There is NO action the Queen of England makes regarding Prince Harry that will amount to ANYTHING. The questions many (including myself) have asked over the years are better understood now (God allowed me go through a lot of experiences, even till now, to understand certain things personally devoid of emotions which I have boldly communicated).

Prince Harry deserves to be commended for sacrificing the 'pleasures of Ephraim' to stand for THE TRUTH (including the seeming mystery surrounding the death of his mum).

It is NO longer surprising to me that NO major Christian gathering in the country prayed for a young lady who was held hostage for years for her refusal to deny Jesus Christ, an act even many cannot do (many on the pulpit have denied Christ for money over and over again, hence, they cannot accept the historical truth about tithing).

Irrespective of the reason given for the refusal to pray for Leah Sharibu in major Christian gatherings, these church leaders should be ready to give account to Jesus if they would have taken same step for their own child (obviously they would have performed a continual prayer chain for theirs).

Many church leaders who ignored the warning on the nature of people who brought money into the church should understand why they could NOT speak when it mattered most, like in the case of Leah Sharibu, but were EASILY misled into unnecessary protest March which led to the death of more good people who were innocently misled by blindly following the steps of 'spiritual' fathers who now hear from people (Mammon) more than the Holy Spirit.

Anyone who claims to be a Christian and cannot profess at least the 1st Stanza (part) of THE APOSTLES' CREED (i.e. attest to it by proclamation with his/her mouth) should know that his/her Christianity is in doubt.

Historical beliefs have it that there came a time in the history of the church when people had to confirm/affirm the statement in the creed to be accepted into the Christian fold as there were many who disguised as Christians for EVIL.

I would want the activities of Rear Admiral T. Dakwat monitored continually. I knew him at the church I attended while I was living in Nasarawa State (RCCG Freedom Chapel, Nasarawa Province 1 H/Q, Mararaba) and I have information that he has links with evil acts perpetrated in Jos and has been using his influence negatively in the church in a HIGHLY disguised manner.

He was the 1st person I tried calling before calling my then Pastor, K. S. Babalola (as well as rapid response which did not go through) on the night I was almost killed by suspected sponsored criminals (as publicized previously).

He did NOT pick his call and the SMS he sent later after I publicized the incident was VERY strange and suspicious.

More details can be found in the links and sub-links overleaf.
