

A black and white photograph of a globe, viewed from a low angle looking up. The globe is the central focus, with its grid lines visible. A solid black square is overlaid on the center of the globe. Inside this square, the word "CENTURION" is written in a white, serif, all-caps font. The background is dark, making the globe and the text stand out.

# It all begins with the card itself

We've collaborated with two of the most celebrated artists of our time to create our new Centurion cards.

- The updated 'Classic Black' card
- The graphic modernity that captures Rem Koolhaas
- The botanical brilliance of Kehinde Wiley

# Cards included in your membership

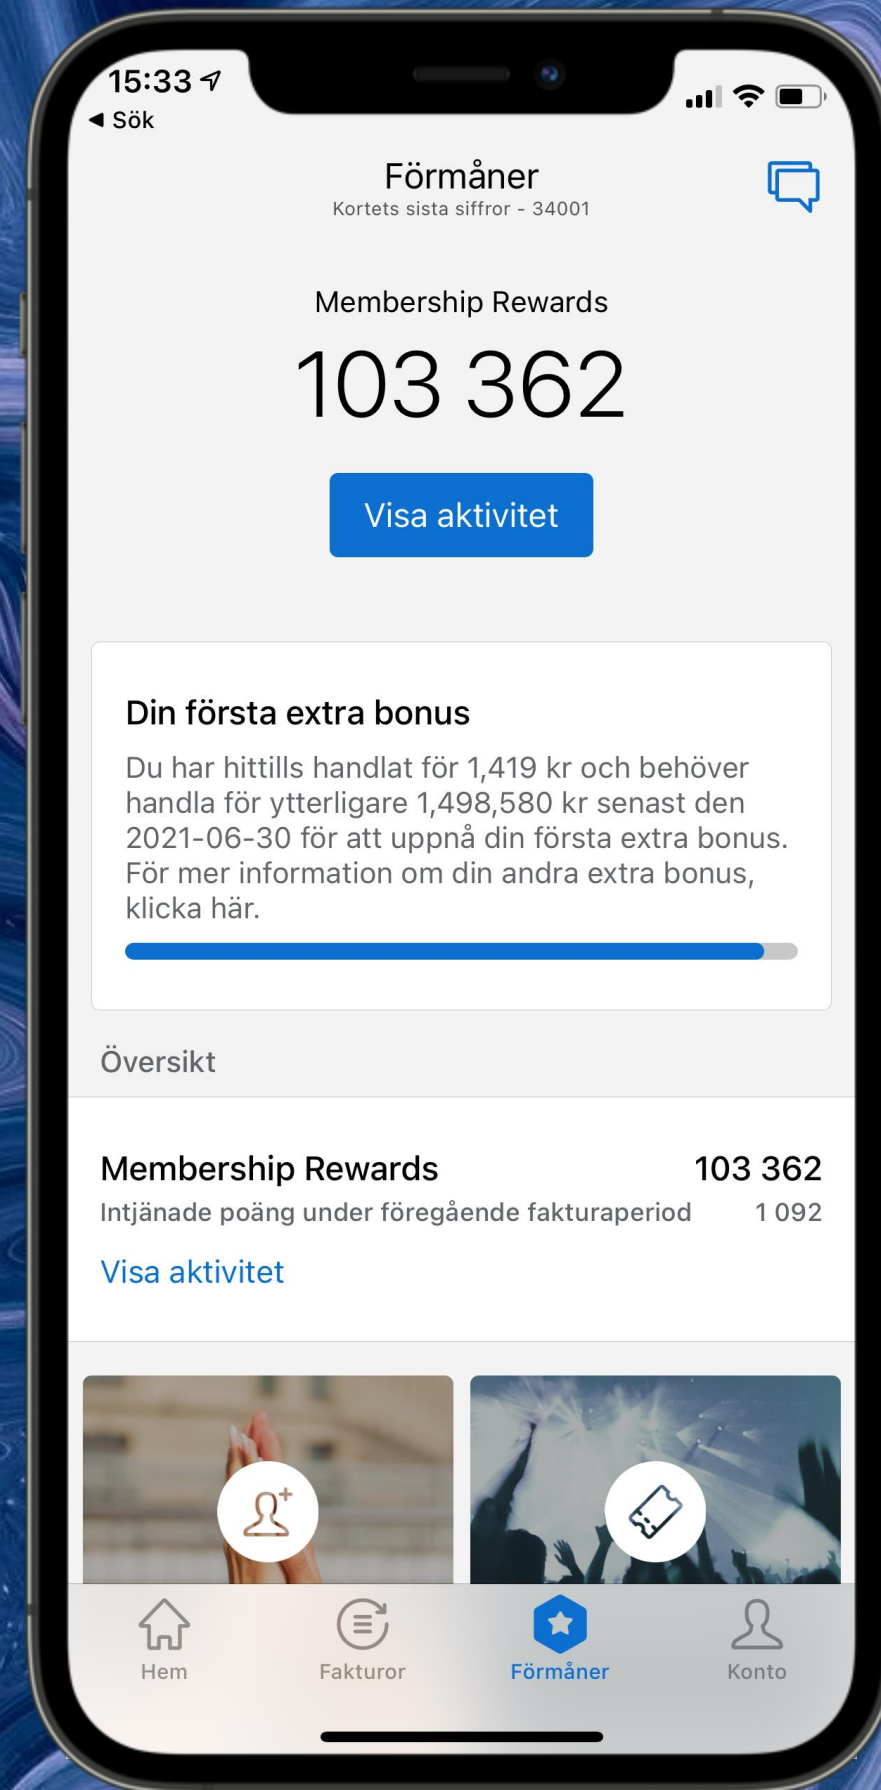

- One Centurion main card for yourself
- One Centurion supplementary card for your family member or friend
- Additional cards – Eight Green cards for people you care about

# The Prada Centurion Wearable

- A smart and elegant wearable card.
- No cords, chargers or battery needed
- Colour? Black, of course.
- Craftmanship? Made in Italy, naturally.
- Material? The finest Saffiano leather (a Prada signature), because innovation can also be luxurious.
