▶ [The future of flight? Google founder Larry Page's tiny personal plane doesn't even need a pilot's licence](#)

A tiny personal aircraft developed by Kittyhawk, a company backed by Google co-

founder Larry Page, has been given its first public showing.

► **DOJ Watchdog Finds Comey Engaged in 'Insubordinate' Behavior During Clinton Email Probe: Report**

ABC News reports that sources confirm the Justice Department's internal watchdog will release a report concluding that fired FBI director James Comey engaged in "insubordinate" behavior during the 2016 election cycle.

► **8 Times Obama's Intel Set People Up to Fabricate Russia Story**

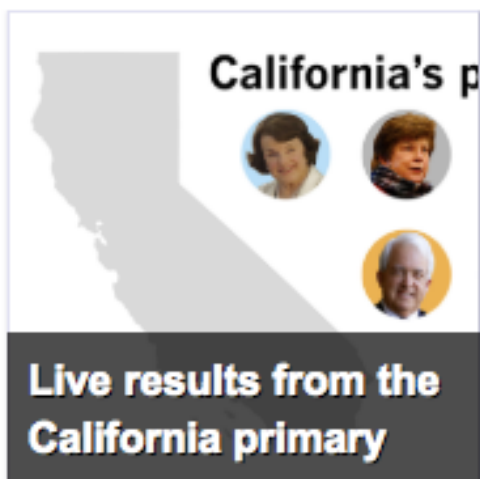

► **Facebook Gave Data Access to Chinese Firm Flagged by U.S. Intelligence**

New York Times – Michael LaForgia – Jun 5, 2018, 4:07 PM – Facebook has data-sharing partnerships with at least four Chinese electronics companies, including a manufacturing giant that has a close relationship with China's government, the social media company said on Tuesday. The agreements, which date to...

► **Live results from the California primary**

Los Angeles Times – Los Angeles Times Staff ► Top two finishers advance to November election ► Not sure which races to watch? Track results where you live. Top two finishers advance to November election ...

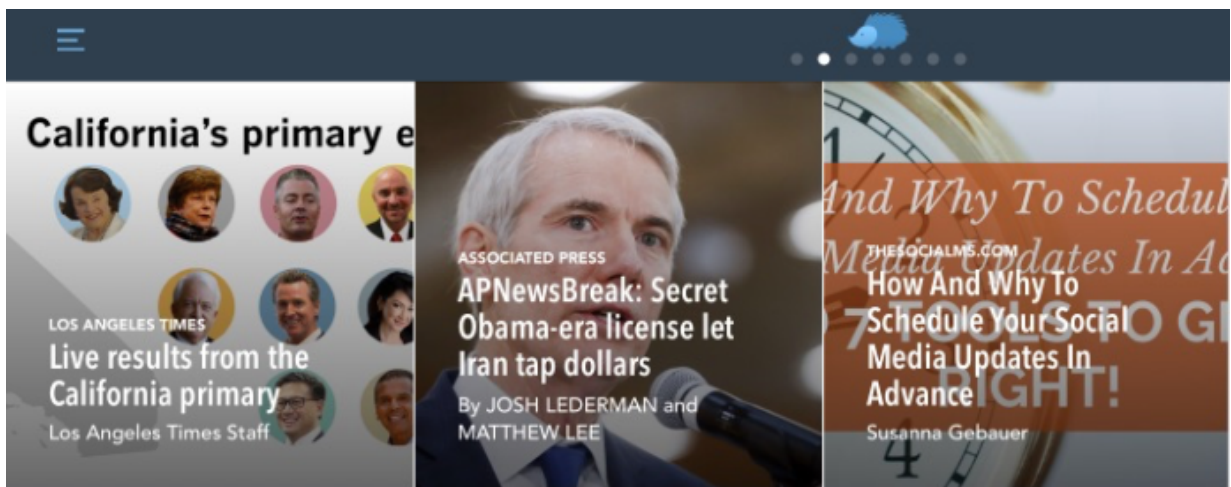

Newt Gingrich: The Republican comeback is a real threat to the elite media's 'blue wave' theory

Fox News – Newt Gingrich – Jun 5 – Every time members of the elite media mention the “blue wave” that is supposedly coming in the Nov. 6 congressional elections, they seem more and more delusional. In fact, as the elections draw closer, Republican victories are looking...
