun, freeing and groovy!

Movement is life.

The races of the world have received sacred knowledge and spiritual teachings from the Gods and through these teachings, each race had established a priesthood and culture unique to them.

On the subject of the Black race and the gods, I was pointed out by Lilith on the Egyptian Gods and their close ties with Blacks and traditional African religion.

Traditional African religion ties with the Egyptian daemon gods, such as Amun Ra, Thoth, Sekhmet, Isis, Maat, Ra, Osiris and Horus, who did influence and have close relations to the Gentiles of Africa. I will especially point out the Dogon, Yoruba and Zulu people in deeper Africa (West and South).

The Dogons did have the same knowledge the Egyptians did and you can see this in their priesthood, cosmology, astronomical teachings, similar Vedic symbols and culture.

8 of the paired god and goddesses of pre-creation in the Egyptian Ogdoad are related to Dogon cosmology of creation and their eight "ancestors" of pre-creation which are also paired gods and goddesses. The Egyptian god Amun is associated with the Dogon god Amma, the Dogon jackal that guards the "second world" corresponds to Egyptian god Anubis who was symbolized by a jackal that guards the underworld and so fourth.

Cultural comparisons range from the type of rituals and rites performed, calendars observed, festivals and holidays, modes of dress for the priests and in their linguistics. The Dogon's culture and belief system is spiritual and scientific. Like the Egyptians spirituality, were based on the soul's perfection and the serpentine energies.

The Zulu Africans in South Africa has some artifacts that hold symbols of alchemy on them as the Egyptian and Eastern Vedics. In parts of South Africa, I have noticed inscriptions of the ankh and eye of Horus and there are areas of Africa that served as temples for the gods. This is documented in the book "Temples of the African gods" and further shows evidence of Egyptian culture and spirituality in deep Africa.

The Yoruba can be especially noted since they also share many principal gods, customs, magickal practices and religion that the gentiles in Egypt did. Archaeological, anthropological

and linguistic evidence points to the Yoruba being derivative of ancient Egypt. More than 50% percent of Yoruba vocabulary can be deduced from ancient Egypt directly or indirectly.

I also note that the Orishas of the Yoruba coincide with many of the Egyptian Neteru. The Yoruba word for Hidden is Amon. The Dogon, the Egyptians and the Yoruba all use the word Amun, Amma and Amon to mean "hidden" or "concealed". The gods of Egypt have many variations in the west African vocabulary but they all have similar meanings.

Additionally, In Bantu language (used all over Central Africa and South), the word for Law is Amaateka, Amaat-egeko and Maateka and Maa. These all mean fulfillment and observances of principle and law in society. This is of the Egyptian Daemon Goddess Maat, who is of truth, regulation, justice and law.

Traditional Rwandan and Burundi dances celebrate Maat, divine law and aesthetic harmony and the dances mimic the feathers of Maat with the hand and arm gestures and body balance. Traditional Kemetic/Egyptian head bands are used in the dance and were traditional made of papyrus.

There are many Egyptian god names in Bantu that are included in everyday use by African peoples such as Horus and Hora, Amen Ra and Imanrwa, Set and Sata, Isis and Isi/Sia/Msis, etc. The list goes on. The Egyptian god Ra in Bantu is still the same with Re and Rarae being variants. Ra in Bantu means father, deity, and addressed to highly respected men.

I recommend all blacks to do additional research on this if interested. The amount of information on this subject is impressive.

\*\*The Egyptians were not originally black but the Black race has close ties with the gods who

have bestowed to them their culture and philosophies.\*\* The chief god of Nubia, which was also inhabited by black gentiles at some point in the south, was Apedemak. Apedemak is another persona of the Egyptian war goddess Sekhmet.

The Gods of Hell/Duat have influenced all of gentile humanity but from my research and what has been pointed out to me, the Egyptian gods are especially responsible for influencing the black race in the region of Africa. The Gods traditionally ruled specific places on earth and different gentile peoples. The Egyptian gods are still worshiped, respected and remembered in Africa through traditional religion, customs and cultural beliefs. Kemetism.

Vodun/Voodoo and other traditional African religion ties in with it as well as they all come from a common source.

\*\*To clarify and set the record straight, the Egypt as we know was established and settled originally by whites out of the east and then during the later dynasty, blacks were there.

It has been documented on the migration of the Aryan whites. Much of North Africa and some many parts of East Africa are inhabited by those of Eurasian descent to this day. When you look to the Arab slave trade and waves of migration, you can see the result of variations in the physical make up of the people in those areas.

There were Blacks in Egypt and Nubia and other neighboring areas as they are still part of the African continent and assimilation did happen and so did some exchange of culture and spiritual knowledge, but the fact remains that the knowledge and teachings of these cultures came from the SAME SOURCE and so the focus of this article was to point out the relations of the Egyptian Daemon gods and the Black race.

## Traditional African Religion and Satanism

The serpent has been worshiped in Africa since the beginning. In most of the beliefs and practices of Africa, it is the highest form of cosmic power, next to the Sun. The serpent is also analogous to bliss, wisdom, benevolence and regeneration. It is a primordial force.

Many of the traditional beliefs in Africa are left overs of the traditional pagan religion of our ancestors which are branches and sects of spiritual satanism. These traditions are thousands of years old but have watered down and have become small fragments of the the grand satanic way which all cultures practiced. Our ancestors knew of the importance of spiritual advancement and were well on the way until the coming of Christianity and other enemy programs.

In many traditional African beliefs, you have the stories of the rainbow serpent heaven, underworld snakes and water, serpent gods and guides and old python cults. There is also emphasis on metal working and smithery, ancestor and spirit veneration and gaining spiritual awareness and ascension through the gods, which are the chakras and our old gods.

The Mande people in West Africa had knowledge of transforming the soul through working with the "metals"(chakras) of the earth and were skilled magicians.

In some of the traditional African beliefs, Satan and the gods are blatantly referenced. In East Africa, the Maasai people still worship and follow a being called "Enkai", this being was said to have given the Maasai people the knowledge to farm and encouraged peace, represented fertility and the Sun.

Father Satan's name is "Enki". It is clear that the African god Enkai and Enki are the same being. "Enkai" means "One in the Sky" and "the most supreme and unique".

In the Vodun/Voodoo religion, there are serpent temples and ceremonies which use real snakes to symbolize the rebirth of the soul and the initiation into priesthood. In Vodun, Legba is an

aspect of Father Satan.

In the Serer religion, the primary symbol of the divine and the ancestors who have ascended are two coiled serpents. Similar to the caduceus symbol. They are called Fan Qool/Pangool.

The rainbow serpent, common in many parts of Africa, is another meaning for the kundalini serpent and the chakras. As the serpent moves towards heaven (crown chakra) he carries the thunder god on his back. This is the life force and energy from the serpent. Snakes and water are a common theme in many traditional African religions. The Water is the life force and shakti energy. The feminine principle.

At the end of it all, this is why we are here. We need to renew our ancestors traditions and fulfill our destiny- to finish what was started. Satan and the Daemon gods are the way.

Hail Satan!

## Witchcraft and Magick in Africa by Kyriq

Witchcraft and energy work has always been apart of Black ancient paganism before Christianity and Islam.

As we all know every race has a history of paganism/satanism. In satanism there is witchcraft and the knowledge on how to use it. Unfortunately due to Christianity and Islam it's been attacked. For example in Sukuma, the Kongo and Yoruba, witchcraft was very strong.

In Sukuma "Bulogi" means witchery. Those who practice Bulogi are called Balogi or witches. Witchcraft isn't just among the bulogi but also 'batemi' chiefs and 'bufumu' healers. It is said Balogi can make themselves invisible and transform themselves into animals. Similar to how the Egyptian Pharaoh had multiple Kah's because of being close to the gods and being very spiritually advanced. It isn't physical it's spiritual. Balogi, like satanic covens, meet each other in nocturnal covens. In places where they are alone they get naked and sing and dance. Just like certain covens danced around a bonfire and played instruments to raise energy.

In the Kongo witchery was prevalent. Witchcraft there is called Kindoki. Just like how we can perform white magic and black magic. The kindoki can be used for positive and negative purposes. There are chiefs and healers called banganga and witches/sorcerers called bandoki who use kindoki. Bandoki have night knowledge or 4 eyes just like astral sight. They can move around in the spiritual world. It is said Bandoki can transform themselves into animals, leave their bodies and fly away. This is astral projection.

In Yoruba witch is 'aje' and a sorcerer is called 'oso'. I note that is 'aje' is also similar to 'ashe' which is also an African word that means life force or power.

Belief in witchery is almost universal in Yoruba. They call black magic 'epe'. Witches obtain their spiritual power from Orishas (chakras). They also have covens called 'ajo' mainly composed of elder women in league with each other. Sorcery called 'osho' can be used for good or bad. A sorcerer may be called 'oologun'.

Christian missionaries and Islamic invaders were highly critical of Yoruba heathenism. They weakened the adherence to indigenous African religions. Xian and Muslim leaders sometimes fought against indigenous African beliefs and practices. To a certain degree pagan African religions managed to survive in altered forms. Among the Kongo pagans have been combating against Xianity for more than 500 years. It has been a never ending war with the enemy...

May the Black Satanists of today preserve their race and their Satanic history.

## Sacred Metal Working in Africa

Metal working in Africa was and still is considered a form of magick. Metal workers are feared and also respected in some African societies because of their potential to benefit or negatively effect the lives of those around them. These people were venerated and held important positions in society alongside royalty and other authorities.

In Africa, when one examines closely, there is an ancient cultural reference to a spirit or god of iron and metalworking. In the Yoruba this god is called Ogun\* and in North Nigeria, the god is called Ogu or Gu. Traditionally in the West African region, one chooses to make the position of smithing a sacred and secret trade.

In the Mande culture, blacksmiths are said to control a force called Nyama which is liken to chi, witch-power and prana life force. It is a hot and wild force that must be mastered and used to transform when forging metals that are worked with, ultimately creating a form of powerful art. The ability to control this energy is said to be carried through the family. They believed this ability to be hereditary and that metal working is controlled by the ancestors and spirits. Members of the blacksmith family are taught the Daliluw, which is the secret knowledge of the use and nature of nyama.

As quoted from a book on art forms in Africa concerning the Mande people-

“Nyama is the foundation that nourishes the institution of smithing, so that it may nourish society, is the simple axiom that knowledge can be power when properly articulated.... One must first possess it (nyama) in substantial amounts and then acquire the knowledge to manipulate

and direct it to capitalize on its potential benefits. Acts that the difficult or dangerous—like hunting, or smelting, and forging iron—demand that a greater responsibility of energy and a higher degree of knowledge be possessed by the actor (Perani, Smith 1998: 71)."

It is interesting to note that many of these blacksmiths and metal workers are also practitioners of divination (seeing into the future or unknown), amulet making and medicine and many were also trained to be high priests. These initiates and trainees would separate themselves from society and conduct many rituals before they went into the "mother" (earth) to become a metallurgist. Rituals of purification and fasting was done in preparation to engage in this sacred and magickal act and ensure the timing was correct to go along with this.

In ancient Africa, the metal worker was often seen as a very powerful sorcerer and had the power to direct the forces of nature. The will of the smith was used to transmute metals despite the danger in the act. It is also interesting to note that Mande blacksmiths were called "the first sons of the earth" and near their forge were the forms of the 4 elements present to aid in their smithing and ritual practice.

The blacksmith was known as an enlightened one and one who deals with numerous amounts of universal energy.

Though the actual act of forging metal is performed in these African societies to make weapons and tools, the spiritual and allegorical significance still remains. The Mande culture, along with majority of true African culture, has been infiltrated. The Mande still have their ancient beliefs but many of them have adopted the poisonous program of Islam due to centuries of invasion. This is the case in many traditional African religions such as in Vodun/Voodoo.

The metal working tradition relates to spiritual transformation and for those of you not aware, "metal work" or "metal working" is spiritual alchemy and the metals are the Chakras.

In my study of metal working in traditional African religion, it seems that this one spirit that has smithing, craft and metallurgy under his domain is in association with Azazel and the other gods who specialize in spiritual alchemy.

Azazel is known as a master at spiritual alchemy and in the Bible and in enemy grimoires, it reads that he is known to have taught men to make swords, shields and body armor and that he is a master at working with metal, minerals and geology. This is all spiritual.

In reference to "first sons of the earth", it connects with the black race being one of the first races created. It also references the Mande's connection in working with earth, mining and using it to gain spiritual transformation. Working with the earth in a spiritual way in alchemy.

\*Ogun/Gu is also an aspect of the Sacral chakra ruled by Mars and associated with Iron.

Hail Satan!

## The Swastika

The Swastika is significant in all Satanic/Pagan cultures. It is a symbol of the Sun and Cosmic order. Our Gods use this symbol as well. It is recognized all over. For all of you who do not know, all races used this symbol. It is not a symbol of hate or racism or "evil Nazis, etc"

The symbol is found in different regions in Africa on clothing, walls, pottery and even scarring the symbol on their skin decoratively.

## Satanism and the Ifa-Orisha Traditions of the Yoruba

When one looks further into the traditions and spiritual philosophies of the Yoruba, here we have the core beliefs of Satanism which is that of spiritual transformation, evolution and reaching one's own divinity. The Yoruba believe that we all have a destiny to achieve and becoming spiritually one with the the creator is expected.

It is said that the elders of the tradition deeply believe that they are still practicing humanity's

original religion.

In the Ifa-Orisha tradition, the followers strive to maintain proper alignment of one's self and to evolve themselves beyond the base and lower qualities, purify the human spirit and refine the psyche. The end result is union between the divine spiritual consciousness and the earthly self.

Social, mental and civic development are also of the teachings of the Yoruba as part of the Ifa Corpus, which is an oracular tradition passed down from each priesthood with each generation.

Prayer ("calling on" to the ether), recitation, supplication, dance and meditation are part of developing the character or Iwa pele. This in turn develops and channels the Ashe (energy, chi, prana, etc) strengthens the consciousness and feeds the Orisha so that one can become as them.

Ashe is believed to come from the the divine creator and is manifested through his other aspect Olorun- who rules the heavens and is symbolic of the sun, the life force. Devotees still face and bow to the morning sun and give libation.

Orisha is said to be a term from two Yoruba words: ori which is akin to the spark of human consciousness in humans and Sha which is the ultimate potentiality of the consciousness to enter into a divine state.

The 7 main African Orishas are the 7 chakras in the human energy system but also the minor orishas are the forces that make up the human energy system and the earth. Many African traditional religions are earth centered and like that of shamanism. Some where along the lines, the Orishas are also representative of our gods who guide us.

The Orishas are said to exist within the self and so must be sought within. The Yorubas believe that through veneration of the orishas, the ashe will act unto them for the primary purpose of transformation and enlightenment. They are also purported to govern the elements and reflect the manifestations of the creator. They are known simply as forces of nature.

The Yoruba speak of the portion of the soul that holds one's destiny. This orisha is the Ori. It is located in the head, top/center, and is seen as the pinnacle of spiritual development. It is the individual's personal god and is intuitive knowledge. The highest level of existence. Prayer (adura) and supplication to one's Ori is said to produce an immediate joy/bliss.

This is the crown chakra, the seat of godhead.

\*\*This old tradition has made its way to the Americas by means of the Trans-Atlantic slave trade and most blacks in America are of Yoruba descent. They still held on to these traditions. This is seen in Candomble, Santeria, Obeah, etc. But as with many of our traditional African religions, they are corrupted, infiltrated and many lost, thanks to Christian and Islamic invasion.

The Yoruba, from my research, are an advanced group in Africa. One can see from their art, culture, spiritual customs and cosmology. They also have ties to the Egyptian gods and their culture.

I do see similarities to Vodun in that the Yoruba acknowledge the orisha Elegba/Eshu who correlates to the Vodun Legba. Legba, as I have written, is an aspect of Satan and the chi Mercury energy.\*\*

## Satanism, Odinani and the Sun

Odinani is a traditional religious belief once entirely held by the Igbo people of Southern Nigeria. Unfortunately, only few practice this belief system and most of what is left of it is syncretised with Christianity.

When looking deeper into what is left of Odinani, one can see that the Sun was and still is central to this religion. Just like in most traditional African religions, there is a chief and supreme god that is beyond time and space, gender less and is the source that drives all. The universal life force. The Sun has always been a symbol of this.

In Odinani, the supreme god is called Chukwu (Chi Ukwu) or Chineke. These names mean "The Great Chi" and "The God that creates." The Igbo also see the Sun as an agent of Chukwu– the Sun as the physical manifestation of the life force.

Chi, in Igbo Cosmology, is the soul, the spirit double, and one's personal god. The Igbo correspond the Sun with their own chi and it is held that chi may be invoked and called upon by facing the Sun at daybreak. There is no surprise that chi also means daylight in Igbo dialect. They knew of the life force's connection with the Sun. The soul is made of light and its energies are identical to solar particles when empowered and perfected.

In addition to building shrines in honor of their solar worship, the Igbo kept a physical representation of their personalized divine self. This is called Ikenga. It is one of the Igbo's most powerful icons. It is a horned figure that stands for personal power, achievement and success. It also is said to become activated through prayer (meditation) and sacrifice.

\*The horns symbolize the Mercury which is the perfected life force, the witch power and spiritual power. Many pagan gods are depicted with such.\*

In Odinani there are lesser divinities called Alusi, similar to the Orisha and Loa, that are seen as

elements and channels to the supreme being.

One Alusi, or force of nature, is the goddess known as Ani. Her name is in Odinari and it means "Located deep in the Earth".

Ani is known to the Igbo to be the divine feminine goddess that rules earth and the underworld- the deep dark waters. She also rules over creativity, morality and fertility. The underworld is interpreted as the cosmic foot that heaven rests upon. Heaven is the crown chakra represented by the sky god, Igwe.

This is the kundalini shakti energy residing at the base of the spine. The python (Eke) is the sacred earthly representation of Ani and is referred to as "Mother" by the Igbos, still. Eke also means creative feminine force of fertility and so there is a link.

The serpent, python and cobra have been worshiped for thousands of years by ancient pagan traditions all over the world. It was our cosmic symbol of spiritual power and perfection.

Hail Satan!

## Sacred Serpents of the Serer

The Serer people of West Africa have been amongst the few groups of people who have resisted the enemy programs of Islam and Christianity from taking over their beliefs completely and for a very long time. They have kept much of the rich satanic and pagan traditions alive despite enemy infiltration. The system and spiritual faith is called Fat Roog "Way of the Divine."

Ancestral worship, belief and understanding the perpetuation of the soul and reincarnation, initiation into priesthood for men and women, observance of the planetary movements, solar worship, cosmology, chanting and prayer to the gods are what this path encompasses.

Interestingly, another one of their symbols, called "Yoonir" is a pentagram symbol. Cosmologically, it is said to be one of their most important and sacred stars, representing the universe.

Like in all traditional African religions, they believe in a Supreme and high god that is an embodiment of the female and male principle, being ever present and all that connects to the soul. We know that this is another name and representation of and for the Aether and life force.

Again, we see the similarities with the veneration of lesser gods and spirits who are the bridges to reach the supreme god. Like in Vodun and the Ifa-Orisha tradition, these lesser gods are code names for our chakras and to a lesser degree, our gentile daemon gods who aided and interacted with humanity to give us this knowledge. These gods are called Pangool or Fan Qool, which means "sacred serpent". The serpent is the symbol of the gods in their faith; Sometimes two snakes coiled are used as their symbolism.

Prayer to the "gods" is critical in the Serer religion as one's soul is made sacred and consecrated with regular association with them. We know that focusing on and paying attention to our chakras and souls are the only way we can truly save ourselves.

## The Dogon and Black Awakening

The Dogon people are the last group within the black race to hold on to the Egyptian culture bestowed to us by our ancient and original gods. In analyzing this, we see the remains of a beautiful satanic culture based on understanding the soul, the gods and the world around us.

Unfortunately a portion of the Dogon population practice Islam and Christianity, the filthy and destructive programs that are connected to the enemy agenda.

The Dogon cosmology and creation story, deities, language, symbolism, culture and civic inclinations are all similar to ancient Egypt. The priesthood also is connected. As was mentioned before, Nommo in Dogon beliefs is the creator god associated with primordial waters. The name Nommo means water essentially. Nommo is similar to Nammu, another primordial "water" being representing the feminine and creation in Sumerian lore.

The primordial water theme is ever present in all gentile spiritual narratives, allegories and symbolism such as Oannes, Dagon and Mami Wata and other mermaid like beings. This is the Shakti force.

Curiously, the Dogon cosmology and symbolism ties in and is interconnected with scientific concept and astronomical occurrences as documented in many books and articles on these people.

Our Egyptian gods gave this knowledge to the gentile races and you can see this in deeper Africa with the Dogons, the Yoruba and in certain areas in South Africa. There was a Pyramidal structure found in South Africa aligned with the pyramid of Giza, as documented in the book "Temples of the African gods."

Its no wonder many Black people feel connected to the Egyptian daemon gods and Kemetic

culture.

I remember before coming to spiritual satanism, when I was deeply into general paganism, I chose to immerse myself in Egyptian mythology and then I started to feel attracted to that pantheon of gods and my overall spiritual self. Shortly after, I was directed to the JoyofSatan. Many of the Egyptian daemon gods are still in the black racial memory. This relates to many of the Black Joy of Satan members coming to Satan because of an interest in the old daemon gods...

Hail Satan!

## Enemy Gods, Enemy Attacks and Blood Sacrifice

Ever since Satan created humanity and set to give humans the gift of the gods (spiritual power and immortality), there have been massive attacks and infiltration on our sacred existence and on this Earth to stop this.

Satan and the gods created humanity to be extensions of their divine and extraterrestrial family but the enemy gods did not want this for us. They wanted to enslave and use us as cattle, just as they are doing today with this system, Christianity, Islam, etc. Humans have a powerful energy source (the soul and life force.) Souls are a source of energy.

With more and more information being found and coming to surface, it is very clear and obvious that Satan is the creator of humanity, and our Daemon gods are the gods that taught and guided humanity. The enemy has tricked us into believing in that disgusting false God, Jehovah, YHVH, Allah, etc. These are all names of a group of evil beings who are pretending to be our creators.

Everything is Backwards. The one called Satan is the true god of humanity. He was labeled as evil to keep us away from him.

This enemy attack and infiltration has been going on since the beginning to all cultures but I will focus on how this relates to the Black race in Africa.

On the subject of blood sacrifice, in Africa tribes have been sacrificing other tribes and animals for rituals to satisfy their "gods" and for favors. This blood sacrifice is to supply energy and the power of the life force to the enemy gods. I already mentioned that the life force and soul energy of humans and living things can be used. The Enemy gods have tricked Blacks in Africa to give them blood sacrifices for centuries. This is seen today in Voodoo, for example. Blood sacrifice is also BIG in Christianity. Just read the Bible and you will see what I mean.

If you study the ancient Mayans and Aztecs. you will see that they had the same problem. Their culture was attacked by the enemy reptilian gods that also tricked them into taking blood sacrifices. This has been documented in history as these tribes were known to perform human sacrifice. In addition, if you study these tribes, you will see that they always painted, drew and or described these gods as Reptilian looking. Scales on the skin, lizard like eyes, etc. An African Zulu Elder depicted the gods that he sees as Reptilian in nature.

All one has to do is look up something like "Zulu Reptilian" in an internet search engine and you can see how Reptilians have been involved in Africa. Our gods are not reptilians. Where ever Reptilians go, ritual blood sacrifice happens.

All of this violence and negativity is NOT of Satan. Satan and the Daemon gods do not demand or want blood sacrifices nor do they want us to be slaves. The enemy could not destroy and take all spiritual power so they got in and infiltrated instead.

When one comes to Satan and Spiritual Satanism today, many doors open and we are then exposed to their positive energies. All of us. However, as one begins their journey into Satanism, you will come to see that the enemy is still working to keep us away from Satan and the truth. Getting negative thoughts concerning Satan and the Gods, fear, psychic attacks and feeling depressed are among the things that has happened to us. This is all of the enemy. Even "Angelic beings" start to attack you...which shows that they do not want us coming to the truth. This is the real deal and you will see that as you progress.

Despite all of the attempted attacks by the Enemy to keep us way from Satan, we will always be protected by him and you end up stronger than before. I remember the first enemy attack I experienced- it was very surreal but I am now to the level where enemy attacks no longer phase me. They do not work anymore.

I am at the point where nothing or no one will ever convince me that spiritual Satanism is not the true path. Spiritual Satanism is life changing and something you prove to yourself.

Hail Satan

## Understanding Black Identity

It is important to know the history of the Black race is in Africa. This is the place that Satan and our gods put us to build our own civilization under their guidance and knowledge. Evidence of these societies are already seen in deeper Africa. There are many Black tribes that are connected with the ancestors and can recall their history up until the beginning of our creation, and that a group of extra-terrestrials created them.

We need to study Africa and not center ourselves around a false identity in the places outside of it. Africa is the place to study for real information.

Within the past century, there have been many false claims about the Black race. A lot of these claims are based on an inferiority complex, and a deep inclination towards feeling oppressed and almost worthless. This is seen over and over again --when anyone debunks or proves these claims wrong, the reaction from the Black person(s) are aggressive and or followed by calling anyone racist, etc

This is the extent of the situation today. Many Blacks feel that holding on to these claims of false identity will keep them from feeling inferior and less of a race.

The enemy has worked tremendously to weaken and keep bound the Black race, just like they do with all the other races. It is psychological warfare. For this reason, it would be wise to not pay attention to claims about the Black race that come from outside of Africa.

The True History of the Black race is in Africa.

This section is devoted to debunking the false claims of black identity in order to restore racial truth and integrity.

## Gangsterism, Thug Life and the "Ghetto" Black Culture

What is Black Identity these days and what is the definition of being Black?

"Blacks are taught by the enemy that being Black means being a violent clown, with your pants hanging off your ass. And shooting each other over everything from crack to a bag of chips, and I mean that literally. Blacks have murdered each other over a bag of chips. Black-ness forbids learning to read, getting a good education, having a good career, speaking proper English, being a responsible man or a father either [Blackness is big on abandoning your children] or being a

moral human being in general.

The opposite of this is considered "acting White" and selling out. Its not a mistake when Ghetto Blacks start moving into a higher class area the successful Blacks are the first to move out. They worked their whole life to escape those types. And know from experience what's coming.

Blacks are taught to give up on life and embrace a destructive path -- the enemy has filled the Black mind with a deep hatred, a never ending negativity..." - HP Mageson666

Any Black gentile growing up in a Black neighborhoods (I'm speaking primarily in America) is familiar with the whole "Ghetto mentality, "Hood" and "Gangsta" culture and Thug/Criminal lifestyle. The violent and twisted sub culture encompasses:

-Promotion of drugs, drug dealing and smoking weed. The glamourizing and promotion of violence, gang-banging, guns, shooting and killing.

-Referring to women as "bitches" and "hoes" and objectifying them.

-Black men abandoning and neglecting their children and the whole "baby mama" crap.

-Decadence- putting money, and the material above all, holding it as if it is only important thing in life and it goes on.

When I was younger and growing up in a black neighborhood, I was quick to find disgust in that behavior. In growing up in an environment, you assume that certain behavior is normal if it is all around you but I knew something was abnormal about it.

Why has all of these things been the defining aspect of being Black?

Why is it okay to be a violent thug and involved in criminal behavior?

Why are drugs, violence, murder, sex and money the hot topics that are in Black music and entertainment today?

It is the media first and foremost. It is a ripple effect. You will learn on the Blacks for Satan website how the enemy, who controls 96% of the media, uses entertainment, the media and degeneration to poison the minds and act as a generally negative influence on the Gentile populace, especially the Black gentile. Our youth grow up and are exposed to these environments and it bleeds over to the next generation and so the cycle continues. I have seen this all too often. It is in Rap music and Rap videos. They try to make it look cool and normal but it is destroying the Black community and twisting the minds of our people. Children and the younger generation are especially more easily influenced and molded by these things. We need to change this.

This degrading Black sub culture is correlated to the unfortunate statistics involving the Black race.

## The Nation of Islam

First of all, Its important to mention that Islam is a disgusting lie based off of stolen ancient satanic knowledge.

I know many of you know of someone who follows this so called religious movement as it is prevalent in many black communities and is the focus of a few Rap and Hip Hop artists. The NOI is based upon the belief that Whites are the "devil" and the source of all evil in this world. And that the white race was created by an evil mad scientist named Yacub (a so called evil

black scientist) to rule over blacks for 6,000 years and after this time, the blacks will destroy the whites and cleanse the earth of them. As sick as this sounds, it is not surprising when you realize that this fucked up movement was indeed created by a Jew.

This Yacub character supposedly took all the evil in blacks and used this to create the white race. It is very ridiculous. Its similar to the "Curse of Ham" where blacks again are labeled as degenerates and unpleasant in some way. In Nation of Islam it pretty much says that blacks are responsible for the world's evil because a scientist from their own kind created evil beings.

The real purpose of this ideology was to incite racial tension and warfare between white people and blacks.

The true identity of this Jew, who went by the name Wallace. D. Fard, is unknown. According to police transcripts, he was known as a con man. He even admitted that the whole Nation of Islam movement was a lie from the start and that he was in it to make all the money that he could and from FBI files, he went by 58 different aliases and was arrested for many crimes including the selling of narcotics and the promotion of human sacrifice to his followers.

This doesn't surprise me with the Jews...They infiltrate and seek out to pervert and destroy

while profiting off of us gentiles (non-jews).

What better way than to feeding these lies to the blacks that were poverty stricken, and oppressed in Detroit?

"Fard had an East Indian appearance, and was a dapper dresser with perfect white teeth and dark eyes. He told followers he was born in the holy city of Mecca, and his light-skinned appearance, courtesy of his Russian Jewish mother, was "pre-ordained" so that he could more easily mix with white people. He claimed to have attended Oxford and the University of California, and then to have begun training as a diplomat for the kingdom of Hejaz (now a part of Saudi Arabia). He was drawn to return to the United States in order to liberate the African-Americans from their "half-slave and half-free" condition. He arrived in Detroit's Paradise Valley on July 4, 1930, in order to achieve this goal.

Fard worked the streets as silk peddler, but his real sales pitches were religious beliefs and dietary restrictions. He gained a reputation as a healer when his customers, after having adhered to the pork-free diet that Fard espoused, began noticing improvements in their health. His main goal, he often stated, was to bring salvation to African-Americans, whom he often referred to as his "lost uncle in the wilderness of North America.

Fard taught that approximately 6,000 years ago a black scientist named Yakub conducted gene-manipulation experiments that resulted in the creation of the inferior white race. Their tainted, weakened blood was to blame for the white race's immorality, which they frequently used to keep the black race in a perpetual state of half-freedom. His concepts attracted hundreds of followers to the Allah Temple of Islam (ATI), as he called his group.

Fard's demise as the leader of the temple was brought upon him when, on Thanksgiving Day in 1932, one of his followers, Robert Harris, renamed Robert Karriem, committed a human sacrifice in order to bring himself closer to Allah. Karriem cited a quotation from a book entitled Secret Rituals of the Lost-Found Nation of Islam, authored by Wallace D. Fard Muhammad, which read, "The believer must be stabbed through the heart." This quote, as well as another stating, "Every son of Islam must gain a victory from a devil. Four victories and the son will attain his reward," convinced the Detroit Police Department — motivated in part by the anti-Muslim hysteria fueled by media coverage of the event — to seek out Fard in conjunction with the murder."

## The Black Hebrew Israelites Part 1

Before we get into this false ideology... Christianity is a LIE.

The Black Hebrew Israelite movement is based on the belief that Africans of the diaspora, such as in the Americas and in the Caribbean, are not Africans but Hebrew Israelites that were sold into slavery by Africans. This ideology distorts the truth of the black race and our African roots and identity by associating it with that disgusting bible and the Jew. It creates cultural confusion and to further distance us from our true identity.

Many black's cultures and identities were 'taken' away from them during slavery and so the BHI and their claims are reliant on this but the fact of the matter is our culture and identity survived and these do correspond with Africa more than Israel and its related filth. Many blacks spiritual and religious followings also reflect Africa such as with the pagan based Voudon/Voodoo, Obeah and Orisha worship.

As far as language is concerned, take Haiti for example, creole is influenced by African language and not by Hebrew... not to mention Hebrew was stolen from the Semetic language designation. For example, the sun in Hebrew is shemesh and the sun in Babylonian was shamash. Our daemon god Azazel was known as Shamash.

Years ago, when I first came across this movement or cult, as many have claimed it to be, It reeked of an exaggerated ideology built on the deep seated oppression that blacks of America have experienced because of the Jews.

The BHI use the scriptures in the Bible as 'proof' of their claims. They have twisted scriptures to substantiate their false teachings.

And of course as with most of these extreme ideologies and movements based upon blacks

and the bogus claims to give themselves an ego boost, as with the NOI, they believe that Whites are the cause of their oppression and world suffering and in this case, that white gentiles are the result of some biblical miracle gone wrong....Not to mention the Bible is a book of Lies and stolen material that damns gentile humanity.

When you prove the Bible is false then the rest follows, however since many blacks associate with this movement in some way, it is important to understand the Bible and its scriptures because they clearly take it out of context...

There are different sects of the BHI with different beliefs and claims but they all have no historical evidence to back it up, whatsoever. Common sense and truth is sacrificed just for the sake of feeling superior.

Some weeks ago, I had an online debate with one of these followers and it was very tedious as it was going nowhere. He even started calling me names and constantly referring to that damned bible when I would bring up many logical points. With the things that Jews do in the Bible and all the hideous associations, it baffles me on why they would even want to be associated with that. But like with most christians, they pick and choose which verses to follow and adhere too and overlook all the evil that the Bible is.

## Re-Examining the references and Bible quotes of the BHI Part 2

We already are aware that the Bible is a book of stolen material and lies put together by the Jewish menace as a means to enslave and destroy the gentiles (non-Jews), but as was said, it is important to understand exactly the material inside of it to debunk the BHI claim. So many blacks relate and cling on to this movement and so it is important to understand the whole ideology.

According to the Judeo-Christian bible, Israelites were the descendants of the sons of Jacob and whose name was changed to Israel in the bible. So, the descendants of Jacob/Israel were

called the children of Israel. Israel is everywhere in the bible and so any group of people claiming to be the Israelites are seeking to feel as if they are the chosen ones. Another example is in British Israelism. They mimic the BHI in that they believe that europeans are the original Israelites.

---

A few examples they use to somehow prove that the original Israelites were black. They take the verses from the bible completely out of context.

Lamentations chapter 4, verse 8 " Their visage is blacker than a coal; They are not known in the streets; Their skin cleaveth to the bones: It is withered, it has become like a stick"

It is quite obvious that this quote is metaphorical and that the so called god is mad at the children of Israel and if they do something bad their face will darken...

-Lamentations chapter 5, verse 10 "Our skin was black like an oven because of the terrible famine"

Speaks for itself...

-Book of job, Chapter 30, verse 30 "My skin is black upon me and my bones are burned with heat"

Again, poetry and metaphor is used. The character Job was in mourning when God took everything away from him.

-Revelation 1:14

"His head and his hairs were as white like wool, as white as snow."

That verse is describing the color of his hair and not the texture of his hair. And if they verse is describing his skin color, then white would be it, not black.

-Revelation 1:15

"And his feet unto like fine brass, as if they burned in a furnace."

Brass that has been melted and burned takes on a fine glow and definitely not of a dark brown or burnt ash color.

The BHIs also believe that the character David was black but in Samuel, chapter 17, verse 42, his was described as such "for he was but a youth and ruddy and of a fair countenance."

This clearly means that he had red hair and white skin. From what I have observed, the BHIs still claim that this quote describes light skinned blacks.

Followers of this movement take many quotes out of that lie of a bible without even understanding all of the other phrases from that book like that of the curses and damnation of the gentiles and the rest of humanity.

Deuteronomy 28:68

"And the lord shall bring thee into Egypt again with ships by the way thereof I spake unto thee, thou shall see it no more again: and there ye shall be sold unto your enemies for bondmen and bond women, and no man shall buy you"

This is the verse most used by the black hebrew Israelites to justify that the original Israelites were black. The BHI claim that the keywords ships and bondage, and being sold clearly references the Trans-Atlantic slave trade.

According to the BHI, America is proven to be Egypt because on the back of the one dollar bill there is an Egyptian pyramid. If blacks of the Americas were the true Israelites and then they would have had to be in America as slaves, and then go to Israel, commit a sin against the so called god and then be brought back to America and sold as slaves... This historically has not happened whatsoever.

"And there ye shall be sold unto your enemies..."

This quote also gives way into the belief that whites enslaved blacks and because of this, whites are the enemies of the blacks of the Americas when in fact it was the Jewish psyche that brought about that black holocaust.

---

Many American Blacks are so lost and unaware of who they are, they are fed lies and false pathologies that the Jews instill unto them and so it is a healing balm to take on any claim that would give them a sense of self importance and worth no matter how ridiculous or illogical. Much of our gentile history has been wiped away and corrupted along with our deep spiritual culture because of the Jewish program of Christianity.

We are of the seed line of Satan, the creator and liberator of Humanity!

## Rastafarianism

Many of you in the black community have heard of Rastafarianism. I wanted to touch a bit on this subject because many blacks, in one way or the other, follow this way of thinking. It is part of many black communities but prevalent in Jamaica. I even had a Rastafari temple in my neighborhood growing up.

I never understood it but all in all it is just a sub branch of Christianity. It does not seem to be as widely adhered to like the Black Hebrew Israelite Movement but it connects to the disgusting

claim that black gentiles are the true Jews... They believe that to be a Rastafari is to be a Jew by nature...

If one studied the Torah and that lie of a Bible, what race of Satan would want to be a Jew? They are the ones responsible for all the fucked up things happening to the world and humanity. You see this if you study and read the Torah/Old Testament- They are full of CURSES on HUMANITY.

The star of David is a well known symbol in the Rastafari religion and way of life, as is the Lion of Judah...

Now, I am not going to go into how silly their claims are because it is right on par with the BHI in their use of misinterpreted bible quotes and in what they follow... They even use chapter 22, verse 2 in the book of revelations as an excuse for smoking weed. They say that smoking the herb is the highest form in attaining communion with god.

The Rastafarian beliefs are based on Judaism and with influence on the Old Testament since they believe that the Bible was written by blacks. Of course there is a twist.. They have come to know that the messiah is actually Haile Selassie who was a crowned emperor of Ethiopia. According to the Rastafaris, Haile Selassie, also known as " Lord of Israel", is a descendant of Solomon and David.

These adherents especially believe that their holy place is Zion and that Ethiopia is the home of the real ancient Israelites.

Rastafarianism has its connections with Beta Israel (House of Israel) in Ethiopia because the Jews have located and settled in the north and north western part for centuries and has spread. When you take a look at the inhabitants residing in Beta Israel, you see the Jewish culture being practiced. The Jews infested and infiltrated yet again through intermixing with the black population therein. The Jewish genes are now present in many black groups in Ethiopia, etc.

## The Moors

On the subject of the Moors, it needs to be known, even if there are Black people out there who want to be willfully blind and disregard facts and logics. The Moors were Mixed race and Arabic people who were Muslim. Evidence and research shows that they were of Primarily North African descent, just like the inhabitants of North Africa today who are also mixed race, i.e Eurasian, Arabic and of Black Sub-Saharan ancestry. The Moors also had Black slaves as well as Blacks in their ranks.

From the artifacts, paintings and such from the Moors, they all show them to be of mixed descent and not Black.

They also practiced the Lie of Islam which is nothing but a program of evil and was created by the Jewish enemy to conquer and destroy the Gentiles (non-Jews) in the East.

Let's not also forget that the Arabs enslaved Blacks for a very long time and it was very HORRIBLE, brutal and fucked up. It was worst than the slave trade that happened in America. Blacks do not seem to know of or say anything about this but it happened- This was the Trans-Saharan Slave Trade.

Below are two factual articles that show that the Moors were of Berber and Arab descent- The sad thing is, no matter how many facts you bring to the surface, many Black people will refuse to see the truth...all for the sake of trying to feel better about their race.

I don't know about you, but I don't need to hold on to a false history just to feel good about my race. And I am certainly not going to cry or put up a fit about it. I am already connected to the beautiful satanic history of the Black race.

Hail Satan!

## The Ancient Egyptians

It's time for us to finally visit the subject of the Egyptians. This is a hot topic for sure as both Black people and White people are putting forth claims- Blacks saying that Egypt was an all black civilization and Whites saying that it wasn't, etc. I want to say that it is normal for people to want to feel good about themselves or feel uplifted by the accomplishments of their ancestors and blood, etc. This is all normal.

The case is, Africa has always been a multi-racial and diverse continent. Whether home to Blacks, Black sub-groups, Whites and Eurasians, Arabs, Asiatics and those in between.

Ancient Egypt is several thousand years old and I do mean several. We're talking more than 30,000. The pyramids have been found to be 40,000 or more years old and they seem to predate the ancient Egyptian civilization. It is obvious that the extraterrestrial gods helped to build the pyramids. Scientists today still cannot quite figure out how it was built...

Given that information, why is it not taken into huge consideration that there were more than once race inhabiting Egypt at different periods of time? Also, why aren't Black people looking into the fact that the Egyptian culture is seen in other places in Africa...?

Of course the Black race was in Egypt at some point thousands of years after it was settled. Many of the Black race were trained and taught the Egyptian knowledge and took it with them as they migrated. This is seen with the Black Yorubas, the Bantu and the Dogon. The Egyptian priesthood of the ancient Egyptians and the Dogon shows they came from the same place. However there is no disputing that the Pre-Dynastic mummies that were found were white.

All the races that lived in Africa, Egypt included, were given the same knowledge and culture. It came from the same source. The Gods interacted with the Gentile races in Egypt, which was the center of the Egyptian culture and knowledge.

A quote from a clergy member that further expands on what was mentioned:

"With Ancient Egypt its known the Egyptian records that Egypt was settled by the Shemsu Hor, the White People who came out of the east. The pre dynastic tombs are of White Peoples. The Dynastic period was the last part of their history. The very ancient ethnic Egyptians the Coptic's are mainly White like the Kurds and others. The pre dynastic Egyptian tombs showed they were white.

It was an ancient tradition to show men with red skin and women as white. The Greeks did the same. At some point a lot of race mixing took over. Despite the Egyptians attempt to stop it. Today you can see all kinds of people in Egypt. Native Whites from the Coptic's who are from the ancient world as a community, mixed race people, Blacks and on." The last Pharaoh was Nubian but that was the end point of Egyptian civilization. He reigned for a few years then the

Assyrians invaded. And took half of Egypt, then came the Persian's not too long later, then the Greeks, Roman's and Arabs"

The amount of information circulating around on the Ancient Egyptians is vast. I'm not going to go over every bit of information just to try to prove or dismiss something as complex as this topic, even though evidence shows that Ancient Egypt was not an all Black civilization from the beginning. The fact is Black people are connected to Ancient Egypt, in the form of our Egyptian Daemon gods, their culture and the sacred knowledge they preserved and that's enough for me.

## The Olmecs and More

Aside from The Black Hebrew Israelites, the Moors and so on. There are other claims such as the Olmecs were a Black civilization.

Again we have the appropriating of another race's culture.

The situation with the Olmecs is the Afrocentrics argue that the Olmecs were Black people that occupied the Americas just because there are large Olmec stone statue heads that look similar to African head shapes. Lets not forget that there are many Olmec Descendants who look like the statue depictions more than a Black African, such as with thicker lips and broad noses... DNA studies also show that there are no links to the Olmecs and Black Africans (from tests done on the Olmec remains. There are also NO evidence of African Culture in any of the Olmec civilizations. No remnants of African culture and artifacts whatsoever. If the Olmecs were a Black African civilization, we would find evidence and artifacts from them. But there is none. The Olmec civilization was of the Mongoloid people with Asiatic ancestry.

Its important to mention that there have been claims of "Black Athena", that Beethoven (the white German composer) was Black and that the Chinese were originally Black, that the Black race taught the White race everything they know, etc, etc and the list goes on. NONE of this can be proven, they are just based on an inferiority complex and history that only served as an ego boost. This is exactly what happens when people are separated from their culture, history and homelands- you have many false identity arguments and a need to take on another form of identity just to feel better about the self and race.

Black people do not need to feel that way- we have our own culture alongside the Satan and our ancient Gods. It is the Jew that has made Black people feel inferior and curse them in the Bible so much so that it has caused spiritual and psychological association with these curses and the racism and hate that is in the Bible. In the Bible the Jews assert that the Black race is eternally cursed to be slaves...

## The Lie of Christianity and Islam

Update: The Gods have let us know that we are doing a good job at destroying the enemy with our efforts and rituals. Christianity and Islam are losing power. Hail Satan!

Christianity and Islam are the two most evil and horrific progams created by our enemy. The Jewish people are the ones who created these disgusting and false programs so that they can be the ones who take control of the world's wealth, spiritual power and assume the roles of GOD.

It is the reason we have so many problems in the world now. It is a goddamned shame. They have cursed humanity in the Bible and have caused things such as poverty and disaster to manifest dramatically.

Christianity and Islam are completely false. They are nothing but STOLEN ancient pagan/satanic material. They were taken from our own religious teachings from Satan and the Daemon Gods. This has been documented if anyone does their research. Even many Christians know this. The following websites have all the information you need to prove and show you EXACTLY what this is all about.

Christianity is a program used to enslave the Gentiles (non-Jews). Nothing positive has come from it. Please study and you will see the truth. Do not allow yourself to be tricked and made a slave. The truth can no longer be kept from us!

Islam is another evil lie that has enslaved, corrupt and destroyed many lives. It is also something many black gentiles are poisoned with. Please educate yourself so that you will no longer be fooled.

The Bible is just a tool used to spiritually and psychically control and enslave us. These curses are real and has manifested in this world. Christianity is a curse on us all.

The Bible is full of curses on all the different gentile races (non-Jews).

## Jews have cursed the Black race by Mageson666

In America there is a church on every corner of the Black community and their communities are falling apart they are killing themselves and each other and they have become a failed race at this point.

So what good is Jesus and Christianity doing? Its a Jewish spell to destroy all Gentiles(non Jews). Do you think the Churches everywhere and the infusion of Christianity into the souls of Black People for centuries have something to do with this situation? The Black Christians leaders are mainly criminals and degenerates ruining their own People.

The Torah( the old testament of the bible) is full of curses on all Gentile races. This includes the Whites who are called Amalek and are ordered to be totally exterminated by the Jews. Hence the Jewish created political White Genocide cult of Cultural Marxism is not anything but the Jews practicing their racial religion in a bogus political cloak.

In the Torah, Noah cursed Ham to be a slave to Shem. Ham was the father of Cush and the Cushites were the ancient title of the Black race and area's in Africa. This is the curse of Ham. However the major curse against the Blacks is in Isaiah this one is never mentioned because its too obvious.

The Torah in the book of Isaiah:

14 This is what the Lord says:

“The products of Egypt and the merchandise of Cush,

and those tall Sabeans—

they will come over to you

and will be yours;

they will trudge behind you,

coming over to you in chains.

They will bow down before you

and plead with you, saying,

‘Surely God is with you, and there is no other;

there is no other god.’”

Note here we have the Cushite's being put into chains and enslaved to the children of Israel. Note the Jews call Gentiles the property of the Jewish race (merchandise) which is property means Goyim(cattle.)

Goyim were born only to serve us.  
Without that, they have no place in the  
world - only to serve the People of  
Israel,. Why are gentiles needed? They  
will work, they will plow, they will reap.  
We will sit like an effendi and eat. That  
is why gentiles were created.

— *Ovadia Yosef* —

AZ QUOTES

When the Jews ran the Black slave trade they used these passages from the Torah to justify the slave trade to the Christian population. The Jews call the curse of Ham the Noachide curse. What do you think is going to happen to Blacks if the Jew World Order get the Noahide Laws (the Jewish Rabbi's had passed into law in America under the first Bush, imposed on the population)?

This already happened in the past on numerous plantations and households run by Jews having their own Cushite slaves to do the work for them during the Trans atlantic slave trade period.

\*\* My note- Black's spiritual energies are being used and taken from them to fuel that fake entity called "god". You see this at churches when they go into a trance, dancing and praising this false god. Dancing is another way to raise the energies. Praying to that false entity also gives power and energy to the Jews further speeding up our enslavement and damnation.\*\*

It's time for our people to wake up!

## Biblical Curses on the Black Race By Kyrique

Gentile people have been cursed by the Jewish people for thousands of years. Gentiles across the globe have been abused by the Jewish race. Many gentiles try to fight against the Jewish problem and many have failed. One of the reasons is that they don't attack the Jewish root of power. One of their main sources of power and curses is the "Holy Bible" along with their Torah. Which the Torah is the Old Testament.

In particular Black gentiles have been cursed by the Jewish people. Blacks have also been stripped away of their Traditional African religions which High Priestess Shannon has proven were originally of Satan. Black Gentiles have been under the spell of Christianity and other Abrahamic religions for a very long time.

The "Holy Bible" according to most Black people is the "good book". In Black neighborhoods there's a church on every corner sometimes there's two. Some Blacks go to church more than once a week. Most think having a Bible around is good luck. Little do Blacks know that the Bible they love has oppressed them. The truth is that the Holy Bible is the cause of Black suffering in the United States of America.

The Bible is found almost every where in society. Whether it be in hospitals , in government, in some schools, in hotels or at home. High Priestess Maxine explains that this is so that it can be subliminally programmed into the masses. Maxine states in her article The Holy Bible:

A Book of Jewish Witchcraft:

"This is the reason a Bible is in nearly every home, as it acts as a subconscious receiver and it has subliminal power, a connection with the numbers, the verses and given the centuries of massive amounts of psychic energy being poured into it from believers, it has plenty of power. Believers subconsciously tie into the energy and unbeknownst to most, can be controlled this way. "

Unfortunately most of humanity for a long time has been controlled by this jewish witchcraft. The Jews use the bible verses and numbers to bring their curses into reality. Lots of these curses say "God" in them. As if "God" is behind these curses. The reality is that the Jewish people is the "God" in the bible.

The reason for this is because of the removal of occult knowledge from gentile people. High Priestess Maxine explains in her article The Jews Assume The Position Of God:

"This is the reason for compulsory church memorizing of scriptures for Christians and Muslims [Koran] and so forth, so these are imbedded in the subconscious, the mind and the soul; subliminals. The Jews self-appoint themselves as authorities over Gentiles and dictate accordingly."

There is an occult way the jews accomplish this. Its called Jewish Kabbalah and the top ranking orthodox/Hasidic jews practice it. Maxine states in her article Proof : The Purpose of the Bible is for Jewish Witchcraft " Hasidim [Jewish orthodox], especially rabbis who have the knowledge and have trained using Kabalistic [the Jewish Kabbalah is comprised of stolen spiritual knowledge, written in codes and such and also orally communicated with the utmost secrecy] techniques on how to channel energy."

In the book Letters and Numbers the author Zachary K Hubbard states

" In Kabbalah, the central belief is God created the world with language, by combining the number with the letter with the word. This is expressed in the foundational text of Kabbalah, the Sepher Yetzirah, or in English, The Book of Formation. In its opening paragraph, it states, in reference to God creating the world, "He created His Universe by three forms of expression: Numbers, Letters and Words".".

The Jewish belief and use of this is also called Gematria. Its how the Jews control things from sports to news to racial tensions and more. The root of their power is the Torah and Bible. The Bible is filled with Kabbalah/Gematria. In English Gematria there are four main cyphers that are

used.

The first is English Ordinal (EO) which is the numbering of the alphabet 1-26 A-Z

English Ordinal: A=1; B=2; C=3; D=4; E=5; F=6; G=7; H=8; I=9; J=10; K=11; L=12; M=13; N=14; O=15; P=16; Q=17; R=18; S=19; T=20; U=21; V=22; W=23; X=24; Y=25; Z=26

Then there is English Reduced (R) which is simplifying English Ordinal. So instead of V =22 it equals 4 because  $2+2=4$ .

English Reduced A=1; B=2; C=3; D=4; E=5; F=6; G=7; H=8; I=9;

J=1; K=2; L=3; M=4; N=5; O=6; P=7; Q=8; R=9; S=1; T=2; U=3; V=4; W=5; X=6; Y=7; Z=8

The next is Reverse Ordinal which is simply the opposite of English Ordinal (RO)

Reverse English Ordinal: Z=1; Y=2; X=3; W=4; V=5; U=6; T=7; S=8; R=9; Q=10; P=11; O=12; N=13; M=14; L=15; K=16; J=17; I=18; H=19; G=20; F=21; E=22; D=23; C=24; B=25; A=26

Then there is Reverse Reduced which is Reverse Ordinal Simplified (RR)

Reverse English Reduced: Z=1; Y=2; X=3; W=4; V=5; U=6; T=7; S=8; R=9; Q=1; P=2; O=3; N=4; M=5; L=6; K=7; J=8; I=9; H=1; G=2; F=3; E=4; D=5; C=6; B=7; A=8

There are many complimentary cyphers and one is called Septenary (S)

Septenary: A=1; B=2; C=3; D=4; E=5; F=6; G=7; H=6; I=5; J=4; K=3; L=2; M=1

N=1; O=2; P=3; Q=4; R=5; S=6; T=7; U=6; V=5; W=4; X=3; Y=2; Z=1

This is the reason for all the numbers next to the scriptures. The verses are what's going to happen to the victim of the curse. The number is code for a word like a name of who it'll happen to. That's how the Jews have used the Bible to curse Blacks.

There are numerous curses against Blacks in the Bible. One of them is ISAIAH 45:14.

ISAIAH 45:14.

Thus says the LORD: "The labor of Egypt and merchandise of Cush And of the Sabeans, men of stature, Shall come over to you, and they shall be yours; They shall walk behind you, They shall come over in chains; And they shall bow down to you. They will make supplication to you, saying, 'Surely God is in you, And there is no other; There is no other God.' "

For those that don't know Cush means black. The kingdom of Kush was a Black African civilization. In the King James Bible this verse says Ethiopia instead of Cush. According to the Ancient Greeks Ethiopians were and still are Black people. So this verse is saying that Blacks will be put into chains bowing down to the Jewish "God". In the Trans Atlantic slave trade Blacks were stripped from their Traditional Religions and forced under Christianity. The "Lord" in this verse in reality is the Jewish people. Through Kabbalah they position themselves as " God" or " Lord".

Now the verse is the affirmation of the curse but the chapter and verse numbers are code for whom it'll happen to.

When you add 45+14 the answer is 59. The number 59 is coded all over Black people.

Another biblical curse is GENESIS 15:13-14.

GENESIS 15:13-14 "Then the Lord said to him, "Know for certain that for four hundred years(A) your descendants will be strangers in a country not their own and that they will be enslaved(B) and mistreated there. But I will punish the nation they serve as slaves, and afterward they will come out with great possessions."

In the United States it's always repeated "400 years of slavery" " 400 years of oppression" etc. Little do most gentiles know that it's Jewish occult magic behind it.

As mentioned earlier the verse is what's going to happen. It's like the affirmation in a working. The numbers are code for whom it'll happen to. With this verse the numbers add up to 42. When you add the chapter number and verse numbers together it is  $15+13+14=42$ . This is important in relation to black people because the 42 is coded in black history.

Blacks= $7+6+8+6+7+8=42$  (R)

So the verse is saying a group of people will be enslaved and mistreated in a strange land not their own for four hundred years. That's the affirmation of the curse. The numbers are to whom it'll happen to...black people.

There's multiple bible curses on blacks in Deuteronomy.

First off the word Deuteronomy is connected to Blacks.

Deuteronomy =  $5+4+6+7+4+9+3+4+3+5+2=52$ (RR)

African=  $1+6+18+9+3+1+14=52$ (EO)

Sharecropping=

$6+6+1+5+5+3+5+2+3+3+5+1+7=52$ (S)

As stated earlier "Lord" or "God" is actually the Jewish people. Through Kabbalah the Jews play "God" since the occult knowledge has been stolen from gentiles. The Jews can control gentile people. The verse is the affirmation of the curse. The chapter and verse numbers are code for whom it'll happen to.

Deuteronomy 28:15 But it shall come to pass, if thou wilt not hearken unto the voice of the Lord thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:

Deuteronomy 28:15 is  $28 + 15 = 43$

Niggers=  $5+9+7+7+5+9+1=43$ (EO)

Hottentot=43(RR)

This is the beginning of the curses in Deuteronomy. After this there are other curses on Blacks. In this verse it is affirming these Biblical curses on Black people.

Deuteronomy 28:16

Cursed shalt thou be in the city, and cursed shalt thou be in the field.

Deuteronomy 28:16 is  $28+16=44$

Deuteronomy 28:30 Thou shalt betroth a wife, and another man shall lie with her: thou shalt build an house, and thou shalt not dwell therein: thou shalt plant a vineyard, and shalt not gather the grapes thereof.

During slavery Black women were unprotected and vulnerable. The owner or overseer could rape Black women when ever they wanted. Also the field slaves weren't allowed in the big house even though they repaired and built it. This verse cursed Black people to that treatment.

Deuteronomy 28:32 Thy sons and thy daughters shall be given unto another people, and thine eyes shall look, and fail with longing for them all the day long; and there shall be no might in thine hand.

Deuteronomy 28:32 is 28+32=60

During slavery Black children were sold from their families. It was Jewish slave traders who did and it was Jewish witchcraft behind it. This verse cursed Blacks to that horrific family splitting act.

Deuteronomy 28:33 The fruit of thy land, and all thy labours, shall a nation which thou knowest not eat up; and thou shalt be only oppressed and crushed alway:

Deuteronomy 28:33 is  $28+33=61$

During slavery Black people grew Cotton, Tobacco and other cash crops. Even though Blacks did all the work they didn't receive payment for it at all. Blacks were whipped and punished as well. This verse is what cursed Blacks to that treatment.

Deuteronomy 28:36 The Lord shall bring thee, and thy king which thou shalt set over thee, unto a nation which neither thou nor thy fathers have known; and there shalt thou serve other gods, wood and stone.

Deuteronomy 28:36 is  $28+36=64$

This verse cursed Blacks to slavery in the new world. In the Trans Atlantic slave trade Blacks were brought to an unknown land/nation and forced to become Christians or Catholics. They were stripped of their traditional religions.

This verse curses Blacks to ridicule. That's exactly what minstrelsy was. Jews were behind Blackface and they're behind the Jewish witchcraft that curses Blacks to it.

Deuteronomy 28:48 Therefore shalt thou serve thine enemies which the LORD shall send against thee, in hunger, and in thirst, and in nakedness, and in want of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee.

Deuteronomy 28:48 is 28+48=76

Negro=76(RR)

Slave=76(RR)

This verse is essentially saying someone will have iron around their necks serving their enemies until they are destroyed. It's already proven that someone is black people. This is important because when slaves were caught running away they were forced to wear iron slave collars. The verse says "until he have destroyed thee". The purpose of the collars also served to demoralize the run away slave. Basically destroying the slaves courage, pride and/or motivation.

Deuteronomy 28:49 The Lord shall bring a nation against thee from far, from the end of the earth, as swift as the eagle flieth; a nation whose tongue thou shalt not understand;

Deuteronomy 28:49 is 28+49= 77

When the African slaves were brought to America by Jewish slavers they didn't speak English. This verse is the witch power behind those evil acts.

Last but not least of Biblical Curses against Blacks is Acts 7:6-7:7

The book of Acts in the Bible is the 44th book of the Bible. This is important as the number 44 is linked to blacks.

The place commonly known as the place where African slaves were first brought to America is Jamestown, Virginia. It's where people get the "400 years" from outside of the Bible. The Longitude Coordinate for Jamestown is 76.7752 degrees West. Notice the 76 as in Acts 7:6 which talks about 400 years of slavery and evil treatment. Also the longitude coordinate for Washington D.C is 77.0369 degrees west. 77 just like Acts 7:7 which speaks of the nation being punished. So basically one of the coordinates for Jamestown Virginia has the exact numbers of the Biblical Curse Acts 7:6 which curses blacks to slavery and evil treatment for 400 years. Then Washington D. C the U.S capitol coordinates are in sync with Acts 7:7. Coincidence? I don't think so. These curses are so deep they connect to geographic locations.

The way these curses work is the Jews use the Kabbalah to manifest the curses into reality. As with any working is that when done it will happen in the real world if the energy is strong. The Bible energy is very strong unfortunately because of it being everywhere and being subliminally put in everyone's face. These bible verses curse Blacks to slavery and evil treatment. It's very important to know that not only are the curses caused by Jews but when they manifest its the Jews doing it in reality.

Slavery for one was Jewish. Blacks are cursed to slavery by Jews. In Isaiah 45:14, Genesis 15:13-14, and Acts 7:6.

Not only were Jews behind the curses the Jews in reality were behind the enslavement of Blacks in the new world. This has been well documented even by Jewish scholars.

Rabbi Marc Lee Raphael:

“Jews also took an active part in the Dutch colonial slave trade; indeed, the bylaws of the Recife and Mauricia congregations (1648) included an imposta (Jewish tax) of five soldos for each Negro slave a Brazilian Jew purchased from the West Indies Company. Slave auctions were postponed if they fell on a Jewish holiday. In Curacao in the seventeenth century, as well as in the British colonies of Barbados and Jamaica in the eighteenth century, Jewish merchants played a major role in the slave trade. In fact, in all the American colonies, whether French (Martinique), British, or Dutch, Jewish merchants frequently dominated.

“This was no less true on the North American mainland, where during the eighteenth century Jews participated in the ‘triangular trade’ that brought slaves from Africa to the West Indies and there exchanged them for molasses, which in turn was taken to New England and converted into rum for sale in Africa. Isaac Da Costa of Charleston in the 1750’s, David Franks of Philadelphia in the 1760’s, and Aaron Lopez of Newport in the late 1760’s and early 1770’s dominated Jewish slave trading on the American continent.”

Jews and Judaism in the United States (1983), p. 14.

Dr. Harold Brackman, Simon Wiesenthal Center:

“Jews were about twice as likely to be slave owners as the average white Southerner.”

“Black-Jewish Relations in the Nineteenth Century,” Encyclopedia of American Jewish History (2008), 2:418.

Dr. Seymour B. Liebman:

“They came with ships carrying African blacks to be sold as slaves. The traffic in slaves was a royal monopoly, and the Jews were often appointed as agents for the Crown in their sale....[They] were the largest ship chandlers in the entire Caribbean region, where the shipping business was mainly a Jewish enterprise....The ships were not only owned by Jews, but were manned by Jewish crews and sailed under the command of Jewish captains.”

Dr. Herbert I. Bloom:

“The Christian inhabitants [of Brazil] were envious because the Jews owned some of the best plantations in the river valley of Pernambuco and were among the leading slave-holders and slave traders in the colony.”<sup>1</sup>

“Slave trade [sic] was one of the most important Jewish activities here [in Surinam] as elsewhere in the colonies.”<sup>2</sup>

Dr. Arnold Wiznitzer:

“The West India Company, which monopolized imports of slaves from Africa, sold slaves at public auctions against cash payment. It happened that cash was mostly in the hands of Jews. The buyers who appeared at the auctions were almost always Jews, and because of this lack of competitors they could buy slaves at low prices. On the other hand, there also was no competition in the selling of the slaves to the plantation owners and other buyers, and most of them purchased on credit payable at the next harvest in sugar. Profits up to 300 percent of the purchase value were often realized with high interest rates....If it happened that the date of such an auction fell on a Jewish holiday the auction had to be postponed. This occurred on Friday, October 21, 1644.”

Jewish Encyclopedia (1901):

“[T]he cotton-plantations in many parts of the South were wholly in the hands of the Jews, and as a consequence slavery found its advocates among them.”

As noted by Jewish scholars the Jews ran slavery. They also caused the Civil War which wasn't even over slavery. The Jewish Rothschild family wanted to split the United States because they feared American economic independence.

Jim Marrs explains in his book Rule by Secrecy :

"Criffin quoted German chancellor Otto von Bismarck as stating,"The division of the United States into federations of equal force was decided

long before the Civil War by the high financial powers of Europe.

These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economic and financial independence, which would upset their financial domination over the world. The voice of the Rothschilds prevailed. . . .Therefore they sent their emissaries into the field to exploit the question of slavery and to open an abyss between the two sections of the Union."

The Rothschild's wanted to split the United States up and create central banks in the southern and northern states.

Jim Marrs explains in Rule by Secrecy:

"Author Epperson reported that an authorized biography of the Rothschilds mentioned a London meeting where the "International Banking Syndicate" decided to pit the American North against the South in a "divide and conquer" strategy. Such a plan would provide the solvent U.S. federal government with an enemy that would require massive war expenditures and subsequent debt. And in the event of Southern independence, "each state could with-draw from the confederation, re-establish its sovereign nature and set up its own central bank.

The Southern states could then have a series of European-controlled banks, the Bank of Georgia, the Bank of South Carolina, etc., and then any two could have a series of wars, such as in Europe for centuries, in the perpetual game of Balance of Power politics. It would be a successful method of insuring that large profits could be made on the loaning of money to the states involved," Epperson explained."

The secession of the Southern States was instigated by a southern secret society. This society was called the Knights of the Golden Circle and was said to have been connected to the Jewish Illuminati.

Jim Marrs states in Rule by Secrecy:

"The secretive Knights organization was the creation of surgeon and author Dr. George W. L. Bickley, who in 1854 founded his first knightly

"castle" in Cincinnati, Ohio, drawing heavily from local Freemasons. This society "had close ties with a secret society in France called The Sea-

sons, which itself was a branch of the Illuminati," charged G. Edward Griffin."

The Knights wanted a slave based society and to spread slavery to the western territories. Just like many prominent southern politicians at the time. This ideology was the basis of the Confederacy since many in the confederacy were in this secret society.

The Confederacy is tied to Biblical curses against Blacks. The word Confederate equals 44 in septenary gematria and the book of Acts is the 44th book in the Bible. The words Confederate flag equals 76 in reverse reduction gematria and Confederate statue equals 76 in septenary. Those words are tied to Acts 7:6 which curses blacks to slavery and evil treatment.

Not only is the Confederacy linked to Jewish curses on Blacks. The Confederacy was financed by Jews as well. The Rothschild family had a Jew named August Belmont whose original surname was Schonberg. Belmont, as their agent, bought stocks and bonds on behalf of the Rothschild family. The Chicago Tribune newspaper in 1863 explained "Belmont, the Rothschilds, and the whole tribe of Jews, who have been buying up Confederate bonds."

There was a French Jew who financed the Confederacy named Emile Erlanger. This Jewish money was very important to the Confederacy that Judith Fenner Gentry stated in A Confederate Success in Europe: The Erlanger Loan "Without the Erlanger loan money, purchases of arms, supplies, and ships in Europe would have stopped, and Confederate credit would have been ruined." The Confederate government wouldn't have been able to survive as long as it did without the Jewish money.

The Confederacy had a Jewish mastermind named Judah P. Benjamin who is called the "brains

of the Confederacy". Judah started out as the Attorney General of the Confederacy and soon rose to Secretary of State. As Attorney General Judah worked as the right hand man to Confederate President Jefferson Davis. Judah P. Benjamin advised Jefferson and gave legal opinions. He proved his worth to Jefferson and Jefferson eventually made Judah Secretary of War.

As Secretary of War Judah was in charge of the Confederate army. He had to feed them, supply them and arm them. The South had no arms made in the Confederacy so they imported them from Europe. It was Judah that got the French Jew Emile Erlanger to loan the money. As the Confederate Secretary of State Judah was trying to get European governments to recognize and trade with the Confederacy. Judah was also in charge of the Confederacy Secret Service and covert operations in the North against the Union.

After the war there was a period called Reconstruction. Slavery was abolished, Black men were given voting rights, Black men held political office and Blacks advanced economically. At the same time the Union army occupied the South and protected the freedmen.

Jews created, aided and financed organizations to combat the Reconstruction era. Namely the Ku Klux Klan and there were others. The KKK comes from the KGC which was tied to the Jewish Illuminati.

Paul Goldstein explains in the EIR Vol. 5 number 39 October 10 1978 titled The Rothschild Roots of the Ku Klux Klan:

"The Knights of the Golden Circle combined the network of individuals associated directly with the Scottish Rite of Freemasonry, B'nai B'rith, and the

Jesuits. Practically the entire Confederate leadership belonged to the KGC at the point of the secessionist crisis in 1860. It is through tracing the lineage of the KGC that the Ku Klux Klan becomes an understandable phenomenon."

The symbols in the Klan come from the KGC as Paul Goldstein states:

"The belief structure of the KKK was nearly identical to that of the Knights of the Golden Circle. The "fiery cross" became the symbol of the new order, with dress and other formalities identical to the KGC and the Knights of Malta, the "hooded ones." The use of the Greek word kuklos, meaning circle, emphasized the continuity with the Knights of the Golden Circle and underlined the belief in the magical power of the circle, a derivative from the ancient cult practices of antiquity."

Judah P. Benjamin came up with the idea for the Klan he also was the "brains of the Confederacy". Paul Goldstein states:

"Prior to his escape to England, Benjamin met with the top Confederate military leadership to establish the basis for the consecration of the Invisible Empire of the KKK. The financing would be provided by Dr. Kuttner Baruch of the B'nai B'rith, who was already in Charleston financing the secessionist movement. The international agent deployed to England to maintain contact with Benjamin in 1867 was a Catholic bishop, a Jesuit named Richard Wilmer."

The reason for creating the Klan according to Paul Goldstein is "The KKK's usefulness to the Rothschilds and the British aristocracy was its aid in preventing any semblance of Lincoln's reconstruction effort from succeeding."

Judah P. Benjamin may have been a Rothschild agent. In the book Judah P. Benjamin: The Jewish Confederate on page 195 the author Eli N. Evans states Benjamin was "presumed [to have] connections with the Rothschilds".

Judah assisted the Klan in 1866 with financing the Klan. It has been documented by the Jew Bernard Postal on the 14 of September 1928 in the Jewish Tribune titled Jews in the Ku Klux Klan.

In it Bernard states:

"Benjamin, trying to recoup his fortunes, was financially unable to aid, but he borrowed money to supply the Ku Klux Klan with saddles and arms and dispatched Wilmer with the needed funds."

Bernard Postal continues even further and says:

"The attorneys for the dragons, kleagles and other officials have not infrequently been Jews. Similarly it has been shown that the manufacturers of the ubiquitous Klan night-gown have frequently been Jews. The present Klan has on several occasions insisted that it is not anti-Semitic organization, a statement partially borne out by the fact that there are unquestionably Jewish members of the Klan in many states."

There was another Anti-Black group that committed a horrendous act against Blacks. It was called the White League. The White League is responsible for the Wilmington Race Riot of 1898. Jews were members of this organization. On April 13, 1873 280 blacks were murdered by the White League Colfax, Louisiana. Rabbi Max Heller stated

"[P]rominent Jews figured in the membership of the "White League.".

In Wilmington during the late 1800s there was significant Black economic and political progress. The Blacks were elected in to government and owned their own businesses including a newspaper. The Republican party Blacks were apart of joined with the white working class party and created the Fusion party. Wilmington in 1898 was what the South could have been. Black economic and political success along with a peaceful relationship with Whites. Around election time the Democrats who wanted White Supremacy campaigned against the Fusion party and used racist imagery to turn people against the Blacks.

Eventually the Democrats won the election by not allowing blacks to vote and the Black political power along was lost. The problem was there were still blacks in Wilmington and Black economic power. The crown jewel of the Black economic power was the newspaper. After the

Democrats won the election the Jews wanted to get rid of the Black economic power. So two prominent Wilmington Jews named Sol Fishblate and Nathaniel Jacobi revved up the whites to riot against the Blacks.

In the Goldring/Woldenberg Institute of Southern Jewish Life states that Fishblate and Jacobi:

"spoke to a growing mob and supported a declaration that whites should rule Wilmington and North Carolina."

The institute further states:

"This meeting later resulted in the violent Wilmington Race Riot 1898, in which white mobs terrorized the city's black population and forcibly installed Democratic Party rule."

Jews also played a role in another form of race terror on Blacks called lynching. Lynching has an ugly and long history in America. Most of its victims were Black men.

The Jews curse Blacks to lynchings in the Bible. In the book of Genesis 15:13-14 Jews curse Blacks to slavery and mistreatment. The chapter and verse numbers add to 42. The words blacks, lynchings and nigger equals 42 in Gematria.

The curses manifest in reality which was the lynchings of blacks and Jews had role in it.

Lynchings were discussed by Black and White leaders during the time period they happened. Most people know about the economic reasons for lynchings discussed by Ida B. Wells. Along with the Black rapist narrative. Yet hardly ever do Americans learn about the alcoholic reasons for lynchings.

Alcohol was such a major factor that Black and White leaders spoke on it, especially during the prohibition era.

Booker T Washington stated in 1908 :

"...the abolition of the barroom is a blessing to the Negro second only to the abolition of slavery. Two thirds of the mobs, lynchings, and burnings at the stake are the result of bad whiskey drunk by bad black men and bad white men."

American Dramatist Edward Sheldon created a play in 1909 title The Nigger. Edward didn't have the greatest opinion on Blacks yet even he seemed to agree with Booker. Edward Sheldon stated on March 20, 1915:

"As I have pointed out in the play the negro problem is in my belief due largely to bad whiskey. There is hardly one of the "usual crimes" of the Southern Negro for which the penalty is usually lynching, that has not alcohol as the cause. Take liquor out of the South and the race problem would to cease to be one."

The Jews were the ones who controlled the liquor trade. John Foster Fraser states in The Conquering Jew published by Funk and Wagnalls Company

"The Jews are masters of the whisky trade in the United States. Eighty per cent of the members of the National Liquor Dealers' Association are Jews. It has been shown that 60 per cent of the business of distilling and wholesale trade in whisky is in the hands of the Jews. As middlemen they control the wine product of California."

There was a specific type of liquor sold to poor blacks in the South. It was known as "Nigger Gin" and it was sold in bottles that had half naked white women on it. Some of it was sold by the name Black Cock Vigor Gin and distributed by a Jew named Lee Levy.

Henry Ford stated in The International Jew vol. 4 chapter 63 titled Gigantic Jewish Liquor Trust and Its Career:

"Trace the appearance of this gin as to date, and you will find the period when Negro outbursts

and lynching became serious. Trace the localities where this gin was most widely sold and you will find the places where these disorders prevailed."

What Henry Ford said is true. During the prohibition era alcohol was banned and the rate of lynchings decreased.

There was a college level study that proves it by two scholars. Hoyt Bleakley at Booth School of Business, University of Chicago and Emily Owens at Department of Policy Analysis and Management, Cornell University did a study titled "Violence Beyond Reason: Prohibition of Alcohol

and the Decline of Lynching in the US South":

The results of this study were:

"Using data on county level dry ordinances and organized violence against black southerners, we show that local restrictions on the availability of alcohol reduced the incidence of lynching. Not only was the approval of a dry ordinance associated a discrete drop in the probability that a lynching occurred, the likelihood that a lynching occurred fell each successive year that alcohol sales were banned. The timing of this discrete jump and trend break is highly unlikely to have occurred at random, and is not observed in event-study analyses of demographic changes, voting patterns, or urbanization. "

This was the Jewish role in lynchings. They Biblically cursed Blacks to lynching and supplied the cause of it.

During this time the late 19th century to early to mid 20th century. A form of racist mocking in plays, cartoons, TV shows and movies occurred. It was known as blackface. It portrayed Blacks in stereotypical ways such as stupid, lazy, violent, drunk etc. It also exaggerated Black people's lips and skin tone. To this very day it is very offensive to Black Americans. It was the Jews who were behind the Blackface. Blackface is a Biblical curse tied to book of Acts. The words Black Face is 44 in English Ordinal gematria. 44 just like Acts is the 44th book of the Bible. The Jews curse Blacks to Blackface minstrelsy in the book of Deuteronomy 28:37 as well. It was the

Jewish performers behind the actual Black Face.

Jews wore blackface at higher proportion than other groups. Michael Alexander wrote in Jazz Age Jews

"Jews performed this kind of minstrelsy in the 1910s and 1920s better and more than any other group in America. Jewish faces covered in cork were ubiquitous,"

Jewish film scholar Lester Friedman wrote in Hollywood's Image of the Jew:

"many Jewish performers gained early and continued success using [blackface]"

The most famous Jewish performer to wear blackface was Al Jolson. Jolson wore blackface in the film The Jazz Singer which was the first full length "talkie". Other Jewish performers were Eddie Cantor, George Burns, George Jessel and Sophie Tucker

There were also racist cartoons put out during this time as well. These cartoons exaggerated Black features such as Black peoples lips and the cartoon characters would be in blackface.

All these cartoons were put out through Warner Bros. Studios which is Jewish. The founders were Jack L. Warner and Harry Warner who were both Jews.

The backbone of the south during and post slavery was cotton. It was so important that it was called King Cotton. According to Scholar and author Gene Dattel:

"Cotton was arguably the single most important determinant of American history in the nineteenth Century. It prolonged slavery and slave-produced cotton caused the American Civil War, our bloodiest conflict which came close to destroying the nation."

In many parts of the south the Jews profited the most from cotton that enslaved blacks and black sharecroppers picked. This is in the Biblical curse Genesis 15:13-14 which through Kabbalah Jews have stamped on blacks. The verse and chapter number equal 42 so does

Cotton Pickin, Blacks and Slavery. It's also in the Biblical Curse Isaiah 45:14. The chapter and verse number equals 59 so does the words Cotton Picker.

That's how the curses work Jews use witchcraft to curse blacks then Jews in reality do it. As for the cotton Jews have been well documented to have profited the most from it.

The most famous and probably richest of Jews who was invested in slavery and cotton were the Rothschilds.

Author Derek Wilson in his book Rothschild states

"In order to fund their growing banking enterprise the Rothschilds had to have maximum liquidity and their day-to-day cash came from trade... Cotton and woollen cloth, sugar, indigo, coffee, tobacco, and wine were the staples of Mayer Amschel's commercial business."

Derek later states the Rothschilds:

"...had bought cotton from southern states"

Also Derek states:

"They [the Rothschilds] had a considerable stake in the slave owning south..."

Neil Ferguson in his book The House of Rothschild : Money's Prophets,1798-1848 on page 370 states

"American exports of cotton and tobacco to Europe were advanced by leaps and bounds, and by the mid - 1830s the [Rothschild firm's] London and Paris houses were doing a considerable volume of business in the bills generated by this trade, advancing substantial sums to a number

of American bankers, notably J.L and S.I Joseph.”

Another group of wealthy Jews who invested in slavery was the Lehman Brothers. These brothers started buying cotton and eventually were brokering and financing cotton.

In the book "The Merchant Bankers the author Joseph Wechsberg "states on page 298 Emanuel Lehman :

“...could buy cotton in the South cheaply and sell it in Germany at ten times the price.”

Cotton mills were also dominated by Jews. In the book Millways of Kent by John Kenneth Morland the author explains it was commonly said “ Too many Jews own cotton mills.”.

In 1863 the Examiner newspaper alleged that “Jews had bought up 2/3rds of Alabama’s cotton and monopolized the mercantile business throughout the South.”.

After slavery there was another form of slavery known as sharecropping. Sharecropping was an oppressive system that blacks had to endure. Black farmers in the south couldn’t buy land and if they did they were putting themselves in danger. Under the sharecropping system black farmers worked and lived on land they didn’t own. Through the system they’d become in debt to the owner and forced into another type of slavery. The blacks were stuck in the south as they weren’t allowed to go north without being met with violence. They’d make money for the owner and not for themselves. The reality is that just like slavery Jews were behind sharecropping.

Mark Twain observed the Jewishness of sharecropping and stated in his article "Concerning the Jews for Harper’s Magazine”:

“ In the Cotton States, after the war, the simple and ignorant Negroes made the crops for the white planter on shares. The Jew came down in force, set up shop on the plantation, supplied all the Negro’s wants on credit, and at the end of the season was proprietor of the Negro’s share of

the present crop and of part of the share of his next one. Before long, the whites detested the Jew, and it is doubtful if the Negro loved him."

The federal government passed the National Bank Act in 1864. This hurt the cash flow in the South when the South was already struggling. Since farmers couldn't get money from the bank the merchants loaned them money on credit. Eventually the farmer became indebted to the merchants.

Robert Somers in *The Southern States Since the War* states:

"[T]he opening thus made is occupied by Jewish storekeepers, mostly young men pushed forward by an unseen force in the large cities, and operating with great power over the plantations..."

Walter L. Fleming in the *American Journal of Sociology* stated

"The money-lenders—often Jews—came into possession of many plantations. By the crop lien and blanket mortgage the negro became an industrial serf."

Jews practiced a form of usury on the black farmers. That's how they put blacks in debt by loaning money then placing high interest on it. The black farmers were again in a form of bondage to the Jews.

Charles Otken in *The Ills of the South* explained the Jewish crop lien system:

" Tremendous evils and exorbitant exactions have brought poverty and bankruptcy to thousands of families....[I]t has crushed out all independence and reduced its victims to a coarse species of servile slavery....[I]t is cruel in its deception and in its demands."

The system was so corrupt that if blacks messed up they could lose everything they had.

In *The Booker T. Washington Papers*. Booker is quoted stating

"[T]he "mortgage system" has gotten a hold on everything that it seems impossible to shake off. Its evils have grown instead of decreasing, until it is safe to say 5/6 of the colored farmers mortgage their crops every year...After a merchant has "run" a farmer for 5 or 6 years and he does not "pay out" or decides to try mortgaging with another merchant the first merchant in such cases usually "cleans up" the farmer, that is takes everything, mules, cows, plows, chicken fodder--everything except wife and children."

There was a white philanthropist named John F. Slater who created a \$1 million fund to help blacks. He stated he was to help blacks from the "Jew money lenders living in the South as storekeepers, [who] cheated the negroes out of their lands...".

The Jews who owned the crop liens and mortgages had the blacks only grow cotton. The blacks weren't allowed to grow other crops to make money for themselves and feed their families. If they grew other crops they would become self sufficient. This would hurt the Jewish merchants.

Wayne K. Durrill in The South Carolina Black Code explains it this way

"There would be no cotton for [merchants] to buy, insure, ship to New York and sell for enormous profits as there had been before the war. Moreover, freedmen who ceased to produce a significant cash crop would have no money on hand to buy cloth and shoes from Northern factories. They would begin to produce those goods at home and the merchant's import trade would falter."

The Jewish cotton trade wasn't just in the South it was also in the North. Which Jews dominated as well.

Robert Somers states in The Southern States Since The War page 151

"These people are sent down by firms in New York and other large towns...to advance money on cotton at the approach of the picking season at as much interest as they can extort."

Jewish scholar Dr. Michael R. Cohen wrote "Cotton Capitalists: American Jewish Entrepreneurship in the Reconstruction Era. "

In it he states:

“Jews clustered in the cotton industry, and as a staggering number of Jews operated dry goods and general stores, Jews became deeply enmeshed in the nation’s—and perhaps the world’s—most important industry.”

“Jewish success in the cotton trade fostered a golden era for Southern Jews during the roughly two decades following the Civil War. It redrew the American Jewish map, as scores of Jewish merchants settled in market towns located in regions of high cotton production and marketing.”

The Jewish Chronicle stated:

“tribal links with northern financiers...modernized business in the South....Jews played a key role in building the cotton economy of the South...”

Professor Sven Beckert states:

“Jewish Americans played a key role in the southern cotton economy, infusing European and New York capital into the fields of a region still devastated by war, while organizing the trade in a crop central to the nation.”

The cotton that was being grown by the blacks and sold by the Jews was used to make clothes, sheets, towels, pillow cases etc. It was Jews in the North who also profited off of this.

The Universal Jewish Encyclopedia stated:

"The needle trades have been the most distinctly Jewish group of industries in the United States."

Rabbi Allan Tarnish explains the exact percentage:

"In New York City, 80 percent of all retail, and 90 percent of all wholesale clothing firms, were owned by Jews. In the rest of the country, 75 percent of the clothing companies were Jewish, and most of them were controlled by Jews."

There was another way Jews stopped Blacks from economically advancing. The Jews used the Labor Movement to kick Black people out of the skilled labor sector. The Labor Movement was very racist towards Blacks. It's the reason why there aren't that many Black skilled laborers as whites. This is in the Biblical curses against Black people. The curse is Acts 7:6 which curses Blacks to slavery and evil treatment. The words Labor Union Racism equals 76 in Reduction gematria.

It must first be explained that before the Jewish Labor Movement many of the skilled laborers were Black.

Thomas Nelson Page stated Black men were:

"without a rival [in] the entire field of industrial labor throughout the South. Ninety-five per cent of all the industrial work of the Southern States was in his hand. And he was fully competent to do it. Every adult was either a skilled laborer or a trained mechanic."

The Jews kicked Black men out of the skilled labor sector through trade unions. The biggest trade union was AFL-CIO. This union President and Founder was the Jew Samuel Gompers. AFL unions under Gompers were tools of White Supremacy that violently, in some cases, Black men were taken out of the skilled trade jobs. There were murders and riots against Blacks because of the Labor Movement.

It is well documented that Samuel Gompers was a racist. Historian Gerald Emanuel Stearn states in his book Gompers:

"Gompers was more than a prejudiced observer; he was a bigot....[H]e taunted Negro[e]s, in the Federationist and in his speeches, with the common, with the common demeaning epithets of the day....[H]e joined with some of the more virulent race baiters of the day in questioning the humanity of any other than white men....[He] never entertained the thought of anything approaching social equality [for Blacks]."

Many Black leaders of the day spoke out against Labor Union Racism.

W.E.B Du Bois stated in 1906:

"[The Black man's] greatest enemy is the trade union."

This was proved to be especially true in East St. Louis 1917. In East St. Louis 1917 whites under Samuel Gompers were on strike on behalf of their union. Black men because they were not allowed in the AFL-CIO union were "strike breakers". Black men were willing to work cheaper than the whites and that got in the way of the AFL union goals.

In response the Whites rioted against Blacks. Not only against the strike breakers but all the Blacks in the city. It was reported in the St. Louis Star newspaper by John T. Stewart:

"Negroes were 'flushed' from the burning houses, and ran for their lives, screaming and begging for mercy. . . . Rioters formed in gangs and trooped through the streets, chasing Negroes. They stood around in groups, laughing and jeering While they witnessed the final writhings of the terror and pain-racked wretches who crawled to the streets to die after their flesh had been cooked in their own homes. . . ."

The massacre lasted a week and resulted in over 200 Blacks being killed. The cost of damages was \$7 million dollars worth of property and 10,000 Blacks left the city.

W.E.B Du Bois explained the cause of the massacre. He stated it was "engineered by Gompers and his Trade Unions." Du Bois continued saying that the massacre

"brought the most unwilling of us to acknowledge that in the Union movement, as represented by the AFL, there is absolutely no hope of justice for an American of Negro descent."

This wasn't only time Samuel Gompers AFL got rid of Black workers. Trade unions nation wide displaced Black workers in favor of white ones. St. Louis was a very horrific way that was done.

Hebert Hill in his Racial Practices of Organized Labor stated

" Labor Unions frequently were the instrument that forced Negro workers out of they had held for years by replacing them with white workers after union organization"

Black men had at one time high representation in the skilled trades. Through the curse of Acts 7:6 and the manifestation of that with Samuel Gompers Black men in skilled trades decreased. Because of this Black male income was very low compared to whites. For the most part Black men were relegated to menial jobs. Instead of the skilled labor positions Black men once held at a high rate.

Jews also cursed Blacks to poor living conditions. These poor living conditions are what's known as the ghetto or hoods. Jews had a role in the making of these hoods. First Jews cursed Blacks to the "hood". In Genesis 15:13-14 Blacks are cursed to mistreatment. When the verse and chapter numbers are added up it equals 42. In gematria the words Blacks, Black ghettos and Hood equals 42.

Jews manifested these curses in reality. Jews were the ones who controlled the economies of Black ghettos. Jews also owned the run down living conditions.

It has been documented by Black leaders and Jews that Jews were the ones exploiting poor Blacks in the Ghetto.

Mr. Goldberg and John Henry in "The Relationship Between Afro-Americans and American Jews" write

"The common stereotype of Jews owning the businesses in Black ghettos is based on solid evidence, not fantasy. Jews in the East and Midwest own a disproportionate number of businesses in Black areas. [Two Jewish researchers have shown] that some 40 percent of the stores are owned by Jews. [Another] study of 458 merchants in 15 cities (14 of the largest plus Gary, Indiana but not including Los Angeles, Miami, Houston, or any other Southern city) had the following religious breakdown of retail merchants: 37.9% were Jewish; 36.0% were Protestant; and 22.9% were Catholic... The breakdown by religion, when race is considered, increases the number: 51.3% of the white merchants are Jewish; 18.7% are Protestant; and 27.0% are

Catholic.”

Black people didn't like these Jewish store owners and merchants. They felt they were being taken advantage of.

This is explained in the 1968 National Advisory on Civil Disorders Chapter 8

"Ghetto residents believe they are “exploited” by local merchants; and evidence substantiates some of these beliefs. A study conducted in one city by the Federal Trade Commission showed that distinctly higher prices were charged for goods sold in ghetto stores than in other areas. Lack of knowledge regarding credit purchasing creates special pitfalls for the disadvantaged. In many states garnishment practices compound these difficulties by allowing creditors to deprive individuals of their wages without hearing or trial.”

In the book Broken Alliance: The Turbulent Times Between Blacks and Jews in America by Jonathan Kaufman page 137 Kaufman states:

"The National Advisory Commission on Civil Disorders (known as the Kerner Commission), which investigated the causes of the 1967 race riots, found that Jews owned about 30% of the stores in black neighborhoods like Harlem and Watts and that many of the largest stores were owned by Jews and/or had Jewish-sounding names.”

Jews didn't just own the stores in Black Ghettos the Jews also owned the run down housing.

Martin Luther King explained in The Autobiography of Martin Luther King, Jr. Page 309 how the Jews owned the slums in Chicago:

"When we were working in Chicago, we had numerous rent strikes on the West Side, and it was unfortunately true that, in most instances, the persons we had to conduct these strikes against were Jewish landlords. There was a time when the West Side of Chicago was a Jewish ghetto, and when the Jewish community started moving out into other areas, they still owned the property there, and all of the problems of the landlord came into being.

We were living in a slum apartment owned by a Jew and a number of others, and we had to have a rent strike. We were paying \$94 for four run-down, shabby rooms, and we would go out on our open housing marches on Gage Park and other places and we discovered that whites with five sanitary, nice, new rooms, apartments with five rooms, were paying only \$78 a month. We were paying 20 percent tax."

James Baldwin explained the Jewish exploitation in Harlem in his article titled "Negroes Are Anti-Semitic Because They're Anti-White":

"When we were growing up in Harlem our demoralizing series of landlords were Jewish, and we hated them. We hated them because they were terrible landlords, and did not take care of the building. A coat of paint, a broken window, a stopped sink, a stopped toilet, a sagging floor, a broken ceiling, a dangerous stairwell, the question of garbage disposal, the question of heat and cold, of roaches and rats--all questions of life and death for the poor, and especially for those with children--we had to cope with all of these as best we could. Our parents were lashed to futureless jobs, in order to pay the outrageous rent. We knew that the landlord treated us this way only because we were colored, and he knew that we could not move out."

The Jewish people exploited Ghetto Blacks and they also didn't allow Blacks to move out the Ghetto and into the suburbs. This all starts with the man who is called the "Father of Modern American Suburbia" he was a Jew named William Levitt. After World War Two there was a baby boom and an affordable housing crisis. There were veterans looking for good housing and William came up with a solution. He would build identical cheap houses called Levittown.

Mark Oliver explains what Levittown is in his article The Racist Origins of America's Suburbs and The Story of The First Black Family To Move In:

"Real estate developer William Levitt had the solution: Levittown, an entire community of cheaply built, identical homes, each one equipped with a kitchen full of the newest appliances and sold at a price so low that any young couple could afford them. It was America's first suburbia, the first planned community where people could live in identical little boxes."

William Levitt built these type of suburbs all over America. Thousands of American families found affordable and nice housing because of William Levitt. Yet there was one group that wasn't allowed... Black people. William Levitt had a blatant anti-black housing policy. Bruce Lambert in his New York Times article At 50, Levittown Contends With Its Legacy of Bias writes:

"The whites-only policy was not some unspoken gentlemen's agreement. It was cast in bold capital letters in clause 25 of the standard lease for the first Levitt houses, which included an option to buy.

It stated that the home could not "be used or occupied by any person other than members of the Caucasian race."

Since Blacks weren't allowed to leave the ghetto they were trapped there. On top of the Jewish exploitation of the Black Ghettos the Jews ruined it in another way. It was through Lyndon Baines Johnson's Great Society program that hurt Black America. LBJ was greatly backed by Jews and is considered a great friend by Jews. His Great Society programs were supported by Jews and LBJ was very friendly with Jews.

In the book "American Presidents, Religion, and Israel: The Heirs of Cyrus" by Paul Charles Merkley page 56 Paul writes

"Lyndon Johnson, again in contrast to Kennedy, had many Jewish friends. All of them politically important people (LBJ has no life at all outside politics) but a number of them were also personal friends and trusted counselors."

In the book The Triumph and Tragedy of Lyndon Johnson: The White House Years by Joseph A Califano on page 202 Joseph writes:

"American Jews were big financial supporters of the President and big political supporters of his Great Society."

LBJ and his Jewish backers did something that the worst racism could never do. LBJ Great Society programs destroyed the Black family.

This is actually tied to Biblical curses. To be specific Isaiah 45:14 and Acts 7:6. Isaiah 45:15 curse Blacks to slavery and when verse and chapter number added equals 59 . The words Destroy Black Family and Single Parent both equal 59 in Septenary Gematria. Acts 7:6 curses Blacks to slavery and evil treatment. The 7:6 is like the number 76. The words Single Black

Mothers equals 76 in Reduction Gematria.

Thomas Sowell states this about LBJ program affect on the Black family.

“The black family, which had survived centuries of slavery and discrimination, began rapidly disintegrating in the liberal welfare state that subsidized unwed pregnancy and changed welfare from an emergency rescue to a way of life.”

The Black family before LBJ Great Society had a very low rate of single motherhood. Black men and Black women got married and stayed married, even in ghettos. Also Black women had a higher rate of marriage than White women. After the Great Society Black single motherhood rose. To this very day the Black community is dealing with this.

In the article "Black America Before LBJ" by Sam Jacobs it is written :

“In 1965, when the Great Society began in earnest following the massive electoral landslide reelection of LBJ, the out-of-wedlock birthrate among the black community was 21 percent. By 2017, this figure had risen to a whopping 77 percent. In some cities, this rate is as high as 80 percent, with most of the unwed mothers being teenagers.”

One of the most deadly ways the Jews cursed Black people is with drugs. To be specific crack cocaine. The Jews cursed this on Blacks through the Bible. In Acts 7:6 Blacks are cursed to evil treatment. As previously stated the verse is the affirmation and the chapter and verse numbers are code for whom it'll happen to. The words Crack Cocaine equal 76 in reverse reduction Gematria. Crack Cocaine flooded Black communities in the 80s. The same Black communities that have 2 churches on almost every block. Crack destroyed lives, families, contributed to mass incarceration and the damage still carries to this very day.

The Jews, through the CIA, put this drug in the Black community to finance their Contra war. Journalist Gary Webb exposes this in his Dark Alliance three part series.

In the first part of the series titled "U.S Policy Helped Start Crack Plague Drugs Sold To Gangs; Profits Funded CIA's Contras"

The author Gary Webb states:

"For the better part of a decade, a San Francisco Bay Area drug ring sold tons of cocaine to the Crips and Bloods street gangs of Los Angeles and funneled millions in drug profits to a Latin American guerrilla army run by the U.S. Central Intelligence Agency, an investigation by the San Jose Mercury News has found.

This drug network opened the first pipeline between Colombia's cocaine cartels and the black neighborhoods of Los Angeles, a city now known as the "crack" capital of the world. The cocaine that flooded in helped spark a crack explosion in urban America - and provided the cash and connections needed for L.A.'s gangs to buy automatic weapons."

Gary Webb explains how this affected Black people.

"Urban neighborhoods are grappling with legions of homeless crack addicts. Thousands of young black men are serving long prison sentences for selling cocaine - a drug that was virtually unobtainable in black neighborhoods before members of the CIA's army brought it into South Central in the 1980s at bargain-basement prices.

And the L.A. gangs, which used their enormous cocaine profits to arm themselves and spread crack across the country, are still thriving, turning entire blocks of major cities into occasional war zones."

One of the most famous Black drug dealers is Freeway Rick Ross. Rick was selling cocaine to Bloods and Crips and he also sold cocaine all the way down to Miami. He bought his cocaine from CIA agents who were making money to fund their Contra war.

Gary Webb in his article Shadowy origins of 'crack' epidemic states:

“Federal lawmen will tell you plenty about Rick Ross, mostly about the evils he visited upon black neighborhoods by spreading the crack plague in Los Angeles and cities as far east as Cincinnati. On Aug. 23, they hope, Freeway Rick will be sentenced to life in prison without the possibility of parole.

But those same officials won't say a word about the two men who turned Rick Ross into L.A.'s first king of crack, the men who, for at least five years, supplied him with enough Colombian cocaine to help spawn crack markets in major cities nationwide. Their critical role in the country's crack explosion, a Mercury News investigation found, has been a strictly guarded secret – until now.”

Those two men were Norwin Meneses and Oscar Danilo Blandón Reyes who were CIA agents. They were tasked with raising money to fund the CIA contra war in Nicaragua. So they sold Cocaine in America to do so.

Gary Webb reports in his article :

“Blandon told the DEA last year that he was selling Ross up to 100 kilos of cocaine a week, which was then "rocked up" and distributed "to the major gangs in the area, specifically the "Crips" and the "Bloods,"" the DEA report said.”

This was all CIA approved and for their benefit.

Gary Webb explains in his article War on Drugs has unequal impact on black Americans:

“In recent court testimony, Blandon, who began dealing cocaine in South-Central L.A. in 1982, swore that the first kilo of cocaine he sold in California was to raise money for the CIA's army, which was trying on a shoestring to unseat Nicaragua's new socialist Sandinista government.”

When Gary Webb exposed this the mainstream media attacked and ridiculed him. Gary also was being followed, harassed and he received death threats. Eventually Gary died and it would be labeled a suicide. Even though he had two bullets in his head. How did he shoot himself in the head twice? The real reason why he died was probably because he was going to expose the

Israeli Mossad being behind the drug trade. It is rumored that before his death he was writing a new book that would prove the Mossad was behind the South American drug trade.

Charlene Fassa in her article titled Was Gary Webb 'Suicided' To Kill New Book?

Charlene writes:

"To summarize: allegations are made that Webb was working on a new book exposing the hidden Jewish element that is the controlling factor behind drug trafficking in South America. Apparently, a huge drug war in South America is about to erupt. It's characterized as a massive power grab against South American Jewish-drug-lords.

According to this scenario, Hugo Chavez is playing the foil, and is planning to clean-up drug trafficking in his neighborhood, or at least look as though he is, by militarily moving against Columbia. The prize is control over the illicit \$50 billion cocaine and marijuana market. According to this speculation, Webb was "suicided" by Mossad because he was getting ready to break this story via his new book."

The Biblical Curses also are connected to police brutality. The curse is in Acts 7:6-7:7 which curses Blacks to slavery, evil treatment and 7:7 is the punishment of America. The words Police Murdered equals 76 in Reduction Gematria. This is tied to Acts 7:6 which curses Blacks to evil treatment. The words Police Murdered equals 77 in Reverse Reduction Gematria along with the words Police Shooting equals 77 in Reduction Gematria . This is tied to Acts 7:7 which speaks of the punishment of the nation Blacks serve as slaves.

One of the factors of police brutality is the militarization of the police force. This was started in the 90s with the 1033 program under the National Defense Authorization Act. Senator Carl Levin who is a Jew was the chairman for Senate Committee on Armed Services. Sen. Carl stated the reason for the 1033 program.

"Congress established this program out of real concern that local law enforcement agencies were literally outgunned by drug criminals. We intended this equipment to keep police officers and their communities safe from heavily armed drug gangs and terrorist incidents."

According to this statement the drug gangs are the reason for police militarization. These drug

gangs got their drugs from the CIA to fund the Contra war. It's also likely the Israeli Mossad is behind the drug trade. It's because of the Jews pumping cocaine into the Black community that these gangs were able to afford to buy serious weapons.

Another factor of police brutality is Israel training the U.S police.

A lot of the police brutality cases that occur in America are done by police departments that have been trained by Israel.

Edith Garwood writes in her article *Where Do Many Police Departments Train? With A Chronic Human Rights Violator - Israel*

"Baltimore law enforcement officials, along with hundreds of others from Florida, New Jersey, Pennsylvania, California, Arizona, Connecticut, New York, Massachusetts, North Carolina, Georgia, Washington state as well as the DC Capitol police have all traveled to Israel for training. Thousands of others have received training from Israeli officials here in the U.S."

It is the ADL that finances the Israeli training of police.

Edith continues:

"Since 2002, the Anti-Defamation League, the American Jewish Committee's Project Interchange and the Jewish Institute for National Security Affairs have paid for police chiefs, assistant chiefs and captains to train in Israel and the Occupied Palestinian Territories (OPT)."

This Israeli training started in the 90s around the same time of the militarization of police.

Another factor of police brutality is the Freemasonic control of the police departments. If anyone does the research they'd see that many police departments are near a Freemason lodge. This is because the Freemasons control the police. The Freemasons at one point were of Satan but have been infiltrated by Jews. They are now controlled by the Jews.

The Jewish Tribune, New York, Oct. 28, 1927, Cheshvan 2, 5688, Vol. 91, No. 18:

"Masonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?"

In the Manual of Freemasonry, by Richard Carlile it states::

"The Grand Lodge Masonry of the present day is wholly Jewish."

The Freemasons control the police departments through the Fraternal Order of Police.

Paul Butler writes in his article : "The Fraternal Order of Police Has To Go":

"The FOP is the nation's largest police association, boasting more than 300,000 members belonging to its 2,000 or so local chapters—some of which are unions and others which are simply fraternal organizations. There's also a national FOP that lobbies on various issues pertaining to law enforcement and labor."

The FOP has on numerous occasions sided with police who kill Black people.

Paul Butler continues saying:

"Time and time again, those who are empowered to speak on behalf of the FOP have made it a point to support police officers involved in questionable shootings of black Americans and other alleged abuses.

One local chapter in Maryland raised money for Darren Wilson, the white officer who killed Michael Brown. After Chicago officer Jason Van Dyke was fired for shooting 16 bullets into Laquan McDonald, he was hired as a janitor by his local FOP.

After 12-year-old Tamir Rice was killed by a Cleveland officer, the president of the Miami FOP tweeted, "act like a thug, you'll be treated like a thug." Jay McDonald, president of the Ohio FOP

and the current vice president of the national FOP, started an online "Stand with Cops" petition asking for support for officers in the midst of the backlash to Tamir's killing."

In response to police brutality there have been organizations to combat it. The most popular organizations are Black Lives Matter and Antifa, which is short for anti fascist. These groups are openly Marxist aka communist. These organizations are also controlled and financed by Jews. These organizations are tied to Biblical curses as well. The Biblical curse is Acts 7:7 the 7:7 is like the number 77. The verse Acts 7:7 verse speaks of "God" ,which is actually the Jewish people, punishing the nation that Blacks served as slaves which is actually the United States. The words Anti Fascist, United States and Commies equal 77 in Gematria.

Many of the BLM founders are either Jewish or were trained by Jews. One of the BLM founders is Alicia Garza who's other name is Alicia Schwartz. This is because her step father is as a Jew and she was raised Jewish.

In the Jewish Women's Archive it states:

"For Garza, the personal is political: raised by her African-American mother and Jewish stepfather, she grew up as Alicia Schwartz and identifies as Jewish."

Another BLM founder is Patrisse Cullors and she was trained by the Jew Eric Mann.

Yaron Steinbuck writes in the article titled Black Lives Matter Co- founder describes herself as 'trained Marxist'

"Cullors, 36, was the protégé of Eric Mann, former agitator of the Weather Underground

domestic terror organization, and spent years absorbing the Marxist-Leninist ideology that shaped her worldview, Breitbart News reported."

The funding of BLM is Jewish as well. The Jew George Soros has donated greatly to the organization. Valerie Richardson writes in her article Black Lives Matter cashes in with \$100 million from liberal foundations.

"That funding comes in addition to more than \$33 million in grants to the Black Lives Matter movement from top Democratic Party donor George Soros through his Open Society Foundations, as well as grant-making from the Center for American Progress."

The organization that BLM receives its funding through is Thousands Currents. The founder of Thousand Currents is a Jew named Paul Strasburg. It also has a Jewish woman named Susan Rosenberg as its Vice Chair of the Board of Directors.

The attorney that represents the victims in popular police brutality cases is Benjamin Crump. Crump has been associated with BLM since the death of Trayvon Martin. He has represented many families of police brutality victims since then. Benjamin Crump is also a Freemason.

On the about page of the Benjamin Crump Social Justice Institute website it states:

"He is also a member of Sigma Pi Phi Boule and the Michael R. Moore Lodge 764 PHA, Free and Accepted Masons."

The Jews through the Freemasons and Israeli trainings control the police departments and the Jews control the opposition to police brutality as well

Some of the popular police shootings of Black people are connected to Biblical curses as well.

The death of Freddie Gray was connected to the Biblical curse Acts 7:6 and also Genesis 15:13-14. The reason is the name Freddie equals 42 in Reduction Gematria and Genesis 15:13-14 is 42 when the chapter and verse number are summed together. As for Acts 7:6 the verse curses Blacks to evil treatment. Freddie Gray died in Baltimore, Maryland and the longitude coordinate for Baltimore is 76.6122 degrees west. The 76 is like Acts 7:6 similar to the coordinates of Jamestown Virginia.

The death of Korryn Gaines is connected to Acts 7:6 and Deuteronomy 28:41. The name Korryn Gaines in Reverse Reduction Gematria equals 69 and Deuteronomy 28:41 equals 69 when the chapter and verse numbers are summed. This is important because Deuteronomy 28:41 curses Blacks to losing their children. Korryn Gaines was a mother and when she died she lost her child. Another point to the Deuteronomy curse is that the first name of her son is Kodi. In reverse ordinal gematria Kodi equals 69. Her son's full name is Kodi Gaines which is connected to the Isaiah 45:14 curse as Kodi Gaines equals 59 in Reverse Reduction Gematria. The location of her death is Randallstown, Maryland and the longitude coordinates for it is 76.7953 degrees west. The location is connected to Acts 7:6 which curses Blacks to evil treatment.

The death of Philando Castile is connected to the Biblical curses in Deuteronomy 28:41, Acts 7:6 and Isaiah 45:14. The last name Castile in English Ordinal Gematria equals 69 which is tied to Deuteronomy 28:41. Philando Castile was killed in front of his daughter and the Deuteronomy verses curses Blacks to losing their children. The day Philando was killed was July 6 a date that can be written 7/6 which is tied to Acts 7:6. Just like how 7:6 is 76 so is the date 7/6. The Acts 7:6 curses Blacks to evil treatment. Also the words Police Murdered equals 76 in Reduction Gematria. Philando died in Falcon Heights, Minnesota and its latitude coordinate is 44°59'17"N. The 44 is connected to Deuteronomy 28:16 which curses Blacks to curses in the city or field. The 59 is connected to Isaiah 45:14 which curses Blacks to slavery and to serve Jews. Also Philando Castile has masonic ties as his uncle is a Freemason. The attorney that represented the family of Castile was Freemason Ben Crump.

In the year of 2019 the 400 years of the Acts 7:6 curse were over and the Acts 7:7 curse was starting. The Acts 7:7 verse speaks of "God" judging the nation Blacks served as slaves.

NIV Acts 7:7 But I will punish the nation they serve as slaves,' God said, 'and afterward they will come out of that country and worship me in this place.'

That nation is America. The chapter and verse number put together in Acts 7:7 is 77. The longitude coordinate for Washington D.C is 77.0369 West. The words United States equal 77 in Reverse Reduction Gematria.

The punishment of the Acts 7:7 curse on America is actually Communism. Just like how United States equals 77 the things that will be used to "punish" America also equals 77 in Gematria.

In America there's a radical communist group that is anti America and some say they're a terrorist group as well. That group is called Antifa which is short for Anti Fascist. Antifa is an outcome of Acts 7:7 as the words Anti Fascist equals 77 in Reverse Reduction Gematria. The way Antifa is "punishing" America is through tearing down American statues. These statues are taken down because they represent the enslavement and oppression of Black people.

The statues are connected to Acts 7:6 which curses Black people to slavery and evil treatment. The word Statue equals 76 in Reverse Ordinal Gematria and the words Confederate Statue equals 76 in Septenary Gematria. The act of taking down American statues is actually a Maoist tactic of cultural revolution. The things Mao did in China for the communist revolution is similar to what Antifa is doing in America.

Christopher Holton writes in his article Eerie parallels between Antifa and the Chinese Cultural Revolution:

"The goal of the Cultural Revolution was to eliminate what Mao called the "Four Olds." The four olds were Old Customs, Old Culture, Old Habits and Old Ideas—everything that pre-dated communism in China. Mao saw them as a threat to his communist rule, so he unleashed the Red Guards to eliminate them. The Four Olds had to be replaced with new customs, new culture, new habits and new ideas—communist customs, communist culture, communist habits and communist ideas."

This is exactly what's happening in America. Antifa is destroying symbols of America's past to erase it's memory. Then they'll usher in communism to replace it. The reason for this is so that no one remembers what life was like before Communism.

Christopher Holton continues stating:

"The Antifa insurgents started by targeting Confederate monuments, gaining sympathy, particularly from those on the Left, such as liberals and progressives. But it sure didn't stop there. Just as the Red Guards did in China a half century ago, the Antifa thugs have moved on to statues and monuments of George Washington, Thomas Jefferson, Abraham Lincoln, Andrew Jackson, Winston Churchill, Christopher Columbus and even Mahatma Gandhi."

This is a part of the "punishing" of America curse in Acts 7:7. The word Maoist equals 77 in English Ordinal Gematria. To effect the Acts 7:7 curse on a nation wide scale the Jews needed something that would spark racial tensions to justify the statue take downs. This was achieved with the death of George Floyd.

On the day May 25, 2020 George Floyd was killed by police. George's death was seen across the world and sparked international outrage. Many don't know that George Floyd had Free Masonic connections. George had a tattoo of the Order Out Of Chaos double headed eagle on his chest. Also George died in Minneapolis which is known as the "twin" cities and his "twin" Stephen Jackson's father was a Freemason.

The cop that was kneeling on him was Derek Chauvin but the man in the mugshot is not the man in the video kneeling on Floyd. The hairline of the "Derek" in the video was completely different compared to the "Derek" in the mugshot. The attorney who represented George Floyd is Freemason Benjamin Crump.

Right after George Floyd's death statues across the nation were being brought down. Along with statues names of buildings, sports teams and schools have changed their name.

Camila Domonoske reports in her NPR article titled Report: 59 Confederate Symbols Removed Since George Floyd's Death:

"Since Floyd died, 59 Confederate symbols have been removed or replaced, according to an updated report from the Southern Poverty Law Center. "

Notice how it was 59 Confederate Statues. The number 59 is always stamped on Black people. It is tied to the Biblical curse Isaiah 45:14 which curses Blacks to slavery. The words Negro and Slave equal 59 in English Ordinal Gematria.

The Confederate symbols and names were also taken down, Camila further states:

"All told, 38 Confederate monuments were taken down this summer, and five more relocated, while 16 schools, parks and other locations were renamed."

Confederate monuments, symbols and names weren't the only things taken down. Statues seen as offensive to Indigenous American people and American statues were also taken down.

Christopher Columbus statues across the United States have been taken down. Columbus is as a man who committed genocide and other atrocities on Native American people.

Christopher Brito explains in his article CBS news titled Dozens of Christopher Columbus Have Been Removed Since June:

"At least 33 Christopher Columbus statues have been taken down or in the process of being removed since the renewed Black Lives Matter protests began in late spring, according to a count of local reports."

Statues of American historical figures have also been taken down in different parts of the United States.

David Williams writes in his article for CNN titled Protesters Tore Down A George Washington Statue And Set A Fire On Its Head

"A crowd of protesters gathered around a statue of George Washington in Portland, Oregon, on Thursday night and lit a fire on its head before pulling it to the ground"

David Williams further states:

"On Sunday, protesters pulled down a statue of Thomas Jefferson outside of a Portland high school named after the third president and spray painted "slave owner" and George Floyd's name on its base, CNN affiliate KOIN reported."

Statues of Ulysses S. Grant, Abraham Lincoln, Andrew Jackson, Theodore Roosevelt and Francis Scott Key were as well removed from their public places. This is nothing but a Maoist tactic to change the culture of America. It's rooted in Acts 7:7 which is about "God" punishing America.

That Bible is the cause of Black suffering as it sets the occult basis for the manifestation of Jewish caused oppression. Black people have been cursed by the Jews through the "Holy Bible" for years. From slavery to 2nd class treatment to today the Bible cursed Blacks to it and Jews manifested it. All of these things are a result of Biblical curses on Black people in America.

The way to combat this abuse is through spiritual warfare. The most powerful tool is the Final Reverse Torah Ritual and Killing Tetragrammaton Ritual. The Jews use the witchcraft of the Torah/Bible to curse Blacks by reversing it the curses are stopped and Jews lose power. Another powerful tool is awakening Black people to leave Christianity and return to Satan. This is accomplished through the Ritual to Incite Black Awareness and Action. With these tools Blacks can make Jews pay for what they did and get Blacks out of the spell of Christianity. Satan created Blacks to become Gods not be cursed and abused by Jews.

## The One True Enemy

This page is dedicated to informing you all who the TRUE enemy is to all the Races of the world. This truth is coming out and many people are waking up to this. Please educate yourselves!

The following articles provided will show you the real fact of the matter.

# The Enemy: The Jewish Race

There is a war going on. A war between Satan's creation, who are the Gentile (non-Jew) races of the world and the beings know as Jews.

On the situation with Jews...

"They are not my people"- Satan

When Jews are mentioned, people think of those who only practice the religion known as "Judaism." This is false. Jews are a race and DNA tests show and prove this. (More info on that below)

Being a Jew is not just practicing Judaism. Even Jews admit this that they come from a separate genetic line. Jew's have a different racial and psycho-biological make-up.

"The Jewish religion states the Jews are a special race that came from "out there beyond this world" this is openly stated by Rabbi Laitman as well in this famous talk to the nation of Israel. The Jewish religion states the Jewish race was created by YHVH and has a special blood line from YHVH which only the Jews have. These rabbis even describe their masters as tall beings with scales...

It doesn't get any more credible than the source itself.

The Jewish racial gene is called the Cohen gene and has Reptilian DNA in it. The Rabbi's state the Jews share a special spiritual connection to these Reptilians to their collective racial consciousness for such reason. The Jewish leadership write on the fact they received their entire religion from these Reptilians this includes all the Kabbalah practices that form the whole of it. Its simply a criminal system of using the collective psychic power of the Gentiles mass mind and connecting into this to materialize the Global rule of the Jews and their "Masters". - HP Mageson666

Jews have been able to blend into other gentile races and cultures but their DNA is ever-present and carries on. Its like a parasite clinging to its host. Mixing within races in order to infiltrate.

Jews are NOT white people. Many of them have mixed with whites over some time and have taken up some of their features such as lighter skin, lighter eyes and hair. Since they look similar to white people and many are mixed with white, they are automatically lumped into the white race. But their alien nature is always there. They are connected at the soul level.

Jews only claim to be white when it fits their agenda and plans, so that the blame can go on the white race. Look at these examples of jews pretending to be white to shit talk about them and fool the rest. This is just a small example among a sea of jews doing this.

Now, look at some of these example pictures of Jews more so of the purer type...they are NOT White People. Look at these pictures and then try to convince yourself that these are not a different race on it's own... Pay attention to the features and complexion.They have different genetics.These are real pictures of celebrities.

Further below are links to even more pictures to teach you to tell the differences:

## Understanding Jewish Genetics

As far as we all know, and from the research on their history spiritually and physically, they are an alien hybrid race that are also mixed with some gentile DNA. Pretty much the same way that we were genetically engineered, so were they. They have reptilian DNA.

The difference is Satan created us with care, love and thought. The Jews come from an entirely different species and albeit created without the same "purpose" and thought as we were. Satan and the gods are evolved, loving and moral beings, and so this will reflect in their creations: Us.

The Jews come from ruthless and destructive beings, of course they will be of something that reflects it. The Jews have many genetic diseases because of this as well, and not to mention the said mixing with gentiles over time. Their genes are weakened and out of whack.

Even as Jews age, you will see that they tend to look worse and worse. In Hollywood, I dare you to look up Jewish stars without their make-up and before plastic surgeries...you will see what I mean...

Since Jews are a different race created from different beings, they have a long list of diseases exclusive to them.

Scientific data from Jewish and non-Jewish sources show that they have different RACIAL genetics hence different psychological inclinations.

## KNOW YOUR ENEMY: "BLACK" JEWS

As you all know, our true enemy is the Jew. They are an entirely different race of beings, separate from Satan's gentile creation. One of the biggest challenges is exposing and outing the Jews as such, especially to black gentiles and other non white gentiles. The problem is the white race has been blamed and lumped together with Jews. All the Jewish crimes have been shifted over to the white race because they bear a resemblance to them. Not to mention Jews have been mixing with gentiles, ESPECIALLY the white race, over time. Unfortunately Jewish DNA has also tainted some gentile blood lines in places like Africa and Asia.

Many people fail to see the differences between gentiles and Jews despite the evidence. They think that being a Jew is being a practitioner of Judaism. Just because they look like us, doesn't mean that they are. In most cases, gentiles who study the Jews and Jewish crimes against humanity know that they are different from us even if they believe that Jews are gentiles. It is very important for us to be able to identify Jews and be able to educate and spread the word on this truth.

As we advance spiritually and increase our awareness overall, identifying them becomes much

easier.

Jews look down on all gentiles, especially the black race. You can get a sense of what they think about us when you just examine the Trans-Atlantic slave trade and how they treated our gentile race. The funny thing is, they say insulting things about us yet they are the ones who are disgusting, vile, alien and diseased beings.

They have perverted the black gentile mind and society with all of their ilk and lies just to destroy something they can never and will never be: a sacred creation of Satan, our most highest god.

---

Identifying "black" and "Asian" Jews may be a bit trickier and they are not as common as "white" Jews.

The Jews have mixed with different gentile groups in order to infiltrate and take over our societies from within. They are very parasitic. Note the features being a bit disproportionate, eyes, ears, mouth shape, nose, and the shape of the head. Because black DNA is dominant in most cases, you will find that "black" jews are not easy to identify so easily. But no matter what, their energies and key features are always the same. Jews typical have weird features like dead eyes and an ugly look even when they are deemed attractive by the public...

Another thing to realize is many jews, whether they are in the spotlight or not, hold some kind of wealth, success and prominence in some way. You will almost never come across a Jew who is impoverished in some way. This is due to their curses on humanity, magick rituals and control they have. This has been going in for centuries.

## The Myth of the Good Jew by HP Mageson666

The Jews are a dualistic system with one core.

The Jews themselves at the core are a genetic group, a blood line. Yet one can convert to Judaism. But upon this they have to marry into the genetic group and absorb their genes into the hive. This allows the Jews to blend into the host society while still maintaining their genetic-psychic strength. And the con-vert becomes an active agent of the Jews, with a Gentile face. But will never be allowed to go far within the deep ranks of Judaism.

At the highest levels only those of purest Jewish genetic lines can be admitted. Making sure the pure blooded ones lead the group and give it direction.

The Jews by their records and texts such as the Zohar, state they come from a genetic line not of the Gentiles which they believe makes them superior and gives them entitlement to the planet and all upon it. They state Gentiles are animals put here to be their slaves and property. And since we are not from their line we are not human and not covered by their law of the Torah. Meaning they can do what they want to us with no moral qualms. Judaism dehumanizes the entire planet.

Above the Jews are a collective of negative entities who the top Rabbinical class who are adept Black Magicians work with and take direction from. The Jews carry the spiritual inheritance of these entities in their blood as this is the group they are genetically created from by their admission. What this means is they are connected on the deep soul level to such non and anti-human, entities. They are a window to these beings on the planet.

Even the average Jew has a deep unconscious connection to these beings. On the soul level. And they are bound into a large mass Jewish mind or collective unconscious and consciousness they share with such entities as well. They share the same race soul together.

Their soul nature is encoded in their religious texts of which are nothing but what is in their soul. And simply the desire to harm, enslave, murder and destroy Gentiles by any means. Their biology is their belief.

People point to their different factions, disagreements and infighting as something to offer an example of something to believe the Jews are not a mono group against us. But this shows nothing in many cases it proves the opposite. Its in their soul and even programs started by Jews in conflict with other Jews. Still push the Jewish agenda anyway and harm Gentiles. This above belief not all bad apples belief creates a false understanding that allows Jews to step in and control the opposition to them. And terraforming it into something which serves them.

Which means you can never trust them. Many do what they do unconsciously. Because what's in the soul is what its about. And its in their soul to do what their religious texts state.

Its not about opposition to Christianity, Islam, Communism, Liberalism or Capitalism, Zionism.etc

Its actually on the deeply conscious and honest level. One thing only. Opposition to JUDAISM. All these programs listed above come out of the Jewish race soul. Most people in our society are in strong opposition to the Jews on some level and don't even realize it yet.

One can also observe strong schizogenic behaviours in those who are larger admixture of Gentile blood. Its a from a conflict on the soul level which manifests into the conscious mind. Otto Weininger stands out. He was half Jewish. But hated his Jewish half, as an ugly and vile stain within his soul. He could feel this. He lived a life of struggle with it. Till he killed himself to try and escape it.

He was an open example. Of the two different and conflicting natures of the Gentile and Jewish soul in one man. And the fact those of Jewish blood can never stop being Jewish, even if they consciously want to. Its in the soul.

The purpose of Judaism is to terraform the planet into a situation where the entities that manifested the Jew, can then feed off humans and use them as slaves without end. The Jews are simply the terrestrial level of this agenda. In lay terms the Jews are race of psychopaths. And not part of Gentile Humanity. They are a war upon it.

## Judaism and Communism

Judaism is not just the religion of the Jew. It is in their souls. It reveals their psychological inclinations concerning all of us- Satan's creation.

This is what the Jews preach about us- a quote from their Jewish Talmud:

This "religion" is nothing more than the mindset of the Jew, pure and simple. It is their practice and implication of what they have planned for all Gentiles (non-Jews). It is also connected to the Hebrew curses they have been casting on humanity for centuries, through blood sacrifices and performing magick rituals through their "holy" book, the Torah.

If you study the Torah, and through the Talmud, you will find that Jews are the most hateful, evil, racist and degenerate beings. The things they say about non-Jews, and what they have done and what they plan to do to us is utterly DISGUSTING.

Jewish Scholar Dibre David says: "If the Gentiles knew what we are teaching against them, they would kill us"

In Jewish religious writings, they call us beasts, animals and cattle that only exist to serve them.

The Jews have turned us against our true Gods and they plan to enslave us through Communism.

## Yosef: Gentiles exist only to serve Jews

According to Rabbi, the lives of non-Jews in Israel are safeguarded by divinity, to prevent losses to Jews.

By JONAH MANDEL  
10/18/2010 05:13

The sole purpose of non-Jews is to serve Jews, according to **Rabbi Ovadia Yosef**, the of **Shas**'s Council of Torah Sages and a senior Sephardi adjudicator.

Communism is when the state seizes control of all wealth, and property and the ruling class assumes the role of God (Jews). The Gentiles will be all 'equal' under god, meaning total slaves that are equally used and disposed of/ thrown away, to be used and worked to death completely. This is also what is dictated in the Jewish Torah.

There will be no sense of identity, culture, and freedom whatsoever. Your existence will only be to serve Jews. The suffering will be unimaginable. Just look at history and the 100+ millions upon millions of people who have suffered and died because of Jewish communism. This is nothing to take lightly. The Jews have succeeded in Communizing places like North Korea, Cuba, China, Vietnam- a couple of countries like South Africa and Venezuela are on its way there. The people are suffering, starving and have no freedoms and are at the mercy of the government. Study these communistic countries and you will get a taste of the world's fate if the Jews win.

"The soul of Communism is the soul of Judaism"- Jewish Rabbi Harry Waton

We already see the early plans of Communism manifesting today. Luckily we have our Gods who are helping us stop this.

## Khazar Claim Debunked by HP Mageson666

Jews are NOT White people that converted to Judaism\*

The Jew, Arthur Koestler created the Khazar claim. The claim that the Ashkenazi Jews are originally a Turkic tribe that converted later. This was simply made up Koestler by admission for trying to trick the Goyim into thinking Jews are not a race and attempt to remove the dangerous

understanding for the Jewish agenda that they are race from Western consciousness to give the tribe a powerful advantage in their aims.

Michael Scammell wrote the biography of Koestler. And within it, he reported Koestler's own statements on why he wrote this book: His argument was that if he could persuade people that a non-Jewish "Khazar" heritage formed the basis of modern Jews, then this would be a weapon against European racially-based anti-Semitism. "Should this theory be confirmed, the term 'anti-Semitism' would become void of meaning," he said.

According to Scammell, Koestler told French biologist Pierre Debray-Ritzen he "was convinced that if he could prove that the bulk of Eastern European Jews were descended from the Khazars, the racial basis for anti-Semitism would be removed and anti-Semitism itself could disappear."

(Source: Scammell, Michael. Koestler: The Literary and Political Odyssey of a Twentieth-Century Skeptic, Random House, 2009, ISBN 978-0-394-57630-5, p. 546.)

As we know the Jews are race. The very fact you have to get a DNA test to prove your Jewishness before you can become a citizen of the Jewish state, the Cohen gene. Tay Sachs a genetic disease only Jews suffer from. The fact Judaism from its start is based on genetic laws of racial descent. They can simply look at some ones DNA and see if their Jewish from anywhere in the world, the numerous genetic tests done on this fact. And Jews have stated their a race in their own writings.

Prime Minister's Office says would-be immigrants from former Soviet Union may be asked to prove Jewish bloodline.

The Jews moved into Eastern Europe from the West, mainly Germany which had a large Jewish

Population, Ashkenazi meant literally "The Jews of Germany"

Ashkenazi Jews, also known as Ashkenazic Jews or simply Ashkenazim (Hebrew: אַשְׁכְּנַזִּים, Ashkenazi Hebrew pronunciation: [aʃkə'nazim], singular: [aʃkə'nazi], Modern Hebrew: [aʃkena'zim, aʃkena'zi]; also אַשְׁכְּנַזִּים אֲשֶׁר בְּאַשְׁכְּנַז Y'hudey Ashkenaz, lit. "The Jews of Germany")  
Showing they are originally not from the East to West as the Khazar story claims

Over time the Jews were driven out of Western Europe and migrated mainly into Poland. Where they enjoyed special privileges due to their low interest money lending rates to the Polish Nobility. The privileges included the ability to rob the common people with robbery interest rates and monopoly on the alcohol industry. The Jews developed a large community here over time. Poland was conquered by Prussia, Austria and Russia. The larger Jewish communities in Poland became the Pale region of the Russian Empire. Notice all the eastern Jews with Yiddish names and who spoke Yiddish. Which is strongly German influenced. Because this is where the Jews in the east originally came from. The Western German regions.

The genetic testing of the Ashkenazi, Sephardic and Samaritan Jews show they all have the same genetic ancestor and thus share the common race of the Jews.

With many crazy Black African Americans claiming they are Jews and the real Jews are some Khazar converts, this DNA shows they are the original Israelite descendants especially with their genetic diseases such as deafness, breast cancer, ovarian cancer which is a genetic disease to Jews all over the world. Even black people out there think these crazy racist groups are wrong and crazy. If you also read some history books and even the Bible it talks about Jews living in Eastern Europe (Rome, Greece) since the time before Jesus was born.

Today modern Khazar descendants also live in Kazakhstan and are Muslims and you can go yourself and see how their culture, looks are nothing similar to the Ashkenazi Jews .

New study finds no evidence that Ashkenazi Jews are the descendants of Khazars, or that subjects in the medieval kingdom converted to Judaism en masse.

## THE JEWS ARE WHY WE ARE SUFFERING IN THE WORLD- Summary by HP Mageson666

The Jews in their kabala and with their Yom Kippur celebration ritual of the scape goat believe in transference of their own bad deeds onto innocent victims who then take the blame. Allowing for the Jews to go unnoticed and unpunished so they can continue in their criminal mission to enslave and destroy humanity.

The Jews practice this in everything from the Jews who plundered the Gentile nations with their control of banks and industries then created Communism where they blame the shop keeper down the road for people's misery and shift their crimes onto others in general.

Today we note this with the Jews blaming what they did with slavery in America onto Whites and transferring their own institutionalized Jewish racism onto Whites and then scape goating Whites for all the crimes the Jews committed and commit against Gentiles. The Jews still lie and claim all the rich globalist Jews are White Men..... who just want to destroy the White Race for Jews I guess...

Nope! They are just Jews the entire one percent is Jewish.

The Jews started two World Wars to create their Messianic world government and then blame Hitler for starting the second war and claim Hitler was running death camps when in reality the Jews were running the death camps of the Gulags and exterminating millions of Gentiles. This is what Hitler was fighting to stop and prevent. They also claim Hitler wanted to conquer the world. When it was Jews trying to conquer the world with Communism which is the political

vehicle for their Messianic one world government.

This is what the Jews have also done to Satan. They project everything they do onto Satan so the Jews don't have to be held accountable. When in reality its the Jews doing everything criminal to the planet and humans on this world.

The really obvious one is when the Christians rant about the One World Government their bible talks about. And blame Satan for this, when its the Jews the Christians worship working to build this and the Bible ends with the world being run by Jews from the new Zion. And the Christians are working to build a One World Government, run by Jews the whole time and praise this as holy. They are really that under the Jewish spell. The dumbest are the ones who claim Satanist's run Hollywood. Where every film on Satan, is just taken from the Church sermon. And Jews brag in their own Times of Israel, paper the Jews own Hollywood.

The Christians all hate each other and everyone else on earth. But they all gather to love the Jews and worship before the altar of the god of Israel. Satan is bad to Christians because Satan does not want the Jews to run the earth in a violent dictatorship and destroy all life on it. This is why the Jews who hate all non-Jewish human life as inferior and subhuman. Whine about Anti-Semitism. This transfers the Jewish racism and animus onto the innocent Gentile who criticises the Jews. The Jews believe they are allowed to hate everyone but no one is allowed to hate them.

## Blacks and Jews

This page of Blacks for Satan will provide you with the information you need to know how the Jewish race has destroyed the Black race since the beginning. They have used drugs, violence, poverty and psychological warfare to take us down.

The Jews have caused the suffering, decline and fall of the Black race and they have lied to us by blaming it on the White race. This is how the Jews get away with their crimes, remember this.

Its time to educate ourselves.

The Jewish race is our Enemy!

You want to know what Jews think of Black people? Here is what a Jewish Rabbi has to say...

"Many people will laugh at the very idea that a Jew would consider any black to be an equal as a rule, Jews loathe blacks more than they do whites, but they find that exploiting blacks is advantageous to the advancement of their agenda, and it is for this reason, and no other, that they associate with blacks.

Those who are incapable of attaining to supreme religious values include the black coloured people and those who resemble them in their climates. Their nature is like the mute animals. Their level among existing things is below that of a man and above that of a monkey."  
(Maimonides, Guide To The Perplexed, Hebrew Version)

## Black People Never Left Slavery- A Summary by HP Mageson666

So what happened?

Blacks were violently ripped out of their world and culture by the practice of Jewish slavery. Many authors both Jewish and Black had stated this fact. This is because Judaism states Jews are to make slaves of the Goyim the Gentiles. Jewish Christianity also created a justification for this as well.

Blacks were enslaved as cattle property for centuries by mainly Jews in a Jewish run system of slavery in a foreign society where they even had to take an alien name. Their culture was stripped away and they were forced into the Jewish ideology of Christianity, the ideology of their slavery.

Blacks after being freed still have the memory of being abused and on the bottom of society for centuries. There were also laws passed against them to restrict them among White society. This has created a neurosis in the Black psyche that has been documented by psychiatrists going back to the 1920's. It's an inferiority complex. This is the generational trauma of the structural violence done to them by the Jewish program. Today the Jews are constantly rubbing salt in that wound as well for a reason.

The Jews pretended they wanted to all of a sudden help the Blacks out that they dragged here, imprisoned as slaves, abused and spit on as Goyim (means "cattle" in Jew speak). The situation is the humanitarianism was a Jewish game strategy to bring about greater Jewish control with Communism. Using the Blacks as organized block to achieve this. Black leaders such as Cruse mentioned this in his own book "Crisis of the Negro Intellectual". The NAACP was run by Jewish individuals till recently why was that..? CONTROL.

Jews used business monopoly to destroy the Black business class and wealth of the Black community with desegregation to reduce them to poverty. The Jews then used Mossad with the CIA to set up the flow of drugs into their community as Gary Webb was murdered for writing about it. This then destroyed the Black community the family unit and brought the gangs. The Jews then used this situation with their media to create a new Black culture in this chaos of Black identity politics. Which is meant to disempower them, frustrate them and use them as pawns in the Jewish game.

Under this new cultural regime created by Jews the Black race has almost gone extinct in America. Most Black men are in jail, killed in violence by other Blacks or on drugs. The Black community is so destroyed take away welfare and they will starve. This is how the Jews want it. Now the Blacks are under total Jewish control. With nothing of racial solitary left on any cultural, economic and community level. The Blacks on now on their knee's to the Jewish welfare state and leftist communist establishment of the Democratic Party. That use Blacks to keep pushing along the Jewish game strategy of Communism where all the Goyim are held as common property by the Jews.

In Africa the Jewish owners of Africa use Communism and the Black sell out class they have made into the political class to murder over seventy thousand Blacks just in Zimbabwe alone. This is to maintain Jewish ownership of the African nations for themselves. The same Jews are leading the Black Marxist movements in America. What do you think they might care for Blacks. Zimbabwe was conquered by the point of the gun and robbery by the agencies of the Jewish Rothschild's and now the Jews are just using a Black oppressor class instead of a White one.

What the Jews did to Blacks in America they did in Africa. The Jewish run Empires like the British and the Jewish financed and direct empires went into Africa and took the land and transferred ownership of the land the resources and the people into their control. And then committed cultural enslavement with Christianity to maintain control. When the European empires left the Jews who ran the whole thing stayed there. This is why Libya was destroyed for trying to openly liberate Africa as a slave plantation from the Jewish elites sitting in New York and London. This is also the reason there are so many wars and oppression in current Africa.

So the Blacks have been the victims of centuries of structural violence created by a Jewish supremacist globalist system.

So how can Black People change this? If one studies the Dogon a Black tribe that lives in Mali one will find the answer. The Dogon live in a tribal society of around a quarter of a million people. The Dogon leaders have Egyptian names of our Gods such as Amon and their culture is Egyptian.

They live in peace with each other and farm. They have a democratic society in which disputes are solved by public debate and the wisdom of their tribal elders. They live by and follow a spiritual wisdom they received from the ancient Nommo Gods. They don't have any of the problems the Black communities have elsewhere because they have been spared the Jewish cultural genocide of others.

In America there is a Jewish church on every Black corner and what has it done but destroy them. There is a communist ideological identity movement for Blacks run by Jews like Schwartz [Sorros's real name] what is it getting them destroyed.

The solution is Blacks must reject the system of Jewish supremacy and its structural violence waged against them. This means rejection of Christianity, Communism and Capitalism. This means Blacks must follow the Dogon way and return to the Gods and their spiritual culture once reunited with this and having their consciousness spiritualized they will succeed and secure their race.

Nommo is an ancient name of Enki the living God Satan. If one studies Voodun the sigils of this African way are sigil's identical to the Demon's sigils. The teachings of the African wisdom tradition are the same as the Sumerian's and Egyptian teachings even having the same titles of the God's such as Nana. These are the teachings of our Gods. The African traditions even have instructions on how to communicate with the Gods in other star systems spiritually.

Hail Satan!

Jews have cursed the Black race by Mageson666

In America there is a church on every corner of the Black community and their communities are falling apart they are killing themselves and each other and they have become a failed race at this point.

So what good is Jesus and Christianity doing? Its a Jewish spell to destroy all Gentiles(non Jews). Do you think the Churches everywhere and the infusion of Christianity into the souls of Black People for centuries have something to do with this situation? The Black Christians leaders are mainly criminals and degenerates ruining their own People.

The Torah( the old testament of the bible) is full of curses on all Gentile races. This includes the Whites who are called Amalek and are ordered to be totally exterminated by the Jews. Hence the Jewish created political White Genocide cult of Cultural Marxism is not anything but the Jews practicing their racial religion in a bogus political cloak.

In the Torah, Noah cursed Ham to be a slave to Shem. Ham was the father of Cush and the Cushites were the ancient title of the Black race and area's in Africa. This is the curse of Ham. However the major curse against the Blacks is in Isaiah this one is never mentioned because its too obvious.

The Torah in the book of Isaiah:

14 This is what the Lord says:

“The products of Egypt and the merchandise of Cush,

and those tall Sabeans—

they will come over to you

and will be yours;

they will trudge behind you,

coming over to you in chains.

They will bow down before you

and plead with you, saying,

‘Surely God is with you, and there is no other;

there is no other god.’”

Note here we have the Cushite's being put into chains and enslaved to the children of Israel. Note the Jews call Gentiles the property of the Jewish race (merchandise) which is property means Goyim(cattle.)

Goyim were born only to serve us. Without that, they have no place in the world - only to serve the People of Israel,. Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat. That is why gentiles were created.

— Ovadia Yosef —

AZ QUOTES

When the Jews ran the Black slave trade they used these passages from the Torah to justify the slave trade to the Christian population. The Jews call the curse of Ham the Noachide curse. What do you think is going to happen to Blacks if the Jew World Order get the Noahide Laws (the Jewish Rabbi's had passed into law in America under the first Bush, imposed on the population)?

This already happened in the past on numerous plantations and households run by Jews having their own Cushite slaves to do the work for them during the Trans atlantic slave trade period.

\*\* My note- Black's spiritual energies are being used and taken from them to fuel that fake entity called "god". You see this at churches when they go into a trance, dancing and praising this false god. Dancing is another way to raise the energies. Praying to that false entity also gives power and energy to the Jews further speeding up our enslavement and damnation.\*\*

It's time for our people to wake up!

## Jews started the Black Trans-Atlantic Slave Trade

The Jewish race has caused TREMENDOUS suffering to the Black race, and they still are doing so to this day! Of the many, one of the biggest catastrophes are that of the Slave Trade.

Jews benefitted and have become VERY rich and prosperous because of the enslavement of our people. The Jews have blamed it on the White race. Jews owned the slave ships and made up the bulk of the population that owned slaves. While White people abolished and worked to

end the slavery in America.

"The Jews didn't even really sell slaves to Whites. In all reality only 1.4 percent of Whites owned slaves in America. Most America Whites didn't agree with it and put major regulations on it. Jews owned the majority of slaves. The Jews mainly sold them to other Jews, the slaves were used in the Jewish run industries that slaves were used to facilitate such as the sugar cane plantations. This is the source of how the Jews really made their wealth the Jew bankers, slavers, plantation owners and such were all working together this was key to the rise of the massive wealth power of the Jewish bankers as well." -HP Mageson666

Judaism, the racial religion of the Jews, says that all Gentiles (non-Jews) are like that of animals and only exist to serve the Jew. Now what do you think will happen to the Black race again once the Jews get total global control of the nations of the Earth? This is dictated in their Torah/ Old testament of the Bible that they will control the world and establish a New World Order under Communism.

Do not be deceived!

## Black Lives Matter

With Black Lives Matter, the Jews are just using the Black race AGAIN.

Quote from the Jew Israel Cohen:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries have been oppressed by the whites, we can mold them to the program of the Communist Party ... In America, we will aim for subtle

victory. While enflaming the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause."

-A Racial Program for the Twentieth Century by Israel Cohen, 1913

BLM is funded by the billionaire Jew George Soros, who has a history in financing organizations that only work to destabilize nations and cause chaos that only leads to Communism. Its all the same goal with the Jew.

Here is what this disgusting Jew has to say about the plans for America:

"Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."

BLM is nothing but a Jewish funded Marxist terrorist movement that doesn't work to improve Black lives, it only serves to deliver America to the Jewish Communist cause by agitating society and causing civil unrest.

BLM doesn't care about Black lives, because if they did they would address the issues that Black people are facing in America. It is based on the lie of systematic racism. Where did this all stem from? The fact that police killed a criminal. Yes, Michael Brown, Freddie Gray and Trayvon Martin all committed crimes, hence they were criminals. Michael Brown had a long criminal record and history, in addition to glamourizing the killing of others which showed on his social media page, etc.

The Jewish owned mainstream media won't tell you this because the agenda is to make these people victims that were "unjustly" killed- this is a trick to make Black people think that they are being "hunted down" based on race. But I'll tell you this, what are you all going to do about the Black people who die by RECORD numbers every year in America by their own kind? In fact, statistics show that Blacks kill themselves more than police do.

Black on Black crime and gang violence are the main things that are taking the lives of Black people, children included, and causing broken homes that leads to social issues on those growing up in fatherless homes! Blacks kill themselves over things as small as 50 cents or a bag of chips (for real!). Its ridiculous!Because Jews have worked systematically to destroy the Black race in America, we now see all these problems, problems that they have blamed on the White race. Spiritual degeneration also adds to these problems.

Everyone, including Black people, who try to actually help the Black race are labeled as the enemy. Why is that? Because the Jewish establishment and the Blacks who are controlled and paid off by them won't allow that. Many Blacks who give into the Jewish lie also won't take responsibility for the situation. I guess it's easier to blame everything on America and the White race than to stand up for true racial justice and improvement...

The Jew has convinced the Blacks in America that America is an eternally racist nation that will always work against them and that the White race will always plot to oppress the Black race no matter what- the plan is to convince Non-Whites, especially the Black race that the only way to solve "racist" America is to essentially get rid of it and break down its existence.

With this narrative forced down their throats, it only serves to push the Black race into rioting and acting out into a communist uprising so that America will slowly collapse into chaos via race war and social dysfunction. The Jews do this by trying to claim that Blacks are being hunted down via police shootings and other FAKE shootings.

Once America goes down, the Jews own the entire planet because America is the last super power nation that is getting in the way of the Jewish plan for total global domination. Blacks are only a Jewish tool that works to bring their own slavery. If that succeeds, the Black race will really see unimaginable slavery, suffering and oppression...

The Jewish race hates the Black race, they are our Enemy. When you look at all the suffering and oppression that Blacks have experienced already, the fucking Jew is behind it all.

## Jewish Destruction of Africa

Our ancestral homeland of Africa has been infiltrated, raped, and plundered since the beginning of the enemy's war on humanity-both spiritually and materially. Like all Gentile societies and nations, the Jew has orchestrated and put into effect their agenda to destroy and enslave us through any means.

The goal is to set up and establish a Jewish slave plantation state in Africa where the Black Gentiles are murdered, used, oppressed and the wealth of the country taken. The Rothschilds are a Jewish dynasty who run the International Monetary Fund. They have used their power to enforce colonialism to take control of Africa and bleed dry the resources and line their pockets. These Rothschilds have also profited from the Black Trans-Atlantic slave trade.

We all know now that Jews have used occult/magickal power to acquire this, along with setting up and creating this disgusting monetary system to enslave us all. Since they control the wealth they have been able to induce famine, poverty and keep African nations impoverished and poor. Basically making us gentiles slave away for a fucking shekel.

If you look at who owns the mines and resource distribution in Africa, they are in the hands of the Jews. Whether it be by oil, diamonds and precious metals, they control this and none of it goes to the black workers and their nations. Nothing.

There is a movie called " Blood Diamond", it depicts the situation in Africa as the people are subject to poverty, political upset, slavery and other horrible circumstances all to enrich and make wealthier the Jewish bankers, global elites and war mongerers. Its all Jewish insanity and criminality.

Keep in mind, the Jews have also used this tremendous monetary power to buy and finance corrupt and horrible Black gentile "leaders" that have helped to kill off and enslave the black gentile population and deliver them to the Jewish cause like with a Communist dictatorship in places like South Africa. As long as the Jews have control and the so called leaders continue to sell out their people, we will not see improvement. Africa is one step away from being a global plantation slave state and the situation there and with Whites in south Africa is nothing but a blueprint of what is to come if the Jew is to take full control of Gentile humanity.

Now in order for the enemy and Jews to have been able to truly establish total control over the Black Gentiles, our Satanic and pagan history was destroyed systematically and stolen from us and Christianity and Islam enforced. This was one of the reasons for Jewish financed colonialism in Africa via the Rothschilds, Christian and BRUTAL Islamic conquest over the centuries (all Jewish created), and to also spread and force the lie of these programs.

It has been a constant battle. Humanity has already been suffering and without since before the Jewish filth surfaced. The enemy ETs have been attacking humanity, disconnecting us from spirituality and infiltrating our sacred religions since our gods were bound, outnumbered and cut off from us.

With Africa, ruins, artifacts and other structures and monuments have been found to be some 16000 or more years old which is telling to how old the black race is along with our relationships with our original gods. With the ruthless Jewish control and imperialism, things such as sacred ancestral family heirlooms were taken and confiscated. Some of these things that connected black families to the early black ancestors, have turned up in museums, Rothschild and Jewish collections and or destroyed by the Jesuits who voyaged into Africa to replace the culture with xianity.

Despite all of this, there is still some evidence of our ancient history in Africa, underground mines, systems and structures that point towards an old and advanced civilization has been discovered. As I have mentioned before, there have been pyramidal structures found in South africa, structures to track the solar and lunar movements, remnants of ancient fortresses and temples for our gods were unearthed. I asked about this and one of the Daemons told me that these were all destroyed to hide our past. This is no different than how all gentile satanic culture all over the world has been infiltrated and destroyed.

Unfortunately now this place is in constant chaos, war-torn, corrupt, destroyed with famine and poverty through communism and international Jewry, and the poison of Jewish programs designed to enslave humanity and prepare us for our own damnation. The disgusting programs of Christianity and Islam have did their jobs of destroying, weakening and degenerating the

black race. These filthy Jewish programs have corrupted the spirit of Satan's divine creation.

Spiritual degeneration, disconnection from our gods, centuries upon centuries of Jewish blood rituals and curses, poverty, and enemy ET interference, lack of power meditation and elevation has caused the black race to be very much effected and behind as a race. Since the Black race is especially a very physical race, the overall degeneration is linked to IQ deficiencies and extreme poverty in many places of Africa. Science has shown that meditation changes the neurological component of the brain, and increases the IQ, memory, cognitive functioning, mental health, grey matter, insight, etc.

Even Black gentiles connected to our Ancient gods (mainly the Egyptian Daemons) through association, like in many places of Africa, some of the Yorubas, Dogon Africans and the Black neo-pagans in the Americas who are tied into traditional black spirituality are more evolved and display more civility and focus. This is the difference between Black pagans and those who are tied into the negative vortex of the enemy programs. One also can look at the Arabic Gentiles in the Middle East, they have been reduced to a disposition of violent behavior, rape, illiteracy and mental stagnation, and other degenerate tendencies because of the destructive program of Islam that binds and corrupts the soul.

Power meditation uplifts and brings one to a higher level. This is why it is important for all of us to do our meta exercises. Power meditation truly makes a person better.

Africa is the home of the Black race, the place where Satan and the gods put us to reside. Africa has many resources, is home to beautiful and unique plants/flora, animals and vast and gorgeous land. We need to take back our homeland, restore the beauty and bring the gods back into the minds and souls of our people in order to evolve and grow as a race.

Hail Satan!

## Jewish Destruction of Black America by HP Mageson666

The Black Community in America was destroyed in several major waves by the Jews, of course it is know the Jews where owners and operators of the African Slave Trade the book " The Secret Relationship Between Blacks and Jews."

The book documents this fact in depth right from the confessions and documents of the Jews themselves. This book documents that not only did the Jews own and operate the Slave Trade, they where also 75% to more of the owners of the Slaves themselves in the New World. The Jews stated they would use the Blacks of America as shock troops in their destruction of America, the end purpose being to pull America down into a Global Communist State.

Quote from the Jew Israel Cohen:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries have been oppressed by the whites, we can mold them to the program of the Communist Party ... In America, we will aim for subtle victory. While enflaming the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause." -A Racial Program for the Twentieth Century by Israel Cohen, 1913 On June 17, 1957,

This passage was read into the Congressional Record by Rep. Thomas G. Abernathy.

The first wave came in "Civil Rights Movement" which was nothing more than a Communist front to enact exactly what Israel Cohen stated in 1913.

During this time the real Black Nationalist groups in America who represented their Peoples interests[they wanted racial separation and self-determination] were destroyed from without and within by the Jews. And the Jewish fronts using their Black agents such as Martin Luther King were used to ensure the first wave of this agenda.

The racial mixing laws passed first destroyed the Black Community as the Black Business classes and community now forced to compete with large Jewish corporations were quickly devastated economically. Many of their educated classes offered bigger money jobs, left the community and moved outwards leaving the majority of the area's without any real leadership left and impoverished. With a handful of Jewish controlled "Black Leaders" to distract the Blacks into belief they had a racial Leadership.

The NAACP was started and owned by Jews at the head. Their job is to make sure the Blacks have no real leadership and the Jewish leaders behind the door use them as shock troops for the Communistic[Jewish] war on America.

The next wave was drugs, the Jews wanted to destroy the Black Community structures so they

could never rise as a force against them again, as had happened with real Black Nationalist groups in the past. The Jewish mafia working with the Kosher controlled CIA and psychopathic elements in the Black Community started to pour Drugs into the Black Communities.

How powerful is the Jewish Mafia branch of their control system in America?

"Friedman points out that the first of the Jewish mob's godfathers in the United States, Evsei Agron, owed his crime career to a politically connected Orthodox rabbi, Ronald Greenwald. Rabbi Greenwald had gotten his political connections working for Richard Nixon's 1972 reelection campaign. He was Nixon's ambassador to the Jewish community. In the 1980s Rabbi Greenwald became mob boss Agron's one-Jew think tank and facilitator. Mob insiders report that most of Agron's rackets were planned in Rabbi Greenwald's Manhattan office. A leading mob member in Toronto, Joseph Sigalov, is also a leader in Canada's Orthodox Jewish community and the publisher of an influential Orthodox newspaper."

You can see the Jewish mafia is nothing more than an overt section of the Jewish racial collective.

Looking back at the rise of the Gangs in the Black Communities that have killed thousands and turned once safe neighborhoods into literal war zones and destroyed the family unit and community spirit. It was all linked to the high amount of drugs flowing into their neighborhoods, different Blacks started banding together to sell the lethal product and starting fighting against other Blacks doing the same territory equals profits. It was at this time and cause the major Black Gangs formed into strong numbers and rose to power. The previous situation of what "Desegregation" did to their Communities helped to create the ground work for this.

A Journalist Gary Webb exposed a major part of this in 1996: "Webb was best known for his 1996 "Dark Alliance" series of articles written for the San Jose Mercury News and later published as a book. In the three-part series, Webb investigated Nicaraguans linked to the CIA-backed Contras who had allegedly smuggled cocaine into the U.S. Their smuggled cocaine was distributed as crack cocaine in Los Angeles, with the profits funneled back to the Contras. Webb also alleged that this influx of Nicaraguan-supplied cocaine sparked, and significantly fueled, the widespread crack cocaine epidemic that swept through many U.S. cities during the 1980s.

According to Webb, the CIA was aware of the cocaine transactions and the large shipments of drugs into the U.S. by Contra personnel. Webb charged that the Reagan administration shielded inner-city drug dealers from prosecution in order to raise money for the Contras, especially after Congress passed the Boland Amendment, which prohibited direct Contra funding.... Webb supported his story with documents obtained through the Freedom of Information Act, subsequently including a 450-page declassified version of an October 1988 report by CIA Inspector General Frederick Hitz.

According to Webb and his supporters, the evidence demonstrates that White House officials, including Oliver North, knew about and supported using money from drug trafficking to fund the contras, and these officials neglected to pass any information along to the DEA. The 1988 report from the Senate Subcommittee on Narcotics, Terrorism and International Operations of the Committee on Foreign Relations led by Sen. John Kerry commented that there were "serious questions as to whether or not US officials involved in Central America failed to address the drug issue for fear of jeopardizing the war effort against Nicaragua."

Webb's reporting generated fierce controversy, and the San Jose Mercury News backed away from the story, effectively ending Webb's career as a mainstream media journalist. In 2004, Webb was found dead from two gunshot wounds to the head, which the coroner's office judged a suicide. Though he was criticized and outcast from the mainstream journalism community, his reportage was eventually vindicated as many of his findings have since been validated: since Webb's death, both the Los Angeles Times and the Chicago Tribune have defended his "Dark Alliance" series.

Journalist George Sanchez states that "the CIA's internal investigation by Inspector General Frederick Hitz vindicated much of Gary's reporting" and observes that despite the campaign against Webb, "the government eventually admitted to more than Gary had initially reported" over the years."

Webb was murdered with two bullets to the head, he was writing a new book on the subject and it has been strongly rumored in this work he was writing on the connection to the Jewish role behind the drug trade into the Black Community. The next major wave from here is the Jewish created "Ghetto Culture" that makes the behaviour of a psychopath glamorous.

Many young Blacks growing up in now broken homes without healthy family structure or community structure now look to gangs and the "gang lifestyle" as away to obtain the basic social/human needs in negative path. That they would otherwise have had in a positive way in a healthy society and family.

Racial mixing is another major psychological weapon the Jews promote to the Blacks. The other part of this is the Jew by it's control of the Media and education system and social engineering have instilled in the Black Race in America a deep Self-hatred and resentment complex over being Black. And on the other foot a hatred towards Whites by blaming all their

crimes on the White populace. While holding Whites up subconsciously to them in the Media as the standard of beauty and successful living[fueling this self-hatred and resentment].

Racial mixing is another major psychological weapon the Jews promote to the Blacks[and Gentiles together]. The biggest part of this is the deep suggestion in the Jewish Media to Black Males to take a White Women to get back at Whitey and that it's a sign of status to have one. The Jew then works to emasculate the White Males, as no women on the instinctive level is attracted to a such a creature. Helping to push this along. The Jew is a master of psychology and uses this ability to control the Gentiles on many levels.

Sooner or later this frustration is going to erupt to a high degree and start a possible race war which is what the Jews want. We must not allow the Jew to ever hide amongst our Peoples again pitting us against each other. In the end Black, White or other we all get the same Gulag in the Global Zionist State.

All Gentiles must realize our common enemy. The ancient enemy of all humanity, the Jew.

## The Welfare System and Communism

The Welfare system has hurt and enslaved the Black race in America. All it does is cause them to become dependent on the government, become lazy, weakening their self-dependence and determination, and it prepares them for Communism and enslavement.

The Welfare state also works to destroys the Black family unit.

Most people have come to believe that the Welfare state is a government that provides for the total well being of its citizens but it is just another hidden strategy to prepare us for enslavement and degradation.

It encompasses dependency on the state or state benefits and encourages breakdown of the family unit. These are among the many points to usher in communism, as established by the Jewish Frankfurt School . After the Great Depression(initiated by Jewish bankers) the American Welfare state came about and created the basis for the current Welfare system today

The Welfare State supports poverty and works to keep Gentiles (non-Jews) in a cycle of dependency and destroys personal worth and self reliance. This system has entrapped an enormous amount of Blacks but obviously this issue applies to all gentiles.

The rise of the Welfare state has been a great factor in the destruction of family stability, especially among blacks gentiles in America. The out-of-wedlock birth rates are estimated to be 3 times higher than it was before the welfare system began. Prior to the so-called war on poverty that began in the 60's, studies and records show that the United states was getting more prosperous and economically stable and there were dramatic decreases in poverty and destitution even among American black citizens.

Despite all of this, the welfare state expanded greatly with many layers and many public assistance programs and as these supplied benefits on welfare offered economic incentives for avoiding marriage and formation of two parent families, children born out-of-wedlock arose dramatically. It is a known fact that on the horrible effects of poverty stricken children not having both parents in their lives. This causes suffering and emotional problems and children raised in fatherless homes are more likely to engage in criminal behavior.

The penalty of marriage for those on welfare is a reduction of the benefits needed by the single parent. A person receives more money and benefits when they are single but if one were to marry another with a low paying job and the couple's income were to go a few dollars over the limit, they are subject to losing thousands of dollars worth of benefits and aid. And sadly, there are many occurrences where people refuse raises and other benefits from their employees because such a thing would cause their welfare benefits to get cut off completely or become extremely reduced. Increasing your income means losing way more in welfare benefits than what you would earn at work. This contributes to a lack of initiative and self fulfillment among many things that disrupt one's psychological foundations.

A major sociological study has concluded that lack of productive employment and action has undermined traditional roles and relationships for males especially who are denied an opportunity to confirm their own self worth by contributing to the survival of their family and community through hard work and leadership. A 1992 report on a News Brunswick Welfare program states, "among men, particularly long term welfare induces a loss of self respect, increased rates of depression, and a tendency towards self destructive activities such as substance abuse and family violence."

When you look closely at this disgusting system, you see that marriage, and working are pretty much heavily taxed and these public assistance programs reward and motivates the very things that are most likely to cause poverty. The welfare state makes poverty more comfortable, while penalizing attempts to rise out of poverty and of course the only ones benefiting from this crap

are the Jewish bureaucrats who receive huge salaries for initiating these bogus welfare programs.

And as we all can see, the fact of the matter is that the minds of those afflicted with economic dependency causes them to see this dependency as normal and this mentality is passed down from parents to children over generations and so this further conditions the masses for feelings of diminished self worth and a sort of learned helplessness.

This totally corresponds to the slave mentality in communism. This welfare state has really added to the break down of self reliance and determination and this causes great harm to society and community as a whole. This dependency has been embedded in generations of cultures that have been dependent on welfare like in the American black population and in minority groups.

In the communistic model, the state controls everyone and holds them at the same level and this model discourages wealth, encourages poverty and enslavement. Communism is of the Jewish agenda. Communism may execute socialism to a certain degree but this is just a ruse to give the idea that the government is working towards that ideal but the truth points towards the contrary.

"The soul of Communism is the soul of Judaism"- Rabbi Harry Waton

## South Africa and Jewish created Insanity

The Jews have destroyed, raped, and have caused constant wars and poverty in Africa: The goal is to steal the wealth of Africa and destroy the natives and their culture, with slavery being the end goal.

The Jews are working to bring Africa down into one huge Jewish plantation state.

At present, South Africa is experiencing a fragile economy and racial conflict that has resulted in brutal murder, crime and violence. As of now, we are looking at an attempted genocide of the White population living there-in as well. What we are see in now in South Africa is a blue-print of what the Jews have in store for the Black and White race in the Americas. The Jews are trying to start a race war between the two races.

The Jews have lied to and convinced the Blacks in South Africa that they have been enslaved by the Whites and that their land was taken from them. This is not true. They are trying to put Blacks and Whites against each other as this was seen with Apartheid. The end result is genocide and mass death of the races, Jews benefit and profit off of using Blacks to destroy the White race and bring about a communistic revolution.

The Jews have instigated civil wars with their foreign intelligence agencies, and have helped to kick-start political parties and organizations such as BLF (Black First Land First), and the Economic Freedom Fighters- which are fueled by hate in response to a so called oppression that never happened. Jews such as Albre Sachs and Yossel Slovo, have also guided the ANC (African National Congress) to further creating racial tension and economic despair to push the country's ideals and policies towards a communist state.

South Africa, and Africa as a whole will not improve on its situation, in fact, it will only continue to sink into a communist and impoverished country, since Jews run the banking(Oppenheimer and Rupert) on behalf of the Rothschilds, the Jewish Dynasty. When the White farmer population is gone, the Jews and communists will own the land and the natives will be utterly

dependent on the state. History repeats itself and this same situation happened in Zimbabwe as the land was taken from the farmers who grew and supplied the food for the country.

We are looking at more and more bloodshed because of the Jew, who only works to destroy the Gentiles.

The Jewish goal is to genocide the White race world wide and then enslave the rest under the Jewish New World order where the Jews are in power at the top and everyone else are slaves that only exist to serve the Jews, as dictated in their Torah and elaborated in the Talmud. Its always the same with Jews...

## Martin Luther King; Jewish Owned Puppet by HP Mageson666

Martin Luther King was a fake Black leader who worked to manifest the Jewish agenda of Communism. He was part of the Jewish Frankfurt School; the school that worked to communize America and bring humanity under Jewish control of enslaving the Gentiles (non-Jews)

\*Old photo of Marthin Luther King, 1957\*

Martin Luther King was trained at the Frankfurt communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a communist training school in Tennessee, with (Jew)Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the communists who manage it."

King had connections with over 60 communist front organizations. Nine of his closest aides were high-ranking communist activists and one of those later became an aide to Rev. Jesse Jackson.

Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, said:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him ... He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 called "The King Holiday and Its Meaning" said that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

King's famous dream speech was in fact written by his Jewish handler the same Jew Levinson who was the head of the America Communist Party in the 1950's and is full of lies and historical perjuries. Its a document that attempts to communize the memories of the Leaders and Founders of American named within. Its the Jewish big lie in action.

As Dr.Duke wrote in his book "My Awakening" on the subject:

Stanley Levinson, who wrote many of King's speeches, including, some say, the "I Have a Dream" speech delivered at the March on Washington....

King privately declared himself to be a Marxist, and told his inner circle that his efforts were a part of the "class struggle." His personal secretary, Bayard Rustin, was a Communist. When King had to replace Rustin in 1961, he chose another Communist, Jack O'Dell. His main advisor ("handler" would probably be a more apt term), as I've mentioned, was Jewish Communist Stanley Levinson, who edited and probably wrote a good deal of King's book Stride Toward Freedom. Levinson prepared King's income tax returns, controlled King's fundraising activities, and was also in charge of funneling Soviet money to the Communist Party, USA.[15]

Nothing new under the sun there:

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington, D.C. By 1940, communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a communist front group."

Remember King was promoted as an agent of racial integration thus promotion of racial mixing and destruction of the two Gentile races, which is part of the Jewish Globalist Agenda. Where Blacks who promoted racial separation where attacked by the Jews...

# The NAACP

The NAACP (National Association for the Advancement of Colored People) is just another Jewish plan and organization created by them to take control of the Black race in America and use them as tools to destroy it under the disguise of civil rights and equality.

Jews do not care about Black people and I have listed quotes by them on this website that show what they really think about us. They only associate with Blacks to use us to bring down America and its values to that of Communism. Divide and conquer, so to speak. Black problems have dramatically increased because of Jews. Black people are far worst off in America than they were before the so called civil rights movement.

The NAACP only works to make sure Blacks do not get any real leadership at all. The NAACP only works to make sure that Jews are the ones controlling these things.

## The Political Game

The Jews own 96 percent of the Media, corporations, our banking system, the Federal reserve, the International Monetary Fund and more. Their power and wealth is immense. With this influence and control, it's no surprise that our current political system will be directed and steered in their favor.

Always know that with all things that Jews do, it is to ultimately bring down Humanity and the Nations of the world to a Jewish run slave state. That is ALWAYS the plan. This Jewish plan is to completely manifest what is stated in their Torah and their racial religion Judaism.

Its all Jewish Puppetry:

In our current political system in America, the Jews play both sides, but at the end of it all, each side is working to bring about the Jewish New World Order. You have the so called Republican political party infested with Jews who only perpetuate the lie of Christianity (essentially spiritual communism) and Christian traditionalism; Its all centered around Jews and Jewish supremacy at the psychic level. Christianity is a Jewish spell on Humanity and connecting to it only gives the Jews the spiritual and psychic power they need to establish the Jewish domination over the globe. So it doesn't matter if one rejects Communism, you will never escape the Jewish hold as long as Christianity and the Bible are accepted as truth.

With the Democratic Party, the Jews use the Blacks and Hispanics to their advantage majorly and as tools to break down America into a Marxist nightmare.

Blacks and Hispanics always vote Democrat because the Democrats have lied to and manipulated them into thinking that they are fighting for their rights in America. Its all just a big fat deception. The Democratic Party is not for the benefit of the Black race, its to use them to gain votes in favor of the communists, and to ultimately keep them enslaved to the Jewish system. Blacks have not improved at all in America. The Jews are making sure of that...

The Democrats and the liberal progressives are trying to destroy America with their policies that take away our freedoms such as: internet censorship, slowly repealing the second amendment( the right to bear arms and to protect ourselves from dictatorship), attacking free speech, manipulating truths and spewing lies on the mainstream media and of course, non existent restrictions on immigration into America.

The goal is to flood America with non White criminals and those who are degenerates to any society, break down the borders, genocide the White race and turn America (the only country truly standing in the way of Jewish world take over) into a weakened, multi-racial communist plantation state where the non-White Gentiles are the slave cattle for the Jews.

Both political parties are all big fat shit shows with that only one goal in mind. Whether you are Christian, or hardcore Liberal, we are all going to get the same treatment in the Jewish slave state.

The only way to destroy the Jewish influence is to wake up as much people as we can and fight this war along side our true Gods who care for and want to free Humanity. Satan and the Original Daemon gods are trying to save us from this fate.

Satan is the liberator of Humanity!

## The White Race

The Jew has done a great job at convincing the other races, especially the Black race, that the White race is our eternal enemy and that we will always be oppressed, held down and unsuccessful because of them. The Jewish owned media has also made anything involving the white race evil and racist.

The White race is another race from Satan, just like the rest of the races. They are our allies and comrades in this war against the Jews.

I already covered on this website the differences between Jews and the White race. Jews only claim to be white when it fits their agenda and disgusting plans to destroy the White race and enslave the rest of the races under Communism.

Jews are a separate race different from all Gentiles (non-Jews). Genetics prove this. Jews are NOT white, they admit this. Many Jews are very mixed with Gentile DNA especially the White race which is why it is easy to confuse the two.

Jews are the one who have committed horrific crimes on the Black race, and they are the most racist of all!

The Jews are using the Black race as tools to destroy the White race. The Jews have pinned all their crimes on them. They are also desperately trying to put us against Whites to start a race war.

## Satan and the White Race

Satan created all of the races through genetic engineering, but the White race is different from the other races because they come from Satan directly. If you haven't noticed, Satan and some of the other Daemon Gods have fair skin and many have blond hair.

Now some of you may have been brainwashed and conditioned to hate the white race because of Jewish lies. One black gentile came to me and asked me if I was really black because he said that I am trying to make blacks follow a "white god"...

What he forgot to mention was that all the races of the world spoke of White looking gods who came from the sky in spaceships, etc. This has been documented. These ancient people were just showing the truth and what is. There are also different races of extra-terrestrial gods who are not White.

The Black Race and the other non-White races were created by Satan and the other Daemons so that there could be new races/ bloodlines to be extensions of the divine family on Earth.

The White race is an extension of Satan's bloodline on Earth, it is natural for them to have certain strengths or skills that some of the other races do not have. The White race has brought to the world technological advancement and modern civilizations, i.e the western civilization/ the 1st world.

Now, I need to make something clear, because The Jew has created so many hostile vibes and negative associations with Race, Most people are sensitive and have an inferiority complex, thanks to the Jews trying to make the differences in the race's a bad thing. I had one Black member come to me and tell me that because the White race has certain talents and abilities, he felt down and sad about it. This of course will be common for many since the lie of JEWISH equality has created a backlash.

Its imporant to know that nothing in nature is equal and thats just fine. Each of the races has strengths and weaknesses that the Jews exploit and use. The Jews have also done a great job in making Blacks feel inferior. This needs to change. I also see that degeneration and Jewish brainwashing has manifested in all the races according to their own traits.

If one you are going to be jealous of the White race, then I guess you also will be jealous of Satan too?? Sounds funny, but its the same concept.

Our Black ancient ancestors have used the knowledge given to them by Satan and the Gods to reach a higher level. There have been many Blacks who have become Gods through this knowledge, so have the Asian people a long time ago. If you pay attention to ancient records and oral traditions from the different races of the world, you will see that they all mentioned demi-gods and humans who had psychic and godly abilities. These all come from the blood of Satan and the gods that are all within us.

Satan intended for all the races to transform themselves into Gods but then the enemy stopped this and closed our chakras and cut us off from spirituality. This is even mentioned in the Bible...

The Jew wants to destroy, and enslave all the races of Satan but the Jew is the biggest enemy to the White race. The Jews have been working to destroy the White race by using the Black race and the others for their agenda, as well as forcing Europe to take in violent migrants and foreign invaders to genocide them. This is a big situation.

Unless we do something about it and band together to stop the Jews, the White race will be extinct through genocide and then no one will be able to impede the Jew's plan. The other non-White races will be brutally enslaved under the Jewish global plantation with Communism enforced.

## Are White People Evil?

It is easy to understand that the entire world, especially the Black race, would think that the White race are the ones responsible for all of Humanity's problems such as the condition Africa is in today, slavery, colonialism, poverty, environmental problems, racism, etc. Of course one would think this correct since the average person will not see the differences between the White

race and the Jewish race.

The Jewish people are responsible for all the mentioned problems and they have blamed it on the White race, that is how the Jews get away with it. Even most white people don't know the difference because Jews look similar to them.

In understanding these differences we can see that the White race, like all the other races that come from Satan, is innocent and only victims to the parasite called Jews.

In observing the White race you will find that they are a fair and altruistic people, and they are NOT evil like the fucking Jew tries to trick us all into believing through propaganda and lies in the media.

White people are the ones that are the most heavily involved in humanitarian issues like the Peace Corp and donating to and helping out those starving in third world and under-developed countries (Malcom X noticed this and changed his mind about them when he witnessed it.)

The White race has ended slavery in all their nations (while slavery still goes on today in non-White nations), they commit less crime than Blacks and Hispanics (FBI statistics show this), the White race is the race that donates the most blood to Blood banks, they are virtually the only race that adopts children of other races... and of course, they are the ones who are at the foreground of the liberal progressive movements that call for equality and freedom for all minorities, and non-Whites, even if that means foolishly falling into the Jewish plan of Marxism and bringing about their own replacement and extinction.

We know that the Jews are masters of psychology, they have a psychological profile on all the races. They use our strengths and weaknesses against us. In the White race's case, their humanitarianism and altruism is getting them replaced and or killed off in their own countries. Look at Europe, the White race is foolishly taking in violent and degenerate Immigrants just so that they can help these people and stand up against racism. But now, they are paying for this since these immigrants are causing crimes, rape and murder...

In knowing all that we know about the differences between the Jewish race and the White race,

is it fair for us to label White people as evil?

## The Truth about Slavery By Kyriqwe

There's a lot of misinformation about slavery and a lot of people have been even killed because of the lies.

Many blacks believe they were captured by Whites. Unfortunately in Africa, Blacks have always enslaved each other (different tribes) and it was the Jewish race who bought them. The Jew started the slave trade and through Jewish controlled media, they have portrayed the White race as the ones who did. The white race fought against slavery in the America, meanwhile Jews were the ones who tried to keep it going.

The Arabs and Black Africans owned and traded slaves for a very long time (including Whites) called the Trans-Saharan slave trade. African Empires such as Ghana and Mali participated in it. In the Trans- Atlantic slave trade Jewish merchants went to West Africa to buy slaves. Africans who sold the slaves were usually political and commercial elites. The slaves were sold for muskets, rum, iron and etc. Slaves were captured in slave raids and their black capturers would get them from central Africa and march them down miles to the coast.

There the Jewish merchants sailed them to the new world. A lot of the ships were owned by Jews and when they arrived to the new world they exclusively sold to Jews. Plenty of times the government would try to stop it but the Jews would pay them off. In the United States we hear how evil and horrendous it was but evidence shows the contrary.

Slavery is completely immoral but the way hollywood portrays it isn't accurate. For starters only 1.4 percent of the entire U.S population owned slaves and only 4.9 percent of the Southern

population owned slaves. About 70 percent of slaveowners were jews and of course they used Xianity to justify it. The other 30 percent were rich Whites, other Blacks owning Blacks, and Native Americans. Contrary to popular belief the bond between master and slave was mutually respectful. The White Irish were also enslaved in America (but of course the mainstream media wont tell you that either..)

In 1861 a slave named Harrison Berry wrote and produced a pamphlet named "Slavery and Abolitionism, as Viewed by a Georgia Slave" he believed Abolitionists were the worst enemies of Slaves. He also believed that Southern slaves were in a better off condition than if they were in Africa. On 12/8/1889 Jefferson Davis died in New Orleans, Louisiana. When the news broke out telegrams were sent out offering the compassion of many people, including his 13 former slaves. Their telegram read "We, the old servants and tenants of our beloved master, Honorable Jefferson Davis, have cause to mingle our tears over his death, who was always so kind and thoughtful of our peace and happiness. We extend to you our humble sympathy.". In the 1930s the federal government, through the WPA, sent people to gather the testimony of the remaining ex- slaves. Surprisingly what the testimonies show is that more than 70 percent of the slaves had only positive things to say.

This documentation is now held in Washington, DC in the National Archives. What's also been documented was the evidence of black slaveowners.

Yes, there were black slaveowners despite what the Jews will tell you the evidence is there and still standing. There's a book titled "Black Slave Owners" by Larry Lover. In the book it says " Yet at one time or another, free black slaveowners resides in every Southern state which countenanced slavery and even in Northern States. In Louisiana, Maryland, South Carolina, and Virginia, free blacks owned more than 10,000 slaves, according to the federal census of 1830.". Many of the Black slave owners were mulatto which is probably why they became slave owners because they never felt as if they were slaves. Some of them were still slaves because their state didn't allow emancipation but since they were related to the master they were treated like his children. Some of the slaves earned freedom by manumission but before they were freed they had to learn a trade. Once they were freed they set up shop and bought slaves to work for them. Not all Black slave owners were in it for money there were some who bought family members even children. Slavery ended once the Civil War was over but little is known that the

Civil War was not about slavery and slaves and free blacks fought for the South.

There have been lies told about the Civil War being about slavery for far too long and it's time to clear the air. In the beginning of the war Lincoln said the war wasn't about slavery only to save the union. The Emancipation proclamation was just an act of war targeting the rebel States. It allowed slavery in states that were loyal. The Union conquered rebel territory and took the slaves away and used them to work for the army not to free them.

At the time of the proclamation Lincoln was losing the war and he feared the European powers would offer assistance to the South. So he created the Emancipation proclamation to take the slaves of REBEL states only because slavery fueled the Southern economy. As a result many White Union soldiers left the war and many whites at home started to riot and randomly attack blacks. Also Lincoln advocated sending all Blacks to Liberia. He even agreed with President Roberts of Liberia that Africa was the rational place for Black Americans. Lincoln held a meeting In the White House with free Black leaders and asked them to lead blacks out the country. In the South blacks fought alongside the whites for the Confederacy.

There's a book titled "Black Confederates" which states "According to the Richmond Dispatch, about 53 blacks in Amelia County, Virginia, offered themselves 'To the government for any service'. That same newspaper reported that 200 Petersburg, Virginia, free blacks offered to do any work assigned to them 'either to fight under white officers, dig ditches, or anything that could show their desire to serve old Virginia.". After the Civil War many of the Blacks received state pensions and went to Confederate reunions. Also there's a monument in Fort Mill, South Carolina dedicated to the faithful slaves. These facts smack right in the face of the Jewish mainstream narrative. Lies have been told about the past and has caused bad things to happen on both sides.

In conclusion the truth has come out and should be shared. People are sad and being hurt because of lies told by Jewish hollywood. They say the slaves were captured in Africa even though blacks have enslaved blacks for a long time. The Jews make movies about slavery only showing part of the truth. We've been told that the Civil War was about slavery even though Lincoln said it wasn't. A lot of bad things have happened because of what the Jew says and it's time the truth is known!

## Colonialism and Africa

I'm sure you are all familiar with the narrative that White people are responsible for invading Africa, stealing its resources and just keeping the Blacks impoverished and abused. Well, you all should be aware now that The Jews are the ones who are responsible for this, not Whites.

Now I'm not going to sit here and say that White people had no part in this but understand that all Colonialism and Imperialism are connected to and was financed and ordered by the Jewish dynasty, the Rothschilds. No matter the race, the Jews have used their power and wealth to take control of many gentiles. They have Gentiles from all races that are selling out and murdering their people because of fucking Jews- Black, Asian and White so called "leaders" are willingly letting the Jews abuse and murder their people in exchange for power and wealth.

No one is exempt from these crimes but the problem at the root is the Jew.

The Jewish Rothschild are tied to the British and French Colonialism and Imperialism throughout Africa. The colonialists received money from the central banks in London and Paris, all this under Rothschild dominion. These White colonialists were following the lie of Christianity. The Pagan Blacks in Africa were seen as heathens with no culture, worshipping a false god. These Christians felt further justified in destroying african satanic/pagan history and taking control of Africa to "introduce Christian ways and salvation" to the natives. Many Blacks still had close ties to the ancient Pagan gods.

The Jew's main goal was to invade Africa using White labor and man power (because Jews NEVER do the dirty work, they prefer to use the Gentiles just like how they use the Gentiles to die and fight their wars for them!), destroy the culture and connections that Blacks had to Satan and

the original gods, use and enslave them brutally and steal the wealth of Africa. Pure and Simple.

As of today, the Jews are still set up and stationed in Africa (through their corporations and businesses) and continuing to steal from and rape the continent.

## South Africa and White Genocide

All because of Jewish lies and propaganda, White people in South Africa are experiencing violence, a steady genocide and having the land that they farm on to feed the country, taken from them and being seized by the government.

This goes beyond South Africa. The Jews have been waging war with the white race since the beginning as they want them gone. The White race is standing in the way of the Jews and their total control of the world.

The South Africa of today was built by the White Dutch people and modernized/industrialized. Contrary to what is said, the Blacks (Bantu) currently living in South Africa weren't on the land before the Whites came in. The land was inhabited by the Khoisan tribe who went extinct from that area before the South Africa today was built.

The land was not stolen from the Blacks in South Africa, it was legally signed over to the Whites who actually own a small percentage of the Land in South Africa. So why are the Whites in South Africa being targeted? Because the Jews want White people extinct and genocided, as they admit in there Torah. Stirring up racial tension between White and Black people are what they benefit from, its the same shit that they do in America as well. Since White people are aiding the economy in South Africa and supplying the food, having them killed off by the Blacks, the Jews can then take total control of the operation and land. They have NO intention of giving the land to the Blacks at all.

The Jews do not care about Black in South Africa. They just want the Blacks to be the slave labor on their Jewish plantation of Communism. Once that happens, they will really be enslaved. Look at how the Jews have control of the rest of Africa? No place will be spared from the

Jewish enslavement.

Unfortunately the Jewish owned media is covering this up!

## Hitler and the Nazis

The biggest deception that has changed humanity's perception of the White race is who Adolf Hitler really was and what happened during WW2.

The Jews have portrayed Hitler as an evil man who was hell bent on destroying them and taking over the world. At least, this is what I remember from my history book back in high school...

Hitler was not a racist, while he did care for and love his race (like anyone should) he respected all the other races. In fact, there were Blacks, Arabs and Asian Gentiles fighting alongside him and his army all in the name of Freedom. They were all fighting against Jewish Communism.

The Holocaust was a lie and hoax. The Holocaust has been debunked and many people who have proven it false or spoken out against it, have been silenced because the Jews do not want this information known to the public.

The Jews have been screaming the 6 million lie since the late 1800's. How many times will they claim 6 million Jews were killed?? Even the Jewish Prime Minister of Israel, Bibi Netanhyu

admitted that Hitler never killed 6 million Jews and that it was a lie, but the mainstream media won't tell you that because Jews control it.

The Jewish demographic also increased in its number around the same time period of the war. If 6 million Jews died, how is it that the Jewish number have increased?

If Hitler wanted to kill 6 million Jews then he would have never established the Balfour agreement which was put into place to have all the Jews settle to their own nation, Israel. These Jews were destroying Germany's economy (just like they do to all Gentile nations) and the people were starving. When Hitler took power in Germany, he was able to improve the lives of his people for the better and Germany became the strongest and most prosperous nation in Europe.

The Jew Joseph Stalin was trying to take over Europe through Communism. Hitler was forced into the War because it was known that whoever could take down Germany, they would be able to have control of all Europe. He and other Jews such as Leon Trotsky and Vladimir Lenin already succeeded in killing 100+ million White gentiles in Russia and other parts of Europe years earlier. Imagine what would have happened if Hitler would have not stood up and fought.

## Black Nationalism

Each race must have self determination, reliance, and preservation. These are important key factors in establishing peace and harmony, as well as empowerment for all. This is of Black Nationalism; Racial improvement and self-governance for all Black nations.

When the topic of racial separation is brought up, the reactions usually border the negative as one might automatically think of racial separation as racial discrimination, being alienated from the rest of society, etc. The truth is, each race wants and needs to be with their own. People naturally want to be with those who look like them. It is a natural biological response as humans are tribal.

Multiple races cannot live under one rule-- each race needs to rule itself. In multicultural societies, there will always be one race or group that will feel like an outcast or that they are not being treated fairly and then there is racial tension. We see this ever-present throughout history and today.

On the subject of the Black race, It is apparent that Black people desire racial separation especially since many of them have the perception that we have been disenfranchised and cast as second class citizens (Thanks, Jews...)

Until we start ruling ourselves and cast the JEW out, we will not be able to grasp and experience the first step in racial advancement.

For those of you who aren't aware of who Marcus Garvey is, he was a Black nationalist and political leader who tried to establish a Back-to-Africa Movement so that Black people can have their own societies and independent nations. He also believed in racial separation and the upliftment of all Black people worldwide. Marcus Garvey also affirmed that in addition to all Black people migrating back to their ancestral land, we should remove all 'foreign' control of it.

I already wrote an article about how the Jewish race has raped and raped Africa constantly..and continues to do so today all the while using the Black gentiles therein as their slave workers. Impoverished and abused. The thousands and thousands of deaths that have occurred over the last couple of decades are disgusting.

Doctor Tony Martin is another Black nationalist who has written about the Jewish crimes against the Black race notably the Trans-Atlantic Slave trade.

It is a very worthy to read and study the works of the previously mentioned Garvey and Martin. Its important to remove the idea of forced diversity and multiculturalism, which doesn't work, especially in these modern times as the Jew is desperately waging war on us all. The Black race being the one they use additionally as tools and "troops" to bring about their communist revolution.

Black people are only tools in the Jewish plan. Always will be. The Jewish hold must be destroyed!

Satan and the Daemon Gods are the driving forces of racial evolution and advancement, they want this for all their creations. The races need to be separated with their own people in order to advance and carry out their full potential.

Hail Satan!

## Joining Spiritual Satanism/ Membership

Spiritual Satanism is a life loving religious path. In following Spiritual Satanism/committing to Satan, we are bringing back to life Humanity's original religious practice. Our Black ancestors practiced Spiritual Satanism

The journey in Spiritual Satanism is very life changing. While under the guidance of Satan and his Daemons, they look out for and protect us (physically and spiritually) from harm, teach us and help us evolve and grow. Ever since I came across Spiritual Satanism, my life has changed greatly, and I continue to advance and empower myself- its only getting better. I have also had many positive spiritual experiences. I have gained more confidence and self love along with appreciation of life and the importance of my soul. Life is always better with Satan.

It is important to know that when we are dedicated and open ourselves up to Satan and the Gods, we get exposed to their energy frequency- this opens ourselves to positive energy.

When one decides to follow this path, dedicating yourself to Satan is the next step.

In Spiritual Satanism, we are expected to better educate ourselves, study and increase our personal power through power meditation. The meditations on the JoyofSatan website will open you up and work to transform you.

Welcome!
