

Skeabost House was built in 1871 and established as a hotel many years ago. Wonderful sunsets can be seen in the western skies and also on clear dark nights, an array of stars and planets against a velvety backdrop.

This feature has inspired one of the past owners in adding a beautiful casual dining and large conservatory extending the original building. We are happy to open this wonderful space to our guests after a long needed refurbishment. Our aim will always be to ensure that whatever the occasion it will be a meal to remember.

We wish you an enjoyable Dining experience,

Anne, Ken, Jennifer, Matthew and the Skeabost Team
