Scented with warm patchouli, spicy cinnamon, and dry cannabis mixed with cocoa and vanilla, these botanical bath salt teas are a great way to unwind. Treat yourself to an enhanced bathing and renewing experience. For those who are not shy of a decadent bath, this bath tea is a lovely way to support circulation, supple skin, detoxing, and relaxation.

In order to enjoy CBD in vape form, you need two things: the right hemp e-liquid, and the right vape oil pen. Well, Pure CBD Vapors offers one of the widest selections of CBD VAPE OIL PENS around. We know that every customer has their own preferences in terms of the design, size, output level and portability of their CBD vape pen.

CBD vape juice - CBD made for vaping is sometimes referred to as "CBD vape oil", but it doesn't contain any actual oil. A more appropriate name for it is CBD vape juice or CBD distillate. They're generally made with food grade ingredients, so they can also be taken orally, but are very different from oil-based tinctures. Look ...
