Information Sheet
Hollis Community Council, Inc.
Surplus Equipment

Item: Case 580B two wheel drive backhoe with front loader bucket

Year: 1973

Serial Number: 5265983

Description: Machine is used but does start, run and drive. Was painted within the last several years and is in generally fair condition. The full mechanical condition is unknown and may need some work in order to be used on a regular basis. Hour meter reads 567 hours, however this is not correct and the actual hours are unknown. Tires are in very good condition and were almost new when this machine was purchased by the Hollis Community Council, Inc. several years ago.

This machine is being offered in as is condition with no warranties or guaranties given, offered or implied. Once purchased, the Hollis Community Council, Inc. is not responsible for the condition of this machine mechanically or otherwise. Buyer is responsible for all repairs and liabilities once bid is accepted and payment is received.
