Presidential Approval numbers are very good - strong economy, military and just about everything else. Better numbers than Obama at this point, by far. We are winning on just about every front and for that reason there will not be a Blue Wave, but there might be a Red Wave!	Sun Aug 05 20:01:17 +0000	Negative
..Because of Tariffs we will be able to start paying down large amounts of the \$21 Trillion in debt that has been accumulated, much by the Obama Administration, while at the same time reducing taxes for our people. There is No Collusion! The Robert Mueller Rigged Witch Hunt, headed now by 17 (increased from 13, including an Obama White House lawyer) Angry Democrats, was started by a fraudulent Dossier, paid for by Crooked Hillary and the DNC. Sorry, I've got to start focusing my energy on North Korea Nuclear, bad Trade Deals, VA Choice, the Economy, rebuilding the Military, and so much more, and not on the Rigged Russia Witch Hunt that should be investigating Clinton/Russia/FBI/Justice/Obama/Comey/Lynch etc.	Tue May 29 11:27:07 +0000	Negative
