

17 March 2020

**THE YMCA OF KUALA LUMPUR COMPLIANCE UNDER THE NATIONAL RESTRICTED MOVEMENT ORDER OF 18 MARCH 2020 BY THE MALAYSIAN GOVERNMENT.**

Greetings to all YMCA KL Members, Volunteers, and Guests,

Firstly, we hope everyone is in good health and safe.

Secondly, as of 18 March 2020, Wednesday, the YMCA of Kuala Lumpur is taking necessary measures to officially temporarily close all Facilities in YMCA KL in response to the COVID-19 (Coronavirus) pandemic and therefore halt all Courses, Activities, Events and Training Sessions until 15 April 2020, Wednesday, when further action will be taken by our Management.

In line with the latest directive from the Malaysian Government, the YMCA of Kuala Lumpur Hostel will operate until the last check-out from the existing in-house guests and no additional check-ins are allowed for new guest effective on 18 March 2020 until further notice.

This closure is not to be taken lightly as YMCA KL moves in compliance with recommendations for Movement Control Order by the Government of Malaysia. This measure directly affects over 4,000 members, programs, courses, training and child care participants, plus our many staff and volunteers. Please know that the YMCA of Kuala Lumpur considers this closure the best way we can serve the YMCA KL Family and the Klang Valley community at large.

We encourage our members and followers to watch our Facebook Page, Twitter updates and/or Website for more information. Do not hesitate to give a call to our Front Desk at 03-22741439 (or Whatsapp) if you need further clarification. When the time comes, we will officially deliver an official reopening timeline.

The YMCA of Kuala Lumpur will continue to serve the Klang Valley community in any way that we possibly can during this period, guided by our core values of honesty, respect, responsibility and caring.

Yours sincerely,

Very Rev. Fr Philip Thomas

**About the YMCA KL**

The Young Men Christian Association (YMCA) of Kuala Lumpur is a well-established non-profit organization and among the earliest in Malaysia, founded on 27th October 1905. We are also one of the earliest organizations in Malaysia that focuses on Youth Development. For the past century, YMCA KL has been and will keep providing space for the collective growth of Body, Mind and Spirit through a spectrum of programmes and the other social causes aside from Youth Development that we advocate including Community Sports Development, Deaf Community and Senior Citizens.
