

We Find Jobs For You Faster & Together We Shine Brighter

UAE is the land of opportunities. Whether you want to find a temp waiting job or become a millionaire tycoon, this is the right place for you. And the quick way to find jobs is through We Find Jobs. The UAE job market is extremely dynamic, there are lots of new vacancies everyday. You'll find a wide variety of opportunities for foreign workers in the UAE. Although Dubai has more job opportunities than other parts of the UAE, it has a slightly higher unemployment rate.

CV Writing in Dubai has a diverse economy and there are good opportunities in skilled sectors such as finance, IT, media, construction, oil and gas, and senior management positions. However, competition is fierce for jobs in UAE with many hundreds of applications for a single position. Dubai is a lively, multicultural city and this is reflected in the workplace and multicultural workforce. The workforce in UAE is highly educated and around 60% have university degrees. Here at our Middle East headquarter in Dubai Media City, we take a step further and help jobseekers with Professional CV Writing and forwarding CV directly to the UAE employers. This is the fast and easy way to find jobs in UAE.

We Find Jobs | The Masters of CV Writing

So what makes We Find Jobs the best CV Writing service in the UAE?. Our Professional CV Writing service is designed for both entry level as well as executive level. We are based in Dubai Media City with over 10 years of local experience, and over 20,000 satisfied candidates. We know exactly what UAE employers demand and we write your CV accordingly. Not only should your new CV reflect your key milestones, skills and competencies, it should also reflect your operational and strategic experience. Keep in mind that your CV is the best marketing tool and it represents you and your presentation skills. All our CV Writers are native English speakers and career experts, we have extensive experience in search and selection recruitment and human resources management. We are also part-time recruitment officers for more than 20 major enterprises in the UAE. We coordinate with some of UAEs leading employers, including some government and semi-government, to ensure that our CVs are in accordance with the current UAE market expectations and latest trends.
