Let me be very clear Success is not about the cars you drive! cars can be stolen or rented! it's not about the jewelry you wear! Jewelry can be fake! It's not about the clothes you wear! Clothes go out of season. True Success is only measured by the People you have made a difference in their lives. If people can't point to you and say YOU are part of the reason they became Happy and Grateful for the life that they have, YOU are not a Success in my opinion. Don't be fooled by the flex on social media pay attention to the receipts and the real receipts is the Lives Impacted. If you are offended by this post then YES I am talking about you. But if you are **INSPIRED** and you are ready to really Impact the lives of people in a positive, truthful way then share this post with everyone you desire to Impact. I Love you and that's why I am speaking **TRUTH!**
