Tuesday 01st July 2014.

Good evening and a warm welcome to you all.

Chairman's Comment

Hi Folks

Many of you played at Sellindge for the last time at a show and from the pictures you all had a good time and got very muddy! (Check out our facebook page for pictures).

Deal Car Show was also a great success, the biggest turn out of cars and public yet and the weather was also nice and sunny with many of us going home like red lobsters. The Bucket and Spade Run was also nice and sunny with over 400 cars turning up. We did a good display on logs with the trucks and got some members in front of Stuart's truck in the local paper.

Looking forward to Preston soon!
Shaun.
