- I will accept a higher standard of social media as it is a reflection of myself, Jesus, Southcliff Church, and Southcliff Student Ministries.
- I will pursue healthy conflict resolution as outlined in Matthew 18.
- I will align myself with biblical principles and Southcliff Values. If I have tension or struggle with one of those things, I will reach out to process with my leadership.
- I recognize that it is my responsibility to own my spiritual journey. It is my responsibility to effectively communicate with my team and leaders. It is my responsibility to put my best effort into this experience to get the best result out of it.
