Back2Sleep® uses weighted compression to reduce nighttime motion and relieve muscle tension.

A black neoprene thermal wrap is shown lying flat on a light-colored, textured surface. The wrap features three rectangular pockets. The bottom-most pocket is open, revealing a blue, gel-like pack with the words 'THERA PEARL' printed on it. The other two pockets are closed. The wrap has a textured, quilted appearance and a zipper on the right side.

Three pouches hold a hot  
or cold pack safely in place.

A close-up photograph of a person's back and waist. They are wearing a black, segmented back brace. Their hands are visible, adjusting a zipper on the right side of the brace. The brace has a mesh-like texture on the side panels. The background is blurred, showing what appears to be a gym or clinical setting with some equipment.

The brace is slipped on overhead and zippered securely with one side zipper.

A person is shown from the waist up, wearing a black adjustable lumbar belt. The belt has multiple horizontal straps with Velcro closures. The person's hands are visible, adjusting one of the straps. The background is slightly blurred, showing what appears to be a chair or sofa.

The adjustable lumbar belt features Velcro closures for appropriate compression.

## Clinical Trials Showed:

**71% of participants had a decrease in pain.**

**78% of participants experienced an improvement in perceived sleep quality.**

# Specifications:

**Weight:** 4-6 lbs depending on size

**Color:** Black

**Materials:** Neoprene, Spandex-Mesh, Black Sand

**Warranty:** Limited 1-Year Warranty

**Guarantee:** Full refund up to 60 days if not satisfied with the purchase

**Included:** 1 TheraPearl® Sports Pack (dual hot/cold pack)
