

**WHO  
WE ARE**

**HUAWEI**

**Official DISTRIBUTOR**

# OUR Vision

- To revolutionize the energy sector of Pakistan.
- To entitle all sectors to a clean, reliable and resilient energy system.
- To conserve our energy reserve and ensure a promising future for our next generation.
- To become the market leader by transforming the pattern of energy consumption.

# OUR MISSION

CG Trade was initiated by Cellsol Group with only one mission and that is to make Pakistan independent in Energy production by partnering with tier 1 brands to bring quality products at a reasonable and affordable price so more people can afford to adopt renewable energy sources leading to collective growth of the nation and a cleaner, greener Pakistan.

# WHY

Huawei has made their name in every field of technology they have worked for. Similarly, it has made its name in the field of the solar system as well.

- **Highly efficient with maximum efficiency of 98.9% – 99%**
