Il y a huit ans, je dirigeais l'équipe qui vint à bout du tyran Andross. Rien que pour ça, j'ai reçu l'assurance de la gratitude éternelle de tous ceux qui vivent sur le Système Solaire de Lylat. Je peux quasiment piloter l'Arwing les yeux fermés et je peux atteindre un morceau de débris d'espace que pratiquement neuf pilotes sur dix ne pourraient même pas distinguer avec un Dispositif d'Affichage Haute Définition. Les services de l'équipe Star Fox sont toujours disponibles, à condition que je voie la couleur des billets d'abord. LA fausse modestie n'est pas mon truc. Je préfère avoir des résultats.

Run the Elite Out of Town.

Friends, Runners, Cozzenymen, lend us your ears. After years of dissatisfaction, it's time to put the elite where they belong—on the wheels! Flatiron has an uncanny knack of repeating itself, and just like 1977, the future is now. That's because we've recreated our original styles and crafted them to look 30 years old—fresh out of the box. And it's all there, almost to the nth. 1970s-grade nylon. Hand Sewn. Aged faces. Weathered foam. And, of course, that velvety suede-like suede.

So, comrades, lace up and embrace the revolution. It's your turn to start running things.
