ASSIGNMENT

On January 19, 2013, this case was assigned to me by Sergeant Brian Lindley. With this assignment I received a copy of the initial report completed by Bernalillo County Sheriff's Deputy T. Rhan on January 19, 2013.

SYNOPSIS

On January 19, 2013, in the County of Bernalillo, State of New Mexico, Nehemiah Griego admitted to killing his family by shooting each of them in the head.

INVESTIGATION

January 19, 2013

On January 19, 2013 deputies were dispatched to 2806 Long Ln. SW in reference to a possible homicide. The calling party, Vince Harrison stated a juvenile, Nehemiah Griego, that attends his church informed church staff that his family was dead inside his house. When deputies arrived on scene they used a key provided by Nehemiah to unlock the front door of the residence. When deputies did a protective sweep of the residence they saw a deceased adult male with a gunshot wound to the head in the living room at the base of a stair case. Deputies stated they also found two deceased females in an upstairs bedroom that appeared to have gunshot wounds to the head. Deputies then went to the master bedroom of the residence and saw a deceased adult female on a bed with a gunshot wound to the head. Next to the deceased female was a deceased juvenile male with a gunshot wound to the head. Deputies then secured the scene and Nehemiah was brought to 400 Roma NW for questioning.

I met with Vince Harrison at 400 Roma NW and he stated at approximately 2030 hours he received a phone call from Calvary Church Pastor Justin Marbury. Harrison said he was informed that Alexia White had reported that her boyfriend Nehemiah Griego had found his family dead inside their residence. Harrison said he found it suspicious that Nehemiah had driven his family's van to Calvary Church since Nehemiah did not have a driver's license. Harrison stated that Nehemiah informed him that his father, Gregory had enemies from the S.N.M. prison gang. Harrison stated that he found it suspicious that Nehemiah was showing no emotion about his family being dead at their house. Harrison added that

before he was notified about Nehemiah's family, Nehemiah was playing basketball and did not appear to be disturbed.

Harrison stated Nehemiah was dressed in camouflage pants and combat boots. Harrison also said Nehemiah smelled like he had not showered. Harrison stated for the past year Nehemiah would dress in military type clothing.

I read Nehemiah his Miranda Warning and asked if he wanted an adult present during questioning. Nehemiah stated he understood his rights and he did not want an adult or lawyer present during the interview. I went over the Miranda Rights with Nehemiah and explained each right to him and he wrote his initials on a form to acknowledge that he understood each right that was read to him. I asked Nehemiah to explain how he found his family deceased and Nehemiah first stated that he went to a friend's house on January 17, 2013 and returned home at approximately 0530 hours on January 19, 2013. Nehemiah stated when he arrived home the front door was locked and when he entered the residence he saw his father's "carcass" on the bottom level of the residence. Nehemiah said he went upstairs and found both of his sisters dead inside their bedroom. Nehemiah then went to his mother's room where he said he saw his mother and brother dead on top of his parent's bed. Nehemiah said after discovering the bodies he removed car keys from his mother's purse and drove the family's van to Calvary Church. When Nehemiah arrived at church he stated he told his girlfriend that his family was dead and they had been killed in a car crash. Nehemiah said his girlfriend's grandmother began asking questions and he was later called into his pastor's office at Calvary Church.

I asked Nehemiah why he did not call 911 after he discovered the bodies and he said he panicked. I was previously informed that in the cargo area of the van that Nehemiah drove two rifles and ammunition were seen in plain view. I asked Nehemiah about the rifles inside the van and Nehemiah stated that his father may have placed the guns in the cargo area of the van. Nehemiah then changed his story and stated he placed the rifles in the cargo area of the van because he wanted protection from whoever may have murdered his family. Nehemiah described the two rifles as being an AR-15 rifle and a .22 rifle with a scope. I asked Nehemiah if he had shot any weapons recently and Nehemiah stated that he shot the two rifles "in anger" outside of his residence after finding his family dead. I asked Nehemiah if he had touched any other weapons in the residence and he stated he attempted to load a shotgun and had touched another shotgun in the bedroom where his mother and brother were killed. I asked Nehemiah if he had touched anything else in the

residence and Nehemiah stated he had picked up spent bullet casings. Nehemiah stated the spent casings were .223 and .22 caliber rifle rounds.

I informed Nehemiah that much of the information he was providing was not making sense and that he needed to be truthful. Nehemiah then stated that he had anger issues and he was annoyed with his mother. Nehemiah stated that he had been having homicidal and suicidal thoughts so around midnight he retrieved a .22 caliber rifle from his parent's closet and shot his mother in the head while his younger brother slept next to her. Nehemiah said his nine year old brother woke up after the gunfire and he told his brother that their mother was dead. Nehemiah stated his brother did not believe him so Nehemiah picked up his mother's head to show his brother her bloody face. Nehemiah stated his brother became upset so he shot his brother in the head with the same rifle used to kill his mother. After Nehemiah killed his mother and brother, Nehemiah stated he lost his sense of conscience and went to the bedroom his two younger sister's share. Nehemiah stated when he entered he noticed that his sisters were crying and he shot both of them in the head.

Nehemiah stated his father was not home at the time so he retrieved the AR-15 rifle from his parent's closet and waited for his father to arrive home. Nehemiah said he waited in a bathroom on the bottom floor of the residence until approximately 0500 hours when his father got home. Nehemiah stated he hid and waited until his father had walked past him and he then shot his father multiple times with the rifle. Nehemiah said after killing five of his family members he reloaded the weapons so that he could drive to a populated area to murder more people. Nehemiah stated he wanted to shoot people at random and eventually be killed while exchanging gunfire with law enforcement. I asked Nehemiah if he had told anyone else about murdering his family and he stated he had taken a picture of his deceased mother and sent it to his girlfriend, Alexia White. Nehemiah stated he did not tell anyone other than his girlfriend and detectives about murders.

January 20, 2013

Nehemiah was arrested and booked into the Bernalillo County Juvenile Detention Center after his confession.

After Nehemiah was booked into J.D.C. I went to 2806 Long Ln. SW to do a walk-through of the crime scene. When I first walked in I noticed a deceased adult male, Gregory

Griego, in a face down prone position at the bottom of a stair case in the living room. Gregory's head appeared to be deformed from trauma and there was blood and body tissue around Gregory's body. I went to the second floor of the residence and entered Jael and Angelina's room. Angelina was in bed face up and there was blood around her body. Jael was also in bed deceased in a face up position. Blood was smeared on the walls behind Jael as if there had been movement from her after she had been shot. The covers at the base of Jael's feet also appeared to have been kicked down. There were spent .22 caliber shell casings on the floor of the bedroom and in the hall just outside the bedroom. In the master bedroom Sarah Griego was deceased on her bed face up with blood coming from her face. Zephenia's body was in a crouched face down position over his mother Sara. Zephenia appeared to have a gunshot wound to his head and he was clenching a piece of tissue paper in his right hand. There were also shotguns and ammunition on the floor of the bedroom.

Alexia White's phone was collected and it was analyzed by Detective K. Hartsock. The following text messages were exchanged between Nehemiah Griego and Alexia. A copy of all screen photos from the phone are also attached.

I was contacted by A.T.F. in reference to the firearms that were used in the homicide. To obtain additional background information on the Griego family I spoke with Frankie Pena. Frankie informed me that he had purchased one of the rifles used in the homicides. Frankie told me that he sold a Sig Saur rifle and a shotgun to Greg Griego approximately a year ago for \$1,100.00. Frankie stated that he did not know anyone else in Greg's family but described Greg as an "all around good father".

January 23, 2013

The Bernalillo County Sheriff's Department was notified by a cleaning business, "Aftermath" tasked with cleaning the crime scene. The cleaning staff stated that while inside the residence they had seen a note pad that had drawings with what appeared to be a child holding a rifle and pointing it at an adult who was wearing a hat with a cross. Through my investigation it was found that Nehemiah's father, Greg Griego was a pastor at a local church and also did work in "God's pod" at the Metropolitan Detention Center. In the same note pad cleaning staff noticed writing that said what they thought was "5 ways to kill people." The note pad was left inside the residence pending authorization of a search warrant.

I obtained a search warrant for 2806 Long Ln. SW so I could retrieve the note pad that the cleaning crew had found. While searching for additional writings and documents another firearm with ammunition was located in a black bag in the master bedroom closet. The

gun was a Smith & Wesson .22 caliber revolver. There were also numerous documents and writings that were taken for evidence.

January 24, 2013

I obtained a search warrant for the Bernalillo County Juvenile Detention Center so I could retrieve Nehemiah's clothing that was put into his property after he was booked into B.C.J.D.C. At 1420 hours when I went to serve the warrant and retrieve Nehemiah's property I was informed, correction staff member, Mark Thomas, that all of Nehemiah's clothing had been washed except for his hooded jacket and his boots. Nehemiah's property was turned over to me in two clear plastic bags and I brought it to the Sibrava Substation. Nehemiah's property was then placed into paper bags for drying purposes in case there was any moisture on the clothing.

February 12, 2013

I was contacted by Defense Investigator Rick Abeyta and he stated that he was contacted by the Griego family about bloody blankets that were located at 2806 Long Ln. SW. At 1430 hours I met with Rick Abeyta. While at 2806 Long Ln. SW I also met with "Aftermath" cleaning crew member Marco Hernandez. Rick advised me that on February 7, 2013 he was contacted because family members of the deceased located some bloody bedding in Nehemiah's bedroom. It should be noted that numerous items from other rooms were all placed into Nehemiah's bedroom by the "Aftermath" cleaning crew after the house was released from the initial search warrant. There is evidence of this in photographs taken during the second search warrant execution of the residence. Marco advised me that there were two plastic bags that contained the bloody blankets in the bed of a truck on the property. C.S.I. investigator M. Rivas photographed the bags and the blankets were removed and placed into biohazard bags. The blankets appeared to be the same blankets that were on the bed where Sarah and Zepheniah were murdered. Detective M. Rivas collected the bedding and it was taken as evidence.

On 01/19/2013, I was called out to 400 Roma reference a five victim homicide that occurred at a residence near the intersection of Long and Raymac SW. On arrival, I was instructed by Detective A. Gaitan to conduct interviews of subjects reference the Homicides. These interviews were initially to gain general information reference the subjects who resided at the target home.

My first interview was of Brenda Brooks (██████/1959). Below is a summary of that interview:

Brenda indicated to me she resided in a separate structure located on the same property as the person she rented her home from (dispatched residence). Brenda said her brother (Michael White, 61, DOB ██████ UNK), who was in the process of moving out, also lived with her. Brenda indicated she moved to Albuquerque from Milwaukie, Oregon around the date of May 5th of 2012 after finding the home's listing on "Craig's list". Brenda said her boyfriend (David Humphries, 57, DOB ██████ UNK), who did not live on the property, also lived in town. Brenda told me Greg Griego and Sara Griego lived in the main structure of the property along with several children. Brenda was unable to give me the names of the children and said she rarely had contact with them. Brenda stated there was one young male aged approximately seven to eight and two younger female juveniles. Brenda indicated she desired to move from this location. Brenda stated that Greg Griego typically patrolled the outer edge of the property with a sawed off shotgun, because he was paranoid about neighbors. When asked about the paranoia, Brenda indicated the Griego family had an issue with neighbors who were calling Animal Control on them and mentioned issues over starving horses.

Brenda told me she regularly attends Alcoholic Anonymous meetings. While returning from a meeting, Brenda saw a cream or white in color 50's classic automobile. The vehicle was dirty, had chrome bumpers and a red license plate. Brenda told me she believed the subject that drove the vehicle was the plumber. Brenda described the plumber as a Hispanic male with chin length hair, a moustache, 5'10" and medium build. Brenda said she saw the male make multiple trips to this vehicle to get items. Brenda told me that her vehicle is a Toyota Camry.

Brenda told me that on Friday 01/18/2013, she was at the UNM main campus until noon. She went to Smith's and was home by 1500 hours. Brenda said she went to an AA meeting at 1630 hours and had dinner after the meeting at a Dion's. Brenda said she arrived at home this date at approximately 2030 hours. When Brenda got home she noticed her home's heat was turned off.

Brenda told me that on Saturday 01/19/2013, she woke in the morning and turned the heat back on. She went to Walmart at approximately 1000 hours and then went to an AA meeting at noon. Brenda said she went home at 1330. Brenda told me that she heard a popping sound outside her home at approximately 2000 hours.

This concluded my interview with Brenda.

I then interviewed Jonathan Kottenstette and the following is a summary of that interview:

Jonathan told me that on Saturday the 19th, he was to meet with Nehemiah to 'play prayer' and that Nehemiah had confirmed to do so on the church's website. At approximately 1815 hours, Jonathan met with Joanne and her granddaughter Alexia. Joanne told him that Nehemiah was practicing drums earlier this date and was with her and her granddaughter until 1815 hours. Joanne also told Jon that Niahemiah told her his family was dead and he had been on his own for the past few days.

Jonathan said he went to talk to Nehemiah. Nehemiah told Jon his past was catching up. Nehemiah also made several ambiguous statements about his father being up against a mirror and his siblings. Nehemiah told Jon that he left in a van and stayed with a friend.

This concluded my interview with Jonathan Kottenstette.

I then interviewed Alexia White and the following is a summary of that interview:

I asked Alexia if she wanted her mother to be present and she said no.

I asked Alexia to tell me about her Saturday (January 19th, 2013). Alexia told me she woke at approximately 0700 with the intention of going to 'hang out' with Nehemiah at the skate park located at the Calvary Church. Alexia's grandmother

Joanne took her to the church where other children were present as well as other adults. Later in the interview, Alexia told me Joanne wanted to meet Nehemiah and that this was their first 'date'. Joanne left the church at approximately 0800 hours and Alexia and Nehemiah stayed. Nehemiah mentioned to Alexia that his parents were dead. Alexia said that this was all that Nehemiah mentioned to her about his family. Between 1100 and 1200 Joanne picked Alexia and Nehemiah up from the church and they had lunch at a Wendy's. Alexia, at this time, told me that when Nehemiah had mentioned his family being dead that they had died in a 'car crash'. Alexia again told me didn't talk further about it, but mentioned that she and Nehemiah were boyfriend and girlfriend. Alexia said she didn't want to ask him any questions about it because she didn't want to make him sad. At approximately 1300, Joanne drove them all to Alexia's home. Alexia said she and Nehemiah went to Cherry Hill park (off Barstow), Dennis Chavez Elementary, Juliana's (Bacheecha) house and finally to her home to watch the movie 'It'. It should be noted that later in the interview Alexia mentioned she had 'texted' her grandmother (Joanne) about Nehemiah's situation when they were at Cherry Hills Park. While at her home, Nehemiah and Joanne had a conversation reference Nehemiah's deceased parents without Alexia being present. Alexia indicated she had tried to cheer up Nehemiah. Alexia said at approximately 1830 Joanne took her and Nehemiah to church and they went to service. After the service ended at 2000, Alexia and Joanne waited for Nehemiah until 2100, but he never came out. Joanne and Alexia then went to Wendy's. After eating, Joanne and Alexia go home and Alexia took a 'nap' until she was called to come to 400 Roma.

I asked Alexia to tell me about her activities on Friday (January 18th, 2013). Alexia told me she went to school and arrived back at home at approximately 1600. After getting home, Alexia 'texted' friends and used a computer to access her 'facebook' account. Alexia told me she 'texted' until 0200 Saturday. Alexia gave a similar account of events for her Thursday. She went to school, to get an allergy shot, pick-up grandma's car at Firestone, Wendy's and home by 1700. Alexia told me she did not 'text' Nehemiah at all on Thursday and stayed home all night until going to bed at about 2200. Later in the interview, Alexia told me she did 'text' Nehemiah on Thursday, but he did not respond because he was probably busy.

Alexia told me Nehemiah has been staying with his parents at their house in the South Valley until today. Alexia said she was going to let Nehemiah stay at her house on this date.

After the above, Detective Allen entered the interview room. Alexia told us that Nehemiah's parents died in a car crash. She said Nehemiah 'texted' her a picture of himself and a picture of his mother sleeping. After Detective Allen confronted Alexia about statements made by Nehemiah, Alexia said Nehemiah told her he killed his parents, but he regrets it.

At this time, Detectives left the interview room and brought in Alexia's mother in. While Detectives were not in the room, Alexia and her mother had a conversation and the following are excerpts from that recorded conversation. At one point, Alexia's mother tells Alexia that she should have said something. Alexia indicated that Nehemiah would be sent to jail. Alexia's mother indicated that Nehemiah going to jail was the right thing to do because no one has the right to kill someone else. Alexia then stated that she would not be breaking up with Nehemiah. Later in the conversation Alexia's mother stated that something is wrong with him (Nehemiah) that he thinks killing his family is OK. Alexia responded, he thought it was a dream until he shot them.

This concludes my summary of my interview of Alexia White.

After my interviews were concluded, I went to the command center located near the scene. It should be noted that I never entered the inner perimeter and therefore have no direct observation of the scene. Supervisors determined my assistance was no longer needed and I cleared the scene. I had no further involvement in this case.

On 1/20/13 I responded to the John Price Law Enforcement Center to assist with a homicide investigation.

I conducted an interview with Anthony Robinson (DOB: [REDACTED] 1968, SOS#: [REDACTED] 7229, Phone #'s: (505) 710-6591, (505) 550-9431). Anthony stated he had been living in a barn in the back of 2806 Long Ln since November 20th, 2012. He stated it had been converted to a two bedroom apartment. He stated prior to that he was living at Joy Junction. Anthony met Greg Griegos through "God's Pod", a ministry at the Prison Anthony was incarcerated at. He stated Greg was the pastor of that ministry. Anthony recalled Greg's name, but could not give the names of any of the rest of the family. He stated the kids stayed in the house except to go get the mail. He stated they didn't go to school. He stated "the mama...she...you know...she don't talk".

He further stated Greg "wasn't all he say he was when I was locked up". He stated none of the neighbors liked Greg. He stated he had never seen it himself, but neighbors talked about Greg walking around the property with his shirt off and carrying a shotgun. Anthony needed a place to stay due to being on probation. Greg would get his, Anthony's, mail and hold it for several days before giving it to him. He suspected Greg of entering his room when he wasn't there. He stated Greg's wife had come into his apartment two days earlier and turned the furnace off. He recalled her name to be Sarah. He stated Greg and Sarah had a baby girl, another girl about six years old, a boy about eight or nine, and about a thirteen year old boy. When he mentioned the thirteen year old he stated he always wears military clothes. He stated, "That's the one that act real funny, though. The...the...the big boy."

He proceeded to tell me a story of the oldest boy. He stated the Griegos a Doberman pinscher and the oldest boy was pretending to cut the dog's throat with an open knife in his hand. Anthony motioned, showing me what he meant. He stated, "We see that...we see that...it freaked me out. And then...you know...he did it on his little brother. And...um...um...Mike...Mike was saying...you know..." "What are you doing?" You know. "Oh, I'm just practicing". He did not actually cut the dog or his brother. Anthony stated that incident occurred only once about October or November of 2012. Anthony had come to the residence before he moved in to visit his friend Mike and Mike's sister. He did not know

Mike's last name. He stated Mike was the brother to the female, Brenda, who was living in the other apartment at the time.

Anthony stated various neighbors had different issues with the family. He stated two females lived together on the street and told him they had filed some sort of complaint with the city regarding Greg housing "bad ex-cons". Anthony stated Calvary church was paying Anthony to bring the residents to church and work there. He stated Greg had been fired from Calvary. He stated Greg was now working as a counselor at the old jailhouse across from NoonDay. Anthony had no further information about Greg being fired from Calvary.

Anthony stated Sarah was homeschooling, but he hadn't seen any computers or other schooling items in the house. Anthony felt the kids didn't actually get any schooling. He described Sarah as being unstable. He stated, "she's scared to be around people and it's ...like...um...to me it feel like she's scared of him, but it ain't nothin' she can do because of the family".

Anthony had seen Sarah the previous morning when the plumber had come to the residence. Sarah and the oldest boy went to the guest house, "Mike's house", to do laundry. The plumber was driving a white 1957 Chevy. He couldn't recall the oldest boy's name.

Anthony stated he had last seen Greg about four days earlier. Anthony had seen him getting out of his van. Anthony had done some plumbing work for Greg and had spoken to him at that point. He stated Greg worked the midnight shift. The van was gone when Greg was at work. He stated Greg would either return in the morning or sometimes 4 or 5 in the afternoon if he went to his other job.

He corrected himself and said Sarah and the oldest boy had come over "yesterday afternoon" to do the laundry. It was currently early Sunday morning. He later defined "yesterday" as being Friday the 18th of January. Anthony had gone to the main house on Thursday morning to work on the plumbing. He had seen all the kids that day. He stated all the kids would just "stand there" and not speak.

Anthony stated he had run an errand to go see his wife using Mike's van Friday morning. He returned to the residence at about 1030 hours. He helped Mike move out for most of the rest of the day. The above mentioned plumber was at the house "all day Friday". He had seen the plumber at the house early morning Saturday the 19th. He described the car as "thugged out" with small tires that stuck out with a white rim on them. He described the wheels as 'spinners' and the steering wheel as very small. He stated there was a bumper sticker on the front of the car. The plumber was a Hispanic male about 40 years of age, approximately 5'10", with medium length black hair. He recalled the plumber wearing "normal clothes" and he didn't see any tools. Greg had told Anthony the plumber was going to come and work on the plumbing. Anthony stated he assumed he was the plumber.

The "plumber" was not at the residence when Anthony left on Saturday morning at 0830 hours. However, he was there when Anthony returned about 1030 hours. He didn't see the plumber when he went to get the mail at about 1200 hours. He recalled Greg's van being at the house at that time, but he hadn't seen Greg that morning. Anthony stated he helped Mike move for most of the rest of the day. At about 2000 or 2100 hours he was at Brenda's with Mike. They were talking about more moving stuff. Anthony stated he left and walked to his room. He took his medications, Seroquil and Trazodone, and fell to sleep. The next thing he remembered was being woken up by Sheriff's Deputies. He stated he hadn't heard anything in between. Anthony made a point to mention that the dog had not been barking at all. He stated ever since he had moved onto the property that dog would bark at him whenever he came. He thought it very odd that the dog had not barked at all throughout the night.

I asked Anthony to confirm when the last time was he had seen any of the family. He stated he had seen the whole family on Thursday. He stated Sarah was wearing pink sweats, and "the boy" was wearing a blue military outfit and black boots. He had seen them when they went over to Mike's house to wash clothes. Anthony began speaking about the guns that Greg had at the house. He specifically noted one as being a "sawed-off shotgun". According to Mike, Greg had walked around the property carrying the sawed-off shotgun with his shirt off after the incident with the pony. It was unclear which incident he was referring to. He further commented about an incident regarding the neighbors

complaining about the sewage smelling on Greg's property. He believed that incident had occurred over the previous summer.

I advised Anthony that he'd earlier stated he had last seen Sarah and the older boy on Friday. Anthony stated it was in fact Friday. He again stated that was when Sarah had the pink sweats on and the boy had the blue camouflage clothes on. This concluded my interview with Anthony.

I interviewed Justin Marbury (DOB: [REDACTED]/76, Phone: 505-681-5588).

Justin is a pastor at the Calvary Chapel of Albuquerque. It should be noted that I attend the Calvary Chapel of Albuquerque and had met both Justin Marbury and Eric Lamb prior to this incident. Furthermore, I had been at the service the night of Saturday the 19th.

I asked how Justin was involved with the current situation. Justin stated it was the middle of the Saturday night service. Two leaders in the student ministries, Jonathan Cottonsteady and Johnny Corman, approached him in the foyer to advise him of a situation. They stated Nehemiah had told his girlfriend's grandmother, Joanna White, that his family was dead. They advised him Nehemiah had told Joanna this sometime during the day. Justin stated as soon as service was over, he went looking for Nehemiah to figure out why he was saying that. Justin found Nehemiah in the bookstore. He asked Nehemiah if what Joanna said was true Nehemiah said yes. He then asked Nehemiah to go with him to his office to talk. Justin stated he didn't believe it was true. He stated Nehemiah wasn't "acting like somebody that I would think had just lost their whole family". Justin again stated he didn't think it was true, so he tried to call Nehemiah's father, Greg, to see if it was. It went straight to voicemail. Justin tried calling several other people that he thought might have been in touch with Greg and no one answered the phone. He then decided to call the head of the security at Calvary, Vince Harrison. Vince told him to bring Nehemiah to the McDonald's at Fourth and Montano so he could speak with Nehemiah. Justin stated he drove Nehemiah to the McDonald's in his car, followed by Pastor Eric Lamb in a separate car.

Justin asked Nehemiah what had happened. Nehemiah told Justin he had received a ride home from a friend on Friday morning between 6 and 7 AM. Nehemiah told Justin a friend dropped him off because he doesn't drive. When he went inside the house, he found his whole family shot and they were all dead. Nehemiah further told him he recognized several empty casings and noted them to be .223, a shotgun, and a .22. She remembered Nehemiah mentioning a shotgun leaning against the bed. Justin stated he asked how Nehemiah's family had been doing, to try and figure out if Nehemiah was crazy or what had happened. Nehemiah told him his dad had been really quiet during the past week. He told Justin his parents were getting along great, and his relationship with his dad was really good.

Justin stated he, Nehemiah, Eric Lamb, and Vince all met at the McDonald's and drove to Nehemiah's house in Vince's car. He stated they parked and no one went inside the house. He stated they contacted the Sheriff's Department and waited for us to get there. He noted that deputies went inside the residence and confirmed that the family was dead, like Nehemiah said.

I asked Justin several follow-up questions. He stated Nehemiah had not advised who had driven him home. He had not asked Nehemiah to fill in the details because Justin didn't believe the story to be true. Justin further noted he thought maybe Nehemiah had "gone off the deep end". He had asked Nehemiah how he left the house. Nehemiah told him he had driven his parents van. Justin asked Nehemiah if he had a license, and Nehemiah said no. Nehemiah told him he had slept in the parking lot at Calvary. Justin thought he had maybe slept in the van at Calvary. Justin stated Nehemiah had spent the current day with his girlfriend at her grandmother's house, Joan White. Justin did not know the girlfriend's name but he gave me Joan's phone number. He believed Nehemiah had spoken to Jonathan Cottonsteady because Nehemiah was supposed to play in the band with Jonathan that night. Jonathan had seen Nehemiah on campus and asked about him playing in the band. Justin thought that was when Joan had come to talk to Jonathan about Nehemiah. Jonathan commented to Justin that Nehemiah was acting strange.

Justin stated he was not very familiar with Nehemiah. He would see Nehemiah around and say hi to him in passing. He stated Nehemiah's father used to be a pastor with Calvary. He thought that had ended within the last year. Maybe April of 2012. I told Justin someone else had advised Greg's leaving was more of a termination, or a falling out some sort. Justin stated his father was asked to go on sabbatical, and was then not retained on staff. He noted that Greg would still come to church, but he was not brought back on staff as a pastor. He didn't know any further details. He stated that Greg and his family were all still going to the church. He thought he had last seen Greg at the previous Wednesday night service. He was not certain, but he believed it to be very recent.

Justin stated he and Greg were part of a "micro-fellowship". He defined the micro-fellowship as a gathering of individuals involved in the justice system in some way. Justin works with youth in detention in a ministry of 'Life Quest', and Greg did jail ministry. He

stated they would see each other as a part of the leadership council. He would see Greg at church as well. Justin stated he became a staff member at Calvary in 2005, and Greg had been there before him. Justin stated they "weren't buddies", and didn't talk or hang out much outside of church. He didn't know much about Greg's family.

Justin noted that he asked Nehemiah what he thought had happened. Nehemiah thought Greg's past had "come back to haunt him or something." Justin stated it was common knowledge that Greg had been involved with gangs and had a different life in the distant past. Justin asked Nehemiah about the time frame from Friday morning till that Saturday night. He couldn't recall exactly what Nehemiah said, but he thought Nehemiah recognized that it was strange. Nehemiah told Justin he had not told anybody except his girlfriend and her grandmother. I asked if Johnny and or Jonathan might know Nehemiah on a more personal level. Justin didn't know. Justin stated he asked Nehemiah who his friends were, and Nehemiah told him he didn't really have any. This concluded my interview with Justin Marbury.

I interviewed Pastor Eric Lamb (DOB: 4/22/60, Phone: 505-298-3021).

Eric stated at the end of service, Justin passed by several times. Justin stopped and told Eric he needed to see him in his office and it was urgent. Eric met Justin by the front desk. Justin pulled Eric aside and told him Nehemiah had advised him he, Nehemiah, had found his family dead in his house. They talked about the best course of action and decided to call Noah Vince, the head of their security at Calvary. He then went upstairs to Justin's office where John Cottonsteady and Nehemiah were. Eric stated he put his arms around Nehemiah to comfort him. He stated Nehemiah was not distraught in any way. He stated, "he held himself together really good." They coordinated to meet with Vince at Fourth Street, downtown, and go together from that location to Nehemiah's house. On the way to the house they called law enforcement and then just parked and waited at the corner. Eric stated he followed Justin in a separate vehicle to Fourth Street. They then met Vince and drove together in Vince's truck.

He stated they were asking Nehemiah if he was absolutely sure of what he saw, because he "just seemed to be too composed to...um... you know.... to be really alarmed". He stated Nehemiah remained composed. Nehemiah told them at 7 o'clock the previous morning, he had gone home and when he opened up the door he saw his dad. He then went upstairs and saw his mother and sisters dead. He told them when he came back downstairs he picked up some .22 shell casings. Eric stated from there, Nehemiah went to his girlfriend's grandmother's house. Eric thought Nehemiah may have stayed the night there, and had then come to church on that night, Saturday. He thought Nehemiah had first talked with Cottonsteady, who then brought the situation to Justin's attention.

Eric said Nehemiah didn't say where he had come from Saturday morning or how he got to the house. Eric didn't think they had asked him about that.

I asked about Greg and his family. Eric identified them as a "beautiful family." He stated, "Greg's a big teddy bear and is very sensitive... very loving person... forgiving person". He stated Greg kept to himself at Calvary. Eric had never been to their house. Greg was involved with the prison ministry and counseling. Eric confirmed that the prison ministry had recently closed. I asked if they had closed the entire ministry down and Eric responded, "I think so." Eric then stated it had been about a year since it had closed. I

asked if there had been any controversy around the ministry closing. Eric said Greg was kind of upset, but Greg was working on it on the side. Greg was pretty active with trying to find out how to reinstate it. Eric then said he didn't know the details of it.

Eric couldn't recall anything else of significance to tell me. He stated they just wanted to find out what had happened, and they didn't want to question Nehemiah too much. He didn't think Nehemiah had spoken to anyone other than his girlfriend and her grandmother. Eric stated his position at the church is as an associate pastor. He stated they didn't often deal with these types of issues. He further mentioned there are usually officers on "Chiefs over time" present at Calvary, but they had left. That is why they called Vince. He stated they would usually contact the APD officer working. Eric thought Justin had first talked to him at about 9pm.

This concluded my interview with Eric Lamb.

Contact was made with Amanda White, her mother Joan White, and her daughter Alexia, by phone. They were asked to come down to the JPLEC and they agreed.

I interviewed Amanda White (DOB: 08/10/1975, Phone: 505-379-2262).

Before I could get all of Amanda's information, she stated, "I had a feeling something happened... I just didn't buy the story he was telling us earlier." Amanda stated her daughter, Alexia, and her mother, Joan, lived with her. Their address was 8408 San Francisco Northeast.

Amanda stated that day, Saturday, was the first time she had met Nehemiah. Amanda stated Alexia and Nehemiah were dating. They had met at Calvary Chapel. A school counselor recommended Alexia get involved in something and Alexia began going to Calvary with her friend Julie. She mostly went Wednesdays and Saturdays. It was there at Calvary that she met Nehemiah. They began dating several months earlier. She stated the only time they would talk was when they met at church. However, for Christmas Alexia got a cell phone. She stated she would go check on Alexia occasionally and read the text messages. She stated Alexia has "had problems before in the past." She advised maybe a week earlier she had gone into check on Alexia and found that she was crying. Alexia showed her a picture on her cell phone of someone's hands and a leg which appeared to be bloody. Alexia told Amanda it was Nehemiah, and a bullet had grazed his leg. Amanda stated Nehemiah had sent the picture to Alexia. Amanda didn't really think much of it at the time, but it started bothering her later that he was around guns. Several days later Nehemiah was texting Alexia saying he didn't want to live anymore and he was going to kill himself. Nehemiah told Alexia he had one more bullet left in his gun and that's what he was going to use to kill himself. She couldn't recall the exact date of the text messages. She stated they were texting and calling. She again stated she heard about it because she walked in and found Alexia crying and she asked what was going on.

She then began speaking about Saturday the 19th. Alexia told Amanda Nehemiah wanted to come over to meet her (Amanda). Her mother, Joan, took Alexia to Calvary the morning of the 19th to meet Nehemiah. She then took them out to lunch and then to a park in their neighborhood. While at the park, Alexia texted Amanda and asked if Nehemiah could live with them. Amanda asked why. Alexia told her his parents died in he didn't have

anywhere to go. He had no family and no food. Alexia told Amanda his parents had died in a car accident about a month ago. Amanda stated she began speaking to Joan about it. She and Joan felt like something wasn't right with the story. They figured police and CYFD would've made sure Nehemiah went with family or someone to care for him. She stated Alexia asked her to ask Joan because the house is Joan's. She stated she told Alexia no. Amanda stated she didn't want to deal with it and she didn't want to deal with CYFD. She stated she had experience with CYFD. She began talking about an incident where Alexia was talking with a teacher at school and the teacher became concerned. Amanda advised that her son has anger issues and "kinda gets upset". She sent her son to live with his dad because "things were going on between the two kids."

She told Alexia there was nowhere in the house for Nehemiah to sleep. She stated that was her way of telling Alexia, "I don't want your boyfriend here". She further added it was not her place to decide because it was Joan's house. She told Joan things just didn't add up. She told Joan about Nehemiah having a gun. She advised Joan maybe one of them should go to the church and ask around about his parents. Joan took Alexia and Nehemiah to Calvary for the night service. Joan went to the church and spoke with a pastor. She found out Nehemiah's dad used to be a pastor at the church. She felt something was wrong because Nehemiah had told Joan earlier in the day that his dad had been in a gang. She stated the pastors called Nehemiah into their office so Joan and Alexia came home after church. Alexia did not want to leave, but finally agreed to.

Amanda stated she was texting Alexia during church to find out how things were going. Alexia told her it was boring.

I asked what happened between lunch and them going to church at night. Amanda stated Alexia and Nehemiah came to the house after lunch. From there they left and went to Alexia's friend, Julie's, according to Alexia. They returned to the house. They then went to the park and came back again. Amanda did not know Julie's last name. Julie was the one Alexia went to church with. She advised Julia was in eighth grade at Madison school.

I again asked for clarification of the time frame for Saturday's events. She believed Joan and Alexia left at 730 or 8 in the morning to go to Calvary. Joan advised her Nehemiah had driven himself to the church on his driving permit. She stated their meeting was a

preplanned event from Friday night, when Alexia and Nehemiah were texting and calling one another.

I asked what Alexia had said when she woke Alexia up on the current night. Alexia asked her what was going on, and Amanda told her they were going down to the police station. She said that was the extent of the conversation. She said Alexia didn't say anything on the car ride down.

She again stated she believed Alexia and Nehemiah had only been dating for a few months. They would only see each other at church and didn't have phone contact until Alexia got her phone at Christmas. She stated Julia introduced them to one another. She further stated she believed Julia had dated Nehemiah previously. She advised Julia's mother's name was Charlene and gave me a phone number of 505-504-2355.

I again asked for clarification around the meeting at Calvary. She stated Joan dropped Alexia off at Calvary and left Alexia and Nehemiah there while Joan went on a walk. She didn't know exactly what had occurred after that and told me to ask Joan. She had not seen the vehicle Nehemiah was driving. She stated Joan drove Nehemiah and Alexia back to her house after picking them up from Calvary. She believed they got back to the house around one or 1:30 PM after eating lunch. She stated Alexia and Nehemiah didn't come into the house, but went walking to Dennis Chavez elementary school. She stated she next saw them shortly after 145 or 2 PM. That was when she met Nehemiah.

Nehemiah came in and sat on the living room couch. Amanda stated she was watching hockey. Nehemiah asked if she liked football. He asked her what team she liked. She stated, "I told him and it happened to be the same team he liked". She stated Alexia and Nehemiah stayed there at the house for about 15 minutes before they left and went to the park. While at the park, Alexia began texting Amanda. She stated they were at the park for 25 or 30 minutes and then returned to the house. When they returned they sat down at the kitchen table and Alexia got a snack and drink for both of them. They sat there talking for a while and then went and laid on Amanda's bed. Amanda stated she and Alexia share a room with a bunk bed, and Alexia sleeps on the top bunk. She stated she watched them the whole time because she wasn't comfortable with them laying on the bed. However, both of them took a nap. She thought they slept for an hour and a half or

two because it was after 4 pm when they woke up. They then sat down on a couch and started watching a movie. Joan came in and told them it was time to go to church. Alexia tried telling her they didn't want to, but Joan was insistent and they finally went. Amanda commented that while they were sleeping, she and Joan spoke about things not adding up. It was then that they talked about going to church to talk to people about Nehemiah. They guessed Nehemiah was a runaway and hoped the church could contact's parents.

Amanda stated she thought Alexia had not erased the aforementioned pictures. This concluded my interview with Amanda.

I interviewed Joan White (DOB: 06/24/1949, phone: 505-235-3000)

Joan stated Amanda and Alexia live with her. She stated they had always lived with her except for a very short time.

Joan stated Saturday was the first time she had met Nehemiah. She advised Alexia and Nehemiah were texting back and forth, and he asked Alexia to be at Calvary at 730 in the morning. She thought that was odd, but Alexia told her he had to practice drums or something. She took Alexia to Calvary and dropped her off. She stated they were there for about four hours and she then returned to get them. Joan opened her phone to review the time frame of the text messages. Alexia first texted her at 1:26 AM on Saturday morning. Alexia and Nehemiah were talking and texting until 2 o'clock in the morning on Saturday. Alexia texted, "wake me up at seven and take me to the church at 730 okay? And drop me there". Joan then read a series of text messages between she and Alexia from the time she dropped them off to when she picked them up after 12 PM (see attached transcription for further. Pg 5, Line 39).

At 2:30 PM Alexia texted, "can Nehemiah come live with us? His mom and dad died and he has been living alone for a while". Joan replied, "where are you? And... No". Alexia responded, "at Cherry Hill Park. And please... He got nowhere to go".

Joan jumped to the evening of Saturday, just prior to going to Calvary. Alexia did not want to go, but they all finally went. Joan sat in "Velocity" on the far side where she could see them. It appeared 'Velocity' was the youth service at Calvary. When they walked into church, the guitarist, she believed his name to be Jason, told Nehemiah he was supposed to play with him that night. She commented about how Nehemiah was supposed to be practicing drums that morning at 730 at the church. Jason told Nehemiah he would do it without him. Joan stated she spoke to the guitar player. She couldn't recall all the names of the pastors at Calvary. She did mention a "Johnny".

Joan jumped back to questions she had asked Nehemiah at lunch. She asked where he lived and he responded, "the South Valley". She thought it odd that he didn't give her the exact address. He mentioned some of the roads nearby. She recalled Nehemiah saying something about Old Coors and Raven. She asked him what high school she would be

going to if he wasn't going to the military school in town. Alexia had told Joan Nehemiah was going to a military school. She's stated Nehemiah looked like he was attending a military school based on his dress and haircut. Nehemiah told Joan he would be going to Albuquerque high if he was going to APS. She said that didn't "sit right if he lived in the Southwest Valley, I knew better". She thought it would be the new high school, Rio Grande, or West Mesa. They continued talking and Nehemiah mentioned his grandpa serving in World War II, and an aunt or uncle serving in Vietnam. The way Nehemiah was talking bothered Joan. She stated he was talking, but in a way that was difficult to hear. She stated, "when they were sittin' in the back seat of the car. I could hardly hear him talk. It's like he wasn't opening his mouth to let the sounds out." She asked him more questions and she recalled him saying, "no, my parents were killed in a car accident a few days ago." She confirmed he had said, "a few days ago". Joan commented on how he or Alexia had mentioned a time frame of a month that he had been out on the street. Nehemiah told Joan he was living in the house alone, and the neighbors were taking care of him. She then asked him when the funeral services were. He told her she was getting a little too personal.

Joan mentioned Amanda telling her about a photograph of Nehemiah having shot his leg. She wasn't sure on the time frame of that photograph. She thought it might have been the previous weekend. Alexia wanted to go to church with her on Sunday because she hadn't seen Nehemiah on Saturday night when she went. She then corrected herself and said it was the previous Wednesday night that Nehemiah wasn't there.

Joan recalled telling Nehemiah she could get a hold of some people who could help him. She again talked about the guitarist from Calvary who spoke to Nehemiah at the beginning of the service. She found the guitarist to tell him what Nehemiah had told her. She read a text message on her phone from 6:28 PM. Alexia saw her going up to the stage and asked where she was going. Joan replied, "getting a program". She told the guitarist her concerns about Nehemiah. She told him about the photographs of his leg. She stated the guitarist performed and, at about 6:55 PM, came back and got her to go talk outside. The guitarist told her he knew Nehemiah's brother-in-law. Joan didn't realize Nehemiah had brothers and sisters because she had not asked him. She again referred to text messages from Alexia asking where she, Joan, was going when she left the service. The guitarist told Joan they were going to get the pastor, Justin.

Joan again referred to her text messages between her and Alexia at the end of the service. Alexia asked to meet her at the car and Joan told her to meet her at the coffee shop. Alexia asked her why and then told her, "Car please". They went back and forth about Alexia and Nehemiah waiting for her at the car. Joan stated she was trying to get them to stay at the coffee shop because she told the guitar guy they would hang around for Pastor Justin. Alexia got upset while they were in the bookstore because Joan had told someone about Nehemiah.

Alexia had told Joan Nehemiah's mom wouldn't let him date until he was 18. Joan didn't mind Alexia hanging out with a group of kids. She stated she told Alexia she couldn't date until she was 16.

This concluded my interview with Joan White.

No further involvement.

DETECTIVE SIGNATURE APPEARS ON LAST PAGE OF REPORT

Saturday, January 19, 2013

On the above stated date at approximately 2158 hours I was called out by Sergeant Brian Lindley to 2806 Long Road SW in reference to an alleged homicide involving a family of five. I arrived on scene at approximately 2345 hours and I was briefed an adult male, adult female, a juvenile male, and two juvenile females were deceased in the residence.

Sunday, January 20, 2013

At approximately 0415 hours I assisted the initial CSI Detective Miguel Rivas by video recording the scene (refer to Detective Rivas' report for further information). I observed a long driveway leading to a two story rock house with gray panels, detached garage, and a secondary detached one story stucco residence. The front entrance of both these residences faced north. The backyard had an empty swimming pool that did not appear to be maintained. The front porch had an opened door leading to a crawl space under the porch. As I entered the front door of the main residence, I did not observe signs of forced entry to the metal screen door or the wood front door. I also saw a set of keys in the front wood door knob. The front door led into the living room. On the east side of the room, beneath the stairway to the second floor, I observed a male victim later identified as Gregory Griego lying on the wood floor at the foot of the staircase. On the south side of the living room between the large couch and south of the staircase, I observed a casing. This casing appeared to be a .223 caliber casing. Another casing that appeared to be a .223 caliber casing was observed lying on the landing of the staircase. As I moved to the south side of the living room I entered what appeared to be another living/family room. The room had book shelves, couches, a large screen television, and musical equipment. To the west of the main living room was a small restroom with a sink and toilet. As I continued west through the house I observed a dining area and a kitchen north of the dining room. I observed a dining table and chairs that appeared to be dusty and covered with cleaning supplies and other bags. West of the dining area was a closet containing a dryer. The washer was pulled out into the dining area. Behind the dryer, in the closet, was a red heating lamp. I continued to video record the kitchen. As I made my way back through the main living room, I video recorded Gregory's body lying on the floor. I observed a defect to the right side of his head, just above his right ear. The back portion of Gregory's head appeared to have caved in. There was a pool of blood beneath Gregory's head and what appeared to be bone, blood, and brain matter on his left arm and surrounding area. I made my way up the staircase and recorded Gregory's body from the landing area of the

staircase and observed a defect to the top of his head. The casing was noted at the top of the landing area.

I continued up the stairs and made my way to the hall that leads to the bedrooms and overlooks the main living area. There were two bedrooms and a bathroom on the north side of the residence located on the second level. The master bedroom and master bathroom was located on the west side of the hallway. The first bedroom from the staircase belonged to Jael Griego (5 years of age) and Angelina Griego (2 years of age). Outside the doorway between the first and second bedroom was an ironing board. Beneath the ironing board, a small casing was located. The casing appeared to be a .22 caliber casing. Another small casing that appeared to be a .22 caliber casing was located at the threshold of Jael and Angelina's bedroom. Angelina was in her bed located in the southeast corner of the bedroom. I observed a small casing that appeared to be a .22 caliber casing at the foot of the bed and on top of the mattress. Another longer casing that appeared to be a .223 caliber casing, was located on the floor between the foot of the mattress and a plastic drawer container. Jael was lying in her bed located in the northeast corner of the bed. I observed what appeared to be blood stains against the north and east wall, comforters, sheets and on the pillow Jael's head was lying on. I continued to the next bedroom said to have belonged to the alleged offender identified as Nehemiah Griego and his younger brother, Zephaniah Griego (9 years of age). The light in this room was on prior to my arrival. This bedroom had a bunk bed on the south side of the bedroom. The next room to the north side of the hall was the bathroom that contained a double sink, toilet and bath tub/shower. Across the bathroom was a small linen closet.

I continued west into the master bedroom. I recorded the master bedroom that contained a bathtub, separate shower, and toilet. I continued to the master bedroom and observed the bed against the middle of the west wall and a dresser with a television on top located across the bed against the east wall. A small walk-in closet was located in the southeast corner of the bedroom. On the bed I observed Sarah Griego lying under the blankets and Zephaniah lying over his mother, Sarah, face down. On the floor between the foot of the bed and the dresser, I observed an empty gun bag and casing. The casing appeared to be a .22 caliber casing. I also observed a black rifle that appeared to be a shotgun leaning against the foot of the bed. At the base and on top of the bed was a blue, empty gun case. On top of the dresser, beneath the television were two empty 22 caliber LR ammo cases. As I crossed over to the south side of the bed, I saw two boxes of 12 gauge shotgun shells with some unspent shells on the floor. Another black rifle that appeared to be a shotgun was located leaning against the south side of the bed. I was able to get a view of Sarah's face from the south side of the bed. I saw what appeared to

be blood running from her nose and her right eye appeared to be bruised. I also saw what appeared to be blood to Zephaniah's face and tissue paper in his right hand. The tissue paper had a red substance that appeared to be blood. As I made my way to the walk-in closet, I observed an empty cardboard gun box that contained a gun luck with key. A box of buckshot shotgun shells was also located on a shelf in the closet. I completed video recording the scene at approximately 0506 hours.

I was asked by Sergeant Lindley to go to the Juvenile Detention Center (JDC) to take photos of Nehemiah Griego and collect some bullets found in Nehemiah's pockets. I arrived at the JDC and collected a total of eight .22 caliber bullets from Deputy McCutcheon (#349) at approximately 0629 hours. Deputy McCutcheon advised me the bullets were collected from Nehemiah. I took overall, midrange, and close-up photos of Nehemiah to include both sides of his hands. I observed Nehemiah to have a red abrasion to the front side of his neck. I also observed some type of black markings to the outer portion of his right hand.

I returned to the scene and secured the bullets in the CSI mobile crime lab. I continued to assist Detective Rivas on scene with evidence identifying markers. I cleared the scene at approximately 1115 hours for a few hours and was later asked to meet Detective Jamie Fassler at the Albuquerque Police criminalistics garage to process a light blue Chrysler Town and Country minivan bearing New Mexico license plate KXF-140. The minivan allegedly belonged to Gregory Griego. Detective Fassler took overall photos and processed the vehicle. The rear door of the van was opened where two rifles were located and several rounds of ammunition. One of the rifles appeared to be a black assault rifle and the other appeared to be a .22 caliber rifle with a wood stock. There were two assault rifle magazines with ammunition located underneath the passenger seat. Another assault rifle magazine with ammunition was located in the glove box. Several documents were also located in the van. I assisted Detective Fassler collect the Assault rifle, .22 caliber rifle, 3 Assault rifle magazines with ammunition, and the several rounds of ammunition located on the floor board of the rear portion of the van. Refer to Detective Fassler's supplemental report for further information.

I returned to the scene at 2806 Long SW and continued to assist Detective Rivas and Detective Fred Beers with measurements of the residence.

On this date, at about 2250 hours, I was contacted by Detective Miguel Rivas and requested to respond to a five person homicide at 2806 Long Ln SW. I arrived at 2806 Long Ln SW at about 2345 hours and made contact with Sgt. Brian Lindley. Sgt. Lindley told me to run laser scans of the crime scene once the video and photographs of the scene were completed. Detective Tim Sena video recorded the scene and Detective Miguel Rivas took photographs of the scene. See Detectives Sena's and Rivas' reports for further information about their investigations.

Once Detectives Sena and Rivas were complete, I ran six scans with the Leica ScanStation inside the house. The first scan was done in the master bedroom (southwest upstairs bedroom). The scanner was positioned in the southeast corner of the room (Scan One). There were two twin target poles setup in the room. One was setup on the center on the south side of the room (Target Pole Two) and the other was setup in the center on the north side of the room (Target Pole Three). The second scan was also done in the master bedroom on the south side in the center of the room (Scan Two). Another twin target pole was setup on the east end of the upstairs hallway (Target Pole One). The third scan was done in the upstairs bedroom on the north east side of the house (Scan Three). Another twin target pole was setup in the center of the north east upstairs bedroom (Target Pole Four). A fifth scan was done downstairs on the south west side of the great room (center downstairs room of house around stairs) (Scan Five). A twin target pole was set up on the south west side of the great room (Target Pole Five). Another twin target pole set up on the north east side of the great room (Target Pole Six). The last scan was done on the north east side of the great room (Scan Six).

I then went to the Sibrava Sub-station where I burned the six scans to DVD. Refer to Detective Dan Gaitan's report for further information regarding this case. There is nothing further to report at this time.

SYNOPSIS		On 01/19/2013 Deputies were dispatched to Raymac and Long Lane reference a suspicious juvenile who was claiming his family was deceased. The residence was found to be located at 2806 Long Lane. Found inside were five deceased people, three juveniles and two adults.													
NARRATIVE		On 01/19/2013 at approximately 2112 hours, Deputies were dispatched to the intersection of Raymac and Long Lane in reference to a suspicious juvenile. Dispatch advised the calling party was out with a juvenile who was stating his family was inside of the residence deceased. Upon hearing this Deputy C. Leeper and I responded to the area. Upon arriving Deputy Leeper and I contacted Deputies S. Cotton and A. Thomas, who had made contact with the calling party and the juvenile. Deputy Thomas advised the juvenile provided him with keys to the residence. Neither Deputy Leeper nor I spoke with the juvenile or the calling party. Deputies Cotton, Thomas, Leeper, Nance and I approached the residence in question to conduct a welfare check on occupants. The residence is located at 2806 Long Lane SW. The home is a two story detached residence. Also on the property is a second detached home and a barn. All of the structures use the same address of 2806 Long Lane SW. The Deputies and I approached the front door of the residence. As we walked on the front porch a access point to the basement was discovered. The trap type door was opened and announcements were made. We were unable to see inside of the basement from the porch. Deputy Nance was positioned there to ensure no one came out of the basement. Deputies Cotton, Thomas, Leeper, and I walked to the front door. Deputy Thomas rang the doorbell and knocked on the door. After no response, Deputy Thomas used the keys provided by the juvenile to open the security door and the front door. Once the door was open I gave several

LOCATION OF OCCURRENCE

loud, audible announcements identifying us as BCSO. After no response from inside, Deputies Thomas, Cotton, Leeper, and I entered the residence.

I was the first person in and upon entering I turned to the left (east side of residence). Along the east wall is a set of stairs. At the base of the stairs, on the main level, I observed an adult male subject lying face down. The male was clothed in tan pants, and a green in color pullover type jacket. He appeared to be of medium build with short brown hair. There was a pool of red liquid substance, consistent with blood, near the males head. The males head had obvious trauma, consistent with that of a gun shot wound.

I maintained a position at the base of the stairs while other deputies cleared the rest of the main floor. Once the main floor was cleared, we moved up the stairs. At the top of the stairs there is a hallway which runs east and west. Along the north side of the wall were several doors. Along the first section of the hallway, approximately ten feet, the south side of the hall is open to the main floor. After the first section there is a wall along the south side with a doorway. At the end of the hall is doorway which faces east. I was the first person to reach the hallway. Behind me were the other deputies.

Deputy Leeper and I entered the first doorway on the north side of the hall. As I entered I observed the room to be a bedroom. There were two small beds inside of the room. The beds were positioned along the east and south walls. Lying on each bed I observed a toddler aged female. Both girls were wearing pajamas and lying on their backs. Both had obvious trauma to their heads, consistent with that of gun shot wounds. Both beds had a red substance on them. The substance appeared to be blood. I observed what appeared to be blood on the walls behind each bed.

After ensuring no one else was inside of the room, Deputy Leeper and I exited the room and continued west bound down the hallway. Deputies cleared each doorway until we reached the room at the end of the hallway, with the door that faced east. Upon entering the room, I recognized it to be a bedroom (most likely the master bedroom due to the size of it). As I entered the room I observed a large sized bed positioned on the west wall. Lying in the bed was an adult female and a juvenile male. Both had obvious trauma to their heads, consistent with that of gun shot wounds. The female's body was under the covers and her head was on the pillow. She was positioned on the north side of the bed. I observed a red substance on the pillow, consistent with blood. The juvenile male was lying to the south of the female, resting right next to her body. The juvenile's body was under the covers, with his head on the pillow. There was a red substance on the pillow, consistent with blood.

On top of the covers of the bed, I observed what appeared to be a long gun case. The case was opened and an owners manual to a "Sig Sauer 556" rifle was on the foam of the case. I did not observe a firearm inside of the case. After ensuring no one else was inside of the room, the other deputies and I conducted a secondary search. A secondary search is a more detailed search to ensure no one is hiding inside of a closet or inside of cabinet. No one else was located inside of the residence.

The deputies and I exited the residence through the front door (where we entered). Deputy Leeper crawled into the basement and ensured no one was hiding inside. Deputies Leeper, Nance, and I cleared the back yard, again ensuring no one was there.

The deputies and I attempted to make contact with anyone at the other structures on the property. Inside of the other detached home Deputies contacted an adult female. She was very compliant and appeared to be surprised we were there. She allowed us access to her residence. While inside I did not observe any bloody clothing, bloody footprints, or firearms. No one else was found inside.

After clearing the second residence, Deputies Leeper, Nance, and I made our way to the barn. The door was shut, and secured with a piece a rebar metal from the inside. After unsuccessfully attempting to open the door, we began to give loud verbal announcements. An adult male subject (later identified as Anthony Robinson DOB 05/03/1968) came to the door. Robinson was wearing his underwear and a t-shirt. He appeared to have just woken up. Robinson was very compliant and appeared to be surprised we were there. He allowed us access to the residence. While inside I did not observe any bloody clothing, bloody footprints, or firearms. No one else was found inside.

Deputy Leeper and I escorted Robinson back into his residence so he could put proper clothes on. Once dressed, Robinson was escorted to our vehicle where he was seated inside. Robinson did not make any phone calls or make any statements about what had happened. Robinson asked numerous times what had happened, and appeared genuinely shocked when he learned of some what had happened.

The adult female living at the second residence was eventually moved into our vehicle. Both she and Robinson were transported to the BCSO main office for interviews with detectives. They were asked to not speak of the incident with one another while en route. Both complied with this request. Once at the main office, Robinson and the female were turned over to detectives for questioning.

On 01/19/2013 at approximately 2249 hours I heard Bernalillo County North Radio advise a north unit to check the area of Osuna and Washington RD NE in reference to a light blue in color Dodge Caravan, that was possibly connected with the scene at 2806 Long Ln SW. I located the vehicle, a light blue in color mini van (NM-KXF140) parked at 3939 Washington, facing south on the south bound side of Washington near Osuna. I walked up to the vehicle and checked for occupants, as I checked in plain view, in the rear of the vehicle behind the last seat I saw a black in color AR-15 style rifle, and another black rifle with a wood stock and several different rounds of ammunition. After seeing the vehicle was unoccupied I waited on scene until relieved by a North Graveyard Unit.

ORIGINAL VICTIM'S NAME (LAST, FIRST, MIDDLE)

DATE OF BIRTH

LOCATION OF OCCURRENCE

2806 Long Ln SW 87105

On January 19, 2013 at approximately 2112 hours I was dispatched to 2806 Long Ln because a male subject named Nehemiah Griego had made comments that his whole family was deceased. Deputies had already arrived and made contact with Nehemiah by the time I had arrived. I assisted in clearing the property of 2806 Long Ln. As we approached there was a detached garage that had an open door on the east side. We went inside and cleared the garage which was full of mattresses, clothes, and other various belongings.

Keys to the residence were provided and the doors had been locked from the outside. The exterior doors had wrought iron screens on them that had two locks on them, both were locked. Once the doors were opened announcements were made and deputies made entry. I waited outside holding on a door that was in the decking on the north end of the residence which went underneath the residence. Deputies had conducted the primary sweep of the residence and then the space underneath the door was also cleared.

I then assisted in a secondary sweep of the first floor. As we entered I observed a body of a male subject laying at the bottom of the stairs. The male's head was near the first step and he was facing towards the wall, away from the open living room. There was blood on the floor near the subject's head, it appeared that he had a gun shot wound to the head. Once we were finished clearing the first floor we exited the residence and secured it until detectives arrived.

There were also two other buildings on the property. The first was a residence that was just southwest of the primary residence. We made contact with the occupant of that residence. The occupant was later identified as Brenda Brooks, she was escorted off of the property. We also conducted a sweep of her residence. The third building was just south of Brenda's residence, it appeared to be a barn however Brenda stated that a male subject lives inside. We made contact with the occupant of this building, he was later identified as Anthony Robinson. He was also escorted off of the property and a protective sweep of his residence was conducted. The scene was then taken over by detectives.

ORIGINAL OFFENSE REPORTED			ORIGINAL VICTIM'S NAME (LAST, FIRST, MIDDLE)			DATE OF BIRTH	
LOCATION OF OCCURRENCE 2806 Long Ln SW 87105							

On January 19th, 2013 at approximately 2112 HRS I was dispatched to Raymac Rd. SW and Long Ln. SW in reference to a retired APD officer, Vince Harrison, who was approached by a 15-year-old boy that was concerned about his family. I arrived on scene and made contact with Vince. He advised me that the boy, Nehemiah Griego, had approached him at Calvary Church located on Osuna Rd. NE. Nehemiah told him that he had arrived home early on the above date and found his whole family dead inside. Vince then took Nehemiah to his residence at 2806 Long Ln. SW and stood by until deputies arrived on scene.

I then spoke with Nehemiah outside of Vince's vehicle. I immediately noticed that Nehemiah did not have any emotion as he told me what he saw. He stated that he spent the night at a friend's house on the previous date and that his friend had dropped him off at home at around 0600 HRS. Nehemiah then advised that he went inside and did not see anyone downstairs. He went upstairs to the bedrooms and found his parents and siblings "deceased." That was all that Nehemiah stated to me.

Nehemiah provided deputies with keys to the residence, which we used to make entry. Deputies announced our presence prior to entry, but had no response. We then cleared the inside of the residence. We made entry and immediately noticed a male adult on the floor near the staircase to our left that appeared to be dead from a gunshot wound to the head. We then went up the stairs where there were three bedrooms. While we cleared the upstairs portion of the residence, three young children and a female adult were found that also appeared to be dead. There were two girls, both between the ages of 2 and 4, that were found in their beds in the first bedroom from the staircase. The master bedroom was at the end of the hall and that was where a young boy, approximately 7-8, and a female adult were also found dead on the bed. All suspects appeared to have received gunshot wounds. In the master bedroom I noticed two, black shotguns leaning up against the bed. I also noticed several 12-gauge shotgun rounds on the floor next to the bed, along with an open rifle case that was laying across the female adult's legs.

The scene was secured and supervisors were advised of the situation. Homicide detectives and CSI later arrived on scene and took over the investigation. I stayed and helped keep the scene secure. I had no further involvement with the incident after that.

On 01-19-13 at approximately 2112 HRS I was dispatched to Long Ln and Raymac Rd in reference to a juvenile saying his family is deceased. Upon my arrival, Deputy Cotton had made contact with the calling party and juvenile later identified as Nehemiah Griego. I searched Nehemiah and put him in the back of my unit. I got Nehemiah's house keys and he showed me which keys opened the door. I unlocked the front security door and front door and entered the residence with other deputies. The front door did not appear to have any force entry. I cleared the kitchen area and living room, as we moved toward the staircase I observed a male subject laying on the ground with a gun shot to the head area. He was laying on the ground before the first step of the staircase. We moved up the stairs to clear the rest of the house and I cleared the bedroom with bunk beds that were empty. We conducted a secondary search of the house and I cleared the upstairs restroom and the girls room where I observed two young females laying in bed with blankets still covering their bodies. I went back to the unit where I had Nehemiah and stood by till detectives arrived on scene. Nothing else to report.

STATE OF NEW MEXICO SUPPLEMENTAL REPORT		ORIGINAL OFFENSE DATE 01/19/2013	SUPP. DATE 01/19/2013	CASE NO.	INC. NO. LSO13-604667	PAGE 3	OF 3
ORIGINAL OFFENSE REPORTED Murder		ORIGINAL VICTIM'S NAME (LAST, FIRST, MIDDLE)				DATE OF BIRTH	
LOCATION OF OCCURRENCE 2806 Long Ln SW 87105							

On 01/19/2013 at approximately 2249 hours I was dispatched to the area of Osuna Rd and Washington St NE in reference to a light blue Dodge Caravan in the area that was related to an incident at 2806 Long Ln SW. Deputy Alton Smith (266) located the blue Dodge Caravan, bearing NM license plate KXF140 on Washington St NE just to the east of the US New Mexico Federal Credit Union located at 3939 Osuna Rd NE. The vehicle was facing southbound on Washington and was on the west side of the roadway. Deputy Smith stated that he looked into the vehicle from the outside to ensure no one was inside. I walked up to the Dodge Caravan with Deputy Smith and looked into the vehicle with him from the outside. Inside the Dodge Caravan in the rear of the vehicle behind the last row of seats I observed 2 rifles lying on the floorboard in plain sight. One rifle was black and appeared to be an AR-15 style rifle with an EO-tech optic. The other rifle had a wood stock and appeared to possibly be .22 caliber. On the floorboard by the 2 rifles I observed loose ammunition that appeared to possibly be .22 caliber. I remained on scene until I was relieved by Deputy Terry Matthews (172) at approximately 0116 hours on 01/20/2013. I had no further involvement in the investigation.

On 01/20/2013 at approximately 0158 hours, I was dispatched to the main to relieve deputies. When I arrived at the main I assisted in keeping the area secure and watching individuals that had been brought in for the investigation being conducted. After the detectives were finished and released those individuals I was then tasked with watching Nehemiah Griego. Once Nehemiah was ready to be transported to the Juvenile Detention Center (JDC), I transported him. While conducting a search of Nehemiah's person while booking him into the JDC eight .22 caliber rounds were found in the lower cargo pockets of his pants. I kept these rounds in my possession until I turned them over to Tim Sena (325) at 0629 hours. After Nehemiah was booked into JDC I left with no further incident.

CRIMINAL COMPLAINT

The undersigned, under penalty of perjury, complains and says that on or about the 19 day of 2013, in the County of Bernalillo, State of New Mexico, the above-named defendant(s) did commit the above Offense(s) (here state the essential facts):

On January 19, 2013 Deputies were dispatched to 2806 Long Ln. SW in reference to a possible homicide. The calling party, Vince Harrison stated a juvenile, Nehemiah Griego, that attends his church informed church staff that his family was dead inside his house. When deputies arrived on scene they used a key provided by Nehemiah to unlock the front door of the residence. When deputies did a protective sweep of the residence they saw a deceased adult male with a gunshot wound to the head in the living room at the base of a stair case. Deputies stated they also found two deceased females in an upstairs bedroom that appeared to have gunshot wounds to the head. Deputies then went to the master bedroom of the residence and saw a deceased adult female on a bed with a gunshot wound to the head. Next to the deceased female was a deceased juvenile male with a gunshot wound to the head. Deputies then secured the scene and Nehemiah was brought to 400 Roma NW for questioning.

I read Nehemiah his Miranda Warning and asked if he wanted an adult present during questioning. Nehemiah stated he understood his rights and he did not want an adult or lawyer present during the interview. Nehemiah first stated that he went to a friend's house on January 17, 2013 and returned home at approximately 0530 hours on January 19, 2013. Nehemiah stated when he arrived home the front door was locked and when he entered the residence he saw his father's "carcass" on the bottom level of the residence. Nehemiah said he went upstairs and found both of his sisters dead inside their bedroom. Nehemiah then went to his mother's room where he said he saw his mother and brother dead on top of his parent's bed. Nehemiah said after discovering the bodies he removed car keys from his mother's purse and drove the family's van to Calvary Church. When Nehemiah arrived at church he stated he told his girlfriend that his family was dead and they had been killed in a car crash. Nehemiah said his girlfriend's grandmother began asking questions and he was later called into his pastor's office.

I asked Nehemiah why he did not call 911 after he discovered the bodies and he said he panicked. I was informed that in the cargo area of the van that Nehemiah drove two rifles and ammunition were seen in plain view. I asked Nehemiah about the rifles inside the van and Nehemiah stated that his father may have placed the guns in the cargo area of the van. Nehemiah then changed his story and stated he placed the rifles in the cargo area of the van because he wanted protection from whoever may have murdered his family. Nehemiah described the two rifles as being an AR-15 assault rifle and a .22 rifle with a scope. I asked Nehemiah if he had shot any

weapons recently and Nehemiah stated that he shot the two rifles "in anger" outside of his residence after finding his family dead. I asked Nehemiah if he had touched any other weapons in the residence and he stated he attempted to load a shotgun and had touched another shotgun in the bedroom where his mother and brother were killed. I asked Nehemiah if he had touched anything else in the residence and Nehemiah stated he had picked up spent bullet casings. Nehemiah stated the spent casings were .223 and .22 caliber rifle rounds.

I informed Nehemiah that much of the information he was providing was not making sense and that he needed to be truthful. Nehemiah then stated that he had anger issues and he was annoyed with his mother. Nehemiah stated that he had been having homicidal and suicidal thoughts so around midnight he retrieved a .22 caliber rifle from his parent's closet and shot his mother in the head while his younger brother slept next to her. Nehemiah said his nine year old brother woke up after the gunfire and he told his brother that their mother was dead. Nehemiah stated his brother did not believe him so Nehemiah picked up his mother's head to show his brother her bloody face. Nehemiah stated his brother became upset so he shot his brother in the head with the same rifle used to kill his mother. After Nehemiah killed his mother and brother, Nehemiah stated he lost his sense of conscience and went to the bedroom his two younger sisters share. Nehemiah stated when he entered he noticed that his sisters were crying and he shot both of them in the head.

Nehemiah stated his father was not home at the time so he retrieved the AR-15 rifle from his parent's closet and waited for his father to arrive home. Nehemiah said he waited in a bathroom on the bottom floor of the residence until approximately 0500 hours when his father got home. Nehemiah stated he hid and waited until his father had walked past him and he then shot his father multiple times with the rifle. Nehemiah said after killing five of his family members he reloaded the weapons so that he could drive to a populated area to murder more people. Nehemiah stated he wanted to shoot people at random and eventually be killed while exchanging gunfire with law enforcement. I asked Nehemiah if he had told anyone else about murdering his family and he stated he had taken a picture of his deceased mother and sent it to his girlfriend. Nehemiah stated he did not tell anyone other than his girlfriend and detectives about murders. On January 20, 2013 Nehemiah was placed under arrest after the interview was completed.

AFFIDAVIT FOR SEARCH WARRANT

Detective Adam Gaitan, being duly sworn, on his oath, states that he has reason to believe that in the following described facility contains evidence of crimes. The residence to be searched is located at 2806 Long Lane SW. The numerics "2806" are affixed to a covered driveway. The residence is a two-story house with blue trim. The top half of the residence is gray panel and the bottom half is rock faced siding. The front door and five windows face to the north. There is also a secondary residence on the property that is detached from the main residence. The secondary residence shares the address of 2806 Long Lane SW and is a single story, gray stucco house with blue trim. The door and one window of this structure also face north. The property is surrounded by a wooden fence. The residence is currently being secured by the Bernalillo County Sheriff's Department field units.

The Affiant will be present during the service and execution of this warrant.

IN THE ABOVE DESCRIBED COUNTY AND STATE THERE IS NOW BEING CONCEALED A CERTAIN PROPERTY, NAMELY:

Any and all drawings or writings. Any and all firearms, to include, but not limited to: automatic pistols or revolvers, long rifles or shotguns; any ammunition, live or spent, any and all boxes and/or containers that may hold said items; any and all gun cleaning equipment and any and all paperwork that may show ownership or possession of said firearms. Any and all human trace evidence, relating to this crime, such as body fluids, body tissue, hair, hair follicles, bone, fingerprints or bone fragments. Any and all clothing or clothing fibers which may be related to this crime. Any and all blankets, sheets, linens, towels, any other fabric item that may contain evidence. Affiant also requests permission to perform any necessary testing or procedures to include dismantling in order to retrieve any and all physical and trace evidence, including: police video taping and photographing of aforementioned dwellings, curtilages, and contents of evidence therein.

WHICH HAS BEEN OBTAINED OR IS BEING POSSESSED IN A MANNER WHICH CONSTITUTES A CRIMINAL OFFENSE, IS DESIGNED OR INTENDED FOR USE OR WHICH HAS BEEN USED AS A MEANS OF COMMITTING A CRIMINAL OFFENSE AND WOULD BE MATERIAL EVIDENCE IN A CRIMINAL PROSECUTION. THE FACTS TENDING TO ESTABLISH THE FOREGOING GROUNDS FOR ISSUANCE OF A SEARCH WARRANT ARE AS FOLLOWS:

Affiant states that he is a full-time, salaried, law enforcement officer, currently employed with the Bernalillo County Sheriff's Department, assigned to the Criminal Investigations Division, Homicide Unit. Affiant has accumulated approximately 10 years of law enforcement experience. During the course of Affiant's law enforcement career, Affiant has received classroom and on-the-job training in the investigations of violent crimes and homicide.

On January 19, 2013 deputies were dispatched to 2806 Long Ln. SW in reference to a possible homicide. The calling party, Vince Harrison stated a juvenile, Nehemiah Griego, that attends his church informed church staff that his family was dead inside his house. Next to the deceased female was a deceased juvenile male with a gunshot wound to the head. Deputies then secured the scene and Nehemiah was brought to 400 Roma NW for questioning.

reloaded the weapons so that he could drive to a populated area to murder more people. Nehemiah stated he wanted to shoot people at random and eventually be killed while exchanging gunfire with law enforcement. Affiant asked Nehemiah if he had told anyone else about murdering his family and he stated he had taken a picture of his deceased mother and sent it to his girlfriend. Nehemiah stated he did not tell anyone other than his girlfriend and detectives about murders.

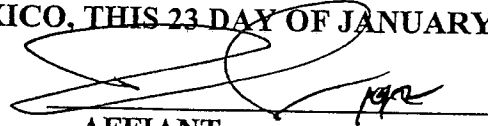

On January 20, 2013 Nehemiah was arrested and booked into the Bernalillo County Juvenile Detention Center after his confession.

On January 23, 2013 the Bernalillo County Sheriff's Department was notified by a cleaning business, "Aftermath" tasked with cleaning the crime scene. The cleaning staff stated that while inside the residence they had seen a note pad that had drawings with what appeared to be a child holding a rifle and pointing it at an adult who was wearing a hat with a cross. Through Affiant's investigation it was found that Nehemiah's father, Greg Griego was a pastor at a local church and also did work in "God's pod" at the Metropolitan Detention Center. In the same note pad cleaning staff noticed writing that said what they thought was "5 ways to kill people." The note pad was left inside the residence pending authorization of a search warrant.

SEARCH WARRANT

Affiant states that he is a full-time, salaried, law enforcement officer, currently employed with the Bernalillo County Sheriff's Department, assigned to the Criminal Investigations Division, Homicide Unit. Affiant has accumulated approximately 10 years of law enforcement experience. During the course of Affiant's law enforcement career, Affiant has received classroom and on-the-job training in the investigations of violent crimes and homicide.

On January 19, 2013 deputies were dispatched to 2806 Long Ln. SW in reference to a possible homicide. The calling party, Vince Harrison stated a juvenile, Nehemiah Griego, that attends his church informed church staff that his family was dead inside his house. When deputies arrived on scene they used a key provided by Nehemiah to unlock the front door of the residence. When deputies did a protective sweep of the residence they saw a deceased adult male with a gunshot wound to the head in the living room at the base of a stair case. Deputies stated they also found two deceased females in an upstairs bedroom that appeared to have gunshot wounds to the head. Deputies then went to the master bedroom of the residence and saw a deceased adult female on a bed with a gunshot wound to the head. Next to the deceased female was a deceased juvenile male with a gunshot wound to the head. Deputies then secured the scene and Nehemiah was brought to 400 Roma NW for questioning.

Affiant read Nehemiah his Miranda Warning and asked if he wanted an adult present during questioning. Nehemiah stated he understood his rights and he did not want an adult or lawyer present during the interview. Nehemiah first stated that he went to a friend's house on January 17, 2013 and returned home at approximately 0530 hours on January 19, 2013. Nehemiah stated when he arrived home the front door was locked and when he entered the residence he saw his father's "carcass" on the bottom level of the residence. Nehemiah said he went upstairs and found both of his sisters dead inside their bedroom. Nehemiah then went to his mother's room where he said he saw his mother and brother dead on top of his parent's bed. Nehemiah said after discovering the bodies he removed car keys from his mother's purse and drove the family's van to Calvary Church. When Nehemiah arrived at church he stated he told his girlfriend that his family was dead and they had been killed in a car crash. Nehemiah said his girlfriend's grandmother began asking questions and he was later called into his pastor's office.

Affiant asked Nehemiah why he did not call 911 after he discovered the bodies and he said he panicked. Affiant was informed that in the cargo area of the van that Nehemiah drove two rifles and ammunition were seen in plain view. Affiant asked Nehemiah about the rifles inside the van and Nehemiah stated that his father may have placed the guns in the cargo area of the van. Nehemiah then changed his story and stated he placed the rifles in the cargo area of the van

because he wanted protection from whoever may have murdered his family. Nehemiah described the two rifles as being an AR-15 assault rifle and a .22 rifle with a scope. Affiant asked Nehemiah if he had shot any weapons recently and Nehemiah stated that he shot the two rifles "in anger" outside of his residence after finding his family dead. Affiant asked Nehemiah if he had touched any other weapons in the residence and he stated he attempted to load a shotgun and had touched another shotgun in the bedroom where his mother and brother were killed. Affiant asked Nehemiah if he had touched anything else in the residence and Nehemiah stated he had picked up spent bullet casings. Nehemiah stated the spent casings were .223 and .22 caliber rifle rounds.

Affiant informed Nehemiah that much of the information he was providing was not making sense and that he needed to be truthful. Nehemiah then stated that he had anger issues and he was annoyed with his mother. Nehemiah stated that he had been having homicidal and suicidal thoughts so around midnight he retrieved a .22 caliber rifle from his parent's closet and shot his mother in the head while his younger brother slept next to her. Nehemiah said his nine year old brother woke up after the gunfire and he told his brother that their mother was dead. Nehemiah stated his brother did not believe him so Nehemiah picked up his mother's head to show his brother her bloody face. Nehemiah stated his brother became upset so he shot his brother in the head with the same rifle used to kill his mother. After Nehemiah killed his mother and brother, Nehemiah stated he lost his sense of conscience and went to the bedroom his two younger sisters share. Nehemiah stated when he entered he noticed that his sisters were crying and he shot both of them in the head.

Nehemiah stated his father was not home at the time so he retrieved the AR-15 rifle from his parent's closet and waited for his father to arrive home. Nehemiah said he waited in a bathroom on the bottom floor of the residence until approximately 0500 hours when his father got home. Nehemiah stated he hid and waited until his father had walked past him and he then shot his father multiple times with the rifle. Nehemiah said after killing five of his family members he reloaded the weapons so that he could drive to a populated area to murder more people. Nehemiah stated he wanted to shoot people at random and eventually be killed while exchanging gunfire with law enforcement. Affiant asked Nehemiah if he had told anyone else about murdering his family and he stated he had taken a picture of his deceased mother and sent it to his girlfriend. Nehemiah stated he did not tell anyone other than his girlfriend and detectives about murders.
