

Adorn Your Bathroom with the  
Beauty of Kohler Abrazo Bathtub

**Kohler designs products** that have an undeniable charm and elevate the magnificent personality of a contemporary powder room. Inspired by clay pottery, Kohler Abrazo makes a powerfully bold statement in a **modern bathroom**. Abrazo is designed to offer deep relaxation with water levels that allow full submersion with slotted overflow. This [freestanding luxurious bathtub](#) is designed using Kohler Lithocast® resin that offers a perfectly smooth finish and a warm feel. Kohler's Abrazo adds dramatic yet sensuous harmony to a bathroom.

Abrazo is designed to exude visually stunning shapes that combine beauty with unparalleled comfort, setting new trends that defy the usual aesthetics. The distinctive ovoid shape of Kohler Abrazo reflects handcrafted elegance and meticulous craftsmanship. Sleek and contemporary, with an organic twist, the Abrazo enhances the beauty of any **modern luxury bathroom design**.

## **An Inspiring history of creating luxurious works of art**

For 147 years, Kohler has been leading the world with the true spirit of luxury and gracious living. Kohler artists and designers endeavor to meticulously craft the future of opulence and to create benchmarks in the space of luxury living. Each day, we re-imagine bath and kitchen spaces using leading design trends and cutting-edge technology. Whether we are creating Kohler bathtubs, bidet seats, faucets, kitchen tap spouts, or western toilet accessories, we make sure we share an unparalleled luxurious experience.

Now, Kohler products are available across the countries of West and East Africa including Kenya, Ethiopia, Tanzania, and Nigeria. Contact us at [contact.africa@kohler.com](mailto:contact.africa@kohler.com) or visit
