

KitchenAid freezer repair

<http://kitchenaid-appliance.repair/>

D&V Appliance Repair is a family-owned and -operated company located in Orange County, CA.

We have been a service provider for high-end appliances since 2005. During these years we have built a solid reputation as an Orange County most trusted appliance repair business.

Taking care of your kitchen and laundry appliances is our only area of expertise, and this what we are good at.

We have an extensive experience in repairing refrigerators, washers, dryers, freezers, ovens, ranges, cook-tops, grills, vent hoods, dishwashers and wine coolers.

Our mission is to provide best quality same day appliance repair service for Orange County residents. We believe that the main key to success is to be an honest and reliable business.
