## Students' Safety Still Major Issue At The High School

by Kathy Giordano

The Charlestown High School Parents Council met on Jan. 22 with the school's administration to discuss safety issues at the school. The meeting was held at Bunker Hill Community College to facilitate access to the meeting for parents traveling from outside the community. This effort resulted in an increase in the council's attendance and the inclusion of minority parents.

CHS Headmaster Stacey Johnson, Assistant Headmaster Marilyn Corsini and Discipline Officer Val Shelly met with the parents. Also on hand were Boston Police Officer Jim McNamara; Mayor's Office of

Neighborhood Services Charlestown Liaison Judy Evers; Father Ron Coyne, CYO Director; and Neighborhood Council members Peter Looney, Mel Stillman, Bob Scalli and Bob Wallace. Edward Pitts from the Citywide Parents Council added his expertise to the meeting.

Parents repeated their requests to have a dress code enforced at the school and metal detectors installed at each entrance to the building. The dress code, they stated, would eliminate the intimidation resulting from students wearing oversized coats that could conceal a weapon. According to the parents, metal detectors placed at each door would

prevent weapons from being carried into the school.

Johnson admitted that wearing coats in school is not only unhealthy but also deters the student's academic performance. He stated that imposing a dress code is up to each individual school and that he would continue to consider its enforcement at the high school.

He also informed the parents that all school lockers are in the process of being repaired and new locks installed. He was also agreeable to considering designating a room in the school with adequate locks that could be used to store these coats during the day.

It was also reported to the members of the parents council that the faculty voted 67 to 33 percent against the placing of metal detectors in the school. Johnson stated that beepers have been installed at each door to signal an alarm if a stu-

## Hundreds Attend Community Prayer Service

by Kathy Giordano

The Charlestown community paused last Sunday to gather at St. Mary's Church on Warren Street to pray for the servicemen and women serving in the Persian Gulf and for peace to come to that area of the world.

The USS Constitution Color Guard and Park Rangers from the National Park Service stationed in the National Historical Park in the Charlestown Navy Yard, led the procession of clergy, religious, political and community representatives to the altar before an estimated crowd of 300 participants. The hour-long service was sponsored by St. Catherine of Siena, St.

Francis de Sales and St. Mary's churches, whose parishioners joined the congregations from St. John's Episcopal Church, the First Baptist Church and the First Church in Charlestown in common prayer.

Kneeling, elbow to elbow throughout the church were veterans and parents of servicemen, children and senior citizens, community activists and teen-agers, and many families, friends and neighbors of Charlestown servicemen taking part in Operation Desert Storm.

Rev. Robert Burns, parochial vicar of St. Mary's parish, organized and led the service. Sen. Tom Birmingham and Capt. David Cashman, commanding of-

ficer of the USS Constitution, read scriptural verses. Spiritual hymns and patriotic songs led by Stephen Lee, musical director, and Theresa Roberts, soloist from St. Mary's parish, were interspersed between the readings and the recitation of the Rosary.

The deliberate and graceful manner in which Sister Ann Marie O'Malley, C.S.J., read the list of 19 names of Charlestown servicemen who represent each branch of the military serving in the Gulf, emotionally touched each person in attendance.

Participants in the service also included Rev. Daniel Mahoney, pastor of St.

## Bunker Hill To Hold 'Evening At The Hampshire House'

Bunker Hill Community College will hold its second annual "Evening at the Hampshire House" on Thursday, Feb. 7 to raise funds for the scholarship endowment program.

"This is an exciting and important event for the college and all of its benefactors as we join to celebrate the accomplishments of the college through its faculty and students," said Piedad Robertson, president of BHCC. "The 'Evening at the Hampshire House' is especially vital to us as we work to offset the impact of budget cuts caused by the state's fiscal crisis."

Proceeds from the event, which is sponsored by Thomas Kershaw, owner of The Hampshire House, and by the board of directors of the Bunker Hill Community College Foundation Inc., will be matched dollar-for-dollar by a Challenge Grant from the U.S. Department of Education. The Foundation needs to raise \$100,000 in order for the matching grant to take effect. BHCC is one of only 33 colleges nationwide selected to participate in this Federal Matching Challenge Grant Program.

The highlight of the evening will be a multi-course gourmet dinner prepared by students of the college's Culinary Arts Program under the supervision of

Hampshire House Executive Chef Neal Solomon and the BHCC culinary arts faculty, led by Chairperson Arther Buccheri. BHCC Dean James Ware and Attorney Paul Losordo, committee chairman for the event and a member of the BHCC Foundation, have also helped make the event possible. Entertainment will be provided by the BHCC Jazz Ensemble led by Tim McLaughlin, chairman of the Communication Department.

Tickets for the event are \$150. For more information, contact Thomas Wylie at 241-8600, ext. 410.

## Reunion

Charlestown High School Class of 1971 will hold a planning meeting for its 20th reunion. The meeting will be held at 7 p.m. on Wednesday, Jan. 30 at in the back room at Papa Gino's in the Bunker Hill Mall.

## Students' Safety Still Major Issue At The High School

to stay with it. He added that the students will see it their way eventually.

Father Coyne added his support to the parents working for the safety of the students: He noted that if students don't go along with good behavior, they should be removed from the school.

A constant worry to the parents of the high school students has been the repeated reports that a certain number of students at the school not only have criminal records, but are presently serving time at a criminal institution. This was not denied by the headmaster, but no specific information on these students would be given. However, during further discussions, it was admitted

that the Department of Youth Services has five clients at the school.

Johnson told the parents that a DYS social worker would go to the School Department at Court Street for a school assignment for a client and the first available seat would be given to that client. If that seat is at Charlestown High School, he stated, the student would be assigned to this school. He added that the school administration takes all the steps they can if these students are assigned to CHS.

Officers said that their attempts to get other parents involved in the council has not worked. Notices to

Tuesday night's meeting were sent out in English, Spanish and Chinese, and the location of the meeting was moved to the college, adjacent to the Community College stop on the MBTA's Orange Line.

The council voted unanimously to enforce a dress code at the school and to have metal detectors installed at the entrances to the building. They also said they would continue to meet on the second Tuesday of each month and notices of these meetings would be placed in **The Charlestown Patriot** and newspapers in other neighborhoods represented by the student body.

### MAXIMIZING THE APPEAL OF YOUR STORAGE SPACE

Most people never feel like they have enough closets no matter how much storage they have. This is one reason why our buyers place ample storage space fairly high on their new home wish lists.

One of the minor indignities our sellers face is having prospective buyers open up all the closets, not to snoop, but to see how big each one is. Even if a closet is enormous, they won't be especially impressed if, upon opening the door, a wall of laundry, old shoes and other junk comes tumbling around their feet. Because closets are so important to our customers, it's important to have them as uncluttered and well-organized as possible while your property is on the market. If you have too many items in your closets to hold, consider having a yard sale, or you could make a trip to the Salvation Army's nearest thrift shop with your tax-deductible contribution.

When you finish with your closets, attack any junk or messes in the basement or attic. Whatever amount of storage space you have, it will look much more attractive if you clean it out.

If you are considering a move, contact the professionals at **Monument Properties**. Call us at 241-5900, or stop by our office at 85 Warren St., Charlestown.

## Charlestown Recycling Committee News

by Mary G. Lynch

A group of Charlestown residents are working to make recycling easier for the neighborhood. At its Jan. 7 meeting, the committee reviewed steps already taken and discussed plans for future activity.

The Charlestown Recycling Committee manned a table at the Christmas Walk to distribute information and collect signatures for a petition of concerned citizens who support the efforts of the city of Boston to encourage recycling and make it easier for the neighborhoods. The committee hopes to work with the city in establishing a collection station for recyclables in Charlestown and eventually curbside separation of recyclables. Already the city has begun a pilot curbside program in Jamaica Plain. Over 100 signatures have been collected on the petition so far. If you would like to sign, there are copies of the petition at the Charlestown Branch Library and at the three locations of Tuttle Cleaners in Charlestown.

The first step in making recycling easier for Charlestown has been taken already. A car-pool has been

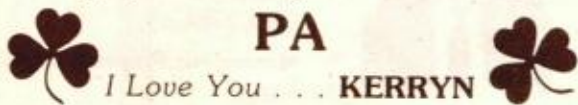

set up to aid citizens in taking recyclables to existing city collection centers in other areas. This makes the trips easier for all concerned and it makes recycling possible for those without cars. If Charlestown citizens show their willingness to participate in car-pools, it demonstrates to the city that residents will be likely to use a collection site or participate in curbside recycling. This can help encourage the city to establish such programs here. Anyone interested in joining the car-pooling effort should contact Janet Shea at 242-1620.

The committee would also like to encourage business recycling. Farshad Sayan of Tuttle Cleaners spoke at the meeting about their recycling efforts. Tuttle has joined with Environmental Resins Ltd. to collect and reprocess plastic garment bags. Customers can return garment bags after removing pins, tags and hangers. The plastic will be used in manufacturing more bags. Other environmentally responsible practices at Tuttle and some other cleaners are the use of closed cleaning machines which do not vent fumes to the outside and non-petroleum-based cleaning fluid.

The city of Boston has recently passed an ordinance requiring that 20 percent of all garbage be recycled citywide by fiscal year 1992. John McCarthy, recycling coordinator, will speak on the impact of this new ordinance and on other city recycling programs at the next committee meeting on Monday, Feb. 4 from 7 to 8:30 p.m. at the Mary Colbert Apartments, 20 Devens St. (side entrance). If you'd like to join the committee or just find out more about what you can do to recycle, please come.

Call Peter Jones at 241-0425 or Kathy Callahan at 242-3512 for information.

## Boys Club Trivia

by Charlie McGonagle

### Questions . . .

- Who were the two men who ran the boxing program during the late forties and early fifties?
- The librarian of the fifties' first name was Ethel. What was her last name?
- What was Gene McCarthy's job?
- One of the more appropriate names of the vocational class instructors was Mr. Woods. Why?
- What was the difference between the midget-junior hard tickets and the intermediate hard tickets?
- How much time on a pool table did a nickle buy you?
- If you were a midget or junior going to the gym, how much did it cost to secure a locker, a key, a towel and a pair of gym shorts?
- If you were an intermediate, what did the above cost?
- What was the color of all Boys Club gym shorts?
- What was KICKAPOO JUICE? Where was it sold? By whom?
- Back when the club was open six days a week, the membership could not use the swimming pool on Monday. Why?
- How did a swimmer advance to GROUP TWO?
- What were the names of the two caddie camps the club once sent members to?
- What were the names of the two summer camps the club sent members to?
- That one should be fairly easy, but what was the name of the girls camp which was affiliated with the above two?
- What were the two vocational classes located off the gym locker room?
- When checking your coat in the old "coat room," what was used as a "coat check."
- One of the most infamous of all Boys Club punishments was having your "number circled." Who was the man who invented, perfected and carried out the punishment to the very letter of the law?
- All vocational classes ran from October to April. How much did it cost to join each class?
- Name at least five vocational classes you might join for the above-mentioned fee.
- After descending the stairway to the swimming pool, one would encounter a unique type of door separating the hallway from the swimming pool locker room. How did it work? What color was it? Of what material was it made?
- And here is one for you. Other than being practically useless, what was the unique feature of Boys Club toilet paper?
- From the main lobby, one could walk straight ahead into the midget-junior room, or turn right to go down to the pool, or up to the second floor. What was located just to your left when leaving the main lobby?
- "Six Foot" was a Bunker Hillbilly. Why was he so named, and what was his real name?
- Can anybody recall the name of the member referred to as "Professor"?

- And finally, here are some names of former Boys Club staff workers. How many can you associate with a particular department?

Jim Smith, Louis Zeramby, Dave Jackson, Stan Sokol, Sam Aaronson, Keith Parker, Fiore Masse, Herbie Doherty, Harvey Brooks, Mr. Campbell, Rose DeSimone, Joe "Gunn" McGonagle, Marty Fabiano, Bob Munstedt, Don Murray, Charlie Clabaugh, Noreen Manning Ridings, Jim Woods, Arthur Geller, Francis Powers, Richie O'Neil, John Mahoney, Nellie's sister Ann, Bobby Smith, Walter Wilkens, Jim Kerrigan, Matty Burke, Clyde Washington, Steve Bethge, Bill Wentworth, "Buzz" Kearns, Brian Doris, Mr. Magistrelli, Mr. Hyde, Minnie Towle, Jack McKettrick, Chuck Fabiano, Larry Santapaul, Arthur T. The above list contains more than 70 names. Of the 70, I had the good fortune of working for or beside more than 60. The remaining 10 or so were people who were part of the Boys Club staff prior to my years of employment with the organization.

As the list has been taken strictly from memory, I am sure some of the people you knew in your years at the club have been inadvertently omitted. I apologize for any oversight.

### St. Francis De Sales School News

#### Special Mass For Peace . . .

On Jan. 17, a Special Mass for Peace was offered at St. Francis de Sales Chapel for the faculty, staff and students of the school.

Rev. Daniel J. Mahoney, pastor, celebrated the Mass for Peace which was offered for all members of the Armed Forces serving in Operation Desert Storm, but in particular for those from St. Francis de Sales Parish and school alumni who are serving in the Middle East: Lt. Col. James O'Donnell, uncle of Michael Collins, grade-seven student; the nephew of Father McConnell; the nephew of Mrs. Bergstrom, grade-one teacher; the grandnephew of Miss Ranaghan, grade-four teacher; and the cousin of Miss Munsey, grade-five teacher. The entire school participated in this special Mass for Peace and as a school family prayed the Prayer of Peace together as part of the Prayer of the Faithful.

Representatives of the eighth-grade class participated in the Liturgy. Erin Blaikie, Corey Gallagher and Kristin Connolly did the readings; Mark Lind, Michael Lynch and Joseph Black were the altar servers; Sean Getchell, Eric

Ridlon, Kathleen Murray and Carol Ann Sheehan presented the gifts; and Dennis Strazzullo and Patrick Healey were the greeters.

The Chapel was opened from 7 a.m. until 5 p.m. for anyone who wanted to make a visit and spend some time in prayer.

The hotline is open Monday through Friday between 9 a.m. and 5 p.m.

★ **Telephone Service Interruptions** — A number of residents throughout the community have reported that telephone service to their homes had been lost since Saturday, Jan. 19. Complaints came from various sections of the community with no particular block of homes or streets experiencing problems. One resident stated that while her phone service was out, her first floor tenant had experienced no problems.

The New England Telephone Co. reported that 50 complaints had been received from Charlestown residents. According to Richard Colon, public relations manager for Charlestown, the service failure originated in a manhole at Devens and Main streets where telephone wires became saturated after a recent rain storm. He said that men have been working for three days to dry out these lines.

Although some service has been restored, Colon said that this was the only "cluster failure" although there may be sporadic failures in various areas.

Colon expected that all service to the community would be restored by Jan. 24, noting that the process of drying out the lines is always slow.

**Charlestown Scouts Winter Camping**

by **Fernando Laguarda**

Troop 2, Charlestown, Boy Scouts of America, learned a bit about Old Man Winter this past weekend. Local scouts spent two days at the Greater Boston Council's Sayre Training Reservation in the Blue Hills. Among the many activities over the weekend was a nature hike during which scouts explored the woods in search of a local spring and tracked wildlife along the way. Scoutmaster Pete Jones explained several methods of winter camping including tents, Adirondack "lean-tos," and cabins. New scout Eric Avasalu passed the requirements for his Scout badge and earned the BSA Totin' Chit card after demonstrating proper handling of wood tools. The troop feasted on its special-recipe beef stew and enjoyed a varied menu, including whole watermelon for dessert on Sunday afternoon. All cooking was done by the scouts.

The Boy Scouts offer boys ages 10½ to 17 the opportunity to explore the outdoors and enjoy the benefits of membership in a worldwide organization that promotes good citizenship, personal development and friendship with others. The troop goes camping or hiking every month, and upcoming events include a Klondike Derby winter camporee with hundreds of scouts from the Boston area, camping in the mountains of the White Mountain National Forest and summer camp in New Hampshire.

Troop 2 is Charlestown's own, sponsored by Bunker

Hill Post 26, American Legion. The troop is about to begin its spring recruiting drive and reminds boys and their parents that it's never too late to join. For more information, contact Scoutmaster Peter Jones at 241-0425 or Troop Committee Chairman Arthur Hurley at 242-2724.

## Update . . . Operation Desert Storm

by Kathy Giordano

★ **Birthday Wishes** . . . go out to two "Townies" stationed in and around the Gulf. Bob Borden will be celebrating his birthday on Jan. 26th and Scott Slavin will turn 33 on the 28th aboard the **USS Curts**.

★ **Word** . . . that Ralph Rizzo had been sent to Saudi Arabia was a bit premature. Ralph is presently recuperating from a broken ankle while stationed in the Philippines.

★ **Jim Borden** . . . tells us that efforts to have brother Bob's favorite radio fixed and returned to him on the sands of Saudi Arabia has awakened his eyes to how wonderful people can be. Jim informs us that Boston Transformer in Revere not only restored the transformer, but did it free of charge. Under the guidance of Bud Bacon at the shop, the workmen took turns bringing the item home to work on until it was restored to its original working condition. Thanks Bud, to you and your fellow employees.

★ **Efforts Are Underway** . . . to collect signatures on a Valentine's card for all Charlestown servicemen in the Gulf region. Drop by the **Patriot** office weekdays 9 a.m. to 5 p.m. by Friday, Feb. 1 and get your message on the specially prepared card to be sent out in time for the servicemen to receive them by Feb. 14.

★ **Filene's** . . . is offering a chance for you to send a message to a special serviceman or woman in the Gulf. Any of the store's branches or the downtown Boston store will have a Valentine's Day greeting card ready for you to address and place your special message to someone serving in "Operation Desert Storm." Drop by any Filene's store before Feb. 12 and send your Valentine along.

★ **A Rally** . . . will take place at the State House on Saturday, Jan. 26th at 1:30 p.m. in support of service men and women in Operation Desert Storm.

★ **Charlestown Residents** . . . will hold a march in support of our servicemen involved in Operation Desert Storm on Saturday, Jan. 26th at 2 p.m. The march will start at the Doherty Playground on Bunker Hill Street, and proceed down Bunker Hill Street to the Bunker Hill Monument. All are welcome.

★ **Two New Servicemen** . . . have been added to the list of Charlestown residents now serving in the Gulf. They are:

★ **Persian Gulf Hot Lines** . . . have been set up. WBZ's "Call For Action" has converted its line for people needing answers about the Persian Gulf War. Issues that will be addressed include airport airline safety, military draft possibilities, location of demonstrations for and against the situation and the whereabouts of family and friends in the Gulf. Call 787-2300 weekdays between 9:30 a.m. and 8:30 p.m. . . . Sen. Edward Kennedy's office has created a special telephone line to provide information and assistance to Massachusetts families who have relatives in the Persian Gulf conflict. The line will be staffed from 9 a.m. to 8 p.m. weekdays and from 9 a.m. to 5 p.m. on weekends. The telephone number is 565-3182. Calls not involving military family issues should be directed to 565-3170.

★ **And While Our Servicemen Are Fighting In Operation Desert Storm** . . . Let's all of us here at home keep in contact with the servicemen and women so they will know they have our support. Wear a yellow ribbon, tie a yellow ribbon on your automobile antenna or keep a single white bulb burning in your window throughout each night — or do all three — until our troops are safely home.

## Keeping Watch . . .

### Let Us Also Keep Watch . . .

Our troops in the Persian Gulf have been keeping watch for us over the past six months — let us also keep watch for them. Why not place a single, clear-bulbed Christmas candle in your window . . . not in support of war, but in support of our many family members and friends who are in the desert of Saudi Arabia. Light your candle each night at dusk and let it burn until dawn as a symbol of the hope for peace and homecoming.

## Community Prayer Service

(continued from page one)

Francis de Sales Church; Rev. James Canniff, pastor of St. Mary's Church, Rev. William McConnell of St. Francis de Sales and Kathleen Giordano. Mayor Raymond L. Flynn's delayed arrival did not allow his active participation in the service, but he joined the gathering in prayer and greeted worshipers as they left the church.

The emotional but uplifting service has prompted

other gatherings in the community. Beginning on Wednesday, Jan. 30, St. Francis de Sales Church will offer a Mass for Peace at 7 p.m. each Wednesday until the crisis is over. This Saturday, Jan. 26 at 2 p.m., a march to support the troops in the Persian Gulf will meet at the Doherty Playground on Bunker Hill Street and proceed to the Bunker Hill Monument. All are welcome to participate in these events.

## Charlestown Youth Hockey Notes

by Peter Golden

### Squirt I Report

The Squirt I team of the Charlestown Youth Hockey Association continued its winning ways with a 7-1 victory over Hyde Park. Pat Walsh, Mike MacPherson and Terry Smith led the attack with two goals each. Bill Burke added the seventh tally. This was a determined effort that reflected the best in the game of hockey. Two-way pinpoint skating, passing and hustle along with outstanding goaltending by Pat Lacey were on display Saturday morning at the local rink.

### Squirt II Report

The Squirt II team split its two weekend games. Saturday saw the IIs fall 9-2 to Dedham. The game was a winnable one despite the score. Greg Lavallee and Rob Celata scored for the "Townies." Coach Kane felt his team was too concerned about its first game in a higher division.

The IIs proved that they could still win by dumping a strong Canton club 3-1 on Sunday. Jim Kane accomplished all the scoring with a hat trick. Mike Machado came up with another big game in goal. Ed Prince and Mike Carroll were cited by Coach Kane for their fine play.

### Mighty Mites Report

#### GBL Mites

The GBL Mites also split

its weekend contests.

Brookline defeated the local skaters 6-1 on Saturday morning. The lone local lamplighter was Greg Stein who finished off a nice pass from brother Matt.

Sunday saw Dave Bryson's squad bounce back into the win column with a 7-3 victory over Pembroke. Matt Stein and Fred Arroyo led the way with two goals each. John Ahern, Jeff Fidler and Brian McCreary also found the scoring touch. This game also saw the return of the passing wizards as the Mighty Mites returned to their winning ways. Ed Kelly played an excellent game in net as Jimmy Garvey took a fine turn on the blue line. Greg Stein, Chris Breen, Ryan Tucker and Mike Kelly were saluted by Coach Bryson for their unselfish play.

### Lynch Club

The Woburn Mites, coached by Ed Lynch, are enjoying play in the higher division. Lynch's lads presented their coach with an early birthday present, a 2-1 victory over Waltham. Chris Hayes and Joe Wilkins had the scoring touch and Ryan Connolly made the lead stand up.

### Murphy Club

John Murphy's Marauders recorded a 2-2 tie with Newton. Mike Doe and Joe O'Neill were the Marauder snipers. Assists went to Mike Smith with two, and

John Murphy and Pat Doe. Jonathan Castro was immense in the goal to help preserve the tie. Coach Murphy also lauded the fine play of Bob Lawrence on defense.

### Bantam Report

The Bantams fell to Framingham 6-3 despite the great effort of Kirk Titcomb in goal. Goals were notched by Mark Saitta, Sean Connolly and Gordon D'Ambrosio. Paul Myers, Sean Connolly, Mark Saitta and Josh Smith each recorded an assist.

### Pee Wee Report

The Pee Wees, despite Mike Collins' two first-period goals, fell to Parkway 6-2. Mistakes in their own defense cost the Pee Wees their early lead and ultimately the game, as Parkway scored six unanswered goals.

### In-House Teams

Saturday evening's first game saw the Bruins defeat the Sabres 7-1. Fred Arroyo led the Bruins' attack with a pair of goals. Steve Lenane, John Ahern, Tim Smith, John Tobin and Chuck Ciulla each added a single tally to the Bruins' total. Bob Lawrence had the lone Sabres goal.

\*\*\*\*

The Flyers overwhelmed the Wings 12-4 to ice their sixth victory. Jim Kane was the Flyers' main sniper,

lighting the lamp five times. Pat Doe chipped in with a pair of goals. Ryan Mainey, Tom Getchell, Sean Getchell, Ed Kelly and Mike Carroll added single markers to the Flyers' winning margin. Geoff Ferreira had a pair of goals for the Wings, and single tallies were added to the Wings' total by Chet Ferreira and Dave Bryson.

\*\*\*\*

The evening's final game saw the Whalers overwhelm the Hawks 14-2. The powerful Whaler attack was led by Chuck Hollien with a hat trick along with the Stein brothers — Matt and Greg with two goals each and Jeremy with one goal. Mike MacPherson also notched a pair of goals and single markers were put on the board by Sean Rae and Brian McGonagle. Ryan Tucker and Jamesy Grotorex were the only Hawks to find the scoring touch.

### Players of the Week

## Updated Athlete Honor Roll

by Bob DeCristoforo

There are many fine young men and women who take part in high school athletics. They have taken advantage of what the Mass. Interscholastic Athletic Association (MIAA) calls the "other half of education."

While the honor roll stresses the high school athlete, it in no way downplays the importance of all those who take part in any extracurricular activity at their school, whether it be the music club, student government, art club, drama club, school newspaper or any of the other fine and important school activities. You, too, are the GOOD KIDS we are proud of.

This is the next installment of my ongoing High School Athlete Honor Roll.

Stephen Smith, Ed Castronova, Mike Doherty and Brian Feeney, Charlestown High School, hockey; Joe Kacvinsky, Charlestown High School, basketball; Mark Saitta, Malden Catholic, hockey.

## Mahan Takes Charge In

### St. William Victory, St. Gregory Loss

by Bob DeCristoforo

The St. Catherine Junior Basketball Team made it two in a row, romping past St. William of Dorchester, 82-55.

Jonathan Owens led St. Catherine's scorers with 22 points, but the 10-point half time lead doubled and tripl-

ed quickly in the second half.

This surge was led by Stephen Mahan, who scored 12 of his 16 points in the second half. Jim Burke had another fine game and Joey Kacvinsky continues to prove his worth on the team.

This league continues to

be highly competitive and anyone can beat anyone on a given night.

A vastly improved St. Gregory team from Dorchester proved this point by a point, defeating St. Catherine's in the final seconds 85-84.

In what was one of the more exciting games of the year, Mahan led all scorers with 24 points. Mike Erardi came back very strong with 21 points and Owens tossed in another 20 points.

On Monday, St. Catherine's Juniors will host St. Brendan's of Dorchester and then travel to St. Andrew's in Jamaica Plain on Tuesday.

by  
**Father Ron Coyne**

• **St. Catherine's Sponsors Eighth-Grade Boys Olympics** — On Tuesday, Feb. 19, St. Catherine's will sponsor an eighth-grade boys olympics at West Roxbury High School. Over 30 parishes have been invited to participate, but only 14 teams will be accepted. Each team will consist of 15 eighth-grade boys who will compete in basketball, volleyball, gym hockey, relays, water basketball and a superstars contest beginning at 10 a.m. We will leave by bus at 8:30 a.m. and the day will conclude at 6 p.m. A lunch of subs and tonic will be provided for all participants. Trophies will be presented at the end of the day. Any eighth-grade boy from public or parochial school who would like to play on St. Catherine's team should call Father Coyne at 242-1750.

Because we are sponsoring the event, all refereeing and scorekeeping will be done by high school students from Charlestown. Any boy who would like to serve as a referee is asked to call Father Coyne.

An eighth-grade girls olympics will be held during April vacation.

• **CYO Day Ski Trip** — St. Catherine's CYO will sponsor a one-day ski trip on Saturday, Feb. 16. This trip, run by Youth Enrichment Services (YES), is open to all Charlestown teen-agers and limited to 35 teen-agers. The cost is \$30 and includes a lift ticket; skis, boots and poles; a lesson; and transportation. Participants must attend a fitting on Tuesday, Feb. 12 at YES Headquarters at 412 Massachusetts Ave. A bus will leave St. Catherine's Church at 4 p.m. and return about 7 p.m. You should leave your name and \$30 at the rectory, 49 Vine St., as soon as possible and pick up a permission slip. Chaperones should call the rectory.

• **Wrestling Matches At The Garden** — We have 40 tickets for the WWF wrestling matches which will be held on Saturday, Feb. 2 at 8 p.m. at the Boston Garden featuring The Ultimate Warrior and Macho Man Randy Savage and Rowdy Roddy Piper vs. Mr. Perfect. Tickets are now on sale at St. Catherine's Rectory, 49 Vine St. The cost is \$9 per person and anyone may purchase tickets.

• **Scavenger Hunt For Teen-Agers** — St. Catherine's CYO invites all Charlestown teen-agers to take part in a Scavenger Hunt. Teens 13 and older are asked to form teams of five. All teens will meet at St. Catherine's School Hall at 1 p.m. on Saturday, Feb. 2. They will be given a list of 100 items and will have two hours to get as many of the items as possible. The teams will travel only by foot. Please call Father Coyne at 242-1750 if you would like to form a team.

• **Congratulations To Adult Confirmation Candidates** — For the past four Thursday evenings, St. Catherine's has sponsored classes for adults who had not received Confirmation in the past. Father Reilly, Father Mattau and Father Coyne gave classes on the Sacraments, the church, morality and the Scriptures and through this program 25 adults will join in the celebration of Confirmation in the parish on Sunday, April 21. We congratulate these men and women who attend the classes and spent valuable time updating their view of the church and asking questions to better understand their faith.

This program will be offered periodically so that other adults in the community may receive the Sacrament of Confirmation if they choose to do so.

• **Praise For Our Teen-Agers** — Last weekend, the CYO sponsored a three-day ski trip to Sunday River, Maine, which is one of the biggest and best ski resorts in New England. We had 43 teen-agers ranging from 14 to 19 years of age. This is the first time in many years that St. Catherine's has sponsored an overnight trip for teen-agers and we realize this is not easy to do in today's world but we are convinced that the young people of Charlestown deserve these opportunities and will respond well to the invitation and the responsibility.

We wish to thank our teen-agers for their cooperation and attitude that made this trip so enjoyable for all. Because of this positive experience, we will continue to sponsor trips so that you and others can enjoy healthy activities sponsored by the CYO. We extend special thanks to chaperones Linda Lacey, Steve Fabiano and Joe Porter who accompanied Father Coyne.

• **Catholic Schools Week Features "Family Feud"** — To help celebrate Catholic Schools week at St. Catherine's, we will host the famous TV. show "Family Feud" for boys and girls in grades six, seven and eight as well as faculty members. We will have 12 teams competing for prizes as they attempt to figure out the answers of T.V. audiences. All questions are taken from official Family Feud games. Parents are welcome to join the audience at 9 a.m. on Tuesday, Jan. 29 at St. Catherine's School Hall.

## Junior Bowling League Update

by **Judie Dunphy**

In the second week of the Junior Bowling League's second-half action, Sean's Elevator holds boasting rights to the first place crown, topping the field of 12 teams. It's still early in the season and the young bowlers are getting better and better each week, so watch out Sean's Elevator!

Standings	
Team	Points
Sean's Elevator	16
Erins	14
Kennedy Center	12
B & B Oil	10
Charlestown Patriot	8
Mama Maria's	8
Bunker Hill Florist	8
Jenny's	6
Sweeney's	6

Good bowling takes dedication and practice. The best way to improve is to faithfully come to bowling each week. The "Great 12" is an elite group of youngsters who have made that extra effort and have not missed a single week of bowling. Included in the "Great 12" are: Danny Lakeman, Janell Justice, Nicole Marino, Sean Reilly, Christine Lewey, Stephen Burke, Matt Lakeman, Billy Lewey, Danielle Justice, Jason Flint, Nicole

Eddy and Michele Marino.

The league is seeing marked improvement in the overall averages of its budding super-stars of bowling. The high average for the week goes to Vinnie Sassone of Erins who bowled a 74.7, followed closely by Janelle Ortiz of Sean's Elevator with a 73.8. Stephen Burke of Jenny's bowled a 69.4 and Robert DiFrummolo of the Kennedy Center had a 69.3 average.

Kerrigan's was well represented by Ian Burke bowling a 65.0 as was the Patriot by Michelle Marino with a 62.8. Mama Maria's boasted a pair of bowlers with high averages, Kelly Gilgunn with a 62.4 and Billy Lewey with a 61.8. Jason Flint of Mr. Gourmet came in with a 61.6 and Greg Masse of the Patriot had a 60.6. Jason Melaugh of Jenny's and Kerry Locke, who bowls as a spare bowler, both chalked up a 60.5 score. The magic number for Billy Durette of the Kennedy Center and Christine Lewey of Sean's Elevator was 60.3. Bunker Hill Florist's Janell Justice finishes off this week's list with a 60.1.

The action continues next week, so stay tuned.

### CHAP To Sponsor Legislative Workshop

The countdown to an important event for everyone continues. This is just a reminder from the members of the Charlestown Healthy Aging Program (CHAP) that a workshop will be held at the Charlestown Branch Library, 179 Main St., on Tuesday, Jan. 29 at 1:30 p.m. Richard Harris, legislative director of the Boston Commission on the Affairs of the Elderly, will review legislation filed this year that will affect the elderly. All are invited to attend because any legislation passed concerning the elderly will affect us all soon-

er or later! This is why it is important to know what is going on up on the "Hill."

Maybe your elderly parent cannot attend, you could attend for them. So come one, come all, let's learn together. Refreshments will be served.

Two reminders: AARP now accepts members at 50 years of age. CHAP's next meeting will be held Tuesday, Feb. 5 at 11:30 a.m. at the Constitution Co-op Apartments, 42 Park St.

For more information, contact Denise Monks at the Kennedy Center, 241-8866.

## Dorsey Appointed To Massachusetts Historical Commission

On Dec. 2, Gov. Michael Dukakis appointed James R. Dorsey of Charlestown to serve as a member of the Massachusetts Historical Commission, a division of the Office of the Secretary of State Michael J. Connolly.

In 1988, the membership of the MHC was expanded from seven to 12 members in order to provide a better balance between preservation experts and developers, and to assure broad representation for the concerns of the diverse and ever-expanding preservation constituency. The expanded membership, under the direction of Chairman Connolly, includes representatives from the Home Builders Association, the American Institute of Architects, the Society of Architectural Historians and the Museum

of Afro-American History. The Massachusetts Historical Commission was established to define the state's policy in historic preservation and pursue identification and protection of properties significant to the state's heritage; and to empower local communities through technical and financial assistance to identify and protect each community's significant historic and archaeological resources.

Dorsey has been the vice president of Corporate Communications for the Bank of New England since March 1990. He was educated at Indiana University and Illinois Wesleyan Uni-

versity with a degree in history.

## Ulatowski Named Employee Of The Year

Nora Ulatowski, formerly of Charlestown, was recently named the 1990 Employee of the Year by the Boston Water and Sewer Commission.

NORA ULATOWSKI

Ulatowski was recently promoted to manager of billing and adjustments in the finance department. She had been the supervisor of account review and liens in the customer service department.

Ulatowski's department is responsible for the billing of approximately 90,000 commission accounts each quarter. She reviews accounts upon customer request and makes appropriate adjustments if warranted.

"Nora's promotion this year reflects her ability to expeditiously and accurately process adjustments to quickly resolve customer disputes. This benefits the commission in enhancing its collection activities, and

customers in receiving proper attention to their account. She is an outstanding employee," said Patricia A. Fahy, acting executive director of the Boston Water and Sewer Commission.

Ulatowski joined the commission almost 11 years ago and was promoted to supervisor of account review and liens in 1982.

She now lives in Brockton with her husband, Paul, and their children Brian and Kim.

## Childs Engineering Receives Award For Engineering Excellence

Childs Engineering Corporation of Medfield has received the 1991 Small Firm Project Award for Engineering Excellence from the American Consulting Engineers Council of New England (ACEC/NE) for foundation repairs to Mystic Pier One in Charlestown.

Program recognizes outstanding work in protecting the environment and innovative, cost-saving construction methods.

The loading capacity of the pier was restored by stopping the corrosion of the steel. The pier was saved as a deep water facility

due to the nature of these repairs, according to Kenneth M. Childs Jr., president of Childs Engineering Corporation. The Massachusetts Port Authority

maintained the pier, Childs says, because the cost to repair it was less than replacing the piles or demolishing the old pier and constructing a new one.

## Board Of Appeal Approves Two New Construction Projects

by Kathy Giordano  
The city of Boston Board of Appeal approved the construction of two new family homes in Charlestown at its Jan. 22 hearing.

Kerry Campbell petitioned the board to construct a two-family house at 71 Russell St. The concerns of abutters were heard from three Russell Street residents and taken under advisement by board mem-

bers. The Boston Redevelopment Authority (BRA), City Councillor Robert Travaglini and the Mayor's Office of Neighborhood Services recommended approval with the inclusion that the abutters' concerns be addressed.

The board approved the request pending design review by the BRA. Campbell must also submit to the board detailed reports from technical and civil engineers on the drainage and foundation concerns raised by the abutters.

The request by Mr. and Mrs. Joseph Barnes to construct a one-family dwelling at 20a Ferrin St. received recommendation for approval from the BRA, Councillor Travaglini's office and the Mayor's Office of Neighborhood Services. There was no opposition to the plans.

The board voted to approve the request.

**LETTERS TO THE EDITOR**

Letters to the Editor must be signed and include name, address and telephone number for verification. The name will be withheld if the writer so requests. Anonymous letters will NOT be published.

**An Expression Of Thanks**

I feel profound and continuing gratitude for many Charlestown friends who shared in the gift of a speakerphone at Christmas. My special appreciation to Mrs. Matthew "Cissy" O'Neil Sr. for her generous giving of time and effort in making all the arrangements and the presentation.

The speakerphone is a most timely and useful contribution to my welfare. Diminished physical strength was making it difficult to hold a normal receiver for anything except short calls.

This gift has great meaning for me. It suggests that people still remember and care when one of their number has dropped out of action and can no longer be with them in the struggle to make and keep Charlestown a good place in which to live and rear families.

May God Bless All of You!  
Rev. Isaiah I. Sears

**Support The CHS Hockey Team**

To The Patriot:

I am writing a letter on how good the Charlestown High School Hockey Team is doing. Here's a team that walks to practice and does not have a bus waiting outside for them after games. Most players get rides from parents or friends.

The team is 8-0 this year, was 13-1-1 last year and had three losses the year before.

All of the players are "Townies." In goal is D. Centola, on defense are S. Smith, J. Fitzgerald, J. Gillen and P. Owens; up front are B. Kempton, A. Matson, J. McLaughlin, D. O'Brien, C. Rizzo, M. Dollosa, B. Feeney, D. Dol-

Superintendent Joseph McDonough  
26 Court Street  
Boston, Massachusetts

Dear Mr. McDonough:

Recently representatives of the Charlestown High School Parents Council approached the Charlestown Neighborhood Council to ask for our support in their efforts to ensure safety measures at the local high school. The council unanimously voted to support the parents based on community public safety concerns.

It was brought to our attention that a disruptive and sometimes violent climate has existed at the high school for nearly a year, and that the parents have been unable to elicit any satisfactory response from the school's administrators, faculty or from the School Department. The parents maintain that the school's climate does not promote education and that their children are afraid to attend school.

**Thanks From 'Townie Santa'**

The "Townie Santa" Committee gratefully acknowledges the contribution made in memory of Dominic Giarratani Sr.

**Neighborhood Council Supports  
CHS Parents Council**

January 16, 1991

The council's position is with the safety of the community. The violent incidents at Charlestown High School last June and over the course of this school year inevitably spill onto our streets. We would like to prevent any more serious incidents that may occur at the school and trigger reactions in the community.

We strongly urge you to take action to ensure that all students are safe in the school building. There is a need for structure, enforced disciplinary procedures, accountability for student attendance and whereabouts, and a strong statement from the administration that clearly shows the students that violence and aggression are absolutely intolerable in school.

Please be advised that the Charlestown Neighborhood Council will support the parents in their continued efforts to reach the administration and School Department to have their concerns addressed in an effective, satisfactory and timely manner.

Sincerely,  
Mel Stillman  
Public Safety Chairman  
Charlestown Neighborhood Council

**Thanks To 'Townie Santa'**

Dear Friends,

We want to thank you for the very generous gift boxes and the delicious hot turkey dinner you delivered to us for Christmas. We enjoyed everything that was in them including the lovely afghan (lap robe). We were so grateful for everything.

God Bless You All,

### Win Powers Walsh Is On The 'Run'

Win Powers Walsh has thrown her bonnet into the ring and declared herself a candidate for Mayor of Charlestown.

This good-natured race for Mayor of Charlestown is a fund-raising tool for the Charlestown-To-Charlestown Committee, a non-profit organization. The race was organized in 1983 to raise funds to send a local young lady to represent Charlestown, Mass. in the International Western Rose Festival in Charlestown, County Mayo, Ireland. Proceeds from the Mayor's race will benefit the Charlestown Rose Contest to be held in June.

Walsh says, "Being elected Mayor of Charlestown means I'd be the one to represent our community in Charlestown, Ireland. This would fulfill my dream to visit Ireland, since I've never been to the land of my ancestors. This would be an ideal opportunity for me to meet my family members in Galway. I've wanted to go there for a long time and if I'm the one chosen to be Mayor of Charlestown, I'll have a wonderful excuse to visit the old country."

Walsh was inspired to take the plunge by the 1989 Mayor of Charlestown Rennie Murphy Walsh, who will act as Win's campaign manager. "Rennie's tales of her trip as our representative really inspired me to make this run. And with Rennie as my campaign manager, we'll be working very hard to see that I'm elected the next Mayor of Charlestown," she said.

Win is married to Mike (not the mailman) Walsh. They live on Sullivan Street with sons Michael, a student at Northeastern; David, who goes to Don Bosco; and Christopher, at St. Benedict's. Daughter Stephanie goes to Matignon and their dog, Suzie, is best known for her Celtic's

sweater.

So have a dollar handy when you see Win selling votes around town. For more information on the Mayor's Race, contact Arthur Hurley, chairman of the Charlestown-To-Charlestown Committee, at 242-2724.
