

“If you want to build a ship, don't drum up the people to gather wood, divide the work, and give orders. Instead, teach them to yearn for the vast and endless sea”

**—Antoine de Saint**

# The Sol Army 2.0

This is a roadmap, more info on each project will be released pre their launch.

# What is The Sol Army?

The Sol Army is a community-driven company with the objective to educate, innovate and pursue growth within Web3.

## Innovation.

Leaders in Web3  
Fundamentals

# 1.0 = Community

The heart of The Sol Army.

Powered by GV Pass NFT holders.

***But, the Army is growing...***

# What do you mean growing?

We are innovating the meaning of community and contribution by allowing GV Pass Holders the ability to **“choose their hat”** and join a branch of The Sol Army giving them control over the outcome of their investment.

***What do these hats look like?...***

# 2.0 = New Structure (Teams):

## Special-Ops

-Accelerator & Partnerships

## Edu-Ops

-Web3 University & The Sol Academy

## Support-Ops

-Marketing & Growth

## Tactical Response

-Warnings & Alerts

# What is Special-Ops

Enabling proper growth through The Sol Army resources and connections:

- Accelerator & Escrow Service
- Strategic Opportunities & Partnerships
- Blue Chip Fund

# Accelerator Program

(ETA MARCH 2022)

Upcoming Projects will be able to apply via our application process to gain access to The Sol Army's network of resources, connections and mentorship over the course of a month\* prior to their successful launch in exchange for a mutually agreed % of mint funds and/or future royalties.\*\*

- %\*\* of accelerator profit shared with GV Pass Holders
- WL Access to accelerator projects for some to all GV Pass Members
- Escrow Service to be the trusted 3rd party releasing mint funds at roadmap intervals (Potential for smart contract integration in future)
- The selection of projects will be approved by a monthly vote via the holders and teams.

\*Lengths of time subject to change

\*\*Compensation, profit sharing & investment #s subject to change

Each branch will have its own announcement and deck prior to launch

# What is Edu-Ops

Innovating, educating and connecting Web2 to Web3:

- Web3 University
- The Sol Academy (For non-holders)
- Establishing standards and fundamentals

\*Applications to join an Ops team will be announced within the community.

# Sol Academy

(ETA FEB 2022) - The step towards Web3 University

For non-GV Pass holders, to join affordable, paid semesters (estimated 1 month each\*) of educational content to improve their Solana, NFT and Web3 literacy.

- Live Streams + Q&As for all skill levels
- Access to curated educational content and resources
- %\*\* of profit shared with GV Pass Holders

\*Lengths of time subject to change

\*\*Compensation, profit sharing & investment #s subject to change

Each branch will have its own announcement and deck prior to launch

# Web3 University

(ETA SEP 2022)

Online education platform for the masses educating and onboard people from Web2 to Web3. Tuition and course based model with lower branch for part-time subscription commitments. Enabling part-time and full-time students.

- Yes, a legitimate online school
- Ideal VC round targeting Solana Ventures, Phantom & more.
- %\*\* of profit shared with GV Pass Holders
- Option for financial aid available

A premium online education platform competing with IRL Universities and Colleges for career placement and higher education. To be a compelling post-secondary path.

\*Lengths of time subject to change

\*\*Compensation, profit sharing & investment #s subject to change

Each branch will have its own announcement and deck prior to launch

# What is Support-Ops

Brand awareness, community growth and recognition:
