A lot of posts for today 😊. So that means there is a lot to break down! So first off I got 60lbs dumbbell flat bench presses. For a total of 8 reps. This felt really really easy and I think I could have bumped out another 4 reps MAYBE 5-6 before quitting. But I doubt that. Then I went on to do 70's for 6 reps and could have got another 2 as well.👇
