A LETTER FROM THE EXECUTIVE DIRECTOR

Greetings,

My name is Bernadette Thies, and I am the Executive Director of the Mayo Family Foundation. Since the Mayo Family Foundation was founded in 2019, I can tell you from personal experience that the Mayo's have been supporting various courses and making a difference in the lives of others (including mine) for decades.

After much thought, we decided to focus on causes we are passionate about and often overloaded.

Domestically, we zoned in on food insecurities and at-risk children and internationally, women equality issues, and equalization of healthcare in rural areas.

Most of you may not know this, but in late 2021 (August, to be exact), the Mayo Family Foundation embarked on its most extensive venture yet, evacuating and caring for 147 women out of Afghanistan. Today these bright, brilliant women are making incredible strides in being empowered women not only for themselves but by helping others.

The Mayo Family Foundation feels blessed and honored, and will continue to support and advocate for these amazing women.

Together, with their help, we will continue our endeavors to end hunger, mentor children, and ensure healthcare is available to those who don't have it.

It is with great pride that I provide you with last year's annual report.

Sincerely,

Bernadette Thies

ABOUT US

The Mayo Family Foundation was founded by the Mayo Family (Simer and Vicki) in 2019 as a format for the family to support causes that make a tangible difference in the lives of those who need a helping hand. Since inception, the Mayo Family Foundation has distributed over half a million dollars to support various causes. The foundation focuses its efforts on both domestic and international causes.

I believe you can do anything you think you can do. You have to dream big. That is why we started Mayo Family Foundation- to make our dream of creating a positive impact on the world a reality.

Donations like ours have made an impact through 200 adoptions, 977 children saved, and 3598 counseling hours.

Our generous gift was put towards the construction and capital needs within the new Halle Arizona Burn Center at Valleywise Health. Construction continues as scheduled. The Halle Arizona Burn Center at Valleywise Health will open in late 2023 as the epitome of excellence in burn care nationwide and globally.

8,333 meals were through AZ Langar on Wheels.

Funds issued went towards the purchase of cutting-edge technology.

Sojourner Center will use our gift to support our emergency shelter, transitional housing, and related supportive programming to decrease the community's risk of violence and homelessness for domestic violence survivors like Rose. Emergency shelter, transitional housing, and safety planning continue to be survivors' most urgent unmet needs. Funds will provide safe emergency housing, transitional housing, and case management services to help foster safety and stability and provide relief from the stress of abuse and trauma so participants, their children, and their pets can move toward greater self-care and decreased dependence on their abuser.

Helped a panel, attended and exhibited a booth, organized a rally, donated to the Turkish embassy, helped camp survivors, organized an advocacy event, and bought 50 books.

The Mayo Family Foundation's donation provided 2,600 meals. We are transforming the lives of the homeless, hungry, and hurting. Funds are also used for shelter, clothing, counseling, recovery, hope, and lots of encouragement.

Love, House, and Equip 250 individuals per year.

Our gift makes a difference in the lives of families, single women, and unaccompanied youth experiencing homelessness.

AFGHAN GIRLS NEXT CHAPTER
