

THE CALL GOES OUT

This is a callout to all of those BRAVE FEW who are ready to UNITE and together build a new WHARE that will ALWAYS put our TAMARIKI FIRST

- Carlene Louise

“FOR THE PEOPLE, BY THE PEOPLE”

Some say we are living in the times of Revelations.. That in the coming days, that which has been hidden in THE DARK will be surely bought into THE LIGHT.

The quiet CHAOS happening all over the world is deafening the minds of many, while a brave few continue holding the line. The people that will join us along this hikoi are just some of those BRAVE FEW who heeded the CRY of our TAMARIKI, both domestically and internationally.

For me, an unlikely REAL LIFE STORY that lead to the dismantling of multiple child sex trafficking rings, the arrest of multiple 'PEODOPHILES' but most importantly, the rescue of many children, right here in Aotearoa - this saw the creation of Save Our Children.

BUT this REAL LIFE STORY is continuous and the work that needs to be done is of the GREATEST IMPORTANCE. With a BROKEN Child and Family Welfare Service, a BROKEN Justice System and a BROKEN Government....

... our TAMARIKI need us NOW more than ever!!!
